## Selectmen's Report

We look forward to our second (!) annual meeting on July 21st. This will be your last chance to attend two meetings in one year and will complete our transition from a calendar year to a year that follows the State, July 1<sup>st</sup> through June 30<sup>th</sup>. This change is due to the high cost of education, with State financials never getting to us in time for our usual meeting date in March.

Kelly Clancy, in her role as Administrative Assistant, is making our jobs so much easier. With Clerk Cindi Hasty and Deputy Clerk/Registrar Julie Cruz, you can always be assured of a warm welcome! Once again, please let all of them know how much you appreciate their helpful and cheerful attitudes serving you as our citizens.

The proposed Land Use Ordinance was soundly defeated at our annual Town Meeting in March 2017. With the sometimes challenging and always constructive input from a good-sized group of Bremenites, we met weekly for what seemed like forever to develop a land use ordinance that could fit the needs of Bremen. It was adopted unanimously. The Ordinance Review Committee moved on to improving the Appeals Board Ordinance, which was adopted unanimously at a Special Town Meeting. Once the Planning Board Ordinance is completed, the Committee will move on to the Shoreland Zoning Ordinance. A new Shellfish Conservation Ordinance has been adopted, and the Harbor Committee is continuing work on the Harbor Ordinance.

Our buildings continue to improve. The Town House got new cedar siding, and the sand shed was replaced, due to deterioration. And we're sure you all felt great sympathy for Jack Clancy and Ken Vinal as they replaced the siding on part of the Town Center in very cold and challenging winter weather! As always, things seem to happen all at once - we had a large septic repair, we had to replace the Town Center generator, and we had to buy a new copier for the office.

And then there was the extensive damage from the storm, which kept our first responders and firefighters very busy for several days. All of this on top of more than 130 calls to deal with throughout 2017. Please thank them, better yet, join them!

The Fire Department bought a new vehicle, a 2018 Dodge Ram 5500 4x4 with a drop-in skid unit and hose. They also received the donation of a

good-sized jet boat to use for rescue, or any other purpose that meets Town needs.

You will certainly have noticed the continuing improvement of all our Town roads. We chip sealed Medomak, Creek, Collamore, Town Landing, and Nobleboro Roads. Grading was done on Shore, Rial Herald, and Marble Roads; and extensive ditching was done on Rial Herald, Shore, Medomak, and Nobleboro Roads. Medomak Road saw tree trimming, and Creek Road has two new culverts installed as well as a reclaimed public access boat ramp which needed hay and seeding. In the summer Rial Herald Road will be paved, which will save the Town funds over the long run.

The Heath Road Bridge project took quite some time to decide on a final construction plan and to accept a proposal that the Town could afford (along with a \$95,000 grant from the State) and that would meet the needs of the public. Please be patient as the construction of the new bridge moves forward and the old bridge is removed. Go take a look at the quickly emerging new Chaney Bridge, dedicated to Horace Ransom.

The Hay Conservation and Recreation Area has seen increased use and is a much-appreciated part of Bremen. The Bremen Conservation Commission keeps working on maintaining the land we own as well as exploring various areas for increased public use.

We are very appreciative that we have so many Bremen citizens who are willing to step forward in both elected and volunteer positions. There is room and need for more of you to get involved; please join us!

Sincerely,  
Your Selectmen  
WENDY PIEH  
HENRY NEVINS  
JOHN MARSH

## **Assessors Report 2017**

James Murphy, Jr., Assessors Representative  
Murphy Appraisal Services, Inc.

This year, I will attempt to make sense of the age-old question of who has the right ‘market value’ - the assessor, the bank appraiser or the local real estate broker.

The short answer is YES, they can all have the correct estimate of market value based on the specific purpose and function of the valuation analysis. The long answer takes a bit more explanation.

Let’s start with the local real estate broker. The broker is asked to complete a ‘Competitive Market Analysis.’ This process looks to answer what would be the proper listing price for your property if you were going to sell the property. This estimate is somewhat looking FORWARD in time as to what might be a prudent listing price based on real estate listings, not just at past market history. It is the broker’s obligation under their professional ethics to obtain for the seller the maximum selling price possible. The broker’s estimate is inherently biased for the property owner, as it should be.

Some real estate brokers provide as a service an estimate of value for some reason other than to list the property. This is not an appraisal and is usually completed without cost.

Then there is the real estate appraiser. This process looks to answer a value question based on their professional analysis of PAST sales activity, usually sales within the past 1-12 months, typically concluding with an estimate of market value for lending purposes. An appraiser may also complete appraisals for a variety of other uses. It is the obligation of the real estate appraiser under USPAP (Uniform Standards of Professional Appraisal Practice) to support only their own conclusions based on the available evidence for the criteria of the assignment.

The real estate appraisal is going to have a cost, usually at least several hundreds of dollars upwards to thousands of dollars depending on the complexity of the appraisal and the type of property being appraised.

Finally, the local tax assessor. A town tax assessor takes past sales market history, usually 1-5 years depending on the amount and quality of the data, to project into the near future of 3-5 years, a valuation for taxation purposes. The local assessor is obligated under State Law to achieve ‘Just

Value' for all property types. The law court has said 'Just Value' is 'Market Value.'

Thanks for that, as if an assessor could exactly know the future market selling price of a property. It is not the obligation of the local assessor to follow yearly fluctuations of the real estate markets. If that were true, then there would be changes in your land and building values every year. While legally permitted, this would cause unreasonable uncertainty in values and the tax bills that follow each year. You would like your local assessor even less if values were jumping around each year.

There is no cost to you for the local assessor to come to your property and to review the facts about your property. It is the obligation of the assessor to be as consistent as possible to other like properties, not to have a low value or a high value. It is the goal of the assessor to set values based on past history and to hope that over the next 3 to 5 years to have overvalued half the sales and to have undervalued half the sales.

There are services online that provide valuations. Be wary of these services. The numbers are very questionable. For example, a property recently had a value estimate of \$210,236, \$251,804 and \$282,050 from 3 different online services. Those numbers are entirely too inconsistent for something as important as values used for tax assessments. Not everything on the internet is true. I know, it's hard to believe!

Where did these numbers come from? Ironically, from the town tax commitment. There are services that obtain our commitment values and then factor the values based on estimated market trends. I know of no mortgage lender, appraiser or assessor that uses these values for any purpose.

Lastly, safety, safety, safety. Recent changes in Maine law concerning Medical Marijuana, personal use and growing has me greatly concerned. People are protective of their property, I get that. I respect that. In the course of the assessor's duties, I am visiting many properties where these and other activities are taking place.

Most of the time I am at a property due to something the property owner initiated, such as a building permit, a recent sale or some other valid tax assessment reason. I will always wear a safety vest and have photo identification. I look like the part of an official on official business, please do not overreact. I am just doing the duties of a local tax assessor.

I will always knock on the door and attempt to make the property owner aware of my presence. I already deal with many issues at a property. This is one more issue I would rather not deal with, but it is what it is. If you are ever concerned, please call 911. I want you safe first, and me safe second.

Available are the Homestead Exemption, Veteran's Exemption, Blind

Exemption and other programs that can assist at the town and state level. Please call me at the Town Office if you have a question. I am usually scheduled for the Bremen Town office every other Wednesday.

#### ASSESSMENT STATISTICS FOR FISCAL YEAR 2017 (12 month)

Total Taxable Valuation \$ 173,164,500

2017 Homestead Exemption Valuation \$5,271,300

2016 Homestead Exemption Valuation \$4,005,900

2015 Homestead Exemption Valuation \$2,569,600

Commitment Date July 20, 2017

Last day to appeal valuation January 21, 2018

Tax (Mil) Rate \$12.80 per \$1,000 of taxable value

2017 Tax amount to be raised \$2,216,505.60

2016 Tax amount to be raised \$2,181,409.02

#### MUNICIPAL REVENUES and EXPENSES

Revenue received from...

Property Taxes 94.4%

Other Fees/State 5.6%

And Expenses for...

Education 57.9%

Municipal 30.6%

County 11.9%

Clyde E. Genthner, 86	Damariscotta	6/5/2018

## Bremen Volunteer Fire Department

The Bremen Volunteer Fire Department had another active year in 2017/2018. We had a total of 125 calls in 2017, and as of May 18th, we have had 45 calls in 2018. Below you will find our call totals.

	<u>2017</u>	<u>2018</u>
Medical calls .....	70.....	23
Mutual Aid .....	9.....	5
Motor vehicle accidents .....	19.....	8
Woods/grass fires .....	4.....	0
Search and Rescue .....	1.....	0
Shelter .....	5.....	1
Carbon monoxide alarm .....	5.....	1
Fire alarm.....	1.....	2
Storm related.....	10.....	5
Water rescue.....	1.....	0

This year has seen some major changes in the Fire Department. I was elected as the new fire chief in January 2018. I want to thank Fern Poland for leading the department for the last 12 years.

The Fire Department and First Responders work hand in hand on every medical call that we receive. You cannot ask for a better group of people. We could not provide the level of service we do if it were not for them.

The department spent many hours in training, both in-house and with mutual aid departments. The joint training is invaluable; it allows our departments to come together and act as one on any call we respond to. An interesting point is that members logged over 4,300 hours of service last year.

We continue to install blue 911 emergency signs. These signs allow us to locate you more easily and faster. If you are in need of a sign, please contact the Town Office, and we will install the sign for you free of charge. As a reminder, please ensure that driveways are trimmed back. This allows the Fire Department access to your location. Our apparatus is larger than most private vehicles.

After many requests the Fire Department and Patriotic Club will be having our supper/auction at the end of July this year.

The department has picked up a couple of new members and have had

the return of a couple of former members. We are always looking for new members. Please stop by the fire station any Wednesday evening at 6 p.m. for more information.

Thank you to all who support our Fire Department. I want to thank our firefighters and their families; without you there would not be a Fire Department. Thank you to all volunteers. We appreciate all your hard work.

Respectfully submitted,  
DONALD LEEMAN, Chief

**NEW MEMBERS ALWAYS WELCOME!**

## **Bremen Rescue/ First Responders**

If you are new to Bremen, you may not know who the Bremen First Responders are. We are a small group of residents, trained in Emergency Medical Service and licensed by the State of Maine, who respond to medical emergencies in Bremen. We do not wear uniforms but may be wearing a very yellow coat or vest and will be carrying a lot of equipment. We carry pagers and radios and respond in our own vehicles. The Bremen Fire Department responds with the Rescue truck to calls for medical help and provides help lifting, bringing equipment, etc. We are trained to start emergency medical help when we arrive, but we do not normally transport patients. Central Lincoln County Ambulance Service transports our patients and continues treatment, often at the paramedic level, en route to Miles Hospital in Damariscotta. The group was formed in the late 1980s, with Doug Wood as chief, to give quicker medical treatment for residents. Because we live in Bremen, we may know the person with an emergency, and we may be much more familiar with the small roads in town than the EMTs on CLCAS.

If you might be interested in becoming a Bremen First Responder, we'd love to hear from you! In order to become an EMT, you must complete a semester long course, passing all tests, both written and practical, and then also pass any state and federal tests. Every three years we must also renew our licenses through continuing education credits – earned at trainings here in Bremen and elsewhere. We always want to thank the members of the Bremen Fire Department, who are such a large part of what we do. Their help makes what we do so much quicker and more efficient.

Our newest member, Cheryl Tomasello, has almost completed all the requirements to become an Advanced EMT and has sailed through the testing. We hope to have her licensed and practicing at that level in the near future.

Respectfully submitted,  
HENRY NEVINS, Chief, EMT - B  
LINDA NEVINS, EMT - B  
LARRY SMITH, EMT - B  
CHERYL TOMASELLO, EMT - B

## Code Officer's Report

In 2017 there were five (5) growth caps issued and twenty-two (22) building permits issued, including three for green houses, one remodel, and one entrance permit. I also issued four (4) septic permits and twelve (12) internal plumbing permits in 2017.

Through mid-June of 2018, I have issued seven (7) building permits, four (4) plumbing permits and two (2) septic permits. Four (4) growth caps have also been issued so far this year.

Some of the land use ordinances have changed so if you plan on making any changes to your property, call the Town to see if you need a permit. In Bremen you need to go to the Planning Board for any work in the Shoreland Zone and can only build if you are outside of the one-hundred-fifty-foot mark.

Any remodeling and/or any building, including temporary buildings, need to have a permit. All plumbing, including new and replacement fixtures, also requires a permit.

If you have any questions, it is best to call and ask the Town Office or call me on my cell phone. Inquire before you build as after-the-fact fees are doubled, and in the Shoreland Zone fees are quadrupled for not getting the required permits.

Respectfully submitted,  
STAN WALTZ  
Code Officer  
Shoreland Zone Officer

## **Bremen K-12 Education Report**

Kimberly Schaff, Principal, Great Salt Bay Community School

Jim Hodgkin, Interim Superintendent of Schools, AOS 93

Sharon Marchi, Chair, Bremen School Board

Stephanie Nelson, Chair, Great Salt Bay CSD Board

### **Bremen, Grades 9-12**

My name is Jim Hodgkin and I am the Interim Superintendent here in AOS 93. I want to start by sharing how impressed I have been with the schools in AOS 93, the staff of those schools, and the communities that support them. This structure is new to me and it has certainly taken me some time to understand all the nuances that go with being the Superintendent of an AOS. I have greatly enjoyed working with the Bremen School Committee. Their support of the students who attend secondary schools in the area is well balanced with a fiscal focus for the citizens of Bremen. During this past year, they have had to deal with some challenging issues such as the change to the new fiscal calendar and that impact on budgeting for the secondary students of Bremen. Also, they have been working to ensure that all the students attending secondary school from Bremen are actually the responsibility of Bremen. Assuring that all students for whom Bremen is responsible are indeed residents of Bremen can be a challenging task. However, the three board members who represent you take that task and other roles seriously and do a thorough job.

Bremen is very fortunate to have Kerry Weber, Christa Thorpe, and Chairperson Sharon Marchi serving on the Bremen School Committee. Their commitment to Bremen is outstanding. Kerry will not be returning as a member of the Bremen School Committee. She has served for a number of years and will be missed. They are supportive and scrutinizing all at the same time. They clearly represent the “best interest of the students within the financial ability of the town.” That task is not always easily achieved.

As we head in to this budget season, we will focus our attention on developing a budget that accurately reflects the number of students attending high school from Bremen and decide on a reasonable number of “additional students” that may move in to Bremen during the next school year. Those two numbers and the AOS assessment to Bremen is primarily what makes up the Bremen School Board budget.

During the 2017-18 school year, the town of Bremen sent students to high school primarily at Lincoln Academy (33). However, another 6 students

attended other high schools or some other method of education for high school.

I thank you for the opportunity to serve as the Interim Superintendent this year and wish the Bremen community well in the future. It has been my pleasure to serve you this year.

**Great Salt Bay Community School (K-8th Grade):**

Great Salt Bay Community School is a K-8 grade school serving the children of Bremen, Damariscotta, and Newcastle. The mission of the school is to provide a nurturing, safe, and enjoyable environment in which all children are challenged and inspired to pursue excellence in all aspects of their education.

At all grade levels our learning curriculum is guided by the Maine learning standards. As described by the Maine Department of Education, these “academic standards provide a set of clear expectations as to what students should know, understand, and be able to explain as they progress through each K-12 grade level.” These standards include: English language arts, mathematics, science & technology, social studies, health & physical education, and visual & performing arts. In order to ensure the quality of our educational program, our students in grades 3 - 8 participate in the Maine Educational Assessment (MEA). Consistently, our students have performed above the state average in the areas of reading and mathematics at almost all grade levels. On the science MEAs, our fifth and eighth grade students performed well above the state average.

Seeking to provide our students with an enriching, vibrant, 21st century education, our teachers and staff supplement the classroom experience with visiting educators and field trips. Some of the visiting educators have included Mary Boothby (8th grade printmaking), Mary Cerrullo (3rd grade oyster program), Tim Dinsmore (7th grade archaeology unit), Sarah Gladu (DRA - environmental education), John Meader (myths & astronomy), Belinda Ray (5th grade writing program), and staff from Chewonki and the Darling Marine Center. Our students have participated in field trips to Biscay Orchards, Boothbay Botanical Gardens, Camden State Park, Maine State Museum, and Old Fort Western.

Great Salt Bay School recognizes that co-curricular and extracurricular programs are an integral part of the total educational program. The co-curricular programs include debate team, drama club, jazz band, math team, robotics club, student council, and yearbook. Our student athletes can participate in archery, basketball, cheerleading, cross country, field hockey, golf, soccer, softball, and track & field. In all of these sports, students have the opportunity to develop good sports skills and attitudes while playing against other schools in AOS 93, as well as the other schools in the Busline League.

Throughout the year the school hosts a number of events to strengthen the sense of community within the school and with the families of GSB. In the fall we gather together for our Open House and PTO sponsored Welcome Back Dinner, the Harvest Fair, and parent/teacher conferences. In the winter we showcase our music and arts programs with the Winter Band and Choral Concerts, the Beginner Band Concert, the Strings Concert, and the Young Artist Showcase. In the spring we encourage families to get involved in Unplug It Week, the Bike Rodeo, spring concerts, and finally our 8th grade graduation.

Recognizing the importance of connecting our students to their community, our school has built strong community educational collaborations. These include the Darling Center, DRA, Farms & Farms Kitchen, Hidden Valley Nature Center, Camp Kieve, Miles of Friends, Skidompha Library, and the CLC YMCA. Moreover, we pride ourselves in our efforts to give back to community. Each winter our school community sponsors a food drive, GSB Cares-A-Ton, which helps our local food pantry and we host a Red Cross blood drive. This year GSB has expanded its involvement with our senior living communities by bringing our musicians to perform at Coves Edge and Lincoln Home. These experiences enrich the lives of all those involved, especially our children.

Finally, Great Salt Bay Community School is fortunate to have an active PTO. The mission of the PTO is “to act as an organization that supports GSB students in their many activities and provide assistance to GSB staff in their numerous programs.” The PTO organizes fundraisers, including a Jog-a-thon in September and a “Spring \$5 Fundraiser,” with all proceeds benefiting the school in the form of school-wide cultural events, classroom tools, student scholarships, and extracurricular events. The PTO provides parents the opportunity to learn more about what goes on at GSB, as well as information on issues and topics that are important to parents and students. In addition to the PTO, the school community benefits from the Friends of Great Salt Bay. This non-profit organization is specifically dedicated to supporting our school with a mission to “Enhance the Education of GSB students.”

Each year the Great Salt Bay Community School strives to make the educational experience stronger for its students. Our goal is to “Be Better Than Our Best.” Our students are blessed to live in a community that recognizes that supporting its public school is one of the most important investments of all. Together we are making our future stronger as a community and as a nation by educating our children. Thank you for your support of Great Salt Bay Community School.

We look forward to continuing the Great Salt Bay commitment to excellence!

# Lincoln Academy

## Winter 2018 School Report for Sending Towns

**Lincoln Academy** is an independent secondary school chartered in 1801 to serve the midcoast area. It offers a comprehensive program, including courses at all levels in the areas of English, Mathematics, Science, Social Studies, World Languages, Fine and Performing Arts, Technology Education, Physical Education, and Health. Regional Vocational, Alternative Education, and Special Education programs are available. On a ten-year cycle Lincoln Academy is accredited by the New England Association of Schools and Colleges (NEASC), and was most recently reaccredited in 2015.

**Governance:** Lincoln Academy is governed by an independent Board of Trustees. Officers include: Christine Wajer '85, President; Sarah Maurer, Vice-President; Dennis Prior '91, Secretary; and Lisa Masters, Treasurer. Members include: Paul Anderson, Elizabeth Allen, Chris Olson '83, Judi Hilton '91, Ann McFarland '73, Faustine Reny '01, Stephen Dixon, Jon McKane, Karen Moran, William Morgner, Pam Gormley, and Hugh Riddleberger. David Sturdevant is Head of School.

**The Student Body, Day and Residential:** Lincoln Academy has a current enrollment of 570 students in the 2017-18 school year. The majority of students come from 16 local towns. 87 residential students come from 19 countries around the world. After 5 consecutive years of growth, the Residential population has met available housing capacity and for the foreseeable future will remain between 80 and 90 students.

**Graduates:** Of the 130 graduates in the Class of 2017, 91 enrolled in postsecondary education; 81 enrolled in 4-year colleges/universities, 10 enrolled in programs shorter than 4-year (2 year and certificate programs), 37 are employed/seeking employment, and 2 enlisted in military service.

**Curriculum:** Lincoln Academy remains committed to its comprehensive curriculum as we strive to meet the needs of all students. We have added new courses in the past several years, including AP Computer Science Principles, Introduction to Design, Engineering and Technology, Wood Projects, Metal Projects, Mechanical Projects, and Introduction to Engineering Design. The new courses take advantage of the space and tools in the ATEC building, as well as serve our increasingly diverse population of day and residential students.

**Finances:** Unlike most independent schools, The Board does not set day tuition. Because most students' tuition is paid by their sending towns, the tuition is established by the State Department of Education using a formula based on average per pupil expenditures of Maine public high schools during the previous two years. The tuition for the 2017-18 school year was increased by 3.38% from the prior year to \$10,886.51 per pupil. The Insured Value (IV) factor is an amount in addition to tuition intended to fund capital maintenance and debt service. The legislated IV factor amount of 10% was reduced in 2009 to 5% and remained at 5% through 2013-14. The legislature voted to partially restore the IV by voting to increase the amount to 6% of the calculated tuition figure for 2014-15. The 6% rate was carried over into 2017-18 and is \$653.19 per pupil for this year. While towns are allowed to continue to pay the full 10% and some of our area towns have done that in the past, this year all sending towns have elected to pay the mandatory 6% rate. **2017-18 maximum allowable tuition is \$10,886.51 and insured value \$653.19 (6%). Tuition increase 3.38%.**

**Supporting Lincoln:** The state-determined tuition is simply not enough to provide the quality educational experience that Lincoln Academy promises to every student. Because of this, LA depends on support from donors to the Lincoln Fund to make up the deficit. Private contributions have allowed Lincoln to support programs and capital improvements. Money raised through the Lincoln Fund supports students and faculty, and is vital to the life of the school. Since 1997, over \$1.625M has been contributed to general operations, over \$715 for specific programs, and about \$15M for capital projects. Contributions to annual and capital campaigns provide for the perpetuation of and improvements to LA's programs and physical plant without increasing local taxes.

Lincoln Academy is grateful for the support of sending towns, and individual and business supporters that allow our programs to serve students so well.

## Adult and Community Education

CLC Adult & Community Education provided services to over 600 adults in 2017. We offered the HiSET (formerly GED) high school completion program, assisted adults preparing for college, worked with literacy students and English language learners, provided medical certificate programs and sponsored a wide variety of community enrichment classes for all ages.

Your CLC Adult & Community Education program provides basic literacy services along with high school completion classes free of charge in our Learning Center on Tuesday and Thursday evenings and on Thursday mornings. Free college transition courses are offered through The Lincoln County College Connection – a cooperative program with 3 other Lincoln County Adult Education programs. Dozens of students from Lincoln County participated in classes that helped them prepare for college through this program.

In 2017 we had 10 students earn a high school completion credential. Another 16 worked toward obtaining a high school credential or on basic language and math skills. Anyone who is 17 or older and out of high school and who wants to earn his/her high school credential or who needs to improve their reading, writing, math or English language skills should contact us to get started.

We continue to work with LincolnHealth to provide vocational training in several medical programs. In response to the critical need for Certified Nursing Assistants (CNAs), we started a CNA apprenticeship program to allow students to “earn while they learn.” In 2017, we conducted 3 CNA courses with 21 students completing the program and receiving certification and employment. We were also able to offer CPR, CRMA, and CRMA recertification classes.

Hundreds of students enjoyed the 202 low-cost, high impact courses offered through our community education program and in collaboration with RSU 40 Adult Education, providing a single point of access for information about classes throughout Lincoln County. From an eight-week course on the Geology of the Midcoast Area, to a one-night class on learning to make fresh stuffed pasta, to free classes on Medicare and Social Security, people throughout Lincoln County participated in offerings that sparked their interest and enriched their knowledge.

Although I have only been in my new position as Director of CLC Adult & Community Education for six months, I can already see what a tremendous impact the program has in our community. Thank you to each of our supporting towns for the funding that enables us to continue to provide programs and services that improve, inspire, and enrich the lives of so many Lincoln County citizens. The difference you make is greater than you know!

For more information about all of our programs, please visit our web site: <http://clc.maineadulted.org> or call us at 207-563-2811.

Respectfully submitted,  
PAMELA J. SPERRY  
Director

## Planning Board

January 2017 through April 2018 was a busy and productive period for Bremen's all-volunteer Planning Board. On a pace consistent with recent years, the Board considered fifteen applications, mostly under the Shoreland Zoning and Land Use Ordinances. The Board approved ten applications, partially approved one application, and fully denied another. In addition, one application was withdrawn and two others were found not to need Board approval.

Several complicated applications required close consultation with Town Attorney Jonathan Hull. These applications included a complex change of use proposal, which involved several submission requirements and consequently took several months before it was approved with conditions. Based on the counsel of Mr. Hull and the research of Town Assessor Agent Jim Murphy, the Board determined that an application for expansion involved a structure that had undergone maximum expansion several years ago; that application was ultimately withdrawn.

In addition to considering formal applications, the Board held two informal, non-binding conferences with prospective applicants. These sessions, held under the new Land Use Ordinance, allow the Board to hear prospective applicants' proposals and to advise what ordinances apply and what they allow in connection with the proposed projects. In another user-friendly initiative, at the request of the Planning Board, the Selectmen have hired a planning consultant who will hold monthly "office hours" to help applicants and prospective applicants work through permits and ordinances applicable to their projects.

The Board also did a considerable amount of ordinance-related work. After the citizens rejected the initial draft of the Land Use Ordinance at the April 2017 Town Meeting, the Board worked closely with the public, the Ordinance Review Committee, and the Town Attorney to address citizens' concerns. The resulting new draft was approved by the citizens. The Board also is working on other ordinances including a much needed revision of the Planning Board Ordinance.

The Board continued to produce comprehensive minutes of its meetings to provide an inclusive record for the public. The minutes continue to reflect that Board decisions are soundly based on applicable ordinances. All of this has benefitted from the work of our ever-patient recording secretaries,

Susan Anneley and her successor Cindi Hasty. The Board's comprehensive minutes were of considerable help to the Board of Appeals in its review of two Planning Board decisions.

Board members have worked to keep apprised of planning-related developments at the state and local level. To that end, Board members have taken courses on subjects ranging from running effective meetings to water sustainability. Most of us have taken courses for planning board members sponsored by the Maine Municipal Association or the Mid-Coast Council of Governments.

In a continuing effort to keep the Selectmen aware of our activities, a member of the Planning Board regularly attends meetings of the Selectmen. And the Chair of the Selectmen continues to attend and participate in our meetings.

As of this writing the Board has a full complement of seven regular members, but two alternate member slots remain unfilled. Moreover, our staffing may change as a result of several expiring terms and the Town election in July. In short, the Board may be in need of regular or alternate members after the July election.

Finally, the Board reminds Bremen residents and others that a permit probably will be necessary prior to any construction in the Shoreland Zone. Prospective applicants should consult the Shoreland Zoning and the Land Use Ordinances, available on the Town website, when contemplating construction.

## Harbor Committee

Bremen has had a relatively quiet year on the waterfront compared to some. I only received one call from the Coast Guard concerning another boat that broke free and was found down near the Columbia on the back side of Louds Island. I am concerned that this is becoming a dumping site for derelict boats, and unfortunately it is out of my jurisdiction. I also empathize with those who live on the island.

All mooring fees were collected this year excluding one. There is approximately \$16,000.00 in the Harbor fund at this time. Repairs made to the Town Landing in 2017 included boards being replaced on the rails and walkway as well as some painting. This spring Walter and Robert Kaler, who continue to bring the floats in and out each spring and fall, replaced a bunch of chain to the moorings that anchor the floats.

Finally, I want to thank Bruce Poland and Robin Lailer for serving on the Harbor Committee this year with me.

Respectfully submitted,  
MELANEE OSIER-GILBERT  
Bremen Harbor Master

## Bremen Conservation Commission

The Bremen Conservation Commission (BCC) stands by the words of conservationist David Brower who said that “we don’t inherit the Earth from our ancestors, we borrow it from our children.” This past year, members of the BCC have been working hard on behalf of our mission statement: To conserve undeveloped land in Bremen that will maintain the rural character of the town, protect its water resources, preserve wildlife habitat and provide recreational opportunities.

Achieving this goal depends largely on you, the citizens of Bremen, and your support of the Bremen Land Conservation Fund which is a savings account similar to our Fire Truck Fund. Taxpayers have voted nine of the past ten years to support the fund. We are fortunate to have a population that understands the importance of conserving undeveloped land for the sake of maintaining healthy and whole ecosystems. Bremen citizens are helping prepare the Town financially to protect areas important for water quality, forest management, agriculture, commercial fishing, and recreational access. Having a robust Land Conservation Fund also improves our ability to access outside funding sources for conservation efforts.

In 2017, we focused on creating structures that would help maintain the public lands already owned by the Town. Early in the year we hosted a forum with the Maine Island Trail Association to discuss the best approach to stewardship of the Bremen-owned Clam Island. This meeting resulted in the formation of a volunteer group called Friends of Clam Island which has worked to clean up the island and form a walking trail. We encourage Bremen residents to enjoy this new recreational addition to our town. The BCC has also organized efforts to combat invasive species on town properties including the Hilton-O’Connor trail behind the Bremen Town House.

The BCC welcomes associate members, especially to help organize volunteer trail days and to assist a newly formed recreational subcommittee that is exploring ways to improve the Town Center Property for the benefit of Bremen residents. We are also working to involve more Bremen youth in helping steward public lands. Keep an eye out for announcements about some exciting BCC initiatives for 2018.

Anyone who has ideas, questions, or suggestions related to our natural resources, water quality, land and water access, or wildlife habitats may

email [bremenconservationcommission@gmail.com](mailto:bremenconservationcommission@gmail.com). You are also welcome to attend our meetings the first Wednesday of each month and to participate in our trail work days the fourth Saturday of each month, March through October, from 9 a.m. to 11 a.m. We meet in the Bremen Fire Station parking lot behind the Town House. We hope to see you there and thank you again for helping make Bremen a beautiful place to call home!

## Alewife Report

If one did not know about the decades of blocked fish migration in Muscongus Brook, they might not have believed it having seen the alewife run this past June. What a difference a year makes. 2016 was nearly a bust due to low water levels.

Two important events coincided last spring to allow the best return of alewife to Bremen since about 1980. A drought-busting winter's snowfall combined with a wet spring allowed virtually no passage hang-ups in any part of the brook. Additionally, it had been three years since the removal of the southern Route 32 culvert. This created good spawning availability in 2014, and many of the fish born then joined the run this last spring.

There is no point in guessing at the numbers of fish. With some luck in the weather, continued free access, and a good conservation plan, the numbers will grow annually. Anyone interested in counting fish? Contact me or the Muscongus Pond Association. It is a fun activity and is the only way a harvest plan can be submitted to the Maine Department of Marine Resources.

Please approve the current management plan. Passing it keeps this resource in town control, and it is working.

## **Nobleboro/Jefferson Transfer Facility**

The Transfer Station, operated by Nobleboro and Jefferson and under contract with Bremen, Damariscotta and Newcastle, provides for the disposal of most types of solid waste generated in the five towns. In 2017 our household waste went to PERC in Orrington. In 2018 this will go to Waste Management in Norridgewock along with the construction and demolition bulky materials. We use the services of Lincoln County Recycling to recycle cardboard, newspaper, plastic and many other products. We also recycle our universal hazardous waste (televisions, computers, fluorescent light bulbs, mercury switches and rechargeable batteries).

You will see the Transfer Station Attendants out helping the customers with their trash and recyclables. They work very hard to keep the facility neat and safe. Our hopes are that they make your trip to the Transfer Station a positive experience. The Town would like to give many thanks to our employees – Barry Howell, Brandon Achorn, Linwood Rideout, Glenn Daiute, and David Gallagher – for all they do for the Transfer Station.

In 2017 we did see many changes at the station. We continue to promote recycling in different ways. We have programs to recycle paint, electronics, food waste, paper, cardboard, plastics and metals. Everything you recycle helps reduce the amount it costs to put into the mainstream trash.

This year, with the effort of the employees and the public, we lowered our tipping costs of trash. By doing this, we added to the surplus which we used to lower the cost to the Town by 2.9%. We feel in the future we will be able to keep the tax commitment level.

The Transfer Station is open from 8:00 a.m. to 4:00 p.m., Tuesday through Saturday. The front gate is closed at 3:50 p.m. each night to allow time to close out the computer. We are closed on Sunday and Monday. This allows our staff to have two days off in a row.

We will continue to review our operations in an effort to provide good service and the most efficient Transfer Station possible. We are interested in your comments and recommendations and will attempt to incorporate them whenever possible.

Respectfully submitted,  
**RICHARD SPEAR**  
Transfer Station Agent

## Bremen Library Association

The past year has seen many changes come to the Bremen Library, most notably that of a new Library Director. We said goodbye to Director Sue Trouwborst, who retired after seventeen years at the helm. Ellen Dickens became the Interim Director and, besides just filling in, she assisted the Board of Trustees in finding a new permanent director. After interviewing several candidates, we chose Yvonne Gloede, who began her tenure in January 2018. We welcome Yvonne to our library and into the community, knowing she will be an integral part of our future success.

To better serve the community, we expanded our hours and also changed the days we are open. Our current hours are Wednesday 10-3, Thursday 10-7, Friday 10-3, and Saturday 10-1. With continued support, we hope we can expand our hours even further in the future.

Besides the generous contributions from the Town of Bremen and all of our patrons during our spring and fall fund drives, we still rely on a few fundraising events, most notably the Annual Holiday Wreath Sale. It is an amazing effort by our volunteers! Using the Bremen Fire Department's facility to decorate what amounts to about 500 wreaths in two weeks, and then to have them all sold at the Bremen Town House and the Central Lincoln County YMCA in one day is quite a feat to be sure. People from all

around the peninsula come to purchase wreaths, and we offer shipping to any destination so that even if you cannot be in Maine, you can have a beautiful part of it hanging on your front door. It really is quite the community event, and we can always use help. Please consider joining us along with your neighbors and friends for a most rewarding experience.

We skipped the plant sale in 2017, but we are coming back with a new fundraiser in July of 2018: A Garden Tour of Bremen. We are excited about this event and we hope you will be too! It is being held on Sunday, July 22<sup>nd</sup>, so please mark your calendars.

Our library offers an excellent variety of reading materials to help you learn or just for pleasure, a wide range of movies, and all the other services that go hand-in-hand. The Inter-Library Loan Program offered through the Maine State Library will now be provided by the Bremen Library starting in July. With weekly van service we can procure books and movies from a wide source. Please don't let our diminutive size fool you into thinking we won't have what you are looking for, because we can definitely get it and in a timely fashion.

We also have interesting programs to help get you out of the house, especially during the winter months when there is less going on. Formerly on Monday evenings, but now with our new hours, moved to Thursday, here are just a few of the free presentations we featured in the past five months:

- “Upwards”: The story of the first woman to solo thru-paddle the Northern Forest Canoe Trail, featured Laurie Chandler, who narrated her own story and showed slides of her historic trip.
- Cashmere Goats: Bremen resident Wendy Pieh explained how she and her husband, Peter Goth, started raising Cashmere goats and then wrote the specifications that are now used to define the qualities of the breed.
- Medomak Valley High School Heirloom Seed Program: Neil Lash presented a fascinating account of the importance of saving heirloom seeds, and how this relates to our culture's history and to our future survival.

In addition to these evening programs, our library director has started “Brown Bag Lunch” events. Held at noon in the library's meeting room, authors, gardeners and other interesting people will be telling you about themselves and offering fascinating perspectives on what they do. So, pack your lunch and join Yvonne and her guests for an hour of stimulating discussion.

And let's not forget the kids: once a month on a Wednesday and Saturday morning there will be a “Story Time” program read by Chris Berg, our volunteer Children's Director. The library's summer weekly reading program is always a big hit and will include a few special events as well. At

least once a year we have Chewonki visit us, bringing animals and birds that not only delight all present, but always inspire the kids to take out books featuring the animals at the event. The annual Family Ornament-Making Night was once again held in December and enjoyed by kids and parents alike. We recently added two six-foot-long, double-sided rolling book bins in the children's area. Built at a "kid-friendly" height, they allow younger children to see and select their own books. The skilled labor to construct the bins was donated by Bremen resident Tom Kostenbader – many thanks to Tom for a job well done!

The library is currently embarking on plans for re-invigorating our second floor. It is a spacious room with excellent natural light, previously used by knitting groups and the Cribbage Club and lately for general storage. Our plan calls for several distinct spaces within the large open room. One area will be the archives, another to house wreath-making supplies. Our used book shop is in the process of moving upstairs, and that, in turn, has made room for more new books in the main library. We will now be able to offer a larger selection of used books. Future plans call for a gathering table and a few comfortable chairs where our book club and other groups can meet. The planning and some of the work is already underway.

Our Board of Trustees has several new faces, along with others who have served the library for many years. You will find the complete list of trustees on our website, [www.bremenlibrary.org](http://www.bremenlibrary.org).

In closing, we wish to thank everyone who helps make us such an outstanding neighborhood gathering place. Our mission is to provide a welcoming place to encourage lifelong learning, to advance knowledge, and to strengthen our community. So, check us out on-line, on Facebook, and of course please stop by and meet Yvonne and the rest of our volunteer staff. All are welcome!

Respectfully submitted,  
The Bremen Library Board of  
Trustees  
KEVIN REDLINE, President

## Bremen Historical Society

The well-attended 2017 Historical Society annual meeting was held on June 25<sup>th</sup> in the Town House. After the meeting everyone enjoyed the potluck dinner followed by a Castlebay performance. Julia and Fred entertained and enlightened us with songs and historical narrative relating to the Maine coast. Some of these focused on Bremen and Lincoln County. If you missed the performance, they will be back on August 26, 2018 at 3:00 p.m., again at the Town House.

In July Society member Joan Gregoire presented the findings of her research related to a sailing trip on a steamer made by her grandmother, Lydia Ford Keene. In addition to sharing the story, she displayed artifacts and photographs from her grandmother's trip. It was a true tale of adventure, shipwreck, and murder on the high seas.

The August meeting featured May Davidson sharing excerpts from her soon to be published book, *Maine, Whatever It Takes*, about life in midcoast Maine during the last half of the 20<sup>th</sup> century. This turned out to be another interesting and well-attended event.

Now for a brief history lesson: On January 27, 1991 sixteen Bremen residents met to discuss the possible formation of a Bremen historical society. All agreed there should be such a society, and at a February 24<sup>th</sup> meeting, officers were elected and bylaws presented and approved. The first annual meeting was held on June 30, 1991 with 45 people attending.

This year our annual meeting will be held on Sunday, July 1<sup>st</sup> with the business meeting starting at 4:00 p.m., a potluck dinner at 5:00 p.m. and a presentation at 6:00 p.m. The speakers will be Louise and Jeff Miller who will talk about life in the 18<sup>th</sup> century. They will be in period attire and will display

*Louise & Jeff Miller in 18th Century Period Costume*

period artifacts. This will be a learning experience appropriate for adults and children.

Castlebay will return this year for another performance, this time with ballads dating back to the Civil War era. This will be a musical event along with relevant historical information that you will not want to miss.

Many of you know Richard Keene passed from this life on March 29<sup>th</sup>. We want to remember Richard for his many years of service to the Historical Society as an active member and president for a number of years. He had a wealth of Bremen history knowledge and was always willing to share that with us. We will miss him.

If you have any interest in the history of Bremen, please consider becoming a member of the society. Our address is Bremen Historical Society, P.O. Box 266, Bremen, ME 04551.

On Behalf  
of the Historical Society,  
STEVE LAURICH, President

## The Patriotic Club

The Patriotic Club is pleased to report another successful year with fundraising and activities within the community. In April, Russ Lane, a Whitehead Lighthouse Keeper, told us the heroic story of rescuing five people and their reunion 57 years later. What a story! And such dedication to stay on the island and tolerate the tediousness of the job for 25 years.

We awarded scholarships to five Bremen graduates. As the number of graduates keeps going up, the club is more committed now to raising money for these scholarships.

We had a bake sale in July. We started at the Townhouse with plenty of baked goods, but little flow of customers, and ended up at Yellowfront Grocery Store and sold out. Thank you, Jeff Pierce!

Mary Chor from the U.S. Botanical Gardens gave us a slide show on some of the most exotic plants, their blooms, and fragrance. Some were really not so fragrant and rather odiferous! But beautiful!

In September, a group of us in the club and some visitors toured the Waldoboro Historical Museum. The place was very impressive. The Waldoborough Historical Society is quite proud of their displays and items featured from 250 years ago or more. We then ate lunch at Moody's which was quite good. (They must have gotten a new chef.)

Also, in September we had a work session for the Country Fair. We painted and decorated wooden plaques, pumpkins, and trinkets. We are trying to expand our talents! It was a good Country Fair with a steady flow of people at the Townhouse in October. Good weather as I recall, too. Fresh vegetables, jams and jellies, baked goods, and Japanese lanterns were a real hit.

Anna Barber gave a slide show and talk about their trip to South Africa in later October. It was almost like we were there ourselves! We had a nice potluck luncheon at Mary Berger's in November for the annual meeting, which included a financial report with prospects for the future. The weather in December was not very co-operative, but we had a small gathering at my house to round out the year before we actually went into hibernation for the winter.

The Patriotic Club's purpose is to bring together its members for mutual benefits; to promote civic, educational and social measures; and to make improvements within the Town. We encourage new members to join. We welcome new ideas. We are a tax-exempt nonprofit organization and all donations are tax-deductible. Looking forward to a greater year in 2018.

Respectfully submitted,  
CORDELIA GOTH, President

## Muscongus Community Club

The Muscongus Community Club building was The Muscongus School of Bremen in 1875. The land was donated by Sands Woodbury and George Bryant. The school closed in 1942. Upon closure of the school, Adeline Woodbury Butler, niece of Sands Woodbury, donated the land and building to the Muscongus community. In 1947, The Muscongus Community Club was formed and the schoolhouse became the club's headquarters.

Until three years ago, the Muscongus Community Club had been yearly donors to local food banks, our local fire department, our first responders and college scholarships to ALL Bremen high school graduates since 1988 attending their second year of higher education.

The reason for the “until three years ago” situation is due to lack of volunteers due to death, illness, and those moving away from our community. The volunteers were necessary for doing the cooking for suppers, food sales and lawn sales in order to earn the funds to donate as well as maintain the building.

The building has been well-cared for over the years and is a fully-equipped facility for holding events of every sort – weddings, anniversary celebrations as well as retirement, birthday, Halloween, and card parties... just waiting for you to ask us about our last existing schoolhouse in Bremen.

You can do your own cooking right on the premises. Dishes, silverware and utensils are available for your use during your event. Tables and chairs and bathroom facilities are also available with running water. The Schoolhouse is vintage 1800s, and, therefore built for the time... not insulated, so use is only available during the spring, summer and fall.

We would love to be able to continue our path to donating to worthy causes, but it is so important to have a few more hands on board to make it possible to hold on to this special building... **the last schoolhouse in Bremen.** Yes, there are two other schoolhouses, but they have been made into private homes.

We look forward to hearing from anyone wishing to join us in resurrecting the Club's purpose of donating to worthy causes.

Sincerely,  
JUDITH MOHR  
Secretary/Treasurer

## Bremen Union Church

The little white church at 523 Waldoboro Road (Route 32) has served the community for nearly 200 years, with 189 of those years in its present location. Over the past year, many people from our town and neighboring communities, a wide variety of states, and several foreign countries have joined in worship at Bremen Union Church.

This was also the 10<sup>th</sup> year that the church has continued to reach out to the community by providing free community meals, called “Simply Suppers,” during the winter months. Other local outreach has continued under the oversight of the church Mission Committee. The church uses a minimum of 12% of income from all offerings and fundraising for local, national, and international missions. Several generous donors assisted in our outreach efforts this past year; we are grateful to the Patriotic Club for their help in assisting local family, children, and the elderly. The church also gives thanks for a grant received from the Plimpton-Shattuck Fund in honor of Chad Reed of Cow Island which has helped with necessary operating expenses during the harsh winter. We are also grateful for the property tax relief we receive from the Town of Bremen and, when possible, attempt to return a small amount in kind through donation to the Bremen Fire Department and First Responders.

During this past year, there was one wedding and one baptism at the church, and one baptism held by the church offsite – all occasions of

great joy. Over the course of the past 17 months, we've provided a variety of adult study groups plus Sunday school classes for children and an intergenerational Vacation Bible School event. The congregation at present ranges in age from 4 months to 95 years and is comprised of a wonderful mix of Bremen natives, other Maine natives, folks from away who've made Maine their permanent home, summer residents, repeat vacationers, and weekend tourists. We are a group of Christians who gather for worship, learning, fellowship, and service, focused on our core beliefs as followers of Christ. We welcome those who seek as well as those who are sure.

During 2017, 173 different people gathered to worship as part of the Bremen Union Church. In the first three months of 2018 (including some tough winter weather!), 75 staunch worshipers have gathered. A Schedule of worship and special events is available on the Bremen Union Church Facebook page and at [bremenchurch.org](http://bremenchurch.org).

Respectfully submitted,  
KATHLEEN M. MACLACHLAN  
Pastor

## Town House Committee and Bremen Town House Association

The Bremen Town House, a historical landmark in our community, is located next to the Bremen Firehouse on Route 32. Built in 1874 by the Oak Lodge of the Good Templars, this Victorian aged structure is listed on the National Register of Historic Places, and due to the efforts of much community minded folk, it has been preserved and continues to serve us 144 years later. Having a rich history...once a Grange Hall, a school room, selectmen's office and original home of the Bremen Library (the list goes on), the Bremen Town House is now owned and maintained by the Town for the use of its residents and others for meetings, parties, receptions, exhibits and other events.

The Bremen Town House Committee (BTHC) was created in 1999 and is a group of seven men and women appointed by the Board of Selectmen, for a term of one year, to help facilitate the use and improvement of our historical Town House.

The Bremen Town House Association (BTHA) is a quasi-municipal, non-profit organization comprised of 5 officers and unlimited associates. Elected by, and from, the members of the BTHC, the BTHA's Board of Directors serve a one-year term, and these positions are refreshed at the BTHA's and BTHC's joint annual meeting. The BTHA was formed in April of 2000 with a mission to preserve and improve the historic Bremen Town House for the use and benefit of the people of Bremen and others.

The more recent improvements to our historical building have been largely restorative and structural in nature. Thanks to the excellent stewardship of our Selectmen, the Town House now sits on a solid foundation and sports new clapboards, fresh paint, a new entrance door that swings freely and welcomingly and new, period appropriate, exterior lighting.

These are some of the more noticeable improvements, but there are many subtle enrichments that go on quietly behind the scenes and to that end, the BTHA and BTHC would like to thank Elizabeth Kenney for having kept our window boxes beautiful and the flowers flourishing for years; her quiet service has added to the quality of life in this Town and to how we

experienced the Bremen Town House.

The BTHA is in the process of fleshing out future interior enhancements. These are directed at ease of use for our community's diverse population. We are looking at how we can better get those heavy boxes to the kitchen and where we change our infants' diapers. We welcome all suggestions.

In carrying out our mission, we host an occasional, wicked enjoyable, community event (a.k.a. fund-raiser), and 2017 saw the return of the ever-popular Chocolate Sunday. We have a few other fun ideas percolating for 2018; have some energy and ideas? Come join in the merriment - if you are interested in preserving and using the Town House, we welcome you! If your idea of support runs more towards the financial, your contributions are tax deductible; donors can send a check to: Bremen Town House Association, P.O. Box 240, Bremen, ME 04551. We thank you all for your continued support.

BREMEN TOWN HOUSE COMMITTEE

&

BREMEN TOWN HOUSE ASSOCIATION

## Central Lincoln County Ambulance

Hello Residents of Bremen:

In 2017 our service responded to 426 fewer calls than in 2016. This is good news for communities, fewer calls usually means less sick or injured. Unfortunately, the majority of the reduction is from our basic transfer side of the business, leaving our emergency work about the same as the previous year. This reduction in call volume has made a large impact on our revenue for the year as our operational budget is funded by the calls we bill for. (Town money received is used only to pay for part of our equipment and training needs.) In November of 2017 we launched an annual appeal letter seeking help with the growing costs of equipment and training. I am pleased to announce that we have received great support to date and have raised \$24,000 toward our goal. The money received will be going toward replacing an aging ambulance. We currently have two 2010 models that are next to be replaced. Along with the ambulance we will be working toward replacing the aging cardiac monitor that serves with the older ambulance. Currently, with our donations and town contributions, we are \$80,000 from our goal. I would like to thank everyone for the great support that we have received.

The Community Home Visits are now in the fourth year of the pilot project, and we have been able to demonstrate a positive impact on the patients we have served. We have just recently completed two sections out of four of advanced training. This will allow us to provide better respiratory support in the way of providing instruction and additional medication. We also will be able to better provide assistance with individual medication use, tracking, and patient questions. The next two sections will cover more in depth wound care and diabetic education and treatment.

I would like to thank the Bremen Fire Department and First Responders for their continued support and excellent work.

Please contact us if you have any questions, concerns, or would like to learn more about our service. Our phone number is 207-563-7105.

Respectfully,  
WARREN S. WALTZ  
Service Chief

## Lincoln County Sheriff's Office

Greetings,

2017 has been another busy year here at the Sheriff's Office.

While we continue to experience the presence of illicit drugs like heroin, fentanyl, and other opioids, we have made some inroads in treatment options. We continue to work in collaboration with programs such as the Boothbay Region Community Resource Council's Addiction Outreach Program and have expanded our outreach directly through our contract with Mid-Coast Hospital's Addiction Resource Center. The results thus far have been very positive, allowing our deputies to refer individuals in need to these programs! Our success is measured by a solid number of referrals of participants countywide, over 167 in 2017.

Another product of substance abuse is its direct relation to overdose deaths. In response to overdose deaths across our county, deputies have been issued the drug Narcan. This is a nasal inhalant that counteracts an opioid overdose. Thankfully, the number of uses has been limited thus far, but in 2017 deputies deploying Narcan have saved lives, allowing some of those individuals time to seek treatment.

Included with these prevention efforts, we have and will continue to aggressively enforce Maine's drug laws. In addition to the work my deputies and detectives do on a daily basis, we continue to provide a full-time drug investigator to the Maine Drug Enforcement Agency's Mid Coast District Task Force. As long as illicit drugs are available, we will remain unrelenting.

I am excited about these efforts as they evolve and change to meet the needs of our communities and have committed the full resources of your Sheriff's Office to do everything we can to stem the tide of illicit drugs.

I want to thank the Town of Bremen for its ongoing support for the men and women of the Lincoln County Sheriff's Office. We responded to over 725 calls for service in 2017 and over 120 thus far this year. I am extremely proud of my staff who continue to do their very best to meet your law enforcement needs.

Thank you for the opportunity to serve as your Sheriff and for allowing me to be a part of the team of law enforcement professionals serving Lincoln County. Please reach out to me at any time if I can be of assistance to you.

Respectfully submitted,

SHERIFF TODD B. BRACKETT

## United States Senate

### Washington, DC

Representing Maine in the United States Senate is an honor.

I continue my work on the Senate Armed Services Committee, each year authorizing the funding required to build our military capabilities and ensuring that our service members are trained and equipped to defend our nation. I was pleased to be part of a bipartisan effort to enact a new law to simplify the appeals review process to reduce the backlog our veterans are facing, as well as a new law that provides critical funding to the VA Choice Program, allowing veterans in rural Maine to access services closer to home.

While my committee work is important, working to combat the opioid epidemic is one of my top priorities. Although Congress has made some important strides, much remains to be done to provide additional funding for prevention, treatment and enforcement. I am working with colleagues on both sides of the aisle to pressure the Drug Enforcement Administration to reduce the amount of opioids produced and to thwart the flow of fentanyl and other deadly drugs into our country.

I am very optimistic about the integrated, multiagency effort I led with Senator Collins to foster innovation and commercialization in Maine's forest economy. Through the Economic Development Assessment Team (EDAT) we are already experiencing increased federal investments that will strengthen our existing forest products industry and help support job creation in rural communities. Initiatives like Cross Laminated Timber, Combined Heat and Power, nanocellulose, 3D printing with biobased materials and other biobased products will mean that Maine's wood-basket will continue to be a major jobs and economic contributor for our future.

Finally, the coming year will continue the work of the Senate Select Committee on Intelligence in the ongoing investigation of Russian interference in the 2016 election. Our Committee has held seven public hearings and numerous classified sessions, reviewed tens of thousands of pages of documents and conducted hundreds of interviews. I remain focused on the security of our elections and committed to developing strategies to prevent interference by foreign governments in our democracy.

May 2018 be a good year for you, your family, your community and our great State.

ANGUS S. KING, JR., United States Senator

## United States Senate

Washington, DC

Dear Friends:

It is an honor to represent Maine in the United States Senate. I am grateful for the trust the people of our State have placed in me and welcome this opportunity to share some key accomplishments from this past year.

Maine has the oldest average age in the nation. As Chairman of the Senate Aging Committee, my top three priorities for the Committee are fighting fraud and financial abuse directed at our nation's seniors, increasing investments in biomedical research, and improving retirement security. Following the Committee's investigation into skyrocketing prescription drug costs, I authored bipartisan legislation to foster generic competition, which was signed into law. The Aging Committee's toll-free hotline (1-855-303-9470) makes it easier for seniors to report suspected fraud and receive assistance. To support the 40 million family caregivers in the United States, I am proud to have authored the RAISE Family Caregivers Act to create a coordinated strategy to support family members who make countless personal and financial sacrifices to care for their loved ones.

The opioid crisis touches families and communities across our state. As a member of the Appropriations Committee, I fought for significant increases in funding to support community, law-enforcement, and public health efforts. In April, the State of Maine was awarded over \$2 million to fight this devastating public health crisis. Additionally, I have authored legislation to support grandparents and other extended family members who are raising grandchildren as a result of the nation's opioid epidemic.

Biomedical research has the potential to improve and save lives, and also supports good jobs at research facilities here in Maine. Last year, the Appropriations Committee approved a \$2 billion increase for the National Institutes of Health for the third consecutive year. This includes an increase of nearly 30 percent for research on Alzheimer's, our nation's most costly disease. As founder and co-chair of the Senate Diabetes Caucus, I work to raise awareness of the threats posed by diabetes, invest in research, and improve access to treatment options. My bill to establish a national commission of health care experts on diabetes care and prevention was signed into law in 2017.

We owe our veterans so much. Last year, I worked to secure the authorization of a Community-Based Outpatient Clinic in Portland to

support the health care of Maine's veterans in the southern part of our state. I also worked to secure funding extensions to help veterans throughout rural Maine receive health care within their communities. I also worked to secure funding for housing vouchers for veterans to reduce veterans' homelessness.

Maine's contributions to our national security stretch from Kittery to Limestone. I successfully advocated for critical funding for projects at the Portsmouth Naval Shipyard for construction of an additional ship that will likely be built at Bath Iron Works. This funding will strengthen our national security and preserve great jobs in our state.

As chairman of the Transportation and Housing Appropriations Subcommittee, I worked to increase funding for the TIGER program that has provided Maine with more than \$122 million for vital transportation projects. For housing, I worked to provide \$160 million to help communities protect children from the harmful effects of lead poisoning.

Growing our economy remains a top priority. I supported the comprehensive tax reform bill because it will help lower- and middle-income families keep more of their hard-earned money; boost the economy; and encourage businesses, both small and large, to grow and create jobs here in Maine and around the country. This legislation contains key provisions I authored that are important to Mainers, including preserving the deduction for state and local taxes, expanding the deduction for medical expenses, and enabling public employees such as firefighters, teachers, and police officers, as well as clergy and employees of nonprofits, to make "catch-up" contributions to their retirement accounts. I led the effort to ensure that the tax cut will not trigger automatic budget cuts to Medicare or any other programs.

A Maine value that always guides me is our unsurpassed work ethic. As of December 2017, I have cast more than 6,500 consecutive votes, continuing my record of never missing a roll-call vote since my Senate service began in 1997.

I appreciate the opportunity to serve Lincoln County and Maine in the United States Senate. If ever I can be of assistance to you, please contact my Augusta office at 207-622-8414 or visit my website at [www.collins.senate.gov](http://www.collins.senate.gov). May 2018 be a good year for you, your family, your community, and our state.

Sincerely,  
SUSAN M. COLLINS  
United States Senator

## U.S. House of Representatives

I hope this letter finds you well. It's a privilege to share an update on my work to represent you and your family in Washington and in Maine.

Even though Washington is so bitterly divided these days, I've continued to look for bipartisan opportunities to address issues important to our state. Nearly all the bills I've introduced this Congress have Republican cosponsors.

One piece of legislation would help protect our state's economy by investing in working waterfronts. Another would allow Mainers to import less expensive prescriptions from Canada. And several bills would help our farmers capitalize on the fastest growing areas of agriculture—local and organic sales—by investing in research, increasing consumer access to healthy food, and improving farmer programs.

I'm happy to report bipartisan victories for our veterans as well. After working for years with Maine's Congressional Delegation, we were finally able to push a much-needed expansion of the Portland VA Community Based Outpatient Clinic through Congress. Legislation I introduced to help veterans who find themselves in debt to the Department of Veterans Affairs unanimously passed the House of Representatives. And full GI Bill benefits were extended to a group of veterans who had been denied them previously—an issue I've introduced legislation to address.

While I strive to find common ground with my colleagues on everything from rural broadband access to economic development, there are many areas where I will not compromise. I have serious concerns about direction the Trump Administration and its allies in Congress are taking our country. In so many ways, they have abandoned America's leadership in the world, made our country less safe, and are jeopardizing our future. They've weakened our health care system, rigged the tax code against working families, and endangered the environment. With one hand, they are taking away resources our families and communities need. With the other, they are offering generous giveaways to giant corporations and the wealthiest Americans.

Over the last year, I've received an unprecedented amount of feedback on these issues from my constituents. With their concerns and interests in mind, I have fought hard against these policies. I will continue using my role in Congress and the Appropriations Committee to hold the Administration and the President accountable.

Please keep in touch with your views or if there is anything I might be able to help you with. My office assists hundreds of constituents every year who have issues with federal programs or agencies. It's an honor to serve you.

CHELLIE PINGREE, Member of Congress

## Governor

Dear Citizens of Bremen:

For the past seven years as your Governor, my priority has been to make Maine—our people—prosper. Helping you keep more money in your wallet by reducing taxes has been part of that mission.

Too many Maine families are facing skyrocketing property taxes that strain household budgets. Our elderly on fixed incomes are particularly vulnerable to these increases. School budgets are often blamed for annual increases in property taxes. But there's another reason. A tremendous amount of land and property value has been taken off the tax rolls, leaving homeowners to pick up the tab.

As of 2016, towns and cities owned land and buildings valued at nearly \$5.5 billion statewide. Large and wealthy non-profits, such as hospitals and colleges, often escape paying property taxes on their vast real estate holdings—totaling more than \$5.1 billion statewide.

In Maine, nearly 2.5 million acres of land have been set aside for conservation by the federal and state governments and non-profit organizations, including land trusts. Municipalities are losing out on property taxes on an estimated \$2 billion in land that has been either removed from the tax rolls or prohibited from development—shifting the cost of municipal services to local homeowners through higher property taxes.

It's time to recognize the results of taking property off the tax rolls and identify solutions to reduce the burden on our homeowners. My administration's proposals have been met with staunch resistance.

In 1993, about 35,800 acres of land were documented as land-trust owned. That number has increased by an astonishing 1,270 percent. Land trusts now control over 490,000 acres with an estimated value of \$403 million. We must restore the balance. We will be working this session to ensure all land owners are contributing to the local tax base. It's time for them to pay their fair share.

I encourage you to ask your local officials how much land in your municipality has been taken off the tax rolls, as well as how much in tax revenue that land would have been contributing today to offset your property taxes.

If ever I can be of assistance to you or if you have any questions or suggestions, I encourage you to contact my office by calling 287-3531 or by visiting our website at [www.maine.gov/governor](http://www.maine.gov/governor).

PAUL R. LEPAGE, Governor

## State Senator

I would like to thank you for the opportunity to represent you in the Maine Senate. It has been an honor to work on your behalf to make our state an even better place to live, work and conduct business.

On August 2, Maine lawmakers finally adjourned for the year, after what proved to be the longest session in recent memory due to a brief government shut down over budgetary disagreements. While no state budget is ever perfect, the end product was a state budget that makes a record investment in our students, supports our communities and will tremendously benefit small businesses and our economy.

Perhaps the most significant action the Legislature took last year, as part of the biennial budget, was the removal of the burdensome, job-killing surtax that was already hurting small businesses, doctors and other professionals that we so critically need. In November 2016, voters sent a clear message that education funding was to be a priority of the 128<sup>th</sup> Legislature, and we heard that message loud and clear. However, the funding mechanism which was included in the measure – the surtax – presented a serious threat to the state's economy. This new tax gave Maine the ominous distinction of being the highest-taxed state in the country and primarily impacted small businesses, which are the backbone of our economy, taxing them at a rate that is higher than larger corporations are subject to pay. I am proud to say that after a lot of hard work and negotiating, thanks to our rebounding economy, we were able to support our local schools at a level we have never been able to before – without any additional taxation.

The Homestead Exemption, which provides much-needed property tax relief for homeowners, was also preserved in the budget with an increased exemption of \$20,000.

The Legislature also passed a measure to make Maine compliant with the REAL ID Act. As a result of this important new law, the federal government has granted Maine a waiver, meaning that Maine citizens will continue to be able to use their driver's licenses to board commercial airplanes and access certain federal buildings.

While we accomplished much, there is still a lot of work ahead of us this session. Again, thank you for entrusting me to represent you in Augusta. Please feel free to contact me if you need my help in navigating the state bureaucracy. I can be reached in Waldoboro at 207-832-4658, in Augusta at 287-1505, or by email at [dana.dow@legislature.maine.gov](mailto:dana.dow@legislature.maine.gov).

SENATOR DANA L. DOW

## State Representative

It is an honor to continue my service as your State Representative this year. I have worked hard to advance legislation that benefits the people of Lincoln County and provide responsive constituent services.

This year the Legislature's agenda has been limited mostly to emergency bills and items left over from 2017.

The bills we have taken up cover a wide range of topics. We heard legislation to address recommendations of our opioid crisis task force, continued to wrestle with education costs and property taxes, revisited our approach to energy and technology infrastructure in the wake of recent storms, and worked to achieve consensus on implementing the voter-approved citizen initiative legalizing the limited recreational use and sale of marijuana. We have also pushed hard to make sure the executive branch properly implements the MaineCare expansion overwhelmingly passed by voters last November. All of the above efforts and many more will continue until our scheduled adjournment at the end of April.

I have also sought out anyone with promising ideas about how to bring more jobs to Lincoln County, take care of our seniors, support our veterans, improve education and keep people warm during winter.

Just as in previous years, I have continued as co-chair of the bipartisan Veterans Caucus and as a member of the Legislature's Marine Resources Committee, where we made progress on improving the scallop fishery, marketing Maine lobster to the world, and helping commercial fishermen with serious medical hardships.

This session I spent extra time on energy and environmental policy and have been pushing hard for my bill to help towns build microgrids — smaller localized power grids that are better suited to withstand weather events and are more likely to keep your lights and furnace going. Microgrids are an especially good fit for areas near a hospital. I am also proud that my resolution urging that Maine's coast be excluded from any new offshore drilling activity has drawn wide bipartisan support.

Whether we are dealing with the above issues or any other topic, I remain ready to work with my colleagues, regardless of party, to make sure we're doing the best we can for our entire district and all of Maine.

Please contact me if I can be of any help or if you want to discuss or testify on any legislation. My email is [mick@mickdevin.org](mailto:mick@mickdevin.org) and my phone number is 975-3132. I also send out e-newsletters from time to time. Let me know if you would like to receive them.

MICHAEL DEVIN, State Representative

## Independent Auditors' Report

We have audited the accompanying financial statements of the governmental activities and each major fund of the Town of Bremen, as of and for the years ended December 31, 2017 and 2016, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### **Opinions**

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and each major fund of the Town of Bremen as of December 31, 2017 and 2016, and the respective changes in financial position and, where applicable, cash flows thereof for the years then ended in accordance with accounting principles generally accepted in the United States of America.

**Other Matters***Required Supplementary Information*

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information listed in the table of contents be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

*Other Information*

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Bremen's basic financial statements. The introductory section, combining and individual nonmajor fund financial statements, and statistical section are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining and individual nonmajor fund financial statements are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The introductory and statistical sections have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

WILLIAM H. BREWER

January 23, 2018  
Bath, Maine

**Management's Discussion and Analysis  
Calendar Year Ending December 31, 2017**

As management of the Town of Bremen, Maine we offer readers of the Town's financial statements this narrative overview and analysis of the financial activities of the Town of Bremen for the calendar year ending December 31, 2017. We encourage readers to consider the information presented here in conjunction with additional information that we have furnished in our annual report of the Town of Bremen, Maine.

<b>Administrative Notes</b>	<b>FY 2013</b>	<b>FY 2014</b>	<b>FY 2015</b>	<b>FY 2016</b>	<b>FY 2017</b>
Excise Tax Revenue	137,941.81	140,870.20	134,869.12	142,671.92	148,668.55
Unappropriated "Surplus"	1,039,897.83	1,039,897.83	1,067,427.52	1,180,067.64	1,226,992.60
Mil Rate	.0107	.0106	.0121	.0126	.0128
County Tax	235,836.39	235,747.70	243,661.97	260,219.46	252,469.52

**THE FINANCIAL STATEMENTS**

The financial statements presented herein include all the activities of the Town of Bremen, Maine (the Town) using the integrated approach as prescribed by GASB Statement No. 34.

The Government-wide Financial Statements present the financial picture of the Town from the economic resources measurement focus using the accrual basis of accounting. They present governmental activities and business activities separately. These statements include all assets of the Town (including infrastructure) as well as all liabilities. Additionally, certain eliminations have occurred as prescribed by the statement in regards to interfund activity, payables, and receivables.

The Fund Financial Statements include statements for each of the categories of activities - governmental and fiduciary. The governmental activities are prepared using the current financial resources measurement focus and modified accrual basis of accounting. Reconciliation of the Fund Financial Statements to the Government-Wide Financial Statements is provided to explain the difference created by the integrated approach.

**REPORTING THE TOWN AS A WHOLE**

The Statement of Net Position (see Exhibit A) and the Statement of Activities (see Exhibit B) report information about the Town as a whole and its activities. These statements include all assets and liabilities of the Town using the accrual basis of accounting, which is similar to the accounting used by most private sector companies. All of the current year's revenue and expenses are taken into account regardless of when cash is received or paid.

These two statements report the Town's net position and changes to it. Net position is the difference between assets and liabilities, which is one way to measure the Town's financial health or financial position. Over time, increases and decreases are one indicator of whether its financial health is improving or deteriorating. Other factors to consider are changes to the Town's property tax base and the condition of the Town's infrastructure.

In the Statement of Fund Balance we separate the Town's basic government activities as:

General Government  
Health and Welfare  
Highways and Bridges  
Education

County Tax Assessment  
Protection  
Unclassified  
Recreation  
Contingency

Intergovernmental on Behalf Payments  
Property taxes, excise taxes, fees, interest income, and State and Federal grants finance the activities. Detail relating to the activities is in Schedule A-2 and A-4.

#### REPORTING THE TOWN'S MOST SIGNIFICANT FUNDS

##### Fund Financial Statements

The fund financial statements provide detailed information about the most significant funds, not the Town as a whole. Management established many funds to help it control and manage money for particular purposes to show that it is meeting legal responsibilities for using certain taxes, grants, or other money.

##### Governmental Funds

All of the Town's basic services are reported in governmental funds, which focus on how money flows into and out of those funds and the balances left at year-end. The government statement provides a detailed short-term view of the Town's general Government-wide Financial Statements as explained in the reconciliation statements.

#### THE TOWN AS A WHOLE

##### (Government-Wide Financial Analysis)

As noted earlier, net position may serve over time as a useful indicator of the Town's financial position. In the case of Bremen, assets exceeded liabilities by \$4,423,278.86 at the close of the fiscal year 2017 compared to \$4,420,251.65 at the close of the fiscal year 2016. This shows an increase in net position of \$3,027.21 for the year 2017.

Exhibit A of the audit has a breakdown of the numbers listed below:

	2017	2016
Current and Other Assets	2,866,642.45	2,850,370.22
Capital Assets	2,039,418.76	2,056,054.71
Total Assets	4,906,061.21	4,906,424.93
Current Liabilities	257,745.20	280,004.23
Long-Term Liabilities	153,411.99	202,313.99
Total Liabilities	411,157.19	482,318.22
Deferred Inflows of Resources	71,625.16	3,855.06
Net Invested in Capital Assets	1,837,104.77	1,806,054.71
Restricted for:		
Capital Projects	587,224.85	594,737.01
Other Purposes	647,730.76	705,617.62
Unrestricted	1,320,172.73	1,282,840.37
Nonspendable Trust Principal	30,692.30	30,692.30
Trust Fund Purposes	353.45	309.64
Total Net Position	4,423,278.86	4,420,251.65

### Governmental Activities

The cost of all Governmental Activities for 2017 was \$2,582,700.25. Charges for services were \$37,483.79. Operating grants and contributions of \$59,994.50 reduced the cost to the Town. The Town's programs listed below show the net cost (total cost less revenues generated by the activities). The cost shows the financial burden that was placed on the Town's taxpayers by each of the functions with a comparison to 2015 and 2016.

	2017	2016	2015
<u>Primary Government</u>			
Taxes:			
Property Taxes	2,218,981.21	2,180,343.44	2,104,274.03
Homestead Reimbursement	33,765.83	25,237.17	15,546.00
Excise Taxes	148,668.55	142,671.92	128,371.84
Boat Taxes	7,604.60	6,447.74	6,497.28
Pilot Payments	1,252.00	1,000.00	1,000.00
Intergovernmental	19,579.17	17,140.00	16,778.00
Interest Earnings	58,397.81	27,356.41	15,996.40
Total Primary Government	<u>2,488,249.17</u>	<u>2,400,196.68</u>	<u>2,288,463.55</u>

### Conclusion

The selectmen, along with the auditors, feel the Town of Bremen is in a sound financial state. In the future the Selectmen will continue to run the Town as efficiently as possible without causing a burden to the taxpayers and continue to maintain and upgrade infrastructure.

TOWN OF BREMEN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2017

**NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:**

The accounting policies of the Town of Bremen conform to generally accepted accounting principles as applicable to governmental units.

**1. Financial Reporting Entity**

The Town of Bremen was incorporated in 1828. The Town operates under a town meeting form of government.

In evaluating the Town of Bremen as a reporting entity, management has addressed all potential component units. The primary criteria for including a component reporting entity are the exercise of financial accountability by the Town of Bremen's municipal officials.

The Town's financial statements are prepared in accordance with accounting principles generally accepted in the United States of America. The Governmental Accounting Standards Board (GASB) is responsible for establishing Generally Accepted Accounting Principles (GAAP) for state and local governments through its pronouncements (Statements and Interpretations). Governments are also required to follow the pronouncements of the Financial Accounting Standards Board (FASB) issued through November 30, 1989 (when applicable) that do not conflict with or contradict GASB pronouncements.

**2. Basic Financial Statements - Government-Wide Statements**

The Town's basic financial statements include both government-wide (reporting the Town as a whole) and fund financial statements (reporting the Town's major funds). Both the government-wide and fund financial statements categorize primary activities as governmental. The Town's fire protection, recreation, public works, and general administrative services are classified as governmental activities.

In the government-wide Statements of Net Position, the governmental column is presented on a consolidated basis by column, and is reported on a full accrual, economic resource basis, which recognizes all long-term assets and receivables as well as long-term debt and obligations. The Town's net position is reported in three parts - net invested in capital assets; restricted; and unrestricted. The Town first utilizes restricted resources to finance qualifying activities.

The government-wide Statements of Activities reports both the gross and net cost of each of the Town's functions and business-type activities (fire, public works, administrative, etc.). The functions are also supported by general government revenues (property, certain intergovernmental revenues, fines, permits, and charges, etc.). The Statements of Activities reduces gross expenses (including depreciation) by related program revenues, and operating and capital grants. Program revenues must be directly associated with the function (fire, public works, etc.). Operating grants include operating-specific and discretionary (either operating or capital) grants while the capital grants column reflects capital-specific grants.

The net costs (by function or business-type activity) are normally covered by general revenue (property, intergovernmental revenues, interest income, etc.).

This government-wide focus is more on the sustainability of the Town as an entity and the change in the Town's net position resulting from the current year's activities.

### 3. Basic Financial Statements - Fund Financial Statements

The financial transactions of the Town are reported in individual funds in the fund financial statements. Each fund is accounted for by providing a separate set of self-balancing accounts that comprise its assets, liabilities, reserves, fund equity, revenues, and expenditures/expenses. The various funds are reported by generic classification within the financial statements.

The following fund types are used by the Town:

#### a. Governmental Funds:

The focus of the governmental funds' measurement (in the fund statements) is upon determination of financial position and changes in financial position (sources, uses, and balances of financial resources) rather than upon net income. The following is a description of the governmental funds of the Town:

##### 1. General Fund:

General Fund is the general operating fund of the Town. It is used to account for all financial resources except those required to be accounted for in another fund.

##### 2. Fiduciary Funds:

Fiduciary Funds are used to report assets held in a trustee or agency capacity for others and therefore are not available to support town programs. The reporting focus is on net position and changes in net position and is reported using accounting principles similar to proprietary funds.

The emphasis in fund financial statements is on the major funds in either the governmental or business-type activities categories. Nonmajor funds by category are summarized into a single column. GASB No. 34 sets forth minimum criteria (percentage of the assets, liabilities, revenues, or expenditures/expenses of either fund category) for the determination of major funds.

The Town's fiduciary funds are presented in the fiduciary fund financial statements. Since by definition these assets are being held for the benefit of a third party and cannot be used to address activities or obligations of the government, these funds are not incorporated into the government-wide statements.

##### 3. Capital Projects:

Capital Projects funds are used to account for financial resources to be used for various projects.

### 4. Basis of Accounting

Basis of accounting refers to the point at which revenues or expenditures/expenses are recognized in the accounts and reported in the financial statements. It relates to the timing of the measurements made regardless of the measurement focus applied:

#### a. Accrual:

Governmental activities in the government-wide financial statements and fiduciary fund financial statements are presented on the accrual basis of accounting. Revenues are recognized when earned and expenses are recognized when incurred.

#### b. Modified Accrual:

The governmental funds financial statements are presented on the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recorded when susceptible to accrual; i.e. both measurable and available. "Available" means collectible within the current period or within 60 days after year end. Expenditures are generally recognized under the modified accrual

basis of accounting when the related liability is incurred. The exception to this general rule is that principal and interest on general obligation long-term debt, if any, is recognized when due.

#### 5. Financial Statement Amounts

##### a. Cash and Cash Equivalents:

The Town has defined cash and cash equivalents to include cash on hand, demand deposits, and cash with fiscal agents. Statutes authorize the Treasurer of the Town, as directed by the municipal officers, to invest all municipal funds, including reserve and trust funds, to the extent that the terms of the instrument, order, or article creating the fund do not prohibit the investment in financial institutions as described in Section 5706 MRSA and securities as described in Sections 5711 through 5717 MRSA.

##### b. Capital Assets:

Capital assets purchased or acquired with an original cost of \$1,000.00 or more are reported at historical cost or estimated historical cost. Contributed assets are reported at fair market value as of the date received. Additions, improvements, and other capital outlays that significantly extend the useful life of an asset are capitalized. Other costs incurred for repairs and maintenance are expensed as incurred. Depreciation on all assets is provided on the straight-line basis over the following estimated useful lives:

Buildings	20-50 Years
Machinery and Equipment	5-10 Years
Improvements	10-20 Years
Other Infrastructure	10-50 Years

##### c. Revenues:

Substantially, all governmental fund revenues are accrued. Property taxes are billed and collected within the same period in which the taxes are levied. In applying GASB No. 33 to grant revenues, the provider recognizes liabilities and expenses and the recipient recognizes receivables and revenue when the applicable eligibility requirements, including time requirements, are met. Resources transmitted before the eligibility requirements are met are reported as advances by the provider and deferred revenue by the recipient.

##### d. Expenditures:

Expenditures are recognized when the related fund liability is incurred. Inventory costs are reported in the period when inventory items are used, rather than in the period purchased.

##### e. Use of Estimates:

The presentation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

##### f. Deferred Inflows of Resources:

In addition to liabilities, the statement of net position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources

(revenue) until that time.

g. Fund Balance:

In accordance with GASB Statement No. 54, the Town employs terminology and classifications for fund balance items as follows:

Committed fund balances are amounts that can be used only for specific purposes because of a formal action taken by town government.

Assigned fund balances are resources that are constrained by the government's intent to be used for specific purposes, but are neither restricted nor committed.

Unassigned fund balances are all amounts in the General Fund that are not assigned to another category. Only the General Fund can have an unassigned fund balance.

NOTE B - CASH:

Cash

The Town's cash is categorized to give an indication of the level of risk assumed by the Town at year end. These Categories are defined as follows:

Category #1 - Insured or collateralized with securities held by the Town or by its agent in the Town's name.

Category #2 - Collateralized with securities held by the pledging financial institution's trust department or agent in the Town's name.

Category #3 - Uncollateralized (This includes any bank balance that is collateralized with securities held by the pledging financial institution, or by its trust department or agent but not in the Town's name.)

At December 31, 2017 cash consisted of:

ACCOUNT TYPE	CARRYING AMOUNT	BANK BALANCE	CATEGORY		
			#1	#2	#3
Interest Bearing Accounts	2,527,767.26	2,589,492.90	2,589,492.90	—	—

NOTE C - ACCOUNTS RECEIVABLE:

Accounts Receivable consists of the following:

State of Maine - Homestead	8,818.00
State of Maine - General Assistance	166.78
	<u>8,984.78</u>

Allowance for Uncollectible Accounts

An Allowance for doubtful accounts is not considered necessary at December 31, 2017.

NOTE D - PROPERTY, PLANT, AND EQUIPMENT:

The following is a summary of changes in fixed assets at December 31, 2017:

	Balance		Deletions	Balance	
	Jan. 1, 2017	Additions		Dec. 31, 2017	
Land and Improvements	518,897.00	10,464.00			
529,361.00					
Buildings	634,751.16	6,554.00		641,305.16	
Equipment	704,320.03	92,834.00		797,154.03	
Infrastructure	1,699,592.60			1,699,592.60	
	3,557,560.79	109,852.00		3,667,412.79	
Accumulated Depreciation	(1,501,506.08)	(126,487.95)		(1,627,994.03)	
Net Property, Plant, Equipment	2,056,054.71	(16,635.95)		2,039,418.76	

Depreciation expense for the period totaled \$126,487.95. Of that amount, \$21,589.56 was for General Government, \$80,479.52 was for Highways and Bridges, \$23,091.47 was for Protection, and \$1,327.40 was for Unclassified.

**NOTE E - GENERAL FUND BUDGET:**

The Town operates on a net budget as compared with a gross budget. All revenues are not estimated, but are credited to the particular operating account. Certain revenues are dedicated for particular purposes by vote of the townspeople at the annual town meeting or at special town meetings.

At the annual town meeting, generally held in March of each year, the townspeople vote on various articles on which amounts for appropriations have been recommended by the Board of Selectmen and/or the Budget Committee.

**NOTE F - ASSIGNED FOR OTHER PURPOSES:**

Historically, the townspeople vote to carry certain departmental unexpended balances forward to the following year for expenditure. This is usually in lieu of additional appropriations in any particular account.

General Government	4,900.00
Education	479,856.13
Health and Welfare	18,906.86
Highways and Bridges	148,217.77
	<u>651,880.76</u>

**NOTE G - EXPENDITURES IN EXCESS OF APPROPRIATIONS:**

During the current year expenditures exceeded appropriations in the following general fund categories:

Function	Appropriation and Revenue	Expenditures & Other Charges	Variance
State Revenue Sharing	19,579.17	22,691.55	3,112.38

Anticipated revenues were greater than amount received.

**NOTE H - REVENUE RECOGNITION - PROPERTY TAXES:**

The Town's property tax for the current year was levied July 20, 2017 on the assessed value listed as of April 1, 2017 for all taxable real and personal property located in the Town. Taxes were due on October 17, 2017. Interest accrued at 7.00% per annum or part thereof commencing October 18, 2017.

Tax liens are filed against delinquent real estate taxpayers after eight months but within one year of the original tax commitment. If the tax, interest, and costs have not been paid eighteen months after the filing of a lien certificate then the lien is automatically foreclosed.

The National Council on Governmental Accounting (N.C.G.A.) Interpretation No. 3 requires that property tax revenue be recognized only to the extent it will be collected within sixty days following the year end. The deferred tax revenue shown on the balance sheet represents property taxes not expected to be collected within sixty days after the year end.

Property taxes are recognized when they become available. Available includes those taxes expected to be collected within sixty days after year end as stated above.

**NOTE I - RISK MANAGEMENT:**

The Town is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. All significant losses are covered by commercial insurance. There has been no significant reduction in insurance coverage. Settlement amounts have not exceeded insurance coverage for the current year or the three prior years.

**NOTE J - OVERLAPPING DEBT:**

The Town of Bremen is situated in Lincoln County and is therefore subject to annual assessment of its proportional share of county expenses. Long-term debt outstanding in Lincoln County, for which the Town of Bremen would be proportionally responsible in the event the County defaulted, is approximately \$5,560,000.00 at December 31, 2017. The Town of Bremen's share would be 2.65% of the debt, or \$147,340.00.

The Town of Bremen is part of Great Salt Bay Community School District. Long-Term Debt outstanding for the District, for which the Town of Bremen would be proportionally responsible in the event the District defaulted, is approximately \$316,467.00 at June 30, 2017. The Town of Bremen's share would be 17.48% of the debt, or \$55,318.00.

**NOTE K - DEFERRED REVENUE:**

Deferred revenue at December 31, 2017 consists of the following:

Prepaid Property Taxes                      71,625.16

**NOTE L - LONG-TERM DEBT:**

The following is a summary of note transactions of the Town for the year ended December 31, 2017:

	BALANCE 1/1/17	ADDITIONS	REDUCTIONS	BALANCE 12/31/17
The First	250,000.00		47,686.01	202,313.99
The First				

The note payable is for five years with four annual principal and interest payments of \$54,061.01 and a final payment estimated at \$54,060.98. The interest rate is 2.550%. The first payment was due April 17, 2017 and annually thereafter.

The annual requirements to amortize notes payable as of December 31, 2017, follows:

Year Ending Dec. 31	Principal	Interest	Total
2018	48,902.00	5,159.01	54,061.01
2019	50,149.00	3,912.01	54,061.01
2020	51,427.80	2,633.21	54,061.01
2021	51,835.19	1,321.80	53,156.99
	<u>202,313.99</u>	<u>13,026.03</u>	<u>215,340.02</u>

Interest paid during 2017 was \$6,375.00.

**NOTE M - SUBSEQUENT EVENTS:**

Management has made an evaluation of subsequent events to and including the audit report date, which was the date the financial statements were available to be issued, and determined that any subsequent events that would require recognition or disclosure have been considered in the preparation of the financial statements.

## Warrant for Annual Town Meeting

TO: KELLY CLANCY, A RESIDENT OF THE TOWN OF BREMEN

### GREETINGS:

#### Election of Town Officials:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the said Town of Bremen, qualified to vote in Town affairs, to assemble at the Bremen Town Center in said Town on Saturday, on the morning of the 21st of July 2018, any time between 8:00 a.m. and 12:00 p.m. to act on the following Warrant Articles to elect Town Officials. As required by State and Federal voting laws, only voters registered in the Town of Bremen are authorized to vote in Town Elections.

#### To Wit:

**Article 1** To elect a Moderator to preside at the Annual Town Meeting, the election to be by written ballot at the commencement of the Regular Town Meeting.

**Article 2** To elect the following Town Officials by secret ballot:

One (1) Member to the Board of Selectmen/Assessor/ Overseer of the Poor	Three-year term
One (1) Member to the School Board Committee	Three-year term
Four (4) Members to the Planning Board	Three-year term
Two (2) Alternate Members to the Planning Board	Three-year term

#### Town Meeting:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the said Town of Bremen, qualified to participate and vote in Town affairs, to assemble at the Bremen Town Center in said Town for the Annual Town Meeting on the afternoon of Saturday, the 21st day of July 2018, commencing at 2:00 p.m. to act on the following Warrant Articles:

As required by State and Federal voting laws, only voters registered in the Town of Bremen are authorized to participate and vote in Annual Town Meetings.

Results of the elections in Article 2 will be announced at said Town Meeting.

**To Wit:**

**Articles 3 through 23: General Administration**

**Article 3** To see if the Town will vote to authorize the Selectmen to appoint or act as Road Commissioner and/or Project Manager.

**Article 4** To see if the Town will vote to authorize the Selectmen to appoint a Budget Committee of seven (7) members, preferably from all parts of the Town.

**Article 5** To see if the Town will vote to authorize the Selectmen to appoint all other Town Officials not elected by ballot at the Annual Town Meeting.

**Article 6** To see if the Town will vote to instruct the Tax Collector to charge and collect interest at a rate not to exceed the State's maximum allowable rate of interest that can be charged per Title 36, M.R.S.A. Section 505.4. The current maximum rate allowed by the State is (8) percent (subject to change).

**Article 7** To see if the Town will vote to authorize the Selectmen to sell any property which the Town owns by virtue of Tax Deed or Liens and to execute and deliver on behalf of the Town, by Quit Claim Deed as may be necessary, the transference of rights, title and interest of said property to the Town.

**Article 8** To see if the Town will vote to authorize the Board of Selectmen to spend an amount not to exceed 3/12ths of the budgeted amount in each Operating Account of the 2018-2019 fiscal budget during the period from July 1, 2018 through June 30, 2019.

**Article 9** To see if the Town will vote to authorize the Board of Selectmen to accept and expend, as they deem advisable, donations or voluntary contributions for the purpose of carrying out any previously approved or authorized Town project or activity without calling a Special Town Meeting.

**Article 10** To see what sum of money, if any, the Town will vote to raise and appropriate for the Town Officers' Salaries and Benefits.

Board of Selectmen recommends **\$172,000**.

Budget Committee concurs with the recommendation.

**Article 34** To see what sum the Town will be authorized to expend for All Other Expenditures.

School Committee recommends **\$0**.

Budget Committee concurs with the recommendation.

## ARTICLE 35 SUMMARIZES THE PROPOSED SCHOOL BUDGET

**Article 35** To see what sum the Town will authorize the school committee to expend for the fiscal year beginning July 1, 2018 and ending June 30, 2019 from the Town's contribution to the total cost of funding public education from grade 9 to grade 12 as described in the Essential Programs and Services Funding Act, non-state-funded school construction projects, additional local funds for school purposes under the Maine Revised Statutes, Title 20-A, Section 15690, unexpended balances, tuition receipts, state subsidy and other receipts for the support of schools.

School Committee recommends **\$628,978.15**.

Budget Committee concurs with the recommendation.

## ARTICLE 36 RAISES FUNDS FOR THE PROPOSED SCHOOL BUDGET

### School Budget Funding Explanation

Article 35 Required Local (EPS) Raise Amount	\$357,415.15
Additional Local Raise Amount	229,106.44
Total Local Funds Raised	586,521.59
Fund Balance Forward Estimate	0.00
State Subsidy Estimate	42,456.56
Total School Budget Request	\$628,978.15

\*Local Required, Additional, and Subsidy figures are preliminary figures provided by the Maine DOE on February 1, 2018.

**Article 36** To see what sum the Town will appropriate for the total cost of funding public education from kindergarten to grade 12 as described in the Essential Programs and Services Funding Act (**School Committee Recommends \$399,871.71**) and to see what sum the Town will raise as the Town's contribution to the total cost of funding public education from kindergarten to grade 12 as described in the Essential Programs and Services Funding Act in accordance with the Maine Revised Statutes, Title 20-A, Section 15688.

School Committee recommends **\$357,415.15**.

Budget Committee concurs with the recommendation.

*Explanation: The Town's contribution to the total cost of funding public education from kindergarten to grade 12 as described in the Essential*

*continued next page*

*Programs and Services Funding Act is the amount of money determined by state law to be the minimum amount that a municipality must raise in order to receive the full amount of state dollars.*

**Article 37 (Written ballot required)** To see what sum the Town will raise and appropriate in additional local funds (**Recommend \$229,106.44**) which exceeds the State's Essential Programs and Services allocation model by **\$229,106.44**, as required to fund the budget recommended by the School Committee.

The School Committee recommends **\$229,106.44** for additional local funds and gives the following reasons for exceeding the State's Essential Programs and Services funding model by **\$229,106.44**:

Statutorily required amounts for secondary tuition, as well as special education, facilities maintenance, and transportation costs, exceed the State's EPS funding model.

*Explanation: The additional local funds are those locally raised funds over and above the Town's local contribution to the total cost of funding public education from kindergarten to grade 12 as described in the Essential Programs and Services Funding Act and local amounts raised for the annual payment on non-State funded debt service that will help achieve the Town Budget for educational programs.*

#### **ARTICLE 38 AUTHORIZES EXPENDITURE OF GRANTS AND OTHER RECEIPTS FOR EDUCATION PURPOSES**

**Article 38** Shall the Bremen School Committee be authorized to expend such other sums as may be received from federal or state grants or programs or other sources during the fiscal year for education purposes, provided that such grants, programs, or other sources do not require the expenditure of other funds not previously appropriated.

#### **ARTICLE 39 AUTHORIZES THE ADULT EDUCATION PROGRAM**

**Article 39** To see if the Town will appropriate **\$113,460** for Adult Education and raise **\$2,946** as the local share, with authorization to expend any additional, incidental, or miscellaneous receipts in the interest and for the well-being of the adult education program. Board of Selectmen and Budget Committee concur with the recommendation.

**Article 40** To see if the Town will vote to authorize the Selectmen to raise and appropriate monies for Animal Control Operations.

Board of Selectmen recommends **\$5,306**.

Budget Committee concurs with the recommendation.

	2017 Appropriations	2017 Actual	2018-19 Request
Coastal Humane Society	\$806	\$806	\$806
Animal Control - Wages	3,000	2,362	4,500
	<u>\$3,806</u>	<u>\$3,168</u>	<u>\$5,306</u>

**Article 41** To see what sum the Town will vote to raise and appropriate for the Bremen Conservation Land Use Reserve Fund, as requested. The funds will be used for land conservation efforts, property purchases, and easements.

Budget Committee recommends **\$3,000**.

**Article 42** To see what sum of money, if any, the Town will vote to raise and appropriate for the Bremen Library, as requested.

Budget Committee recommends **\$8,000**.

**Article 43** To see what sum of money, if any, the Town will vote to raise and appropriate for Central Lincoln County Ambulance, as requested.

Budget Committee recommends **\$7,000**.

**Article 44** To see what sum of money, if any, the Town will vote to recommend, raise and appropriate for Memorial Day observation expenses.

Board of Selectmen recommends **\$300**.

Budget Committee concurs with the recommendation.

**Article 45** To see what sum of money, if any, the Town will vote to raise and appropriate for charitable contributions.

Budget Committee recommends **\$10,808**.

Board of Selectmen concurs with this recommendation.

	2017 Appropriations	2017 Actual	2018-19 Request
Eldercare Network	\$3,000	\$3,000	\$4,000
Healthy Kids	1,500	1,500	1,500
Lifeflight Foundation	1,000	1,000	1,000
Midcoast Community Action	1,025	1,025	1,025
Mobius	300	300	300
New Hope for Women	830	830	830
Pemaquid Watershed Assoc.	500	500	500
Spectrum Generations	853	853	853
Waldoboro Food Pantry	800	800	800
	<hr/> \$9,808	<hr/> \$9,808	<hr/> \$10,808

**Article 46** To see what sum of money, if any, the Town will vote to raise and appropriate to fund an Education Reserve Account.

Board of Selectmen recommends **\$10,000**.

Budget Committee concurs with the recommendation.

**Article 47** To see what sum of money, if any, the Town will vote to raise and appropriate for installation of a complete fire alarm system for the Bremen Volunteer Fire Department.

Board of Selectmen recommends **\$11,000**.

Budget Committee concurs with this recommendation.

**Article 48** To see if the Town will vote to NOT operate an alewife fishery in Muscongus Harbor or Muscongus Brook for 2018.

**Article 49** To see if the Town will vote to permit the Treasurer to accept pre-payments of taxes not yet committed, pursuant to 36 M.R.S.A. §506.

**Article 50** To see what sum of money, if any, the Town will authorize the Board of Selectmen to transfer from Unexpended Funds for the following accounts:

Roads and Bridges Reserve Account	\$10,000
Fire Truck Reserve Account	25,000
Fire Equipment Reserve Account	6,000
Capital Improvements Reserve Account	<u>5,000</u>
	\$46,000

**Article 51** To see what sum of money, if any, the Town will authorize the Board of Selectmen to transfer from Unexpended Funds to lower taxes in an amount not to exceed \$300,000.

Respectfully submitted by  
The Bremen Board of Selectmen  
WENDY PIEH, Chairperson  
JOHN MARSH  
HENRY NEVINS

A True Copy  
Attest:  
CYNTHIA A. HASTY  
Bremen Town Clerk

## Municipal Office Notes

This year's Spirit of America Award was given to both Bruce Poland and Ron Poland. Both Bruce and Ron are long-time volunteers for the Town with over 30 years of dedicated service to the Bremen Fire Department.

As voted on at Town Meeting each year, the Town permits the Treasurer to accept prepayments on the annual real estate taxes prior to the October 15 due date.

The zoning map and Town Ordinances can be found on the Town's web site ([Bremenmaine.org](http://Bremenmaine.org)) and at the Town Office. There you will also find instructions for contacting the Code Enforcement Officer and the Planning Board.

Please remember to register your dog(s). Registrations for the next year are available after October 15. They are due December 31st. After January 31, you will be charged a late fee of \$25.00 (Maine State Law).

Please remember it is illegal under Maine State Law (29A MRSA 2396) to push snow or slush into public roads. The law provides for penalties to violators. It is against the law and also very dangerous. Your cooperation in ending this practice will be appreciated.

If you see a street light in Town that is not working, please call the Town Office with the location and pole number. The Town pays for the street lights whether they are in working order or not. This is also a safety issue.

## We can't help you

### IF WE CAN'T FIND YOU!

**Bremen Volunteer Fire Department and Bremen First Responders** are offering all Bremen residents reflective address markers **free** of charge. They are 6 x 18 inch metal plates with 4 inch reflective numbers. We will install them for you. All you need to do is contact the Town Office and ask for a free address marker.

We strongly urge everyone to take advantage of this offer which is possible only because of your generosity in our recent fund-raising drive. Too many homes in our Town have no markers or are inadequately marked, particularly at night.

Please help us to help you by contacting us as soon as possible.
