SONG

DERIVED FROM THE INDIAN WORD "WOHSEEPEE"

— MEANING —

★ Brightwaters ★

o o Brightwaters o o

is an old established and well-known waterfront community on the beautiful South Shore of Long Island. Merrick Road, Long Island's most important artery of traffic traverses the property, as does the important new Southern State Parkway. South of Brightwaters is the Great South Bay, one of the finest bits of pleasure sailing in the world. Bayside, of nation-wide fame, adjoins it on the East. On the West is the thriving town of Babylon.

The healthfulness of the Brightwaters section is proverbial. By actual tests over a period of years, it has been determined that, during the Winter, the temperature here is five degrees warmer than in the city, and during the Summer, on the average, it is five degrees cooler. And always there is the added delight of salt ocean breezes and balmy pine air.

3.

Bring your friends to see Brightwaters-on-'ie-Bay,
Ev'ry one who comes to see will want to stay,
Ev'ry one will want to tell,
Of the place they like so well,
For Brightwaters is a place you can't excel.

REFRAIN

On the Lake front at Brightwaters let me stroll,
On the bathing-beach among the waves we roll,
Or among the Pines so sweet,
We'll enjoy life most complete,
We will surely like Brightwaters-on-the -Bay.

4.

We'll go sailing or go fishing down the Bay,
We'll enjoy a game of golf most any day,
In a Hammock 'neath the trees,
We'll enjoy the cooling breeze,
At Brightwaters on the shore of Great South Bay.

REFRAIN

There is no place quite so pleasing that I know,
There is no place I would rather like to go,
There is no place quite so rare,
There is no place can compare,
There is no place like Brightwaters any where.

LONG ISLAND

Tomorrow you'll pay a fortune
for what you can buy for
a trifle Today!

IN releasing Brightwaters to the public, the owners do so knowing that never again can such desirable property be offered at equally low prices. In all truth, here is a millionaire's paradise brought within your reach. From any standpoint, Brightwaters merits your active interest.

If you want an all year 'round home where you can bring up your family among beautiful and healthful surroundings, we ask you to consider Brightwaters. If it is necessary for the head of the family to commute to the city daily, he will find that the traveling time is a great deal less than to some points that are ACTUALLY IN THE CITY. Monthly commutation rates are surprisingly reasonable. Every year finds more and more of the summer residents remaining to add to the number of permanent residents. After the joys of the summertime, they find themselves unable to go back to the drab life of the city.

If you are seeking an investment that holds unquestioned profit possibilities, you can do no better than follow the lead of expert real estate opinion that unanimously believes in the future of Long Island. Right here, in Brightwaters, we can point to property that has been disposed of by the original owners, at large profits.

For
investment

If you are one of those farseeing persons who can realize the advantages in having a summer home away from the heat and confusion of the city, here are more attractions than you will find no matter where you seek. The prices that we are asking for bungalow plots have been described as ridiculously low by trained real estate people.
