(207) 892-8941

Dear Friends of Casco,

I hope this town report letter finds you and your family well. It is an honor to represent you and this community in the Maine Legislature. I appreciate the support and opportunity to be your State Senator. In meeting with people around the district I have been passing along a few items that I thought might be of interest to you as well.

**Unclaimed Property:** if you have a chance, it may be worth your while to check out the updated statewide Unclaimed Property list. Every year, the Treasurer's Office produces a list of unclaimed property, which consists of money and other personal assets that are considered lost or abandoned when an owner cannot be located after a specified period of time. Visit [www.maine.gov/unclaimed](http://www.maine.gov/unclaimed) or call 1-888-283-2808 to see if you have any unclaimed property.

**Honorary Page Program:** provides students a unique chance to observe and participate in the legislative process. As an Honorary Page, students deliver messages, distribute documents, interact with the senators, and most importantly take part in a real legislative learning experience. If you know of a student who may be interested, or would like more information, please contact me. It would be my honor to meet with the student and his/her family during the visit to the State House.

**Legislative Update:** is part of my effort to keep you informed about what is happening in the Legislature. This periodic email allows me to share information that is useful and informative to you and our district. Please email me at [diamondhollyd@aol.com](mailto:diamondhollyd@aol.com) or call to sign up.

As your State Senator, I will continue to do as I have always done in the past, and that is work with all sides to do what is best for you, our district, and our state. As the Legislature continues its work, please know that I am always available to hear from you.

I look forward to seeing you around!

Sincerely,

A handwritten signature in blue ink, appearing to read "Bill Diamond", written over a light blue rectangular background.

Senator Bill Diamond

HOUSE OF REPRESENTATIVES

[Michael.McClellan@legislature.maine.gov](mailto:Michael.McClellan@legislature.maine.gov)

May 2016

Dear Friends and Neighbors:

It is an honor to serve as your State Representative for House District 66. After a challenging first session in 2015, I worked hard through the second session energized by what I was able to accomplish last year. It is my privilege to be your voice at the Capitol and I can assure you that I will always work carefully and diligently on your behalf.

Currently, I serve on the Joint Standing Committee on Education and Cultural Affairs. On this panel, the other members and I oversee issues regarding the Maine Department of Education, the State Board of Education, the University of Maine System as well as the Maine Community College System. During the Second Regular Session, I will work to ensure that Maine students are given sufficient educational opportunities and choices.

To do my job well, I plan to continue sending legislative updates via regular mail and email throughout the year to all who would like to stay informed as to current state news. If you wish to receive these updates, please contact me at [Michael.McClellan@legislature.maine.gov](mailto:Michael.McClellan@legislature.maine.gov) and ask to be added to my email update list. Please provide the applicable postal and email addresses to which these updates should be sent.

Thank you again for the honor of serving you in Augusta.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael D. McClellan".

Michael D. McClellan  
State Representative  
District 66

Proudly serving the citizens of District 66 Casco (part) Poland (part) Raymond (part)

## PARKS AND RECREATION DEPARTMENT

The Recreation Department is a creative, growing and vital part of the town, where residents can participate in year-round unique, quality programs for a healthy lifestyle. These programs offer participants affordable opportunities for a wide variety of passive and active recreation. The Recreation Department continues to grow, monitor, and expand our programs, in order to meet the needs of the community.

American Red Cross Swimming lessons were offered at Pleasant Beach in the summer. Lessons were offered for toddlers thru adults on seven different levels. Over 60 children and adults continue to participate in this valuable program.

Golf lessons were offered at Point Sebago on Saturdays for youth and Wednesdays for adults and seniors.

Tennis lessons were offered by Coach Chas Nicholas, whose experience and enthusiasm certainly motivated the players. Private lessons are available.

The fourth annual Pie in the Park fundraiser was enjoyed by all that attended. Over 40 pies were donated by local residents and recreation committee members. Music was provided by Skylark Jazz Ensemble, which was geared to the older crowd which attends. Money raised from this event helps to fund the Veterans Breakfast which is provided on Veterans Day by the rec department.

Over 50 area veterans gathered for breakfast at the community center to enjoy a feast provided Top of the Hill Grill and the rec department. It is just a small way for us to say thank you for their service.

Soccer combined with Naples to kick off the fall season, with 5 1<sup>st</sup> grade teams, 5 2<sup>nd</sup> and 3<sup>rd</sup> grade teams, and 5 4<sup>th</sup>-6<sup>th</sup> grade teams. 40 kindergartens gathered on Monday afternoons to show off their skills. It's amazing to see how quickly the "bee hive" turns into precision passing and game strategy.

Karate classes were held on Fridays at Songo Locks School, where children learned traditional martial arts. The program teaches self-confidence, discipline, self-esteem, physical fitness and respect.

Field hockey was offered to children grades 3 through 6. This program gives participants the opportunity to learn a new sport, develop skills, interact with Middle School and High School teams and play against other communities. We are extremely fortunate to have Coach Webb and the LR field hockey team coaching this program.

Spooky creatures of all ages gathered at the community center for an evening full of games, crafts, magic show, and a creepy haunted library. With the help of Casco Library, Casco Fire Department and numerous volunteers the Recreation Department was able to offer a safe environment for our children to enjoy Halloween.

When the leaves all fall off the trees and winter begins, hundreds of Casco residents headed to the hardwood. Pick-up games for adults, open gym, and youth basketball programs filled the community center gymnasium. Local children had the opportunity to play in the travel league, or refine their skills in a local league with Sebago, Bridgton and Naples. Travel teams were offered to boys and girls in 5th and 6th grade, The recreation department offered kindergarten, 1st and 2nd graders an instructional 8 -week clinic, while 3rd 4th 5th and 6th grade leagues were separate. The basketball season ended with a round robin/pizza party for the 3rd and 4th grade league were the varsity players coach and interact with the players. The 5th and 6th graders have a championship which is always a lot of fun for the older athletes. Casco boys won both the rec and travel Championships!

Over one hundred families anxiously awaited the arrival of Mr. & Mrs. Claus and the performers from Mayberry Hill Preschool and Lake Region High School Band at the community center last December. It was great to see the community gather together to watch a fabulous production of dancing and singing. Children created their own Christmas ornaments, decorate cookies and kicked off the holiday season with friends and family.

The winter swim program continues to grow. American Red Cross classes are offered at Colonial Mast Pool on Saturday mornings. Two six week winter and spring sessions were offered for infants through level six. The response to these classes is enormous and we continue to adjust the program in order to keep up with the amount of participants.

Despite the snow still on the ground in late April, Casco's baseball and softball program had a very successful season. The baseball league fielded one major team, one minor team, one rookie teams and 50 youngsters enjoyed t-ball. Casco fielded four teams within the three divisions of the girls' softball league. The Casco Majors team coached by Steve Tremblay, Matt Duprey and Shaun Griffin made it to the Championship game for the first time in 13 years! The 10& under softball team coach by Raquel Gerry, Jason Brewer and Jen Hall won the championship in that division.

Senior citizens participated in recreation programs more than ever. Trips were taken to the Fryeburg Fair, Castle In The Clouds, a holiday trip to Portland for the Magic of Christmas, Cabbage Island, Brunswick Theater, Luncheons at the Vocational School, and the New England Flower Show. Programs offered to seniors include; wee bowling, swimming, tennis, crafts, flu clinic, and Zumba. Many seniors participated in a walking group offered at the community center in the morning during the winter months. Every Monday and Thursday at the Central Fire Station seniors got together and played bingo, cribbage, games and finished the morning with a fantastic lunch.

Over 1500 free lunches were provided to local families at the community center as part of a free summer lunch program provided by the Maine hunger initiative. Lunches are provided by St Joesphs College and served by local volunteers. This program not only provided nutrition, but also provides an environment for families to get together over the summer months. Families gather at the community center, have lunch, play games in the gym, while parents have a chance to gather and socialize.

The community center continues to bring citizens of all ages, interests and abilities together. The facility has been used for a number of private, civic, nonprofit and profit functions. Programs have been offered in aerobics, pick-up basketball, pickle ball, snow shoeing, senior fitness, First Aid classes, hunter, atv, cross bow, archery boating, trapping safety classes, Yoga, Zumba, Zumba gold, HIIT Workout, Mad Science afterschool program, youth dodgeball, Mad Science Camp and Basketball Camp.

The Recreation Department takes responsibility for maintaining and improving the town's recreation facilities to ensure that quality programs are offered in quality surroundings. In order make sure this is possible the following upgrades have been completed.

- Resurfacing the tennis and basketball courts at Libby Park
- New mulch at Village Playground

Casco Parks and Recreation is extremely fortunate to have an amazing group of instructors, coaches and volunteers who are responsible for the success of the department. Thank you!!

Beth Latsey  
Parks and Recreation Director

## **REPORT OF THE CASCO PUBLIC LIBRARY**

July 2014 to June 2015 was a very busy time for the Casco Public Library. The Library serves as a hub for the community along with the Recreation Department and the Casco Village Church. Diana Reeves and Michelle Brenner worked with Director Carolyn Paradise from July 2014 – December 2014 as Librarian and Children’s Librarian respectively. Computer usage and circulation of materials remains high and our story-times were filled with kids and their parents, caretakers and grandparents.

Downloading eBooks and audiobooks continues to be more and more popular. It is possible to do this for free through the Casco Public Library’s website. As a part of the Maine State Library’s system, the Library subscribes to *Maine Infonet Download Library*. All you need is a current library membership. The Maine State Library also offers *Learning Express*, a website portal for digital literacy with more than 800 tutorials related to computer skills, job and career resources, business and legal assistance, health insurance and E-gov services. Check it out here: <http://www.maine.gov/msl/digital/index.shtml>

The Library has an **e-mail newsletter** that comes out at the beginning of each month. To be informed of the latest Library news as well as new and ongoing Library programs, click on the “contact us” tab on the Library’s website, [www.casco.lib.me.us](http://www.casco.lib.me.us) , and ask to be subscribed.

Our **book sale/swap** continues to be a major attraction. Lots of newer titles and specialty books are donated regularly. We accept used books throughout the year and there is a full room of gently used books for sale during library hours.

The **Telescope Project**, a program developed through Cornerstones of Science, continues. A powerful telescope can be borrowed for stargazing and in August the Library partnered with Loon Echo Land Trust and Raymond Village Library for a special “**Star Party**” with a local astronomy expert during the Perseid Meteor Showers.

The Library houses a collection of more than 20,000 books, audiobooks, music CDs, DVDs and magazines. Want something we don’t have? Through our Interlibrary Loan system we have access to materials from all over the country.

Other events held during the summer of 2014 included an **Author Visit** from Helen Pepe who penned *Pigs Can’t Swim: A Memoir*, **Let’s Talk About It Book groups** through Maine Humanities, and a visit from **Chewonki** with live animals which attracted an audience of people of all ages. Another event with a family audience was a presentation by local geologist, Gary Lewis who gave a very informative presentation about Hawaiian volcanoes.

Our fifth **Halloween Haunted Library** was a huge success. Lots of costumed visitors came to experience the frightening tour and participate in games and a costume parade at the Casco Recreation Department next door. Volunteers are always welcome to help set up and provide the scares for the evening.

Carolyn Paradise left us as Director at the end of 2014 to move to Rhode Island to be a part time caregiver and full time Yaya to her first grandchild. Librarians Diana Reeves and Michelle Brenner assumed roles as Co-Directors in January of 2015 and long-time volunteer Yvette Rheault was hired as a part time Library Assistant.

Winter happenings included hands-on workshops on origami and recycled art, as well as an Alice in Wonderland themed Tea Party. A Bi-monthly **Lego Club** joined our regular program schedule in December 2014 and has been very popular with the 6-10 year old crowd. Creations are on display in the library for the two weeks in between meetings – come check them out! We also offered free classes on **E-Readers** through SAD 61 Adult Education and **Suicide Prevention** in conjunction with the JD Foundation.

Families enjoyed our 2<sup>nd</sup> **Family Indoor Miniature Golf Afternoon** during April spring break. Participants had a great time conquering the obstacles set up throughout the Library. Another family event was our special storytime in June with therapy dogs from a local trainer. We had over 25 children, from preschool to 5<sup>th</sup> grade sign up for our summer reading program which offered activities and incentives to encourage reading. Diana Reeves was offered a position at a medical university library in South Carolina and was excited to head south after a grueling winter. Wanda Vaughn-Carr was hired as a second Library Assistant in June.

Every month we offer a **Family Film Night**. Due to licensing restrictions we cannot advertise the title on our website or in local papers. The title is announced in our monthly newsletter, on our Facebook page and in the Library. Subscribers to our newsletter will receive announcements for any special kids' and family events.

One of our volunteers arranges a **monthly thematic raffle or guessing game** (e.g., whoever comes closest to the exact number of chocolates in the container, wins them.) We've had many happy winners.

An ongoing **bottle drive** to generate extra funds continues. Bottles can be dropped off in the bins in our foyer. Bottles can be returned through the Clynk program at Hannaford or to the Casco Village Variety to benefit the Casco Public Library. We also have a Treasure Table of goodies as an ongoing fundraiser.

The Book Club, Lakes Region Writers, Vi's Quilters, homeschoolers and various committees and adult students made good use of our **meeting room**. This space is available for local groups. Call the library for more details. **Storytime** continues on Tuesday mornings with songs, stories and crafts.

Our online catalog can be accessed from our website [[www.casco.lib.me.us](http://www.casco.lib.me.us)] along with **MARVEL**, a collection of databases from encyclopedias to periodicals, book searches to kids' activities, all available for free 24/7. Links to sites of special interest including **Maine Infonet** (downloadable audio and e-books) are also available on our website. If you need assistance, stop by the library for a demonstration. And be sure to friend us on Facebook and check us out on Twitter and Instagram.

The library has a faithful and devoted group of volunteers with a variety of necessary skills. They enable us to save thousands of dollars every year in bookkeeping, technological, maintenance and operational expenses. We are ever grateful for their contributions.

We thank the Town of Casco for their continued support and also wish to thank our loyal patrons and citizens who continue to support the Library in many ways.

If you have any requests or questions, please contact Michelle at 627-4541 or via e-mail at [cascolibdirector@gmail.com](mailto:cascolibdirector@gmail.com).

Respectfully submitted,  
Michelle Brenner, Director

**TOWN OF CASCO**  
**CODE ENFORCEMENT OFFICE**  
635 MEADOW ROAD  
CASCO, MAINE 04015

**REPORT OF THE CODE ENFORCEMENT OFFICER**

Building, Plumbing, Shoreland Zoning, Business, Land Use permits and annual Mooring Registrations issued by the Casco Code Officer, Building & Plumbing Inspector, and Harbor Master Alex Sirois and previous Code Officer Donald Murphy for July 1, 2015 through June 30, 2016 are as follows:

- 40 new Single Family Dwellings
- 1 Mobile Home
- 148 Construction Permits including remodeling, additions, decks, garages, sheds, etc.
- 11 Business Permits
- 100 State LPI Permits
- 50 Shoreland Zoning Permits including construction for docks, tree removal, etc.
- 5 Land Use Permits for Miscellaneous lot clearing, timber harvesting, etc.

The duties of the Code Enforcement Officer (CEO) continue as Building Inspector (BI), Licensed Plumbing Inspector (LPI), and Harbor Master. The Building and Plumbing Inspector responsibilities include permitting and compliance with applicable local, state, and federal codes for all commercial and residential construction and remodeling in Casco.

The Code Officer grants permits for activity such as; any construction, dock installation, tree cutting, shoreline restoration, individual tenting or RV camp sites, and other activity in the Shoreland Zone (SLZ). Note that all permits required by the Department of Environmental Protection (DEP) must also obtain a local SLZ permit before starting projects. The DEP requires that contractors working within the SLZ be certified by the DEP to do so. A list of SLZ certified contractors can be found on the State DEP website.

Besides building, septic and plumbing permits, landowners should check the Zoning Ordinance for permits and standards required for all the Zoning Districts including the Stream & Wetlands and Floodplain Zones, commercial and home occupation businesses, timber harvesting, clearing and conversion of forested land over a half-acre for fields or building sites, signs, demolition of structures, junkyards, chimneys & wood stove installation, etc. The Town website [www.cascomaine.org](http://www.cascomaine.org) is continually updated in the CEO department with codes, permit forms, links, notices and CEO e-mail contact. Any construction near Sebago Lake, especially septic systems within 200-feet, require permitting or notification with the Portland Water District.

Owners and contractors, who are both liable for construction and land use violations, should consult with the CEO on project permitting requirements. Homeowners who obtain a permit or authorize an agent such as their contractor, must make sure the permit placard is displayed on site and visible to the road. After-the-fact permits may be granted by the CEO but require a doubled permit fee penalty. Blatant disregard of permitting can result in substantial fines levied by the Board of

**TOWN OF CASCO**  
**CODE ENFORCEMENT OFFICE**  
635 MEADOW ROAD  
CASCO, MAINE 04015

Selectmen and when necessary include structure removal or expensive replanting and remediation conditions. Permit copies are kept in the Tax Map and Lot files at the Town office and are routinely reviewed by realtors, title attorneys, surveyors, mortgage companies, appraisers, and the Town Assessor. Lack of permits often results in difficulty for completing property sales involving loans as well as a number of other issues.

The town is now using a public online GIS server which can be accessed from the website. This will allow citizens to search for property information, zoning, and tax maps much easier. For more information on the GIS system please contact the town office.

Please feel free to contact me with any concerns or questions about waterfront or land use activities.

Sincerely,

Alexander L. Sirois  
Code Enforcement Officer  
Town of Casco, Maine

# CASCO FIRE RESCUE DEPARTMENT

Dispatch: 893-2810 - Central Station: 627-4044 - Company 2: 655-7434

---

I am pleased to present the FY15/16 Annual Report to our citizens. In FY15/16, the department responded to 562 calls for service, of which 416 were emergency medical calls and 146 were fire calls. This is a 22% increase in EMS calls from last year.

The Department has per-diem staffing for EMS 6am-6pm seven days a week. There is a per-diem firefighter 9am-5pm Monday – Friday. In the current proposed budget, additional funding is being sought to increase EMS coverage to 24 hours per day. The night time average response from the time of call to arrival on-scene is 18.06 minutes with a few calls as much as 30 minutes. This is due to personnel not being scheduled and having to rely on people being available off-duty for calls. Adding additional EMS coverage will bring that response time down to an average of ten minutes around the clock.

The department currently has 35 active members who are committed to providing top quality fire & emergency medical services to the citizens of Casco. We have recently placed into service a new 3,000 gallon tank truck. This tanker replaced two tankers that were beyond their service life.

It is vital to us that residences and business ensure that their street address number is clearly visible on the building. Precious minutes are often lost as we look for addresses without numbers displayed.

On behalf of the Casco Fire Rescue Department, I would like to thank the citizens of Casco for their continued support of the department. We hope to see you at Casco Days, always the last weekend in July.

Fire Chief Jason Moen

## CASCO/NAPLES TRANSFER STATION COUNCIL REPORT

The Casco/Naples Transfer Station and Bulky Waste sites provided efficient waste disposal services throughout the fiscal year from July of 2014 through June of 2015 for the Towns of Casco and Naples, co-owners of both operations, and for Otisfield at the Bulky Waste site. In December of 2014 the Bulky Waste site started its 20<sup>th</sup> year of operations while the Transfer Station has been open since 1990 for Casco and jointly with Naples since 1994.

894 tons of municipal solid waste (MSW) were sent to **ecomaine** for disposal as waste to energy for South Portland and Gorham homes during the past fiscal year. In addition, 204 tons of mixed recyclables were collected and sent, taking that tonnage, almost 23%, out of the waste disposal cost for Casco taxpayers.

These figures represent only the waste disposed of through **ecomaine**; in other words, these figures represent Casco's share of the waste disposed of through the Transfer Station. As can be seen from these numbers, disposing of waste through recycling at the two single stream compactors significantly reduces the cost of our waste disposal at **ecomaine** since recycling doesn't cost us in tip fees. Our only cost is for the haul to **ecomaine** and the compactors significantly reduce the number of trips made. In addition, owner towns such as Casco paying assessments to **ecomaine** are no longer doing so as **ecomaine** has paid down its debt so Casco is now saving thousands of dollars a year.

The waste that has gone over the scale at the Bulky Waste site includes mixed building demo, porcelain, roof shingles, sheetrock, tires, yard waste and wood, and has been handled with the objective of obtaining the lowest cost for disposal for the member towns. We are fortunate in having an administrator who constantly looks for ways to keep expenses down and locate the best pricing for both disposal and sale, as well as staff at both the Transfer Station and Bulky Waste sites who make every effort to keep both sites neat and user-friendly.

In 2014 the State changed the way in which recycling rates were calculated; however, by averaging the recycling rates for MSW (municipal solid waste), CCD (clean and painted wood), and LCD (land clearing wood) for the years 2013 and 2014 the calculation for Casco's rate of recycling is 48.99 percent, close to the State's goal of 50 percent.

Residents can continue to obtain coupons for the free disposal of 2000 pounds of bulky waste in the fiscal year from July through June of the following year. Once the coupons for the year have been used, the resident must pay the disposal costs.

The Town of Casco's website has a section that gives information about both the Transfer Station and Bulky Waste, including a map of the different locations at Bulky Waste for disposal of various materials so that users can plan how to load materials efficiently into their vehicles to avoid having to sort and separate on site. The web page also gives days and hours of operation as well as what can be disposed of at both sites. **It is important to note that when a public holiday falls on a Monday, Wednesday or Friday, the Bulky Waste Site will be closed on the following day to allow employees to have that holiday, although a day late. The Transfer Station will remain open.**

The regular meetings of the Casco/Naples Transfer Station Council take place, as needed, on the second Thursday of each month. We welcome the public at our meetings.

Respectfully Submitted,  
Alice Darlington, Chairman
