Paul R. LePage

GOVERNOR

Dear Citizens of Eliot:

Maine has a long tradition of civil participation in both state and local government, and I thank you for being informed and involved citizens.

My vision for Maine is prosperity, not poverty. For this reason, one of my top priorities is the reduction and eventual elimination of the income tax. Some are pushing to raise the minimum wage, but I want Mainers to earn a maximum wage. Reducing the income tax is the biggest and most immediate pay raise for all hard-working Mainers.

Not only does an income tax cut put more money back in your pockets, but it will also attract businesses that can offer good-paying careers to keep our young people here in Maine. It shows the nation that we are serious about wanting people and businesses to come—and stay—in Maine.

Another of my priorities is to lower the cost of student debt in Maine. If young people are struggling with too much student debt, they are unable to afford homes or vehicles. We are now offering programs to help them lower their debt, stay in Maine, begin their careers and start families.

To provide good-paying jobs for our young people, we must also work hard to reduce our energy costs. High energy costs are a major factor in driving out manufacturers, mills and other businesses that need low-cost electricity. I am committed to lowering the cost of energy, not only to attract job creators, but also to allow Maine people to heat and power their homes affordably and effectively.

And finally, we are making progress to address the drug pandemic in our state. It is my most important duty to keep the Maine people safe. While education, treatment and prevention efforts are important, we must get the dealers off the streets. I am pleased the Legislature has finally agreed to fund my proposal for more drug agents to stem the supply of deadly opiates flowing into our communities, but our law enforcement agencies are still understaffed. We must do more.

It is a pleasure serving as your Governor. If ever I can be of assistance to you or if you have any questions or suggestions, I encourage you to contact my office by calling 287-3531 or by visiting our website at www.maine.gov/governor.

Sincerely,

Paul R. LePage
Governor

Dear Friends:

It is an honor to represent Maine in the United States Senate. I am grateful for the trust the people of our State have placed in me and welcome this opportunity to share some key accomplishments from 2015.

Growing the economy by encouraging job creation was and remains my top priority. The tax-relief bill signed into law at the close of last year contains three key provisions I authored to help foster job creation and provide small businesses with the certainty they need to invest, grow, and, most important, hire new workers. Another provision I authored that became law last year gives a boost to both Maine's economy and traffic safety. This provision permanently changed the federal law that previously had forced the heaviest trucks onto our country roads and downtown streets, rather than allowing them to use Maine's federal Interstates. In addition, I was glad to help secure another significant award for the University of Maine's deepwater offshore wind initiative, which has the potential to advance an emerging industry and create thousands of good jobs in our state.

Maine's historic contributions to our nation's defense must continue. In 2015, I secured funding toward a much-needed additional Navy destroyer, likely to be built at Bath Iron Works. Modernization projects at the Portsmouth Naval Shipyard that I have long advocated for were also completed, as were projects for the Maine National Guard.

I was also deeply involved in crafting the new education reform law to better empower states and communities in setting educational policy for their students. The law also extends a program I co-authored that provides additional assistance to rural schools, which has greatly benefitted our state. A \$250 tax deduction I authored in 2002 for teachers who spend their own money on classroom supplies was also made permanent last year.

As a result of a scientific evaluation of the nutritional value of potatoes required by a law that I wrote, the wholesome fresh potato finally was included in the federal WIC nutrition program. I also worked on other issues important to Maine's farmers and growers, including research on wild blueberries and pollinating bees.

As Chairman of the Housing Appropriations Subcommittee, I have made combating veterans' homelessness a priority. This year's housing funding law includes \$60 million for 8,000 new supportive housing vouchers for homeless veterans. Since this program began in 2008, the number of homeless veterans nationwide has dropped by one third. Maine has received nearly 200 vouchers to support homeless veterans.

Last year, I became Chairman of the Senate Aging Committee. My top three priorities for the committee are retirement security, investing more in biomedical research, and fighting fraud and financial abuses targeting our nation's seniors. I advocated for the \$2 billion increase in funding for the National Institutes of Health to advance research on such diseases as diabetes and Alzheimer's. The Senate also unanimously passed my bill to support family caregivers. The Aging Committee's toll-free hotline (1-855-303-9470) makes it easier for senior citizens to report suspected fraud and receive assistance and has already received more than 1,000 calls.

A Maine value that always guides me is our unsurpassed work ethic. As 2015 ended, I cast my 6,072nd consecutive vote, continuing my record of never missing a roll-call vote since my Senate service began in 1997.

I appreciate the opportunity to serve Eliot and Maine in the United States Senate. If ever I can be of assistance to you, please contact my York County Office at (207) 283-1101, or visit my website at www.collins.senate.gov. May 2016 be a good year for you, your family, your community, and our state.

Sincerely,

Susan M. Collins

CONGRESS OF THE UNITED STATES
1ST DISTRICT, MAINE

Dear Friend,

I hope this letter finds you and your family well. I appreciate the opportunity to give you an update on my work in Maine and Washington. It continues to be a great honor to serve the people of Maine's 1st District in Congress.

Over the last year, I have introduced a number of bills to address the problems my constituents face. One of the most concerning issues is hunger. Nearly 50 million Americans don't have reliable access to enough food. At the same time, 40 percent of the food produced in the country goes to waste. That is why I introduced the Food Recovery Act, comprehensive legislation to cut food waste while providing more food to the people who need it.

The Safe and Affordable Drugs from Canada Act takes on another serious concern for Maine families—the high cost of prescription drugs. Just over the border in Canada, the same medications are available at half the price on average. My bill would lift a ban that prohibits consumers from importing those medications. Other bills I introduced touch on a number of issues, from helping veterans secure benefits to protecting our coastal economies. For more information on all my legislation, go to www.pingree.house.gov.

My seat on the House Appropriations Committee—which has a powerful role in setting federal funding levels—has also put me in a position to influence policies and programs that affect Mainers. A couple of examples from the last year include pushing to make Lyme disease a higher federal priority and working to protect funding for a program that has extended pre-school to hundreds of Maine children.

But not all my work takes place at the Capitol. Here at home, I had the chance to visit many communities to help celebrate their victories and discuss their concerns—critical feedback to take to Washington. And over the last year, my hard-working staff has helped hundreds of constituents on their issues with federal programs and agencies.

I hope the last year has been a good one for you and your family. As we head into another year of challenges and opportunities for our nation, I promise that your interests will continue to guide my work. Please contact my office if there's ever anything I can do for you.

Best wishes,

REPORT OF SENATOR ANGUS KING

Dear Friends of Eliot:

It has been a privilege to serve the State of Maine since being sworn into the U.S. Senate.

Much of my time in Washington this past year has been devoted to the Senate Armed Services Committee and the Select Committee on Intelligence. Protecting our homeland and the people of Maine from terrorism and violence remains one of my top priorities. Through my work on the Armed Services Committee, I was able to secure several provisions in the 2016 National Defense Authorization Act that benefit Maine. The legislation authorizes the construction of an additional DDG-51 Arleigh Burke Class Destroyer that could be built at Bath Iron Works and expands the HUBZone program to stimulate economic growth at former military installations like the former Brunswick Naval Air Station.

Returning control to teachers, school districts, and states has also been a primary concern of mine. I am encouraged that the Every Student Succeeds Act has become law. It eliminates the burdensome requirements of the No Child Left Behind Act and ensures access to a quality education for all students. A provision I helped author in the bill will give states the opportunity to pilot the use of their own proficiency-based assessments in lieu of federally-mandated standardized tests. Also included in the bill are several measures I secured to promote local input, fund education technology initiatives, and explore new strategies to increase student access to the internet outside of school.

Communities across Maine have taken bold action to improve their broadband connectivity, and I have been proud to foster federal support for these types of projects. My amendments to the Every Student Succeeds Act will promote the type of work already occurring in Washington County, where students who lack broadband access are able to check out mobile hotspots from their local libraries. Additionally, a bill I co-sponsored, the Community Broadband Act, helped pave the way for the FCC to enact rules protecting the ability of municipalities to invest in better broadband. I am excited by Maine's leadership on this important

REPORT OF SENATOR ANGUS KING

economic development issue and will continue to support local efforts in this area.

After extensive negotiations, the Senate passed a five-year transportation bill that will increase highway and transit funding in Maine and provide stability to improve our transportation infrastructure. The legislation contains provisions I cosponsored to cut red tape and improve predictability and timeliness by streamlining the federal permitting process for large infrastructure projects. Also incorporated in this bill are my provisions to relieve financial regulations on Maine's community banks and credit unions and to reauthorize the Export-Import Bank, a critical tool that supports communities and small business across the state.

Following my inquiries in the Energy and Natural Resources Committee, the National Park Service has announced they will begin exploring strategies to allow park visitors to purchase electronic passes online and will pilot the program at Acadia National Park. These passes would improve access to our nation's most treasured landscapes and would generate resources for years to come. I remain deeply engaged in preserving Maine's natural beauty and strengthening our outdoor recreation economy.

It is with solemn responsibility that I have focused my energy addressing the opioid epidemic in Maine. This work includes convening roundtables with a wide-range of health care and law enforcement professionals to combat addiction; introducing a proposal to safely dispose of excess prescription drugs; cosponsoring a

Senate-passed bill that addresses mothers struggling with addiction and the alarming effect it has on newborns; cosponsoring the TREAT Act, which expands the ability of medical specialists to provide life-saving medication-assisted therapies for patients battling heroin and prescription drug addiction; and calling on the Commander of U.S. Southern Command to increase efforts to stop the flow of heroin at our southern border.

REPORT OF SENATOR ANGUS KING

I like to think of Maine as a big small town – and in a small town, the leaders are accessible and eager to listen. In that spirit, I’ve made it a priority to stay connected with people from all over Maine who e-mail, write, and call with suggestions or questions. If I can ever assist in your interaction with a federal agency, or you have thoughts, concerns, or personal input on a matter that is currently before Congress I hope you will contact me, let me know where you stand, and engage in this critical part of democracy. Please call my toll-free line at **1-800-432-1599** or one of my offices: Augusta (207) 622-8292, Presque Isle (207) 764-5124, Scarborough (207) 883-1588, or Washington, D.C. (202) 224-5344. You can also write me on our website at www.king.senate.gov/contact.

As always, I am honored to represent the people of Maine and look forward to working with you for the betterment of our great state.

Sincerely,
Angus S. King, Jr.
United States Senator

York County

Alfred, Maine 04002
(207) 459-2312
Commissioner Gary Sinden
gsinden@co.york.me.us

February, 2016

Thanks to sound management by the County Manager and the Department Leaders, the county continues to provide excellent services to the towns and citizens of York County while keeping the increase in the tax assessment to the towns below one percent. This is a notable achievement considering the renewed rise in inflation and increasing health care costs. I applaud their success.

The Board of Commissioners continues to support the Sheriff's contract deputy program. The Sheriff's Department patrols nine out of twenty-nine towns in the county. This rural patrol provides the level of protection required by state statute. When a town decides that a higher level of protection is needed, its citizens can vote to contract a deputy from the Sheriff's department at a fraction of the cost of funding a police department. Despite pressure to the contrary, we Commissioners remain firm that the actual cost, including the cost of the vehicle, be charged to the towns.

The County's three newest Department Leaders have had great success right from the start:

Linda Corliss, Human Resources Director, has overhauled the Worker's Compensation program resulting in savings of at least \$40,000 per year. Last year the County received a refund check (\$18,000) for the first time ever.

Art Cleaves, Emergency Management Director, continues to obtain grant funding (over \$100,000 and counting) for EMA's efforts in the county. The focus of the Agency continues to be the working relationship with the towns' emergency management efforts and the training and retention of the many volunteers that staff the EMA. Art has secured funding (50%) from the state to renovate additional EMA space within the York County Government Building.

The latest Department Leader hired is Tim Amoroso, Facilities Director, who brings a wealth of knowledge and experience in facilities management. Tim's efforts will result in great savings over time through professional preventive maintenance and new construction bidding and oversight.

The State Legislature and the State Court system are currently in the process of replacing outdated courthouses and York County is on the list. The legislature has approved funding for this process and site location suggestions have been requested. The Alfred Select Board and the County Board of Commissioners have voted unanimously that the court remain in Alfred, the county seat. This is only fair to all of the citizens due to its central location. Also, we Commissioners have offered the state 7.7 acres adjacent to the jail (at no charge) as the site for the new courthouse. This site would save thousands of dollars annually in prisoner transport costs. In the end, why should we taxpayers pay the inflated costs for land near the seacoast when we already own land at a better location?

127th Legislature
Senate of
Maine
Senate District 35

Senator Dawn Hill
Assistant Democratic Leader
3 State House Station
Augusta, ME 04333-0003
(207) 287-1515
Dawn.Hill@legislature.maine.gov

Dear Residents of Eliot,

I hope 2016 finds you and your family doing well. It is an honor to represent you and this community as your state senator. It is also a privilege to serve in the Maine Senate as the Assistant Senate Democratic Leader.

This past year, the legislature made significant progress in providing direct tax relief to Maine homeowners. We increased the Homestead Property Tax Credit from \$10,000 to \$15,000 starting in April of 2016; and the exemption will increase again to \$20,000 in 2017. We also prevented Municipal Revenue Sharing cuts while increasing funding of K-12 schools by \$80 million. These efforts are aimed at offsetting the need for municipalities to increase property taxes.

Additionally, we implemented meaningful, fair changes to the state's income tax code, which will result in a \$135 million annual tax cut for 579,000 Maine families. The legislature also eliminated the income tax on pensions for all military families.

I am proud of these accomplishments. I hope you are as well. As the legislature continues its work, please know that I am available to hear from you. I also encourage you to sign up for my legislative email updates to keep you informed about what is happening in the legislature. This periodic email allows me to share information that is useful and informative to you and our district. Please email me at dawn.hill@legislature.maine.gov or call (207) 287-1515 to sign up.

As your state senator, I will continue to do as I have always done in the past, and that is work with all sides to do what is best for you, our district, and our state. I look forward to seeing you around.

Best regards,

Dawn Hill
State Senator

REPORT OF REPRESENTATIVE ROBERTA BEAVERS

Dear Neighbors:

As I finish my third and final term as your State Representative in Augusta, I thank the many citizens who have shared wisdom, observations, suggestions and encouragement, which have helped me make prudent choices on your behalf. It has been an honor and pleasure to serve you these past six years. You have fine candidates to consider for my seat in this year's June primary and the November general elections. I will be happy to offer my assistance in the transition that will occur the first week of December.

As a member of the Joint Standing Committee on Energy, Utilities and Technology all three of my terms of service, I continue to work with my colleagues as well as with the leaders and experts in the Governor's Energy Office, the Efficiency Maine Trust, the Public Utilities Commission and the Office of the Public Advocate to find ways to reduce energy consumption and costs while encouraging investment in clean, cost effective, renewable energy resources.

During the second session of the 127th Legislature, we are considering less than 500 bills (including close to 200 carry-over bills from last session). Many of the bills will impact York County citizens in the areas of education, veterans, public safety, county jail funding, people with disabilities, the addiction crisis, infrastructure and taxes. I am specifically co-sponsoring bills related to teachers, emergency medical services, the deaf, addiction treatment and recovery, the arts, electric generation affiliates, sex trafficking and foster care, several of which have passed early in the session.

I am looking forward to the annual visit of all 4th graders from Marshwood Great Works School in March.

I thank you for your trust in me and hope you will continue to contact me directly about issues of concern. You may leave me a message at 1-800-423-2900, or email me at rbbeavers@comcast.net. I welcome your input.

Sincerely,
Representative Roberta B Beavers

NOTICE OF STREET REQUIREMENTS

Any property owner who is planning to hot-top a driveway connected to any highways should contact either the Public Works Director or the State Highway Supervisor. Depending on jurisdiction it may be necessary to correct a drainage problem or to prevent a condition, which might be objectionable or hazardous to traffic. Anyone planning a street with the intention of requesting the Town to accept it as a public way should first obtain information as to the requirements of the Town as to width of right-of-way, construction and drainage, etc.

NOTICE FOR BOAT MOORINGS

All boat moorings within tidal waters of the Town of Eliot must be approved by and registered with the Harbormaster.

ASSESSOR'S NOTICE

All taxpayers are requested by the Municipal Assessor of Eliot to furnish true and perfect lists of all their properties in Eliot, which they possessed on the first of April 2015. If any resident does not furnish this list, he is hereby barred to his right to make application to the Assessor, or any appeal there from, for any abatement of his taxes. The Assessor will accept such list brought or mailed to the Town Office from April 2 to April 30 during regular office hours.

NOTICE FOR ALARM SYSTEMS

Any resident with either a burglary alarm system or fire alarm system in his/her house or business is requested to contact the Eliot Police Department. The Department has forms to fill out so that the Police will be aware of your system. This information will aid in response to your alarm.

NOTICE

For efficient emergency service, all houses should have properly displayed house numbers. Reflector signs for house number may be purchased from the Fire Department, applications available at the Town Office.

NOTICE

The Town will provide any reasonable accommodation for any disabled resident to attend any Town function or meeting. Please notify the Town Manager at Town Office of the need. This is in accordance with the ADA Law.

NOTICE FOR OUTDOOR RECREATIONAL FACILITY USE

The Community Service Department is responsible for the management of the Dixon Road Recreation Area, Boat Basin, Frost Tufts Park, and William Murray-Rowe Park. All park related business should be referred to the Community Service Department Director at (207) 451-9334.

The Board of Selectmen, in order to protect and maximize the use of the Town's recreational facilities, has adopted policies and procedures for the operation of these facilities. Copies of these policies and procedures are available at the Community Service Department.

Effective **April 1, 2012** the Eliot Community Service Department will be adopting a "Carry-In, Carry-Out" policy for waste management at the fields and parks in Eliot. Trash & recycling barrels will no longer be provided at the Town of Eliot's Facilities; therefore visitors, spectators, and all who use the Community Service Department's Recreational Facilities will be asked to carry-out their waste, and dispose of it in a proper manner, or to recycle it when applicable.

Reservations for the private use of the pavilion at the Boat Basin and Frost Tufts Park are made at the Community Service Department. Fees are collected seven days per week from May 1st to the Sunday of Columbus Weekend. Reservations must be made in advance. Phone reservations are no longer accepted.

Fees are collected at the Boat Basin from Friday of Memorial Day Weekend through Labor Day. Collection of fees will occur on Fridays, Saturdays, Sundays, and any holiday that falls on a Monday. Fees are collected from 5:00am-5:00pm. Season passes can be purchased at the Community Service Department beginning April 1st and at the Boat Basin when fees are collected. RULES FOR THE ELIOT TRANSFER STATION

1. The long-term permit shall be restricted to authorized persons (property owners, residents, seasonal residents, nonresident military personnel with proof of residency in Eliot and active duty status and other persons authorized to dispose of solid waste in Eliot.
2. The Town Clerk shall keep a record of each permit issued with the name and address, vehicle registration number and any other information deemed appropriate.
3. When applying for a permit, please show the registration for the vehicle on which you wish to display the permit.
4. If your vehicle is not registered in Eliot, the name on the registration must be the same as the name on your Eliot address.
5. No vehicle registered to an out-of-town (or out-of state) business will be issued a permit.
6. Defective permits must be returned into Town Hall for a replacement.
7. Vehicles leased to an Eliot resident or Eliot business may obtain a permit if they supply the lease agreement, registration and Eliot address.
8. The Eliot Municipal vehicles shall be **exempt** from permits.
9. Any vehicle not properly displaying a current permit shall not be allowed to dispose of any material at the facility. Permits must be displayed by hanging from the vehicles rear view mirror.

Non-compliance with the above rules is subject to Sec. 16-11, Chapter 16, Waste Recycling and Disposal, of the Municipal Code of Ordinances of the Town of Eliot, Maine

Household Hazardous Waste Collection:

Held quarterly – Dates to be announced!

THE ELIOT RECYCLING PROGRAM

The object of recycling is to place materials that used to be thrown away back into the productive economy where they can be made into useful products. By doing this we eliminate the amount of costly disposable trash. To use the Transfer Station on Route 236 you must obtain a permit (free) at the Town Hall during normal business hours. However, replacement permits for the same registration number will be charged a fee of (\$1.00) one dollar.

WE HAVE A COMMUNITY RESPONSIBILITY

Each of us must be responsible citizens and do our part to recycle and process our own trash. Trash handling fees, called tipping fees, are very expensive and the more trash we move out of the waste stream the more money we will save. The Transfer Station saves thousands of tax dollars each year through our recycling effort. In addition, we are doing something positive for our environment when we recycle.

THE SALVATION ARMY and PLANET FITNESS BINS AT THE TRANSFER STATION

The Salvation Army maintains a pick-up bin at the Eliot Transfer Station. You are encouraged to use it. The Salvation Army needs:

COMPLETE GAMES
CLEAN CLOTHES

SHOES
TOYS

CHILDREN'S BOOKS
BOOTS

Please keep all materials for the Salvation Army dry and clean!

REPORT OF THE ELIOT SELECTBOARD AND THE TOWN MANAGER

The Town of Eliot hired its first Town Manager in February of 2014. This report covers the first full year of challenges that the Select Board and the Town Manager undertook. Fiscal year 2014-2015 was a very busy year as there was a backlog of old business to be dealt with and the desire to move forward in several new efforts.

Some of the key challenges / accomplishments are as follows:

- After 3 failed votes to approve using Tax Increment Financing (TIF) funds to accomplish the previously town-approved plan for Rte 236 sewer expansion, including updating the two failing pump stations and certain sections of sewer mains, a TIF Alternatives Committee was formed and began its work to find other, “more acceptable” projects to use those economic development funds;
- The Charter Commission continued its important work of putting forth a comprehensive Town Charter; Selectmen and staff assisted in the process offering support and guidance;
- A lot of time and energy went into trying to address two failing sewer pumps, including preparing two (failed) funding votes, a lot of engineering, and responding to ongoing system failures all the while;
- We began and finished a large storm water improvement project at the end of Park Street – a project mandated by Federal and State regulations;
- Significant time and thought went into incorporating a successful citizen’s petition to have a “Citizen Option” addition to the already approved conversion from Open Town Meeting to Referendum Ballot style budget adoption; ultimately both were merged and adopted;
- This was the second year where the Town Manager continued the recommended conversion to a “gross budgeting” system that very clearly shows every revenue and every dollar to be spent;
- A Harbor Commission was appointed to review and revise the old Harbor Ordinance, and to help support the expanded work required

REPORT OF THE ELIOT SELECTBOARD AND THE TOWN MANAGER

of the new Harbor Master, Dick Philbrick, including the mapping and identification of all moorings;

- An effort took place to increase the number of Growth Permits issued by the Town; the number is formulaic and had been decreasing over the years to just 18 per year; it was defeated;
- Eliot participated with South Berwick to replace the Old Field's Road bridge at a substantial savings to both towns;
- The costs of General Assistance has come down by over \$35,000;
- Space at Eliot Elementary School had to be renovated for rental to accommodate our Community Service Department;
- Sewer finances became better understood; rate increases were required to operate "in the black;"
- The Town's fund balance (savings) was re-structured and consolidated into a set of well-thought out investments; rates of return of investments remained low;
- The Towns of Kittery, Eliot, South Berwick and Berwick began an effort to further regionalize two dispatching centers into one center to save money;
- Our Energy Committee continued work on developing a proposal to put a solar-generating power system on the Town's closed landfill, providing all of the Town's current and future power needs; they also received a \$45,000 grant and all municipal buildings were retro fitted with high efficiency LED lighting; also some building insulation and weatherization projects were undertaken;
- We received notice of Police Chief Ted Short's retirement; the Town began to work with Kittery to see if we would share a Chief again; Eliot decided against it;
- The Select Board and Town Manager also undertook updates of important policies including the Personnel Policy and the Selectmen's Policies;
- We worked together to improve a couple of important processes such as collection of outstanding personal property taxes, selling off surplus town equipment, a policy for allowing redemption of a

REPORT OF THE ELIOT SELECTBOARD AND THE TOWN MANAGER

- foreclosed property and for selling foreclosed properties if the prior owner did not redeem it;
- Worked with Maine Department of Transportation to get traffic counts at Bolt Hill Road and Rte 236 in anticipating of a possible traffic light, lowering some speed limits, and fixing numerous potholes on state roads throughout town;
 - We requested and received another year of air monitoring associated with sulfur dioxide emissions potentially over the limits being discharged by the Schiller Power Plant;
 - We invested in a study that led to a 5-year road improvement plan designed to lower overall costs of long-term road repair;
 - We worked to (unsuccessfully) negotiate a new union contract for our Police Officers, watched a General Government Employees Union form then de-certify, and we finalized a 3-year union contract with the Public Works employees;
 - The Town received a favorable audit wherein several prior audit concerns were addressed by staff, including full integration of all financial information into our computer system, all payroll and benefits information tracked by computer, all reserve accounts tracked by computer, etc.

In summary, it was a very busy year where Selectmen and new Town Manager worked closely to address several old concerns and to address the ongoing new issues which are always arising. We want to sincerely thank the residents who volunteer on our committees to do the important work of those committees. The Select Board would also like to thank the conscientious staff who serve the Town and are at the forefront of improving the way the Town of Eliot does business.

We are now 8 months into the following fiscal year and the “list” keeps growing and the pace of addressing items on the list continues at a breakneck speed. We are all very pleased to do the work of the Town and to keep Eliot a wonderful place to live.

REPORT OF THE BOARD OF APPEALS

The Eliot Board of Appeals hears both Administrative Appeals and Variance Appeals. (The following definitions are from the Eliot Municipal Code of Ordinances, Section 45-49. Powers.)

“Administrative Appeals. The board of appeals shall hear and decide where an aggrieved person or party alleges error in any permit, order, requirement, determination, or other action by the planning board or code enforcement officer. The board of appeals may modify or reverse action of the planning board or code enforcement officer by a concurring vote of at least three members, only upon a finding that the decision is clearly contrary to specific provisions of this chapter”.

“Variance Appeals. The board of appeals shall hear and decide cases involving the relaxation of regulations affecting height, area, size of structures, size of yards or open spaces, or other types of variance specifically provided by this chapter. On a case-by-case basis the board of appeals may elect to hear cases involving establishment or change to a different nonconforming use. A variance shall be as limited as possible to relieve a hardship. The board of appeals shall grant a variance where a party establishes that the strict application of provisions of this chapter will cause undue hardship. The words ‘undue hardship’ mean: (1) that the land in question cannot yield a reasonable return unless a variance is granted; (2) that the need for a variance is due to the unique circumstances of the property and not to the general conditions in the neighborhood; (3) that the granting of the variance will not alter the essential character of the neighborhood and (4) that the hardship is not the result of action taken by the applicant or a prior owner.” The applicant must meet all four of the above criteria for a variance to be granted.

The Eliot Board of Appeals meets the third Thursday of the month at 7:00 PM at the Town Hall. Board of Appeals meetings are open to the public and all are welcome and encouraged to attend. Meetings are also live video streamed and meeting minutes archived online through our Town of Eliot website.

The Board of Appeals met five times in 2015 and held eleven public hearings. It reviewed seven Administrative Appeals one of which was granted, three denied and three withdrawn. Three Variance Appeals were

reviewed, two of which were granted and one denied. In addition, one waiver from setback requirements was granted.

The Board of Appeals would like to thank the citizens of Eliot for their support.

REPORT OF THE BUDGET COMMITTEE

The Budget Committee is composed of seven members elected by the citizens of Eliot. The Mission Statement of the Budget Committee adopted on November 13, 2012 state, “The mission of the Eliot Budget Committee is to consider any or all municipal questions of a financial nature, or which result in an outcome of a financial nature and to make reports or recommendations to the town.”

Meetings are held the 2nd Tuesday of each month and are open to attendance and comment by the public. The meetings are available for viewing live or by convenience via Internet at www.townhallstreams.com. During budget season, the Budget Committee met as often as necessary to review, discuss and make recommendation on the annual budget presented by the Town Manager.

On November 10, 2015, the Budget Committee voted unanimously to issue the following statement to the Town Manager: “The Budget Committee’s position for Fiscal Year 2016/2017 is that given the current economic conditions and Federal COLA of 0%, is that we recommend no increase in the municipal mil rate.” The Budget Committee’s recommendations for the 2016-2017 fiscal year helped meet this goal.

The Budget Committee carefully reviewed and discussed each departmental budget contemplating the short and long term impacts for the taxpayers. Three recommendations made by the Budget Committee that were adopted by the Town Manager and Select Board include the purchase of a binding machine, adjusting the timeline for purchasing police vehicles and adjusting the hourly stipend for the volunteer firefighters.

The Budget Committee recommended replacing the cost to outsource publishing of the Town Report with the purchase of a binding machine and doing the printing in house. This realized a savings of \$1,530 for the 2016-2017 fiscal year in addition to long term savings and was supported by the Town Manager and Town Hall staff. The purchase of the binding machine allows staff to print the Town Report in house and control the

number of copies printed to reduce waste. In addition, the binding machine will be used as needed to bind other Town documents.

The Budget Committee evaluated the age and mileage of the fleet of police vehicles, and recommended that that the current plan to replace two vehicles one year and one vehicle in the ensuing year be changed to replacement of one vehicle per year. Since the Town purchased two vehicles in fiscal year 2015-2016, it was recommended that none be purchased in fiscal year 2016-2017 at a savings of \$24,000. It was also noted that the laptop computers in the vehicles were seven to eight years old. The Budget Committee recommended that two new computers be purchased to be installed in the police vehicles that were purchased in the current fiscal year at a cost of \$8,000.

The Budget Committee gathered data and evaluated the current stipend for volunteer firefighters. It was determined that the current stipend fell below the average stipend paid by area communities similar to Eliot. The Budget Committee recommended that the stipend be raised from \$10.30 per hour to \$12.75 increasing the original requested amount by \$12,534.75.

The Budget Committee, after much deliberation and consideration, recommended that non-union employees receive a 1% increase in wages rather than the 3% recommended by the Town Manager. Consideration was given that the Federal COLA for the most current three years was 1.5%, 1.7% and 0% while in each of the past two years, non-union employees received increases of 3% and 3% was again recommended for fiscal year 2016-2017 by the Town Manager. In addition to these increases in wages, employees also receive a 1.5% step increase each year for the first six years of employment. 18 employees are scheduled for a step increase in fiscal year 2016-2017. The Budget Committee was in agreement with the Town Manager and Select Board to recommend supporting a wage study of all positions in Eliot government.

The Budget Committee after consideration and discussion voted to not fund the solar array proposed at the Transfer Station as the project has not been approved by the Town or the State. In addition, there is pending State legislation that could adversely alter the financial impact of this project, and because of this the Budget Committee feels it is prudent to

wait to fund this project. Postponing this funding realized a reduction of \$40,000. Should the Town vote to approve the project for the current proposed timeline in the future the cost could be spread out over the next five years at \$48,000 per year.

The Budget Committee recommended to fully fund the \$145,000 requested by the William Fogg Library, which is \$5,200 over the amount recommended by the Town Manager.

The Budget Committee would like to thank the citizens who shared their recommendations and the Town Manager and Town employees who created the budget, attended meetings, answered questions and provided requested documentation to facilitate the work of the Budget Committee.

REPORT OF THE BUSINESS DEVELOPMENT COMMITTEE

The Business Development Committee continued working on our mission: “To attract a diverse range of environmentally sound commercial enterprises in focused areas of Eliot, minimizing the impact on the rural nature of the community while acknowledging the need for an expanded tax base.”

The Committee currently meets on the third Monday of each month in the Town Hall and we are always looking for new members and new ideas.

The Committee focused on the following in the past year:

- Educating voters about the potential of the TIF funds. The Committee is committed to informing tax payers about the possibilities of an expanded tax base with additional sewerage coverage in the Commercial District.
- The Committee continues to respond to inquiries regarding potential business relocations to Eliot. Business interest was at a moderate level near the end of the year with successful builds from Cumberland Farm, Dollar General, and NAPA Auto Parts, among others.
- We offer our support should there be any issues that the business need to have addressed.
- The Committee is working towards building a network of business owners in town with a few programs including a Business after Hours, a better partnership with the York Chamber of Commerce, and a trade show for the Seacoast community highlighting Eliot’s small businesses.

We encourage Eliot’s residents’ involvement with our projects, you do not need to be a member of our Committee to attend meetings and provide us with input and support.

REPORT OF THE CHARTER COMMISSION

In March of 2013 Robert W. Fisher organized a “petitioner’s committee” composed of himself and Rosanne Adams, Dennis Lentz, Charles Rankie, and Edward Strong calling for the municipal officers to establish a Charter Commission to prepare a municipal charter for the town.

At the June 11, 2013 Annual Town Meeting members of the Petitioner’s Committee gathered the necessary signatures which were then presented by Town Clerk Wendy Rawski at the July 3, 2013 Selectman’s meeting for their action, having met the necessary qualifications.

The Selectmen then placed the petition on the warrant for a town-wide vote at a special referendum election on November 5, 2013. The citizens of Eliot by a vote of 833 to 544 voted to establish a nine member Charter Commission and at the same referendum, consistent with state law, elected six (6) members to this body: Rosanne M. Adams, Roland R. Fernald, Robert W. Fisher, John J. Murphy, Gary A. Sinden and Edward F. Strong. The Selectmen then, as called for by Maine Statute, appointed the three (3) remaining members: Maryann Place on November 14, 2013 and Charles Rankie, and Dennis Lentz on November 26, 2013.

Town Clerk Wendy Rawski, as required by Maine Statute, called and facilitated the initial organizational meeting which was held on December 16, 2013. At this time the Charter Commission elected Charles Rankie, Gary Sinden, and Rosanne Adams as Chair, Vice-Chair and Secretary, respectively. The Commission then set up a plan that included obtaining as many other town charters as were applicable to our town manager/select board form of government to use as reference for the Commission, established a regular monthly meeting schedule and set the format for their meetings. Two volumes of Maine town charters were prepared by Dan Blanchette (then the town’s Administrative Assistant) and John Murphy for use by the Commission. The Commission also obtained its own page on the town website where all agendas and minutes, as well as charter articles were posted, in progress, for the public.

The Charter Commission held 44 regular meetings and 3 public hearings. The mission of the Charter Commission, as voted on by the members was

REPORT OF THE CHARTER COMMISSION

“to examine the current structure and processes of our local government, to gather and discuss concepts and ideas put forth by the citizens and to proposed changes in and codification of our form of local government and to present them to the voters of Eliot with the goal of increasing citizen participation and government transparency”.

A statutorily required public hearing was held on January 11, 2014 at the Eliot Town Hall. At that meeting the Charter Commission received comment and suggestions from members of the public on a new Municipal Charter. These comments were compiled and referred to as the Commission continued to discuss the Charter provisions.

Over the next 19 months, leading up to the publishing of a Preliminary Charter Report, as called for by State Statute, the Charter Commission met regularly to discuss, draft and revise charter provisions. Meetings welcomed citizen input, providing for public comment at both the beginning and end of the meeting and before every vote taken by the Charter Commission on each Article. All meetings were video-streamed so that the public could be kept informed in real time. The Commission also met with various department heads and the Town Manager as it worked on related articles.

Public notice of all meetings through the use of newspaper, website postings, e-alert notices sent out by the town’s website and radio, as well as several news articles helped keep the public informed of the charter’s progress. Our Portsmouth Herald newspaper reporter, Ralph Morang, was very helpful in providing regular reporting of the actions and work of the Commission. In addition citizen Janet Saurman prepared a display which was alternated between the Town Hall and William Fogg Library. A display was also produced for town meetings. Toward the end of the process a brochure was produced and handed out at Eliot Festival Day.

Beginning in July of 2014, as each Article of the Charter was worked on, updated versions were posted to the town website for the public to view. The Charter Commission made every effort to be responsive to the will and suggestions of the community, while remaining creative and unbiased

REPORT OF THE CHARTER COMMISSION

in their presentation of a charter for the voters to adopt. Existing charters from other communities were used as reference for structure and wording in an effort to develop the best working charter for Eliot.

A Preliminary Report and Draft Municipal Charter were issued on July 13, 2015. A public hearing was held in accordance with 30-A M.R.S.A. §2103(5) on July 21, 2015 at the John F. Hill Grange Hall where further public comments and suggestions were taken on the Preliminary Charter. In response to the suggestions and concerns of residents the Charter Commission made amendments to the preliminary document. The Commission, as directed by state statute, hired Attorney E.F. Langsdorf of the firm Perti Flaherty to do a legal review. Following the making of additional changes based on this legal review the Charter Commission submitted to the Select Board a Final Report and proposed Municipal Charter on September 10, 2015.

The Commission held a public hearing on the final Charter document at the Town Hall on October 28th, 2015.

The citizens of Eliot adopted the Municipal Charter on November 3, 2015 by a vote of 958 to 341.

As the Town's Charter Commission, we have spent a considerable amount of time discussing every facet of municipal government including its successes and its failings. Though not every issue brought before us has been able to be included in the final version of this document, we believe the Eliot Charter helps to bring to the citizens of Eliot understanding and transparency as to the workings of town government and provides policymakers and committee members with a framework for conducting the Town's business.

We believe that with the adoption of this Charter the Town of Eliot has made meaningful changes to the workings of its government, and has created a structure that is clearly defined and in which we can all have confidence.

REPORT OF THE CHARTER COMMISSION

We thank the citizens of Eliot for giving us the opportunity to serve.

The Eliot Town Charter Commission was officially dissolved on December 9, 2015 at our 44th meeting.

REPORT OF THE COMPREHENSIVE PLAN REVIEW COMMITTEE

The Comprehensive Plan Review Committee continues to look at the accomplishments of the various boards and committees regarding tasks set forth in the Comprehensive Plan of 2009.

A recent request was sent out asking for identification of tasks that still need addressing and estimated dates of when the individual groups plan to start the task and estimated times of completion.

The results of the recent survey sent out by the TIFD Alternatives Committee may or may not indicate the will of the people has changed since the adoption of the Comp Plan. We have asked the boards and committees to identify tasks that they feel are no longer applicable and therefore will not be implemented.

Respectfully submitted,

REPORT OF THE CONSERVATION COMMISSION

The Conservation Commission continues its efforts to reach out to the public and educate on issues relating to the conservation of our natural resources.

We continue to provide educational materials in the form of pamphlets and displays at the Town Hall, and at local events including Eliot Festival Day. Some of the educational literature that we provide includes that pertaining to: local areas of ecological significance; neonicotinoids and the harm they cause on bee populations; invasive species of the area; how to protect land with a conservation easement.

The Conservation Commission continues to work with regional initiatives and collaborations such as the Great Works Regional Land Trust, Beginning with Habitat, and Mount A to the Sea to address issues of conservational concern that extend beyond the borders of our town. We recently teamed up with the Great Works Regional Land Trust and the Maine Farmland Trust to promote their presentation held at the Grange Hall on protecting working farmlands through agricultural easements.

We have been making efforts to improve public access to town owned lands including one of our town forests. The process has been painstaking and fraught with countless speedbumps. Nevertheless, we feel that public access to the areas that we want to protect is important in fostering a sense of community ownership, pride, and a desire to protect these areas. We will continue to seek ways in which we can provide better access to such areas while protecting the rights and interests of private landowners.

As an advisory board, we have been striving toward making sure that conservation of natural resources is taken seriously by other boards and committees in the town. We continue to monitor the building and development applications that are submitted to the Planning Board to ensure that all necessary ordinances and protections for natural resources are adhered to.

We have had to say good bye to a few members who have left us for a variety of personal reasons. Thank you very much to Claudette Moran, Ernie Bruneau, and CJ Cogswell for all of your hard work. We wish you the best of luck in your future endeavors.

REPORT OF THE CONSERVATION COMMISSION

The latest development of the Conservation Commission has been to create an ongoing guest speaker/presentation series in which we can work toward educating the public on any topic relating to conservation. Presentations in the lineup so far include a showing of the film *Farming*

101 by documentarian Peter Randall (showcasing the farming heritage of Eliot and Kittery), and a screening of Dreamworks' *Bee Movie* where we will offer information on how citizens can help our declining bee populations. The *Bee Movie* will be shown in partnership with the

Garden Club. It is the hope of the Conservation Commission that we will be able to collaborate with other groups and committees in town for each of our presentations.

REPORT OF THE ENERGY COMMITTEE

During the past year, the Energy Committee continued its work to develop solid plans for a solar array on the Town's closed landfill that will generate 174,500 kilowatt hours of electricity. This array, if approved in June 2016 will provide the Town with all the projected electricity it would need through 2025 for its buildings, sewer pumps and other needs. The system is to be purchased from Barrington Power after 6 years. It will have a guaranteed useful life of no less than 25 years and perhaps much more. The cost to buy out the system under a "Purchased Power Agreement" would be an estimated \$240,000 and is projected to save taxpayers an estimated \$900,000 over its lifetime. This project does require that voters also approve \$40,000 per year for six years to accumulate \$240,000 in reserve to buy the system from the vendor after six years.

This year, the Committee also continued its work on weatherizing all the town buildings and making them more energy efficient. This year we tackled the Fire Station with a more efficient water heater, much needed insulation, weather stripping on the big overhead doors and energy-efficient lighting. In our upcoming budget request, we are asking for \$12,000 to do similar work to the Town Hall and Police Department.

We have also started to pursue a grant to obtain an LED message sign, not only for local emergency management alerts, but also for notices on energy savings, upcoming meetings and Town events.

On a special note, the Energy Committee wants to thank Ben Brickett for his long service to the committee, and we want to thank Charlie Case, who recently moved from Eliot. Charlie was a driving force behind this committee for several years and is greatly missed. Word has it that he has joined the Energy Committee in the New Hampshire town where he and his wife moved.

REPORT OF THE HARBOR COMMISSION

Lee Emery	Chairman	Doug Anderson	Member
B. Cabot Trott	Vice Chair	Charles Rankie	Senior Alt. Member
Lori Howell	Secretary	Richard Russell	Alt. Member
Benjamin Brickett	Member		

We are pleased as the Harbor Commission to be submitting our second annual report to the citizens of Eliot.

The Eliot Harbor Commission was established in 2014 with two goals in mind. The first was to review & update the “Town of Eliot Harbor Ordinance”. The second is to assist the Town Manager on future waterfront matters. The commission is comprised of knowledgeable members of the waterfront community who have worked diligently researching & reviewing documents in order to address the Town of Eliot’s waterfront concerns & needs. The committee’s task is complete and we will be submitting the update to the B.O.S. for their review. Upon the B.O.S. approval it will be presented to the Eliot residents for vote.

Residents wishing to discuss any issues or concerns are encouraged to attend the Eliot Harbor Commission meeting held the third Monday of the month at the Town Hall. The meetings can also be viewed on the Eliot Website www.eliotmaine.org The Harbor Commission can be reached via the Town Clerk at 1333 State Road, Eliot ME 03903.

REPORT OF THE ELIOT PLANNING BOARD

The Eliot Planning Board is an appointed, quasi-judicial board consisting of 5 regular voting members and 2 alternates. The Planning Board reviews land use, shoreland zoning, home business, and subdivision applications for compliance with the Eliot Code of Ordinances. The Board is also responsible for reviewing ordinances and revising them, as necessary, to comply with State and Federal mandates, staff recommendations, the Comprehensive Plan, case law, and the wishes of the community.

The Board holds regularly scheduled meetings on the 1st and 3rd Tuesday of every month. The 1st monthly meeting is typically reserved for Planning Board administrative business such as ordinance review and the 2nd monthly meeting is typically reserved for review of applications. The Board occasionally schedules additional meetings, as necessary, to accomplish our workload or to collaborate with other boards and committees.

The Board continues to hold a 10-minute public comment session at the beginning of the first meeting of each month. The public input session is intended to solicit feedback from the public on topics not associated with applications under Board review. The Board encourages public participation and welcomes any input, whether verbal or in writing. All Planning Board meetings are video streamed and available to watch on www.eliotmaine.org.

The Planning Board held 23 meetings in 2015 and reviewed 21 land use applications. The Board also continually worked on revising ordinances and implementing the goals, policies and strategies of the Comprehensive Plan including:

- Proposed amendments to the Growth Management Ordinance to require the annual review of the rate of residential housebuilding by the Planning Board and allow for greater citizen control over the number of growth permits to allocate annually (adopted June 9, 2015);
- Conducting their first annual review of the rate of residential growth under the new Growth Management provisions, which engage various Town departments and the school department in monitoring and ensuring the rate of growth has not outpaced the Town's ability to provide the necessary facilities and services to the increased population;

REPORT OF THE ELIOT PLANNING BOARD

- working on clarifying ordinance provisions pertaining to access ways to backlots and the maximum 1,000' dead-end road limit;
- Began working on amendments to the Zoning chapter that will allow accessory structures such as sheds and garages in the “front yard” provided a minimum front yard setback can be maintained.

Sadly, longtime Planning Board member Dutch Dunkelberger resigned from the Board in July. The Planning Board thanks Dutch for his many contributions and years of service. The Board was pleased to welcome new member, Christine Bennett, who was appointed to fill the vacant position in August. Kate Pelletier is the Planning Assistant and Ellen Lemire acts as our recording secretary.

REPORT OF THE SAD #35

To the Citizens of Eliot,

There are a lot of things to celebrate and accomplishments to point out, along with goals set for the rest of the school year. Here are some of the amazing things that each school has done with the \$10,000 budgeted for Investments for Children:

At CES, Principal Nina D'Aran is expanding the robotics program, continued Girls on the Run, had professional chefs cook twice a month with students across all grades, started an Odyssey of the Mind program and a recycling club.

Maureen Goering, Principal at EES, is expanding the summer academic program, providing Everyday Math kit for each student at home, having DJ Carmen in twice a month to get the kids moving, and attending the Flat Stanley ballet to enrich the annual Flat Stanley curriculum.

At the GWS, Principal Jerry Burnell has added archery, robotics, hiking, body ball, girls running, cooking, Lego, coding, and video clubs. In addition there is increased math support, a math team, a cartoonist teaching the message of art, and a project called Writing from the Inside Out.

Principal Tony Bourbon at MMS is increasing academic support during the school year and summer, expanding the challenge course program, introducing more intramurals such as robotics, a coding club and math team, and continuing the Rock Stars/Steel Hawks program.

At MHS, Principal Paul Mehlhorn is increasing instructional support for all students, started a unified basketball team and a cyber patriots club, implemented an on your own program for life and consumer sciences and expanded the HOLD club.

As in past years, Marshwood had several successful athletic seasons with back to back state championships in football, state wrestling and girls lacrosse championships, and numerous other team and personal athletic

successes. The district thespians successfully performed several plays including the district wide musical, the middle school play, the 5th grade play, the Nutcracker at CES and many band and choral concerts.

This year the Rollinsford students in grades 7-12 arrived at MMS and MHS. Thanks to the tremendous preplanning efforts on the part of the administrators and teachers in both districts, the transition was seamless. Both school boards will be having joint workshops periodically to be sure that the tuition agreement is going smoothly.

As in past years, the We The People team, led by MHS teacher Matt Sanzone, travelled to Washington, DC to compete in the national finals. Through a generous grant from the Marshwood Education Foundation, WTP will also now be at MMS and will travel to Washington, DC to compete this year in the middle school division.

The administrators and teachers have been working hard during their common planning time (late start and early release on Thursday) on developing the standards for the proficiency based diploma. With this common time, they are able to work between classrooms, between grades and between schools. A pilot program for the new teacher evaluation system is being conducted this year.

Finally, the driving force behind these achievements and innovative ideas is Dr. Nash. She is completing her 5th year as superintendent and continues to strive to move this district from a good district to a great district. She is a proven leader, has great vision and continues to balance the needs of all (students, teachers and community members) in everything she does.

There are several ways to reach Dr. Nash and the Board. Our meetings are at MHS on the 1st and 3rd Wednesdays of the month, or go to www.rsu35.org, townhallstreams.net to watch the meetings, find us on facebook, send us email or call us on the phone. We look forward to hearing from you.

Respectfully yours,
Keri Tice, Board of Directors

REPORT OF THE SEWER COMMITTEE

The Sewer Committee holds meetings twice a month at 4:15 pm, on the first and third Wednesdays, and Special Meetings are called when necessary. The public is always invited to attend. For those citizens unable to attend the Sewer Committee meetings, the video streaming is available for viewing.

The Committee continues to review the past, present and future sewer needs for the Town of Eliot.

Major issues that are still facing the Town are the need and necessity to perform upgrades/improvements to two of the Towns three sewer pump stations (EPS#1 and EPS#2), continued in-flow and infiltration (I&I) investigations and review of sewer rates and other structured fees to support sewer services.

The committee, working with the Department of Public Works will look to focus and plan for the future needs that are and will be related to failed septic systems and future overboard discharges. Some of the bigger sewer issues within the Town are and could be related to the septic systems at both RSU 35 School Buildings in Eliot, Marshwood Estates on Route 236, as well as, failed septic systems along properties directly bordering the Piscataqua River.

The in-flow and infiltration (I&I) problems within the existing sewer system continue to be addressed by the Department of Public Works. Problems identified and repairs made to the South Eliot sewer system result in a great reduction of ground water, reducing the I&I into the system. The Department of Public Works continues to monitor and address the I&I going into the public system.

The committee supported and endorsed the increase in sewer rates proposed by the Department of Public Works. The adjustments generate a greater fixed revenue stream for the purpose of covering the cost of general maintenance, capital reserves, and capital expenditures for reducing the in-flow and infiltration of the system which immediately

REPORT OF THE SEWER COMMITTEE

reduces the overall cost of treatment at the Kittery Waste Water Treatment Facility.

The Intermunicipal Agreement (I.M.A.) between the Town of Eliot and the Town of Kittery (which was implemented upon voter approval in June 2013) specific purpose is to deal with the existing sewer and amount of quarterly flow to the Kittery Wastewater Treatment Facility. The agreement allows for a more simplified and uniform per gallon cost, which provides a more accurate computation of quarterly costs to the users, but is directly impacted by needless I&I into the system. That is why it is critical for all of us to work together to reduce unnecessary flows into the sewer system.

A “thank you” is due to all the dedicated Sewer Committee members who have worked diligently to address the sewer issues of Eliot!

REPORT OF THE SOLID WASTE / RECYCLING COMMITTEE

Reducing the tax burden on Eliot residents for operation of the Transfer Station has been an ongoing goal of the Solid Waste / Recycling Committee (SWRC). 2015 was the second full year of the Pay-to-throw and food waste collection programs. These programs combined with other efforts at the Transfer Station continue to reduce operating expenses. The year prior to the start of these programs, the town budgeted \$410,000 for operation of the Transfer Station (including employee fringe benefits which were in a separate article). The Town Manager has proposed a budget of \$250,000 for next year – an annual savings of \$160,000 from just a few years ago. When the revenue from Pay-to-throw bags and sale of recycled material is included, the net expense for operation of the Transfer Station is further reduced.

This past year the committee completed a rewrite of the Waste Recycling and Disposal Ordinance which was approved at Town Meeting.

This year's projects include:

- Initiate discussions with MSAD 35 related to solid waste, recycling and composting programs.
- Complete 3 projects for Earth Day in April
- Determine if implementation of joint programs with neighboring towns for handling of solid waste and recycled materials have the potential to reduce costs and / or improve services

The committee wants to thank the residents of Eliot that continue to support recycling and composting

REPORT FROM THE DIRECTOR OF THE WILLIAM FOGG PUBLIC LIBRARY

The William Fogg Public Library strengthens community, supports literacy, provides access to information, and fosters lifelong learning and enrichment.

Library activities include selecting, purchasing, cataloging, processing and circulating books, magazines, newspapers, audiobooks, DVDs and music CDs for the use of the community. Library staff members strive to fully answer requests for information and to locate needed items and articles. We actively participate in community efforts to improve literacy by offering programs for all ages, particularly pre-school children and their caregivers. The Library is also a place where free access to the Internet and computing is available. The Library provides a regular outreach bookmobile service to daycares and our local senior housing community. The William Fogg Public Library also offers a large number of electronic resource subscriptions, made possible through Portland Public Library, Marvel, Maine's Virtual Library, Ancestry Library Edition, and our Friends' sponsored Maine Infonet Download Library.

Accomplishments & Highlights 2015

- Increased service levels, experiencing the busiest days in the library's history, following a trend that began in 2014.
- Welcomed 211 new patrons in 2015
- Made many capital improvements to the Library in 2015 that included paving the library parking lot, renovating a damaged wall in the Kent Children's Room, replacing the old Kent Room air conditioners with a more energy efficient heat/air pump unit. Rebuilding the front stoop of the library and the side door entrance steps and railings and reconstructing rotted basement bulkhead and replaced several outdoor lighting fixtures.
- Upgraded audio visual equipment in the Adult Services Department to help foster digital literacy in the library.
- Added a third public Internet access computer station in Adult Services.
- Raised over \$6,000.00 for a new dual (books/audio visual) book drop.

REPORT OF THE WILLIAM FOGG PUBLIC LIBRARY TRUSTEES

A recent Channel 6 newscast noted that “Libraries are the heart of small Maine towns.” This is true for Eliot. Our library is more than just a place to find a good book; it is an activity center where you can meet old friends and neighbors, make new friends, and enjoy the many programs and activities we have to offer--all for free!

Young mothers bring their babies to our Lap-Sit story time program, and continue to enjoy fun excursions to the library with our Toddler and Pre-School activities and story times. Young adult and teenage offerings are also available, and we have many active junior high and high school volunteers. Special programs range from meeting hawks and reptiles from local wildlife centers to presentations by the Boston Museum of Science. Numerous crafts and LEGO projects keep hands busy and brains alert. Want more family fun? Ask about our free passes to the Portland Museum of Art, Museum of Fine Arts, Boston, Strawberry Banke Boston Museum of Science, Children’s Museum or The Seacoast Science Center

Adults and children benefit from several book clubs, our film series (complete with popcorn and water), and a wide range of lecture programs on everything from gardening to writing a mystery novel.

We have thousands of books available, but if we don’t have the title you seek, we can get it for you. There are also large print books, books for your Kindle or Nook, Kindles and Nooks that YOU can borrow from us, and audio books.

Did you know that we have CDs and DVDs on loan too? Missed the last season of Downton Abbey, just ask us. We can get most TV series and films if they are on disc. Can’t afford to pay for movie tickets? Come to one of our family film nights or borrow the latest DVD.

We offer free genealogy help and free computer usage for whatever research project intrigues you. Or, bring your own laptop and enjoy our free WiFi. Fascinated by the night sky? Borrow our telescope. Need tax help? Get it here.

As you can see, the library is about much more than books. We are a true resource for enrichment, work, school, and recreation. Eliot’s William Fogg Public Library is more active and vibrant than it has ever been and there are more activities to come. It is still a cherished jewel in

Report of The Eliot Lions Club.

The Eliot Lions Club performed the following community services this year.

The Lions again sponsored the Thanksgiving and Christmas Project Share program again this year.

This project distributes food and toys to the needy.

We gave out a total of 59 baskets this year.

We wish to thank the Marshwood School System for their large donations of food, and to the members of the Eliot Highway Department for transporting the food.

The Eliot Lions would also like to thank the Eliot Congregational Church for allowing us to their facility throughout the year for our projects.

There was enough food left over to again send a large truckload to the Footprints Food Pantry.

The Lions Donated \$ 500.00 to the Pease Greeters who greet all the troops returning and going overseas.

We had many requests for medical equipment this year.

This year The Eliot Lions Club Vision Screened over 550 Eliot and South Berwick school children Vision Screening is a very accurate eye test to determine if the child needs seek eye care attention.

They also screened 85 small children at the Leaps & Bounds day Care and 38 children at The Waldorf School this year.

We again offered a scholarship to a Marshwood student this year.

The Eliot Lions have our annual Pancake Breakfasts 2 times a year, the first is on Saturday, May 7th, 2016 at the Eliot Congregational Church on State Road from 7:00 A.M. to 9: A.M. and the second is on Festival day at the same location.

Lions International will be celebrating our 100th birthday in 2017 and our goal is to help 100 million people before then.

If you would like to be part of the Eliot Lions Club, and help serve your community, please contact Bob Mackenzie at 207-439-0812 or any Lion. Please join us.

Our meetings are held every second and fourth Tuesdays at the Eliot United Methodist Church 238 Dow Highway (Route 236) at 6:30 P.M.

Respectfully submitted,

Hector (Bob) Mackenzie

President.

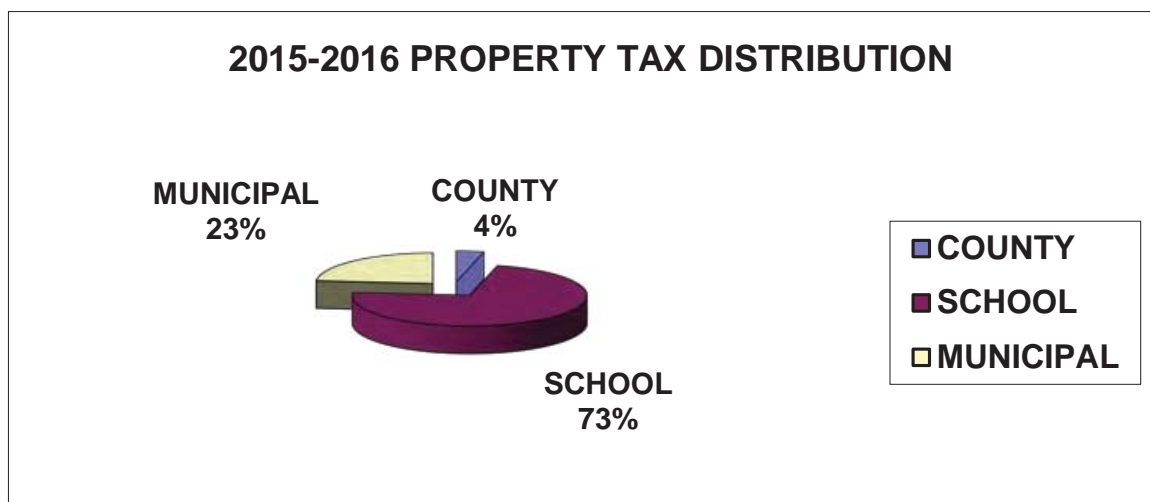

REPORT OF THE ASSESSOR

If you are the owner of record on April 1, you will receive the current year's tax bill. Please forward to the new owner if you sell your property after April 1. Prorating of taxes between the buyer and seller does not involve the municipality. Often times' monies are collected for taxes at the closing but are not paid to the municipality.

The annual cutoff date for making an application for a Veteran's Exemptions is April 1. If you are a veteran who will be 62 years of age before April 1, or an unmarried widow of a veteran, who would have been 62 years of age before April 1, you may be entitled to a Veteran's Exemption. If you are a disabled veteran, regardless of age, you may also be eligible for an exemption. Please contact the Town Hall for a Veteran's Exemption Application and a complete list of qualifications.

The Homestead Exemption annual cutoff date is April 1. You must be a resident of the State and have owned a homestead in the State for one year on April 1.

Please remember that taxpayers need only apply once. Applications are available at the town office and online at:

REPORT OF THE COMMUNITY SERVICE DEPARTMENT

I would like to begin by thanking the citizens of Eliot for your continued support of our department. We had probably one of our busiest years to date, with increased enrollment in both our after school programming and at our summer camps.

The ECSD has worked very hard to include programming for all. From the little ones to the senior citizens there is something for everyone. Please make sure to browse through our website at www.eliotcsd.org for updates and program offerings. We also post regularly on our face book page. Make sure to like our page for up to date information.

If you've never joined us for a program there is no time like the present to try! And if you don't see something to your liking, drop us a line and we will see what we can do. We love new program ideas! The registration process is easy and convenient. A registration form is included in the back of the seasonal brochure, you may register online at the web address previously mentioned, or you may visit us during our office hours, which are as follows: Monday-Thursday 8:30am-4:30pm and on Friday 9:00am-3:00pm during the school year and Monday-Thursday from 9:00am-4:00pm and on Friday 8:00am-1:00pm during the summer.

As you review all of the budget requests for this year, I encourage you to continue to support the Community Service Department. Our 2016-17 budget request is slightly less than last year, however please keep in mind again that the largest portion of our budget comes from parks and maintenance. These are very busy parks with various upgrades being requested financially under Capital Improvement Projects.

In closing, a sincere thank you to York Hospital for their continued financial partnership and to the Elementary School for continuing to be such gracious hosts in allowing us to share their space.

Heather Muzeroll-Roy, ECSD Director

REPORT OF EMERGENCY MANAGEMENT

To the Citizens of Eliot;

The importance of being prepared for long term power outages in your home can certainly relieve you of major stress and worries. The Internet has many web sites offering suggestions to help you tailor your preparedness to any expected emergency. If you find that you cannot find any information to fit your needs please contact us for assistance.

The diligent work, during and after a declared emergency, of all the Towns departments has allowed the EMA Department to recover several hundred thousand dollars in reimbursement costs from FEMA and MEMA in the last 8 years alone. This helps offset costs directly related to the emergencies.

Remember we are part of the Fire Department, which does help in reaching somebody for assistance.

York County EMA as well as Maine EMA (MEMA) has several web links full of information for the home owner and business owner to prepare for and recover from a disaster. If you need assistance please contact the EMA Director via email at eliotfirechief@hotmail.com

Recently added to the Towns website is a quick guide about evacuation and sheltering. It contained printable forms than can assist you with contact information and what to bring with you in the event that you may have to evacuate your home. It will be updated occasionally with new information.

If you have damage to your property please be cautious in assessing it. Hire a professional if needed to limit your exposure to dangerous situations or unstable buildings. You may see a request to report your damages to us in the news. Be assured the information is for data collection only. We would never share your information with anyone.

For up to date emergency information please visit our Facebook page. Town of Emergency Management. Don't forget to like us and share the information.

REPORT OF EMERGENCY MANAGEMENT

During times of emergencies and non-emergencies we can be reached through Kittery Dispatch at 439-1253. If you have real emergency continue to call 911

Sincerely,

Jay Muzeroll
EEM Director

EVACUATION AND SHELTERING INFORMATION

This is a quick reference guide for emergency preparation in the event you may need to evacuate your residence or to make plans to shelter in place. These links have fully down-loadable information and are printable. Although not inclusive in all emergencies, it will provide you and your family a place to start to “Make A Plan”

The question of sheltering in places other than your residence often comes up. In the event that the need for short or long term sheltering may arise, information will be posted on the Town of Eliot Emergency Management Facebook page with directions as to where to go. In areas that require evacuation along with sheltering needs, that most probably will not have electricity, a door-to-door contact will be attempted by the Fire Department and the Police Department.

Shelters or Warming areas may be provided in the following order based on need and length of stay.

- Eliot Fire Station (less than 4 hours)
- Eliot Elementary School (day light less than 4 hours)
- Marshwood Middle School (day light less than 8 hours)
- Marshwood high School (longer than 8 hours)

The use of the previously-available phone contact system of “Code Red” is no longer available in York County. So if you registered your phone number it is no longer a valid notification system.

If you do not have the ability to print information, please contact the Fire Chief/EMA Director by email at Eliotfirechief@hotmail.com and it will be provided to you.

Browse through the following links and find what works for you. There is a large amount of material to educate you and your family.

If you have specific questions related to your situation, please email the above address and you will be contacted.

REPORT OF THE FIRE DEPARTMENT

To the Citizens of Eliot;

The Eliot Fire Department Officers, members and families once again thanks everyone in the community for the continued support. We are all members of this wonderful community and have a vested interest in its successful operation.

The Fire Department has started to sell reflective address signs for residences and business to display. These signs once attached to a mail post or other object in a conspicuous location help us find you much quicker. As our ad states "If we can't find you we can't help you" A \$15 investment may save us valuable time in helping you. Visit our website www.eliotfire.com for ordering information or stop by the fire station on a Monday night for more information.

Our membership needs help. As people's lives become busy and the rigors of training become more involved, the ability to volunteer for some takes a back seat. This is not an easy job. Many hours of training are required to support our role. The satisfaction of helping those in need may help offset the time away from other involvements in life. If you are interested in being part of a top notch emergency response department, please stop by the station for a tour to see what it takes to be a team member.

I would like to thank recently retired Deputy Chief Kevin Spinney for his many years of dedicated service. His expertise will be missed on the fire-ground and in the training division.

Our monthly run numbers and types of responses are posted on our website along with several valuable pieces of information, check it out. Check our Facebook page as well for interesting posts. Don't forget to like and share us.

Thanks to all the towns departments, boards and committees that work hand in hand with us throughout the year.

Sincerely,
Jay P. Muzeroll
Eliot Fire Chief

REPORT OF THE FIRE WARDEN

To the Citizens of Eliot;

Several hundred fire permits were issued last year for open burning. Residential burning permits are available Monday–Friday for burning from 5pm until midnight weather permitting from the Town Clerks office. They may be obtained during normal business hours. Open burning permits may also be obtained from Kittery Dispatch Center, 200 Rogers Road, every day weather permitting. The hours of permit use are the same as if issued in Eliot. Open Burn Permits are available for purchase (\$7.00) through the Maine Forest Service. A portion of the fee is returned to the town. Visit www...informe.org/burnpermit

We continue to follow the State Forestry guidelines for open burning and the limitations of the materials that can be burned. Visit our website at www.eliotfire.com for more information. Burning without a permit can be a costly mistake. Please take the time to get one and follow its requirements.

The following people may also be contacted for open burning permits:

Town Fire Warden:	Jay	Muzeroll	439-3565
Deputy Warden:	Gerald	Moynahan	439-3409
Deputy Warden:	Jason	Mullen	252-5709
Deputy Warden:	Donald	Webber Jr:	439-2980
Deputy Warden:	Denis	Whyte	451-9268

The winter weather will produce a large amount of debris. Disposal of that debris should be done early before conditions restrict when open burning permits are available. Keep piles small and manageable. Cover them if needed to keep dry for easy lighting. Waiting for a wind free or rainy day may be best.

Residential manufactured or purchased outside fire pits or fireplaces are for recreational use only and do not require a permit to use provided all other safety conditions apply, including weather conditions. The use of those devices to dispose of yard waste requires an open burning permit.

Please visit www.eliotfire.com for open burning rules and regulations.

Eliot Fire Chief/Eliot Fire Warden

REPORT OF GENERAL ASSISTANCE

According to 22 M.R.S §4301(5) municipality must provide aid of persons who are unable to provide basic necessities essential to maintain themselves or their families. The General Assistance program provides a specific amount of aid for defined needs for a 30 day period and is not intended to be a continuing welfare program.

I took over as General Assistance Administrator in January 2014 when the previous Administrator retired. It was quick to transition, as I processed General Assistance for a previous town that I worked for. First on my list was to implement the WelPac program which is formulated to process General Assistance applications in an accurate/timely manner. I strive to minimize the Town's cost through careful case management and referral to other sources of financial assistance and support. At any given time, any Eliot resident could experience a lengthy unemployment or illness that could increase general assistance expenditures with little notice. State of Maine, Department of Health & Human Services preforms yearly audits. FY 2015 expenditures decreased by 55% from FY 2014.

The following was expended in FY 2011-2015 for General Assistance

REPORT OF THE HARBOR MASTER

This year we worked on the town mooring map. We stopped at every visibly marked mooring ball and recorded the latitudes, longitudes and mooring ball numbers. We are still gathering data on the moorings. We will continue on this project until all moorings are clearly identified.

Unidentified moorings will be considered abandoned and will be distributed to people on the mooring waiting list. We remind all mooring holders to register their moorings at the Town Hall.

To check mooring registration dates please call the Harbor Master at 337-3027 or the assistant Harbor Master at 475-8488.

We have sent all available mooring data off to be printed. The map in its beginning stages is on the wall of the entrance lobby of the Town Hall.

I would like to again thank all of you for the support Tom and I have received in our second year of harbor management.

Sincerely,
Eliot Harbor Master
Richard Philbrick

REPORT OF THE POLICE DEPARTMENT

I would like to begin by saying thank you to the citizens of Eliot who have continually showed their support for our police department over the nearly 12 years that I have served as the Chief of Police. This is my last report to you.

We have come a long way during my tenure and I believe our community is safer because we have worked as a team. From our volunteers, to our citizens and our officers we can all be proud out our town.

The budget that has been presented is representative of the needs to provide the best services possible to the Town of Eliot.

2015 saw the hiring and graduation of Officer Patrick Roy. Officer Roy is a Sanford, Maine native and his wife teaches here at Marshwood Middle School. We also hired Officer Dominick Romano who will be attending the Maine Criminal Just Academy in August of this year.

On a sad note we want to express our sorrow as Officer Michael Grogan's wife Tracy passed away unexpectedly in February of this year. We also want to thank everyone for your show of support to the Grogan family during their time of grief.

Here is a snapshot of the calls for service that our officers handled in 2015:

Calls for service	11,539
Building Checks	5,833
Citations Issued	157
Citation Warnings	1671
Arrests	246
Incidents	245
OUI	47
Accidents	245
Domestic Violence	17 incidences AR's and OF's combined
Alarms	135

Once again, thank you all for your support. It has truly been an honor to serve as your police chief.

Respectfully submitted,
Theodor G. Short, Chief of Police

REPORT OF THE PUBLIC WORKS DEPARTMENT

As another year comes to a conclusion, the Department reflects on the work that was performed to maintain, fix, repair, and replace, and continuously improve the Town's infrastructure. Much of what the department does, and needs to do, is required by unfunded, federal mandates, for which the Town could face serious fines and penalties for noncompliance. While each year brings with it new obstacles and challenges to navigate, the Department continues to move forward and aims to increase efficiency, perform necessary repairs, and minimize spending while systematically planning for the future.

HIGHWAY DEPARTMENT

The Town endured a winter with below average snow totals with storms that were more wet than white --a much needed and welcomed reprieve from last year. The Town is proud to have earned a reputation for having the area's best maintained roadways during the winter months, an honor that the crew of this Department works diligently to maintain.

The Department strives to ensure the safe passage of residents and commuters throughout the Town of Eliot by systematically updating, replacing, and repairing Town roadways. To carry out this objective, another ambitious work schedule for maintenance is planned for the coming year including drainage repairs/improvements, roadway re-construction and paving, tree maintenance, and guardrail repairs.

Paving continues to be the largest budgetary item for the Public Works Department. The Department utilizes a comprehensive, long-range Road Management Plan as a guide in prioritizing road repairs and reconstructions based on condition, in addition to those repairs needed after each year's freeze/thaw cycle. Funding is critical for the continued maintenance and repair of Town roadways. The Road Management Plan recommends consistent funding of \$500,000/year in order to steadily maintain the Town's roadway infrastructure without losing ground. In previous years, the Board of Selectmen, Budget Committee, Town Manager, and I unanimously agreed that this annual investment would adequately allow the Department to move forward with needed repairs and re-construction of roadways. Being that paving is such a large budgetary

REPORT OF THE PUBLIC WORKS DEPARTMENT

item, it ultimately sustains cuts as funding requests are reduced during the budget process each year. While this may be tempting, especially in leaner years, I encourage residents to reject any proposed cuts to this budget so that the majority of tax dollars earmarked for paving can be spent on regular maintenance of existing roadways each year rather than costly reconstructions.

TRANSFER STATION DEPARTMENT

Over the last several years, the Department has made a number of changes that have drastically reduced the operating costs of the transfer station. The implementation of the Pay-As-You-Throw program (PAYT), 3-7 plastic recycling, and food compost collection has decreased the percentage of waste disposal by over 50%, reducing yearly tonnage rates for waste disposal from approximately 800 tons/year to 330 tons/year.

Though the implementation of the PAYT program was not highly popular among residents initially, the reduced operating costs saves the Town and residents money. Increasing recycling also generates more revenue for the Town with the sale of the recycling commodities. Over the past 6 years, the Transfer Station budget has been reduced by over \$400,000. The efforts of Town staff and residents are paying off.

The Transfer Station is now offering quarterly Household Hazardous Waste Collection Days (HHWCD) instead of just one day each year. The HHWCD is a user fee-based system now. Fees and dates are available at the Transfer Station or at www.eliotmaine.org.

I will continue to evaluate the operation of the Transfer Station and look for opportunities to increase efficiency and cut costs, with the intent of being as level-funded as possible. My long-term goal is for the Transfer Station to eventually become a self-funded operation.

STORMWATER

As you may be aware, the Town of Eliot has been subject to a Federal permit for the discharge of stormwater to waters of the State (the Piscataqua River) since 2003. The Municipal Separate Storm Sewer

REPORT OF THE PUBLIC WORKS DEPARTMENT

System (MS4) permit is designed to reduce the discharge of pollutants from the Town's regulated, separated storm drain system, to protect water quality, and satisfy requirements of the Clean Water Act.

Under the MS4 permit, the Public Works Department must annually clean and inspect catch basins, perform street sweeping, and implement a prioritized schedule for repairing and upgrading stormwater structures, outfalls and conveyances. The Department, with assistance from consulting engineers, has developed the prioritized repair/upgrade schedule to ensure the Town stays in compliance with the MS4 permit. Some additional benefits of performing these required stormwater improvements include:

- Managing stormwater discharges from residents' properties and sump pumps;
- Improving roadway stability, which improves pavement quality and minimizes repairs;
- Reducing pollutants from entering waterbodies;
- Reducing erosion and sedimentation of waterbodies;
- Minimizing the inflow and infiltration (I&I) of stormwater into the sanitary sewer from improper connections, cracked or leaking pipes/manholes, which dilutes the wastewater being pumped to Kittery for treatment, increases the load on the entire sewer system, and ultimately increases costs.

The Town is entering into its third year of major improvements to the stormwater system. Projects completed to date include the Park Street stormwater and outfall drainage project and Phase I of the Pleasant Street drainage improvement project. Construction of Phase II of the Pleasant Street project is scheduled to begin this summer. Engineering and design of drainage improvements to the "Clay Village" section of Town (Staples Street, Wood Avenue, Leach Road, Spinney Creek Road, and Hobbs Circle) will also be completed this fiscal year with construction scheduled to begin the following budget year.

Looking ahead, the Maine Department of Environmental Protection will issue the next five-year permit to Eliot and 29 other regulated

REPORT OF THE PUBLIC WORKS DEPARTMENT

communities in 2018. With each of the previous three permits issued, the requirements have progressively become more stringent, and thus, more costly to taxpayers, but the risk of illicit discharges and considerable fines for non-compliance could easily exceed budgetary requests. As the Maine Department of Environmental Protection continues to ramp up enforcement of the permit throughout the State, the Town will continue to be proactive in the administration and implementation of the MS4 permit while concurrently seeking out opportunities for cost savings wherever possible.

SEWER DEPARTMENT

One of the most significant issues that the Department continues to face is securing funding for the necessary upgrades and improvements to two of the Town's three sewer pump stations. The pump stations are currently operating at 85% or less efficiency with critical repairs needed to sustain a clean, environmental operation. The Department continues to assist the Selectmen in seeking out alternatives for funding these critical upgrades and improvements.

This year, the Department took steps to help prevent a catastrophic failure and illicit discharge of sewage into the Piscataqua River in the event one of the pumps goes into complete failure. The Department installed bypass pumping systems at the two pump stations (EPS#1 and EPS#2), which will maintain flows in the event of a failure.

The Department also continues to perform necessary I&I work to reduce and prevent stormwater from entering the sanitary sewer so that the Town does not expend funds unnecessarily to pump and treat stormwater at the Kittery Wastewater Treatment Facility. The Department, with approval of Board of Selectmen, also raised sewer rates this year to generate a greater fixed revenue stream for the purpose of funding general maintenance of the sewer system, capital reserves, and capital expenditures.

In closing, I would like to thank the hardworking employees of the Public Works Department, the Board of Selectmen and residents of Eliot for their continued support over the past year. I am honored to serve the Town of Eliot and will do my best to effectively and efficiently manage and operate

REPORT OF THE PUBLIC WORKS DEPARTMENT

The Public Works Department while restoring and maintaining the integrity of public facilities, infrastructure and services.

Sincerely,

Joel C. Moulton
Public Works Director

REPORT OF THE REGISTRAR OF VOTERS

As of June 30, 2015, there were 5,437 registered voters in the Town of Eliot. Of the 5,437 registered voters 2,219 voters did not declare a political party and are considered unenrolled, 1,538 were enrolled in the Democratic Party, 128 were enrolled in the Green Independent Party and 1,552 were enrolled in the Republican Party.

We are always working on the upkeep of the voter registration list however the management is not as easy as it would seem. Laws prohibit the removal of a voter's name without the appropriate documentation necessary to support the removal so we rely heavily on the State Department of Motor Vehicle for their "Motor Voter" notifications that inform us of address changes for residents whether it be a change within town or to a new municipality within Maine. We also receive notification from other States when a resident has moved and completed an application for voter registration in their new place of residency.

Any resident may register to vote at the Town Clerk's Office during normal business hours or on Election Day. It is required that proof of identity as well as proof of residency be shown at the time of registration.

I would like to take this opportunity to thank the Clerk's Office Staff as well as the many Election Workers I call on for their endless dedication and hard work. The tasks that come with the administration of voter registration and the preparation and execution of Town Meetings and Elections is demanding and the dedication of this group of individuals makes the process easier from start to finish.

Respectfully submitted,

Wendy J. Rawski, Registrar of Voters

REPORT OF THE TOWN CLERK

It is just simply amazing to me that I am submitting my twelfth report as Town Clerk and that I am in my 29th year of employment with Eliot. Wow, where did that time go?

The Clerk's Office is often referred to as the "hub" of Eliot's Government as we are the business office for the majority of services offered to our residents and business owners. We truly take pride in the services that we provide and we strive to stay up to date on laws and procedures through trainings offered by the Maine Municipal Association and the various State Departments that as Town Clerk I act as Agent for. It is our goal to give the highest level of customer service in an open and friendly office atmosphere.

I am truly thankful and consider myself very lucky to have such a hardworking, knowledgeable team. We are always able to accomplish the many tasks put before us over the course of a year while providing a friendly customer service atmosphere for our residents and businessmen. Many thanks to Brenda Harvey, Debbie Brock & Laura Bragg for their amazing support and dedication and to Melissa Albert and Rebecca Bergeron who are just down the hallway, we could not do it without you!

Respectfully Submitted,
Wendy J. Rawski, Town Clerk

REPORT OF THE TOWN CLERK

*Only events that occur in the State of Maine are recorded in the Town Clerk's Office. If an event occurs outside the State of Maine and you would like it reported in the annual Town Report, you must notify the Town Clerk of your wish in writing with the exact information to be reported.

Dog Licenses

The State of Maine requires that all dogs be licensed within the Town that they are kept. To obtain a license for your dog you must show a current rabies vaccination certificate and a certificate of spaying or neutering if it applies to your dog. The Licenses are issued by the calendar year and the license fees are \$11.00 for a male or female and \$6.00 if the dog has been spayed or neutered. A late fee of \$25.00 will be assessed on any dog that is licensed after January 31st. The new licenses arrive from the State and can start being issued for the following year on October 15th, so register early to avoid the late fee. If you would like to receive an email reminder to renew your dog's license please contact the Clerk's Office with your email address and we will add you to the list.

FINANCIAL STATEMENT

Total Town Indebtedness:

A. Bonds outstanding and unpaid	\$ 131,512
B. Bonds authorized and unissued:	\$ 0
C. Bonds to be issued if this Article is approved:	\$1,500,000
Total	\$1,631,512

Costs:

At an estimated interest rate of 3.0% for an estimated 20-year maturity, the estimated costs of this bond issue will be:

Principal:	\$ 1,500,000
Interest:	\$ 160,275
Total Debt Service:	\$ 1,660,275

Validity: The validity of the bonds and the voters' ratification of the bonds may not be affected by any errors in the above estimates. If the actual amount of the total debt service for the bond issue varies from the estimate, the ratification by the electors is nevertheless conclusive and the validity of the bond issue is not affected by reason of the variance.

(Signed) Dana Lee, Town Treasurer

Statement of Fact: While this bond is required by law to be a general obligation of the Town, it is also intended that the annual debt service for the bond be paid for in part by the Town (45%) and in part by sewer user fees (55%). Please see Article 36 hereof which includes an appropriation

After the votes were counted and the results announced, it was noted that the Meeting would continue on the following Saturday, June 13, 2015 at 9:00AM in the morning at Marshwood Middle School, 626 H.L. Dow Highway, Eliot, Maine to then and there take action on Articles Eight through Forty.

The meeting resumed at 9:00AM in the morning on June 13, 2015 with opening ceremonies. The Pledge of Allegiance was led by the Moderator, J. Peter Dennett followed by a moment of silence in honor of civil servants, firefighters, police officers and military personnel who have dedicated and lost their lives protecting our safety, our freedom and our democracy.

Ronald Grammont of American Legion Post #188 presented the Fabyan R. Drake Award to Dominic Cerabona. Roberta Beavers, Representative to the Legislature, District #148 presented Mr. Cerabona with a Sentiment from the State of Maine for his outstanding citizenship.

Moderator Dennett then recognized Board of Selectmen Chairman, Stephen Beckert who acknowledged recent retirees Philip Lytle, Sr. (Transfer Station), Barbara Thain (Administrative Secretary), David Oeser (Public Works) and Roger Cullen (Transfer Station) for their selfless public service during their years of employment with the Town of Eliot. Chairman Beckert also offered great thanks to Selectmen Grant Hirst for his service to the Town while serving on the Board. The Chairman then spoke about the Boston Post Cane tradition and noted that the Boston Post Cane Recipient will be announced and honored at the upcoming Eliot

High School Alumni Banquet to be held at The Regatta on Sunday, June 28, 2015.

After all opening ceremonies concluded, Moderator J. Peter Dennett called the business meeting to order at 9:20AM.

The Moderator then went over meeting procedures as guided by the 2005 Edition of the Maine Moderators Manual (Sixth Edition).

The Moderator then asked for a two thirds majority vote to allow all non-residents to speak on articles as necessary. The two thirds majority was received and permission to speak was given.

9:25AM - Business Meeting Action on Articles Eight to Forty

Article Eight: The Town voted to set the days of November 13, 2015, for the first half of property taxes, and May 13, 2016 for the second half of property taxes, as the days after which interest will be charged on all unpaid property taxes; such taxes being due and payable immediately upon receipt of the mailed tax bill.

Article Nine: The Town voted to fix 7% as the rate of interest charged on taxes after the above November 15, 2015 and May 15, 2016 dates.

Article Ten: The Town voted to authorize the Board of Selectmen to set an interest rate of 3.0% to be paid on abated taxes for fiscal year 2015-2016.

Article Eleven: The Town voted to authorize the Tax Collector to accept prepayments of taxes not yet committed, pursuant to 36 MRSA Section 506.

No interest is to be paid on such prepayments.

Article Twelve: The Town voted authorize the Municipal Officers to spend from the Unassigned Fund Balance, and amount per month not to exceed 1/12 of the appropriated amount of the 2015-2016 annual budget during the period from July 1, 2016 to the 2016 Annual Town Meeting, in
