Town Manager's Annual Report

"Changes aren't permanent, but change is." Change is one of the only constants in life, and that's as true of the life of a community as it is of each of us as individuals. What can we do, and what do we do, to affect those changes in a positive way and help ensure the outcomes we want? The first, and most important, thing to do is get involved. I can hear you now, "What? You want me to sign up for a committee? Or to run for Council?" If those are ways of getting involved that suit you, sure. But not all "getting involved" means signing up for something or running for office. Watch or attend meetings, get familiar with the issues, contact Council members – or me – and let us know your thoughts, concerns, and ideas. Just getting involved doesn't guarantee a particular outcome, but NOT getting involved guarantees your perspective isn't considered.

Issues related to how much change Windham has gone through over the last decade, or two, three, four, and more decades, took up a lot of Council and staff time over the last year. Planning for the community's needs – present and future. We have a lot of catching up to do after many years of growth and too little investment in facilities and infrastructure. The town is working on a new comprehensive master plan update, incorporating the 21st Century Downtown plan, updating its capital facilities plan, and coming up with a more workable approach to wastewater management and ground water protection needs in the North Windham area. We are putting that focus on planning to work internally as well and developing an organizational strategic plan – expressing our mission, vision, and values, and answering questions about what it is we're here to do, what services to provide, and at what level. This is all intended to guide how we make decisions about those services and budgets, and how we report to you about whether we're achieving what we intended.

I've said it before, but I'll say it again: Windham is a great town. It is the Lakes Region's marketplace, an integral part of Greater Portland, and it will continue to be a great place to live, work, raise a family, and have a business. In the years (decades? centuries?) ahead the trees and fields will still be green, the water clear, and the people engaged, friendly, and hard-working. And we're all going to work together to make it happen so that, in the years to come, others will look back and say we did.

Anthony T. Plante, Town Manager

Superintendent of RSU#14

This past year we've been shifting from standards-based to proficiency-based instruction at RSU14.

In a proficiency-based classroom, students start a course knowing exactly what proficiencies they need to master to demonstrate that they have acquired content knowledge and skills. They work at it at their own pace until they get it right. Teachers, often working in teams, use formative assessment at every step of the way to measure learning and to gauge and adjust instruction. When students master the required proficiencies, they are assessed and graded on that basis only. Inconsistent, arbitrary, and inflated grading across classrooms, schools, and districts is not a part of proficiency-based education. RSU14 is proud to embrace a proficiency-based system where teachers flourish as much as students.

Grants - I marvel at the entrepreneurial spirit that looms in the walls of our school buildings. Such spirit keeps us moving forward, opening new doors and doing new things within the RSU. We have received additional grants in recent months of almost \$250K due to our innovative and dedicated employees.

Nutrition - The Backpack program, in place since 2010, is supported by the RSU14 community. This program provides food for children whose families often find it difficult to keep food on hand for the entire month. Each bag contains healthy non-perishables for the weekend; the bags are filled more during extended school breaks. Financial donations, usually about \$2,000 a month, contribute to the cost of 152 bags of food to go home with the children.

RSU Safety and Security - RSU14 has been focusing as a district since the start of school with controlled evacuation exercises to include emergency protocol training for all new staff, review of the facilities with local agencies and preliminary planning and scope development meetings. Also implemented this year are clearly numbered exterior doors to rapidly assist emergency responders in locating victims and perpetrators during an emergency situation.

Accomplishments - Here's just a small snippet of accomplishments at RSU14 the past year - Windham High School Girls' Soccer Team won the Class A Soccer State Championship for the second year in a row! This is a "back-to-back" accomplishment and the fourth time this program has won the Class A state championship in school history. Girls Cross Country won the Class A Girls Sportsmanship Banner from the Maine Principals Association. The Boy's Cross Country team advanced to compete at the New England level for the first time in school history. The Windham Chamber Singers shared the stage with the Celtic Tenors. Stay tuned and watch them sing the National Anthem at Fenway Park prior to the April 28 Red Sox game. Coach Matthew Perkins named Class A Coach of the year! Kelli Deveaux, vice principal of Windham High School was named 2014 vice principal of the year by the Maine Principals Association. To see more reasons to choose RSU14, see www.rsu14.org > Board/Supt > Superintendent's Updates.

Students - Our students are why we are here; it is always enjoyable to brag and celebrate with them about their accomplishments. This year's Top Ten of the Class of 2014 are Brad Meader - Valedictorian, Sarah Eastman - Salutatorian, Lauren Doering - 1st Honor Essayist, Laura McKenna - 2nd Honor Essayist, Johanna Stanley - 3rd Honor Essayist, Keith Sample, Haley Batchelder, Kyah Morrisette, Kate Kneeland, and Patrick Laliberte. Our top 10% of the class of 2014 are as follows: Nathan Skvorak, Rory Washburn, Emily Gorrivan, Kaleigh Warner, Lauren Shoemaker, Emily Gilman, Samuel Burnell, Jessica Stumper, Erick Schadler, Philomena Richard, Kristin Jamieson, Dillon Perkins, Christian Zwirner, and Kyra Krieg.

To all of our employees, volunteers, and parents - we could not do this work alone and the partnerships between school and home are most appreciated by this administration. On behalf of the RSU14 Windham Raymond School District, I thank all of you who have made a contribution to our schools.

Sanford J. Prince IV

Windham Raymond Adult Education

Windham Raymond Adult Education: What Will You Discover?

WRAE continues to be seen as a local and statewide leader in adult education, offering the most diverse array of adult learning opportunities in the area. Over the course of 2014, adults of varying ages, vastly different educational, economic and skill levels, with an equally diverse number of interests, found their way to all of the sites where the Windham Raymond Adult Education Program operates in Windham and Raymond. They came for a variety of reasons: to improve their basic reading, writing or math skills; to earn a high school credential; to prepare for post-secondary education or a new job; to take their first ever computer course; to improve their health; or finally to learn a new skill that would enrich their life. Adults ages 17-90 had access to over 300 different adult learning opportunities during this year. That translated into nearly 3300 total enrollments.

Highlights over the past year included:

- J Offered increased programming in Raymond through the Raymond Public Library and the Jordan-Small Middles School
- J Career Pathways Coordinator, Tina Christophersen received the Distinguished Service Award at the Maine Adult Education Association conference in June
- J Director, Tom Nash continues to serve as the President-Elect of the national Commission on Adult Basic Education (COABE) professional organization.
- J Increased grant funding continued in support of a College Transitions partnership with Gray-New Gloucester Adult Education
- J Introduced Yoga Instructor Training and Child Development Associate Training
- J Staff served on several local committees - Literacy 4ME, Sebago Lakes Region Chamber of Commerce Workforce Development, RSU #14 Wellness
- J Planned and hosted a Career Fair at Windham High School
- J Incorporated job readiness training (the WorkReady Credential) into our existing Office Skill Certificate Program
- J 23 Adults completed their High School credential in 2014

Enrollment/Participation Figures

There was a slight increase of 19 (less than 1%) in adult enrollments from the same period of time last year (January - December). There is a 3 year average of 3311 enrollments.

Program Enrollments (Calendar Year)

	<u>2014</u>
Adult Basic Education/Literacy	26
Applied Tech Education and Business/Training	289
College Transitions	71

English for Speakers of Other Languages	76
Family Literacy Programming	253
General Enrichment	818
Health/Wellness	1501
High School Completion/HiSET	169
SMCC College Courses	103
TOTAL	3306

Windham Raymond Adult Education provides a wide range of adult learning opportunities to the Windham and Raymond communities. For a complete listing of our programs and services, please visit www.windham.maineadulted.org.

Your continued patronage, financial support and input are always appreciated and welcomed.

Respectively submitted,

Thomas Nash
Director of Adult Education

Report of the Assessor

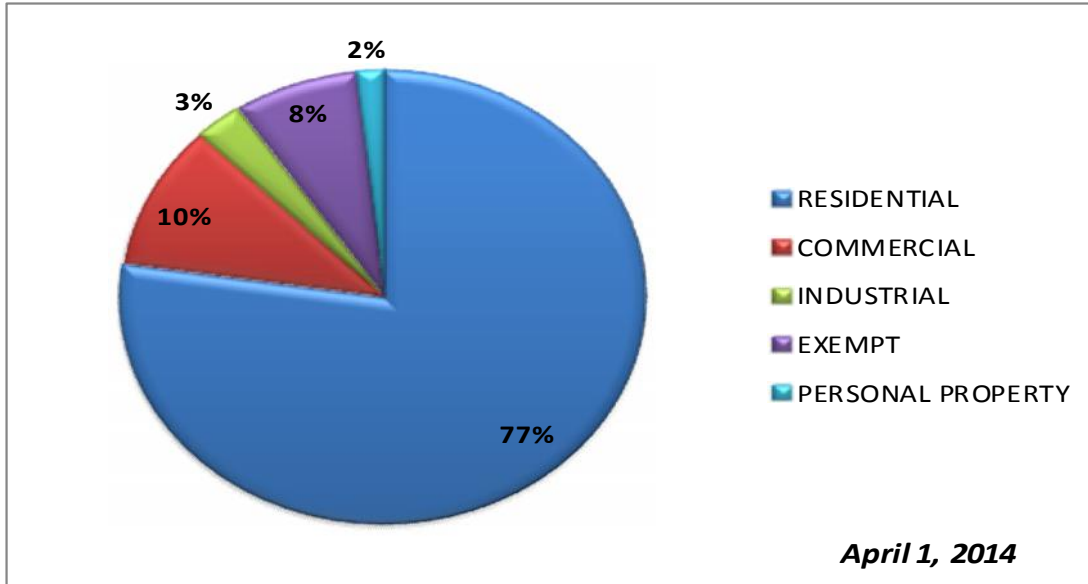

The Assessing Office is responsible for the appraisal of all Windham properties for *ad valorem* tax purposes, addressing for E911, and coordination of the Geographic Information Services (GIS). The Assessing Office maintains a repository of information about real and personal property, including property records, deeds, and maps.

Properties as of April 1, 2014, were classified as follows:

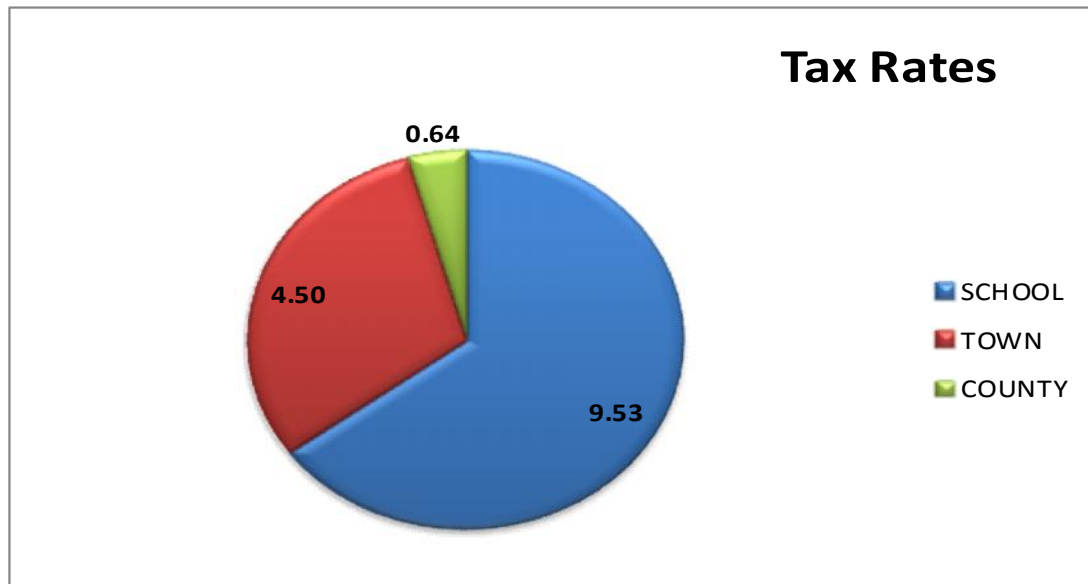

Summary: Taxable and Exempt Property

<u>Type</u>	<u>Count</u>	<u>Total Value (\$)</u>	
Residential Improved	6,354	1,381,375,100	
Residential Vacant	888	50,141,000	
Residential Condo	406	58,415,000	
Residential Apartments	54	27,152,100	
Mixed Use	27	7,200,200	
Commercial Improved	331	188,312,500	
Commercial Vacant Lots	104	9,927,400	
Industrial/Utility	28	12,645,100	
Industrial Vacant Lots	16	48,100,800	
Exempt Parcels	122	93,697,100	
Special Use	52	922,200	
Wasteland	4	55,800	
Total Real Estate	8,386	1,877,944,200	
Exempt Properties	122	- 93,697,000	
Partial Exemptions	4,980	- 48,076,000	
Taxable Real Estate			<u>1,736,171,200</u>
Personal Property	985	38,900,500	
Personal Property Exempt	44	-6,918,200	
Taxable Personal Property			<u>31,982,300</u>
Total Taxable Property			<u>1,768,153,500</u>

Breakdown by percentage of all property types:

The tax rate was set at \$14.67 per thousand of valuation with an assessment ratio of 100%. Below is a breakdown of tax rates in tax dollars per thousand dollars of valuation by School, Town, and County:

Interest on overdue taxes for 2014-15 is 7.00% per annum.

Please visit the Town Assessor's web page for assessing information, such as assessment data, lot sizes, tax maps, and zoning information. For special mapping information you can view the GIS (Geographical Information Systems) page on our page at the Town website.

Department employees are David Sawyer, Assessor; Elisa Trepanier, Assistant Assessor; Joan Hodgdon, Appraiser; and Kara Taylor, Administrative Assistant. Office hours are Monday through Friday, 8:00 a.m. to 4:00 p.m. Our telephone number is 894-5960, extension 3. The Town web site address is www.windhammaine.us.

David G. Sawyer, CMA, Assessor

Code Enforcement

The Code Enforcement Office offers a variety of services to residents and property owners. In addition to issuing building, internal and external plumbing, and electrical permits; the Office's responsibilities include the adherence and enforcement of land use and shoreland zoning, gravel pit regulation, junkyard regulation, flood plain regulation, rules in regard to the conversion of seasonal dwellings in shoreland areas, and the standards of the Street Naming and Addressing Ordinance, Wireless Telecommunications Tower Ordinance, Surface Water Protection Ordinance as well as the Mass Gathering Ordinance. Windham has 14 lakes and ponds covering 32,180 acres of area and 15 rivers, streams and brooks, all of which are in Shoreland Zoning.

Code Enforcement was responsible for processing 1356 permits in 2014 resulting in revenue of \$235,133.76 and in 2013 was also responsible for processing 1105 permits, resulting in revenue of \$143,122.40. This includes for permits: Building permits, Impact Fees, Junkyards, Plumbing, Shoreland Review, Soil and Erosion, Use, Wastewater, Driveway and Street Opening.

Building Permits issued, by category, for the years 2011, 2012, 2013 and 2014 are as follows:

Building Permit Count	2011	2012	2013	2014
Accessory Apartment	0	0	2	4
Accessory Buildings—Residential	23	16	16	19
Accessory Buildings—Commercial				5
Additions and Alterations—Residential	127 R/C	131 R/C	133 R/C	136

Zoning Board of Appeals 2014

The Board of Appeals is a volunteer board of five regular members and one alternate. The Board meets the first Thursday of every month in the Council Chambers at 7:00 p.m. They had a total of 7 meetings this year. The Board reviewed a total of 7 applications for the year 2014, monies taken in \$2400.

Town of Windham | 2014 Project Summaries

Little Sebago Lake Protection Project, Phase IV

Project started in March 2014

Outreach in 2014 included:

- 19 technical assistance visits completed
- Two steering committee meetings held
- Two private road workshops held
- Presentation given at the Little Sebago Lake Association's annual meeting

Project continues through March 2016

Sebago Lake Watershed Assessment and Prioritization Project

Project started in June 2014

Outreach in 2014 included:

- Two steering committee meetings held
- One logistical meeting held with partners
- One scoping meeting held to develop water quality index

Neighborhood and hotspot survey completed

Road survey completed by Portland Water District

Data assessment and analysis/prioritization underway

Project continues through September 2015

CONNECT Clean Water Education

CCSWCD and Portland Water District provided clean water education lessons to 509 students at Windham High School, Windham Middle School, and Manchester Elementary School. The total number of student contact hours equaled 2,198 hours.

Lessons included ground water and surface water interactions; nonpoint source pollution; watersheds; the water cycle; topography; stormwater; brook trout anatomy, life cycle, habitat, and adaptations; native and invasive aquatic species; impervious/pervious surfaces; and best management practices. In addition, Windham High School completed the "Water Maine" book project, where they produced a book about various water topics for a middle school audience. The students presented their project at the Maine State Librarians' conference.

Windham High School students also organized a "Water Day," where they created and delivered water-related lessons to 6th graders at Windham Middle School.

YardScaping Healthy Lawn Care

CCSWCD worked with Blue Seal and Aubuchon Hardware to provide healthy lawn care information to their customers.

CCSWCD also piloted a YardScaping program in Windham's Home Depot store. Through the program, CCSWCD trained Home Depot associates about healthy lawn care practices, identified recommended products on Home Depot shelves, and provided an educational tabling event to the public on August 23, 2014.

Stormwater Permit Compliance Assistance

For more than 10 years, CCSWCD has coordinated and facilitated the Interlocal Stormwater Working Group (ISWG), which is a coalition of 14 municipalities (including Windham) that are subject to Clean Water Act permit requirements. ISWG meets every other month to address permit requirements on a regional basis. By participating in ISWG, CCSWCD helps the Town by implementing 2 of the 6 permit requirements (public education, outreach, and participation efforts).

Outside of the ISWG relationship, CCSWCD also assists the Town of Windham by completing the required annual reports that must be submitted to DEP annually in September. In 2014, CCSWCD has also been working with Windham to assist in complying with stormwater permit requirements. This has included staff trainings, site visits, documentation assistance, and interdepartmental coordination of permit responsibilities.

Staff

Last year there was a lot of activity in the Code Enforcement Department, new single family home permits were some of the highest state wide. We saw expansions and renovations of local businesses, commercial buildings filled after standing vacant for some time, as well as the construction of new commercial establishments. New permitting software was implemented that improves the efficiency of the department as well as providing transparency to the day to day activities of the department. The new program also allows the community to apply for permits and schedule inspections online. Steve LeBrun - Code Enforcement Officer, Mabel Darby-Morey - Administrative Assistant, and I, Heather McNally, Director of Code Enforcement and Zoning Administration, are ready to provide you with excellent customer service and invite you to visit our Department!

Heather McNally, Code Enforcement and Zoning Administration Director

Economic Development

Windham Economic Development Corporation

Report to the Town of Windham

June, 2015

The Windham Economic Development Corporation's Board and Staff are working to improve Windham's economic vitality and future through a number of services and projects that are in support of the Town of Windham's Economic Development Strategic Plan:

Vision

To create a business friendly environment that provides a high-quality of life, a vibrant economy, and a welcoming atmosphere, while protecting our town's rural characteristics and natural resources.

Mission

To encourage economic growth and development in a manner that supports increased prosperity in the Town of Windham and improves the quality of life for all of its citizens.

Core Values

Industry Diversity Innovative Community Building Sustainable Growth
Expanded Employment Opportunities Skilled Workforce Proactive Customer Services

Objectives

Objective 1: Plan for the Future- Identify and implement policies, programs, and initiatives that support the Town's economic and community development needs.

Objective 2: Support Business Growth and Prosperity- Proactively seek opportunities to diversify Windham's economy, create jobs, and strengthen existing business.

Objective 3: Create and Maintain an Efficient Review and Approval Process- Establish review and approval processes that are efficient and in alignment with economic and community development initiatives, as well as provide resources to parties utilizing these services.

Objective 4: Develop a Support System for Economic Development- Ensure the sustainability of economic development initiatives in Windham through collaborative efforts of town officials and departments with the Windham Economic Development Corporation (WEDC), regional agencies, local business groups, and citizens, in addition to identifying and utilizing strategic funding sources.

A new approach.

Over the past several years, the Town and WEDC have been working together to strengthen Windham's approach to Economic Development. WEDC lead the development of Windham's current Economic Development Strategic Plan. During the development of that plan, the Town Council and WEDC Board of

Directors developed a better understanding of each board's role in Economic Development and also determined that a restructuring of the service and project management provided through the Town's Economic Development Department was needed to ensure continued progress towards the goals of the Strategic Plan. That restructuring occurred in the beginning of 2014 and included the transfer of staff, responsibilities, and funding of the ED Department to the WEDC. The Town strengthened its representation on the Board of Directors of WEDC by adding two Town Councilors as well as the Town Manager and an appointee of his or her choosing. Currently Windham's Planning Director is serving on the board.

Service to business and community.

The WEDC believes that a thriving, growing business sector is an integral part of a thriving and growing community. A growing economy provides for more employment opportunities, a broader array of goods and services available to our residents, and increased tax revenues for our community and state. But a growing business sector provides more than that. It provides a sense of pride in our community, with real relationships between businesses and the community. These relationships are exhibited at most events held throughout the year, in advertisements placed in programs, in prizes donated for charity auctions, and in sponsorships of everything from fireworks to food drives. These relationships are very much a part of what makes Windham a great place to live, work and play. WEDC works to foster those relationships every day.

WEDC builds and maintains relationships with entrepreneurs and businesses both directly through individual contacts and indirectly through participation in, and support of Sebago Lakes Region Chamber of Commerce programs, activities, and events. The Entrepreneurial Meet-Up held in January and sponsored by WEDC, brought together over 30 entrepreneurs, business owners and managers, and service providers from local, state and federal agencies to discuss issues facing businesses in Windham. Events such as Summerfest, where WEDC plays a liaison role between the committee and the town, and has sponsored the business expo section in the past, go a long way in strengthening the relationships between business and community. The Sebago Lakes Region Jobs Fair in April was a continuation of a WEDC initiative and partnership with the Chamber and the Windham Raymond Adult Education Career Services. Between 40 and 50 area businesses, many based in Windham, and up to 100 job seekers, again many from Windham, come together to share employment opportunities. Other Chamber events, including the "Octoberfest" food pantry fundraising event provide opportunities to forge stronger bonds between business and community. WEDC provides support to many events throughout the year through staff involvement and/or sponsorship assistance.

Another area where business and community relationships truly shined through was this past Holiday Season's lighting program. At the Town Council's direction, WEDC worked with Windham businesses to provide locations for Windham's Holiday Lights this past winter. Cross Insurance, Key Bank, Norway Savings Bank, Windham Shopping Plaza, and Seacoast Adventure Park each installed electric outlets and provided the electricity at their cost for the town-provided lights and signs. We estimate that approximately \$3,000 of in-kind contributions was provided by these five businesses. From all accounts the Holiday Lighting Program was a huge success and the WEDC strongly encourages that the Town Council provide continued funding for the next Holiday Season.

Advocacy is key.

Advocating with businesses for clarity in Windham's ordinances, regulations, and processes continues

to be a mainstay of WEDC's work on an ongoing basis. WEDC continues to work with prospective business developers in navigating the often confusing process that is required to establish a new enterprise in town. We continue to work to better understand these processes and to develop resources for developers, business owners, and entrepreneurs to use before and during their projects.

The WEDC has played a role in developing new ordinance language and has initiated zoning changes that have both clarified and changed the town's business development corridors and processes. Building on successful changes in the approval process adopted by the Town Council such as the Staff Review of development in approved subdivisions, WEDC will continue to look at various approval processes to see where streamlining can occur while maintaining the integrity of the underlying regulations. WEDC will continue to advocate for the modernization of our Zoning Ordinance, especially within Windham's 21st Century Downtown planning area and the Enterprise Development District. WEDC believes that the Downtown and the ED district provide the highest potential for new quality development for Windham, and will be looking to continuously improve the zoning within each of these districts.

The WEDC has worked in conjunction with the GPCOG Brownfields Program to assist project development in Windham. The GPCOG Brownfields Petroleum Program was able to complete a Phase II Environmental Assessment on the site of a former gas station on Route 302 property just south of the 302/202 rotary. Windham's Brownfield Program had completed the Phase I assessment previously. These assessments facilitated the sale of the property for use in a future retail development.

In South Windham, WEDC is working with a developer looking to redevelop the mill on Mallison Falls Road. This redevelopment, while currently proposed as residential, would be a substantial improvement to South Windham and provide much needed housing options for prospective residents. WEDC has connected the developer with the GPCOG Brownfields Program as well as acted as liaison with the Town on traffic and planning issues. WEDC has engaged a TIF consultant to better understand both Affordable Housing TIF's and Transit TIF's as described by the State and if either or both of these programs could be used to support this very difficult redevelopment.

Getting Windham noticed.

The WEDC maintains a strong marketing presence throughout the year. In the upcoming year the WEDC will be updating demographic and market information to be used in our future marketing efforts. Our current marketing efforts focus in two main areas: supporting existing businesses, and attracting more businesses and development to Windham.

Our advertising campaign in support of existing businesses includes regular and seasonal ad placements in local and regional publications such as the Windham Eagle, Lakes Region Weekly, Ride Maine, Wisser Living, Cruise Maine, 95 North, and others. This past holiday shopping season the WEDC sponsored a six week "Buy Local - Buy Windham" section of the Windham Eagle. Reports back to the newspaper were very positive from both local businesses and customers and we are in discussions for a "Summer Fun" six week section during July and August.

Our marketing efforts to reinforce our business and development attraction program includes advertising placement in both the Northeast Real Estate Business and Shopping Center Business magazines. Our participation in the MEREDA conference in January and the ICSC Retail Development conference in May, including advertising in the program, provides an opportunity to speak directly with regional and national businesses and developers.

This year we also assisted the Town with the kick-off of the "Find It Here" campaign by purchasing advertising time on WGME Channel 13 and working on the development of the advertisement. This advertisement started to tell the story of all the great things that Windham has to offer to those who live, work and play here. The WEDC will continue to provide resources to this effort by engaging a marketing

consultant to assist both the Town and the WEDC to integrate and coordinate our marketing efforts whenever possible.

In the fall, when the Windham High School Eagle football team played in the state championship, WEDC worked with the RSU 14 Athletics Department to finalize an ad design and WEDC purchased advertising time during the game to let everyone know what Eagle Pride is all about.

WEDC Project Priorities.

The WEDC is continuing to supplement the work of the Town Council and Staff by providing Board Member and Staff resources as well as financial support from existing funds for the following project areas:

- J **Gigabit broadband to Windham**
- J **Wastewater Management Planning Committee support**
- J **Anglers Road Development Project**
- J **Enterprise Drive Intersection - Route 302 North Phase 2**
- J **Marketing Consultant - Analysis Update**
- J **Local Foods to Institution USDA Grant**
- J **Anglers Road Realignment Project**
- J **Ordinance and Approval Process Review**
- J **Workforce for the Future**
- J **Windham Downtown Traffic Patterns Design and Testing**

Thomas Bartell

Executive Director

Windham Economic Development Corporation

Windham Fire-Rescue Department

“The mission of the Windham Fire - Rescue Department is to assist the citizens and visitors of our community with emergencies that they are unable to handle themselves”.

The Windham Fire - Rescue Department provides service to the community from four locations strategically placed throughout the town. The South Windham Fire station a shared station with Gorham is located at 8 Main Street, The East Windham Station is at 47 Falmouth Road, North Windham Station is at 718 Roosevelt Trail and Windham Center Station is at the public safety building at 375 Gray Road.

Windham Fire - Rescue Department Emergency Responses for 2014

MAJOR INCIDENT TYPE	# INCIDENTS	% of TOTAL
Fires	80	3.15%
Overpressure rupture, explosion, overheating—no fire	5	0.20%
Rescue & Emergency Medical Service	1740	68.58%
Hazardous Condition (No Fire)	155	6.11%
Service Call	161	6.35%
Good Intent Call	170	6.70%
False Alarm & False Call	215	8.47%
Severe Weather & Natural Disaster	6	0.24%
Special Incident Type	5	0.20%
TOTAL	2537	100.00%

Windham Fire-Rescue had a successful year providing effective service to the community of Windham. The department saw a 2% increase in call volume over 2013. The majority of our calls 68.58% continue to be Emergency Medical Services related with 62% of those requiring ambulance transports to the hospital. Our second most frequent call for service is for alarms sounding. We don't often arrive to those alarms and find a fire problem but we do utilize the interaction to check the building for safety, restore the alarm system and provide education.

The department's staffing is known as a combination department providing service through a hybrid system of paid on call firefighter/EMTs, per-diem firefighter/EMT's and full time Firefighter/Paramedics. With additional per-diem staffing added in the Fiscal Year 2015 budget as of August 2014 we are now able to staff the North Windham 24 hours a day. With the additional crew we also relocated an ambulance to the North Windham Station reducing the time it takes for an ambulance to respond and arrive to the residents and visitors of the North Windham District.

During the day, 7am to 7 pm, there are three per-diem firefighter/EMT's at North Windham. At the Public Safety Building there are two per-diem firefighter/EMT's and one full time firefighter/paramedic. During the night, 7pm to 7am, there are two per-diem firefighter/EMT's at North Windham with one per-diem firefighter/EMT's and one full time firefighter/paramedic at the Public Safety Building. We also partner with Southern Maine Community College to have three college students

live at the South Windham and three students at the East Windham Stations during the school year. In exchange for hands on learning experience, room and board those students have to be in the station during the night from 10pm to 7am and on weekends from midnight to 7am to assist in providing coverage from those stations.

The 70 members of the department participate in training on a regular basis to maintain and learn new skills. In 2014 the men and women of the department completed 6,431.25 hours of training. We hold company level trainings on Wednesday evenings with certification programs taking place on nights and weekends.

This year we were able to replace our cardiac monitors on each ambulance. We purchased two Zoll cardiac monitors. These devices have state of the art technology that allows our paramedics to send EKG's via the internet from a moving ambulance to the hospital. The monitors also have new technology that assesses the effectiveness our CPR and will indicate if our rate and pressure of chest compressions is adequate for the best possible outcome of the patient. This equipment has already served the community well and will continue to do so for several years.

In the fall of 2014 we started work to prepare the department for its Insurance Services Office (ISO) evaluation. ISO rates a fire departments equipment, training and water supply infrastructure and assigns a class rating to the community. That classification is then used by insurance companies to determine fire insurance rates for properties in the community. Our assessment is planned to occur in 2015 and will involve a water shuttle demonstration to enhance our rating in the areas of town that are not served by fire hydrants.

If you have questions, concerns, or comments, please feel free to call 892-1911 or come by one of the stations and talk with us. If you would like a tour of our facilities we would be glad to make arrangements. We look forward to another challenging year of serving the residents and visitors of Windham.

Respectfully Submitted,

Brent J. Libby, Chief

Windham Fire - Rescue

Windham Public Library

The mission of the Windham Public Library is to meet the needs of the whole community by providing a well-rounded up-to-date collection, offering informational, educational and recreational services to every age group, and to encourage a love of reading and learning for all.

In 2014, Windham Public Library served the Windham community by providing valuable space to meet, resources for information and entertainment, and ongoing programs. The library space was used for quiet study and public forums that are popular with many community groups in Windham. The library offered a variety of materials to circulate and view, such as books, magazines, audio-books, eBooks, DVDs, music, daily newspapers, and access to computers and the internet. In addition, the library offered Story times, Books and babies, Crazy 8s math club, Summer Reading programs for all ages, book groups, "Tea for You", genealogy and knitting groups, and other informational programs. In addition, the library provided outreach services to existing and new elder housing facilities, preschools, Windham elementary schools, checked out local park and museum passes, and participated in local librarian and literacy groups to collaborate and discuss library services

2014 Statistics

Items circulated: **91,936**

New library patrons: **638**

New items added to collection: **3,832**

So what's new?

In January, library staff members undertook a nearly year-long project of completing the re-barcoding of all library materials. The project entailed working with many volumes of the collection and changing the barcode in the time from a 5-digit barcode to a 14-digit barcode. This change was necessary to join the statewide consortium, Minerva. In November, the project was completed and the library successfully joined the consortium. New software to circulate items and search for items in the catalog were part of the many changes to the staff workflow. The first few months of joining have been a success and patrons immediately began taking advantage of all the new resources offered in the consortium. It was an exciting year moving the library forward in this manner!

+

:

A great combination!

Declaration for the Right to Libraries

Along with the re-barcoding of items, all patron account numbers needed to be changed to 14- digit. A new logo was created for the library and it was used on the new library cards. The new library logo and card was unveiled at an event held in April. That event was the Declaration for the Right to Libraries signing event. Windham Public Library joined the “Right to Libraries” movement and attendees of the event signed the Declaration in support of a strong library in Windham for the good of the community.

In addition, through funds gifted by the Friends of the Windham Public Library, a projector and movie license was purchased to allow the library to plan and carry out new programming such as showing movies and hosting speakers. Future plans will be the purchase of a gaming system for use in planning programs for gaming.

Lastly, in November, the library brought back a popular program with a fine amnesty week. The library held Food for Fines. In lieu of overdue fees and bills, the library accepted canned goods and non-perishable items which were then donated to the Windham Food Pantry. The amnesty week was a success and we will hold the program again in the future.

Staffing Changes— In July, Circulation Aide June Hawkes retired. June began working for the library as a volunteer. She volunteered her time for 17 years before being hired in 1995. After her retirement, June has continued to volunteer for the library. June’s years of service both as a volunteer and a paid employee are so appreciated. The staff miss working with June on a daily basis but are so thankful that she continues to dedicate her time to the library and enjoy her visits.

In September, two new Circulation Aides were hired. Jen Dupree and Lisa Schadler were wonderful additions to the staff. They brought new ideas from their previous employment backgrounds, Lisa in the Raymond School department and Jen as an owner of a bookstore. Lisa has unfortunately left us but we are proud to report she is pursuing educational opportunities.

Community collaborations—

In April, Windham PL and the Southern Maine Library District collaborated with Key Bank to bring the Portland Public Library Bookmobile to Windham. The bookmobile brought with it not only an opportunity to board the bookmobile and see the new portable library but also brought financial literacy resources sponsored by Key Bank. The community and library staff members enjoyed visiting the bookmobile and meeting Portland PL staff members.

Portland PL Bookmobile Visit

The Local and Legendary: Maine in the Civil War Windham/Gorham team grant drew to a close with the original play “Gambo” presented at Gorham High School on June 11. Children’s Librarian Laurel Parker, participated in this year-long project that brought together local organizations to highlight how the Civil War affected the home front in both towns.

Librarian Barbara Kelley worked with the Maine Humanities Council to bring two special book group series to the library. The library book group was a host to “Making a Living, Making A Life” a book discussion series featuring books about work and change in America, and the series “History of Detective Fiction in the 20th Century”. These were both wonderful collaborations with MHC, and the library and book group attendees enjoyed the discussions.

Finally, library staff members enthusiastically participated in the Windham Summerfest parade. A float was decorated and entered in the parade that promoted the library’s three summer reading program themes. Staff members enjoyed participating and have begun planning for participation in 2015.

Windham Public Library

The Loan Closet

The Windham Loan Closet provides medical equipment and supplies free of charge to area residents.

The Loan Closet, located at 221 Windham Center Road, may be accessed by calling 894-5999 extension 1111. A volunteer will return the call and arrange for the loan. Volunteers are grateful for donations of clean, gently used equipment, as well as monetary donations, which are used to purchase frequently requested items such as wheelchairs.

Visiting nurses, physical and occupational therapists also use the Loan Closet more than 10 times per month. During the 2014 calendar year items were loaned to **383** individuals, making this a very busy year.

Volunteers would like to thank the town employees who assist in making this service possible, and to the Town Council for its generous support.

Respectfully Submitted,

Marilyn Roberge, Loan Closet Chair

The Tax Collection Office is responsible for the collection of all Windham properties. The new property tax bills are processed, sorted and mailed by the computer company, in August. In May, a courtesy notice is sent to homeowners who have a balance due. At the end of June, a Tax Receivable Summary is prepared for the auditor stating balances due on all taxes. Eight months from the date of tax commitment, if any tax remains unpaid, the lien process begins.

Windham Parks and Recreation Department

In the spring of 2014 the entrance road and the parking area were completed at Lippman Park. The Maine Conservation Corp constructed a 200 foot boardwalk and two bridges at the park in the fall. We had two Eagle Scout candidates that did their community service projects at the park. Ian Powell constructed a group camping area on the back side of the pond and Jaren Preston installed a wooden board walk on the north side of the pond. Many thanks to their efforts to improve Lippman Park as a community park for residents of Windham. In November of 2014 the Town Council approved our request for purchasing playground equipment. We received \$80,000 worth of playground equipment for \$40,000 through GameTime Inc. The playground equipment will be installed during the summer of 2015. Our Donnabeth Lippman Park is turning into a community destination and will continue to be a gathering place for Windham families for years to come. Thanks again to all who assisted in this community park project.

Dundee Park had another busy summer with over 15,000 visits. We replaced 10 of our outdoor grills over the summer with the other half to be replaced in 2015. Our outdoor grills are used for family parties and gatherings all summer long. It's a great location to spend the hot summer days with lots of choices from swimming to using our paddle boats to playing volleyball and basketball. We had 10 days with over 200 visits and our highest attendance for the summer was on July 1st with over 540 visitors. We sold 309 passes and had our group visits increase 4% to make up approximately 13% of the total visits at the park. The canoe and paddle boat rentals took in \$1,170 and our beverage sales took in a net of \$633. Overall our total revenue for the season was \$37,715. Many thanks to Mona Dodd and Ron Faucher, our park managers and all our staff at Dundee Park for a successful season in 2014.

The summer day camp program was very successful in 2014 with 180 children enjoying one of our three day camps run by the Department. Many thanks to the Windham High School and Middle School's staff that assisted us in making this a great program for so many Windham children. We offer a wide variety of activities at camp including field trips, arts and craft activities, games, special themed events and camp wide activities for all to enjoy and to make it a positive and active summer for all our children at camp. Our camp philosophy for is to provide a safe and positive environment and to provide opportunities for an active and fun experience for all campers. We hire over 26 people to run our camps and they are all trained to provide this positive experience to all campers.

Our ski program at Shawnee Peak went extremely well with 50 participants in our Friday evening program and 15 participants in our Wednesday afterschool program. Our Friday evening program filled the bus for us this year for first time in many years. Many thanks to Bill Tracy, Ben Tracy and Tricia Raymond for being our chaperones for this popular program for teens during the winter months.

Track programming was very popular and successful in 2014. We had 57 youths in our summer track program and 32 in our indoor track program. Philip Jackson was our head coach for both programs. Windham also hosted the State USATF Youth meet on August 9th. We had over 35 teams from all over Maine with 900 youths participating in this day long event. Many thanks to Rich Drummond and his staff and Windham Boosters for their support and assistance in this state meet.

Our seniors had many choices for day trips during the year. We had trips to see the former circus animals at the D.E.W. Animal Sanctuary in Mt. Vernon, the Ossipee Valley State Fair and riding the

gondola up Wildcat Mountain. We had 254 seniors in our senior trips in 2014. Many thanks to Laura Rhodes, one of our drivers who has volunteered over 10 years with the Parks and Recreation Department.

We encourage Windham residents and their families to enjoy one of our programs mentioned above or one of the many other program offering. We also encourage all our residents to bike, hike or walk one of our great conservation and trail areas we have in Windham. For trail maps and further information on our program and special events please check our web site at www.windhammaine.us. Let's keep moving and enjoy all the trails, parks, programs and special events during the upcoming year!

I will be retiring as of May 1st 2015 so I want to thank everyone for a wonderful 10 years in Windham. A special thanks to my staff, Jackie Roux, Lynn Bucknell, Sherri Holtan and Kevin Bailey, for their support and service over the years for making the Windham Parks and Recreation Department a professional and well run operation serving the residents of Windham.

Windham Planning Department

Vision for the Windham Planning Department

The Windham Planning Department is dedicated to encourage, support and enable Windham's citizens, elected leaders and officials to:

) Articulate and formalize their visions and goals through the creation of the comprehensive master plan, programmatic and district plans and policies.

) Achieve the community's goals by implementing plans through ordinance and policy development, project management and the employment of a fair and predictable development review process.

Contribute meaningful input and feedback through diverse methods at all stages of planning in order to continuously update and refine community goals, ensure transparency in planning services, and to build awareness for community issues and opportunities.

Department Mission

The mission of the Planning Department is to provide professional advice and technical expertise to citizens, elected leaders and municipal officials to assist in understanding and addressing community issues and priorities. This is accomplished through a focus on long term economic vitality, environmental integrity, and quality of place through the development of high quality plans, plan implementation and development review services.

Department Structure

The Planning Director, Ben Smith, AICP, is responsible for overall management of the department and long range planning projects. Long range projects, which are undertaken as directed by the Town Council and Town Manager, include a range of topics that deal with land development and transportation.

Planner Amanda Lessard is lead staff member for development review services. The majority of this work involves assisting the Planning Board and Staff Review Committee in their reviews of Subdivision and Site Plan applications by coordinating the recommendations of Town staff members and outside engineers and working with applicants on ordinance and process questions. For those not familiar with these terms, subdivision applications involve the division of land into multiple parcels, while site plan applications are typically for the construction of commercial or industrial buildings on a single parcel. Amanda also assists with long range projects as time allows.

Lisa Fisher is the department's administrative assistant and provides assistance to the public and support on development review and research projects. Lisa also provides administrative support for the oversight of performance guarantees and development escrow accounts for projects under construction.

Development Review Activities

During the 2014 calendar year, the planning department accepted ten (10) subdivision applications, five (5) site plan applications, eight (8) ordinance amendments, and three (3) zone amendments. This represented an increase over application levels in 2014.

The Planning Board issued approvals for two (2) site plan applications, ten (10) subdivision applications, eight (8) ordinance amendments, and one (1) contract zone amendment during 2014.

Long Range Planning Activities

In 2014, the department worked on the long-range planning projects listed below. Additional information on these projects can be found on the department's webpage at www.windhammaine.us.

) Comprehensive Master Plan update (a top Town Council priority)

Members of the Comprehensive Plan Review Team were appointed in July 2014.

A Town-wide survey was conducted in October and November 2014. Over 1,000 households and about 50 businesses participated.

Two Community Visioning Forums were held in November.

A Values & Vision Statement was approved by the Review Team and Town Council in February 2015.

Members of the community participating in a Comprehensive Plan Visioning Forum.

) Land Use Ordinance Committee

Issues Addressed: Staff Review Committee approval of site plans within approved subdivisions; Revision of cluster subdivision standards; Automobile Storage Lots, Automobile Repair standards; Automobile Auction Facility standards.

) North Route 302 Transportation Plan (White's Bridge Rd. to Mineral Springs Rd.)

The project to reconfigure the Whites Bridge Road and Anglers Road intersection on Route 302 has been approved for funding by MaineDOT. Construction is expected to begin in 2015.

) 21st Century Downtown Plan - Adopted January 22, 2013

Comprehensive effort to build upon the sense of place in the North Windham commercial district through transportation improvements and land use planning tools.

A Complete Streets Policy was adopted by the Town Council, making Windham one of the first communities in Maine to explicitly state that all users of our transportation system (cyclists, pedestrians, as well as our youngest and oldest residents) will be considered in the planning process for new street projects.

) Windham Energy Committee

This group is continuing to work on conservation and efficiency in municipal operations, including research on LED streetlight technology, and preparing for an update of the 2010 Windham Energy Plan.

) Portland Area Comprehensive Transportation System (PACTS) Planning Committee
Federally mandated transportation planning and funding agency for the region.

Looking Ahead

The Planning Department is anticipating significant progress on the Comprehensive Plan this year. A draft plan is anticipated for public review toward the end of 2015 or early 2016. Updating Planning Board submission requirements is also a priority for the Department, in order to enable electronic Board packets which will increase public access to submission materials, lower costs for applicants and improve efficiency for staff and the Board.

Contact Us

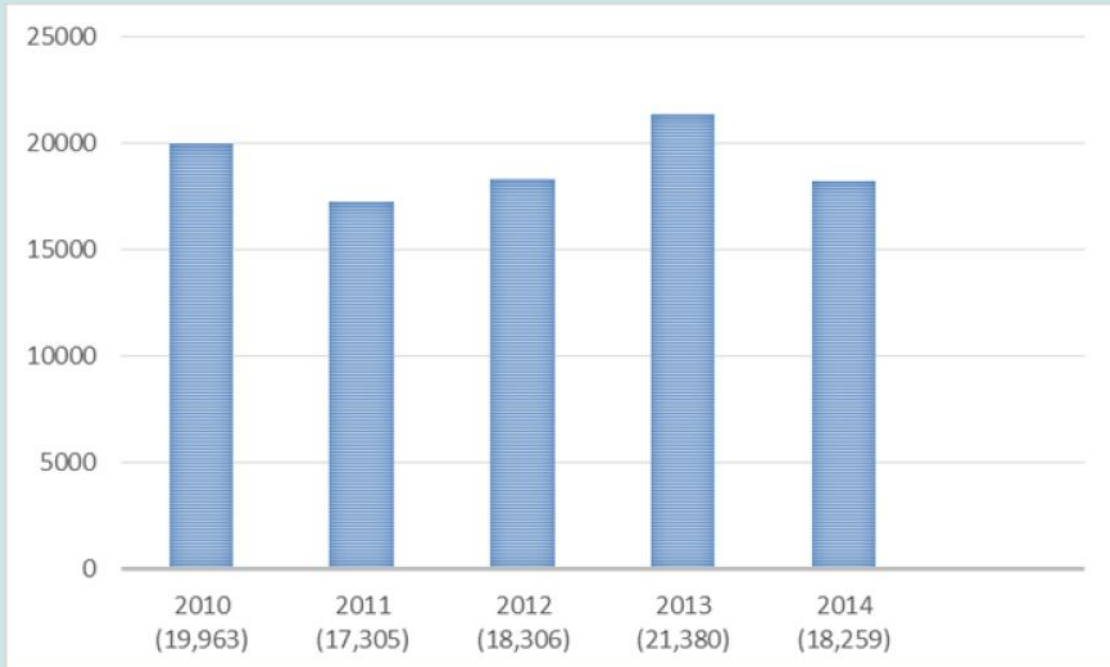

The Planning Department is located on the top floor of Town Hall. The office is open Monday through Friday from 8:00 a.m. to 4:30 p.m. You may also reach us by phone at 207-894-5960 ext. 2 or via the email addresses on the Town's website. Our goal is to provide a high level of customer service, and we encourage all residents to contact us with any thoughts or questions on planning in Windham.

Ben Smith, AICP

Director of Planning

Windham Police Department

CALLS FOR SERVICE (Incidents)

CRIME STATISTICS

Year	Index Crimes	Burglary	Larceny
2011	474	69	286
2012	455	65	258
2013	458	56	286
2014	486	79	293

The term Index Crimes refers to the most common crimes that are tracked by the FBI for Statistical purposes. The following Index crimes were reported in 2014: Criminal Homicide (0), Rape (1), Robbery (2), Aggravated Assault (6) all the result of motor vehicle accidents, Simple Assault (94) Burglary (79), Larceny (293), Motor Vehicle Theft (11) and Arson (0).

In addition, the department made 60 domestic violence related arrests in 2014.

Other Activities

Traffic

Windham officers conducted 4374 traffic stops in 2014, resulting in 1098 citations and 1337 written warnings being issued. Traffic offenses cited include 602 speeding violations, 89 seat belt violations, 33 operating after suspension offenses, and 49 OUI arrests. The remaining stops resulted in citations or warnings for other traffic offenses.

During 2014, the Windham Police Department participated in 4 traffic enforcement grant campaigns which were all funded by the Maine Bureau of Highway Safety, at significant tax payer savings:

-)] "Drive Sober or Get Pulled Over" The grant award was \$5,000.00.
-)] "2014 Speed Enforcement Program" This allowed the department to enforce speed limits in high accident rate areas. The amount of this award was \$10,000.00.
-)] "2014 Buckle Up - No Excuses!" The department enforced seat belt laws during the last 2 weeks of May to coincide with the national Click It or Ticket campaign. Award amount \$3000.00.

(It should be noted that as an incentive to our successful participation in the above 3 campaigns the department received 2 WatchGuard In-Car Video Systems valued at about \$10,000.)

-)] Also, during 2014, Officers Cox, Cook, Quatrano, and Williams participated in the Regional OUI Team with the department receiving \$2000.00 in salary reimbursement for their efforts

Accidents

Windham PD responded to 781 reported traffic accidents in 2014. Of those 496 required the taking of a report. There were 385 property damage accidents, 110 with personal injury, and 2 with fatalities. Nine of the reported accidents were OUI related.

Staffing Changes and Key Events

2014 was a very active year from the staffing perspective. With the pending retirement of key administrators at the end of 2014 and early in 2015, efforts were made to be prepared for the changes.

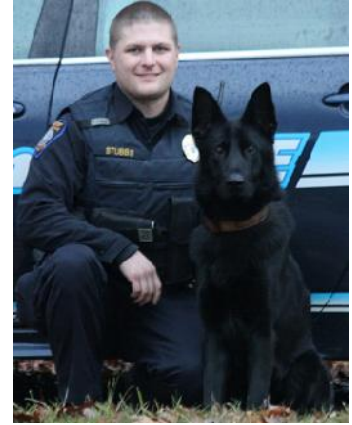

In January:

-)] The police department changed the database/report writing system from IMC to Spillman at the requested of the Cumberland County Regional Communications Center. Officers spent the remainder of the year acclimating to the new system.
-)] Officer Barry Kelly was assigned to Portland Regional Federal Drug Task Force for an extended commitment.
-)] Officer Justin Hudnor was hired. He graduated from the MCJA in May and was cleared his field

training to work the road in August.

In August:

-) Officer Steven Stubbs was assigned as the department's second canine handler. In late September he was united with his new partner, Vader, who arrived from Belgium. The team continues their training towards full certification.
-) Paul Dubay was hired as a part time Animal Control Officer (ACO), to fill an opening created earlier in the year with the departure of the full time ACO.

In October:

-) Sgt. Jim Boudreau was promoted to Lieutenant, assuming the Executive Officer's responsibilities.
-) Officer Gene Gallant was re-assigned as a Detective / Evidence Technician, adding a valuable resource to the Criminal Investigation Division.

In November:

-) ACO Paul Dubay was hired to fill an open police officer's position. Having previously worked at Gorham PD, Officer Dubay went through an accelerated field training and began working the road in December.
-) Detective Raymond Williams was promoted to patrol sergeant, and assumed the responsibility of evening Shift Commander.

In December:

-) Officer Robert Hunt accepted an interim assignment as a detective in the Criminal Investigation Division, to fill the void left by Sgt. Williams' promotion.
-) Trista Comtois was hired as a full time Animal Control Officer.
-) Long time Lieutenant, David DeGruchy retired from the police department after serving 36 ½ years in the service of the Town of Windham. A special thank you from the department to Lieutenant DeGruchy for your extended service and guidance you provided to all that came after you.

Personnel

- © Gene Tanguay retired in June as the Fleet Parts Controller/Service Writer
- © Fred Genthner was promoted in September to Fleet Parts Controller/Service Writer
- © Kevin Kimball was promoted in September from a seasonal worker to full time Truck Driver
- © Timmy Lamb celebrated his 35th anniversary in December as a Heavy Equipment Operator
- © On May 14, 2014 Windham Public Works sent three 2 man teams to compete at the Annual Cumberland County Snow Plow Rodeo. Each driver must navigate a truck with plow and wing through obstacle stations missing the obstacles or as many as possible. Of the 20 teams participating Windham's Dave Rampino and "Kooby" Hodgdon took 2nd place in the top 10. In June they were able to participate in the State Championship in Skowhegan. Congratulations!

Administration

- © The department launched a computerized fuel management system in April
- © The department implemented an asset management software program in August
- © Administration office answered approximately 3,750 calls

Equipment Purchased

- © 2014 Elgin Pelican sweeper
- © 2013 International wheeler dump truck with plow gear

Maintenance Accomplishments

- © Catch Basins~ Cleaned 793 basins ~ Checked 21 basins
- © Installed two new basins, repaired five basins, graded dirt roads, graveled shoulders, clean ditches, replaced driveway culverts & cross culverts

Storm Water

- ⊙ Completed dry weather catch basin outfall inspections for pollution; in compliance with Windham's Storm Water permit
- ⊙ Attended Training for Stormwater Compliance requirements

Town-Wide Road Striping

- ⊙ Double yellow centerlines ~ 218,622 feet
- ⊙ White Lines ~ 206,461 feet
- ⊙ Lane Lines ~ 6,307 feet
- ⊙ Directional ~ 268
- ⊙ Letters ~ 204
- ⊙ Stop lines ~ 277 feet of 12"
- ⊙ Stop lines ~ 1,195 feet of 24"
- ⊙ Crosswalk markings ~ 2,176 feet
- ⊙ Yellow lines around islands ~ 680 liner feet
- ⊙ Parking spaces ~ 218
- ⊙ Handicap Parking ~ No Parking 6 each

Roadside Mowing

- ⊙ 328 man hours

Grading

- ⊙ 101 yards of gravel
- ⊙ 4379 gallons of liquid calcium ~ dust control
- ⊙ 95 man hours

Roadside Clean up

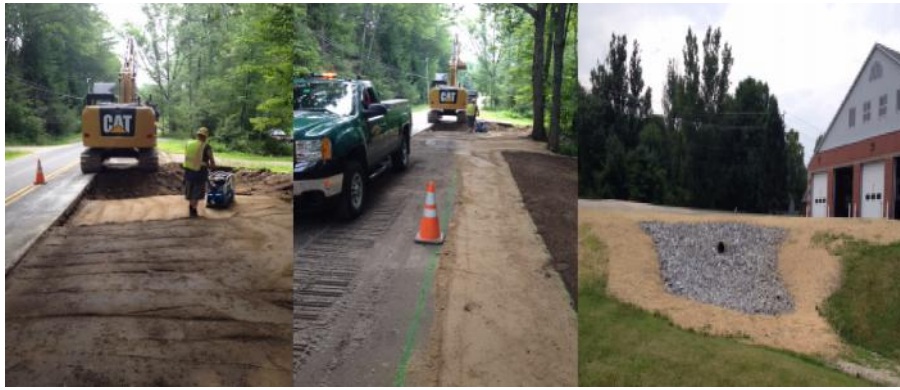

- ⊙ Sweeping ~ 1328 man hours
- ⊙ Sweeping ~ 1687 yards of material

Permits Issued

- ⊙ Driveway permits ~ 26 Issued
- ⊙ Street Opening permits ~ 52 Issued

Road Paving Program

- ⊙ Ditched, replaced or upgraded drainage removed & replaced culverts & cross culverts, re-set basins & paved swales as necessary
- ⊙ Newhall Road - Surface Pavement
- ⊙ Whites Bridge Road Surface paved - Roosevelt Trail to the Standish town line
- ⊙ Falmouth Road shim and overlay - Nash Road to Albion Road
- ⊙ Albion Road reclaim and base pave - Roosevelt Trail to Falmouth Road
- ⊙ Route 302 maintenance paved - Pleasant River to Wright Road

Snow Events & Material Usage ~ responded to (26) snow/ice events some multiple day events

- © Snow Events ~ 26 events
- © Inches of Snow ~ 77" of snow
- © Ice Events ~ 6 ice, sleet, freezing rain events

Building & Grounds Maintenance Division

Maintained 9 Municipal buildings & grounds

- © Mowed & manicured municipal grounds
- © Performed major landscaping project at Public Safety/Central Fire Building
- © Assist with the set up of New Christmas lights & decorations through out the town & maintained lights through the season

Maintained 26 Cemeteries

- © Clean up commenced in April
- © Mowed cemeteries through the season
- © Special preparation for Memorial Day, Veterans Day, & Labor Day

Fleet Maintenance Division

- © Maintained all vehicles & equipment used by Public Works, Police Department, Recreation Department & Town Office
- © Fabricated plow parts, wing parts & stands for truck gear

Doug Fortier, Director of Public Works

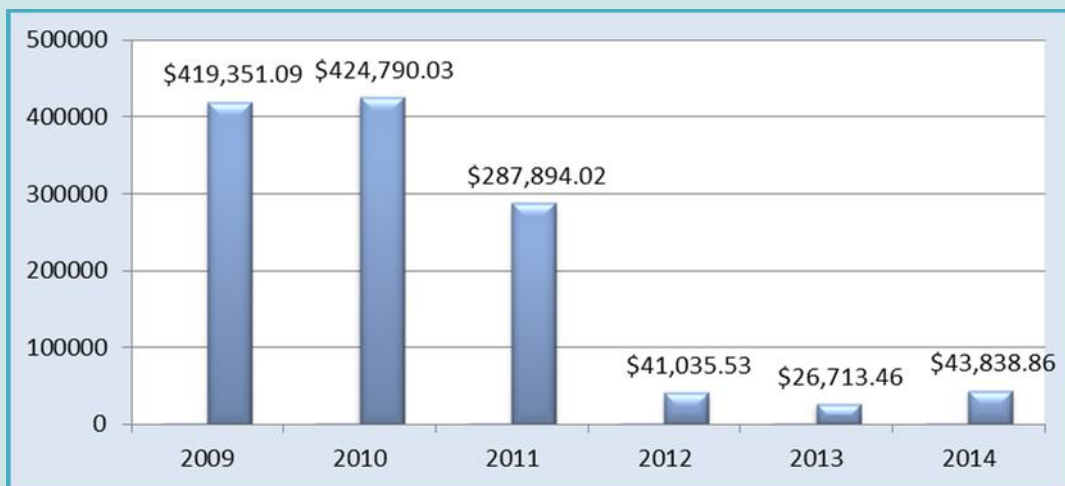

Social Services

General Assistance

The Town of Windham's General Assistance Program (G.A.) is a state mandated, municipally administered financial assistance program. It was designed to be a program of "last resort" for residents who are unable to provide for their basic needs. The G.A. office is located in The Family Resource Center at 377 Gray Road. It is overseen by the Assistant Town Manager/H.R. Director and is staffed by René Daniel, G.A. Administrator.

Assistance is available for basic necessities as defined by local ordinance and state statutes. Eligible applicants are assisted through payments made to specific vendors. Administrative costs of the program are paid for through tax dollars. The state reimburses the Town for 50% of the cost of general assistance benefits paid for residents. In 2014, \$43,838.86 was issued to eligible recipients prior to reimbursement. This number reflects a 39% increase in overall general assistance costs from 2013. The increase is attributed to the extended periods of frigid weather at the beginning of the year, delayed LIHEAP funds, the high cost of oil, the discontinuance of extended unemployment benefits, the across the board cuts in SNAP benefits, and the sixty (60) month limit for TANF recipients. Each of these factors contributed to a larger number of residents qualifying for G.A. benefits in 2014.

General Assistance Expenditures 2009 - 2014

Under G.A., applicants must provide verification of their income and expenses, residence, and if unable to work, medical documentation substantiating their work limitations. Applicants are required to seek work if they are physically able and/or to apply for assistance through other state and federal programs that may be available to them. A determination of eligibility is made for a thirty-day period based on anticipated earnings. Individuals and families that do not qualify for financial assistance are referred to local resources appropriate to their need(s).

Please call 892-1906 to schedule an appointment. Office hours: Monday - Friday 8am to 4pm.

2014 General Assistance Expenditures

Type	Interviews	#Cases	#People	Benefit Provided
Housing	328	61	240	\$28,642.44
Emergency Housing	23	0	0	\$0

Food Pantry/Clothes Closet

The Food Pantry and its companion Clothes Closet were established in response to a growing need for assistance in the community. Food insecurity is a real and urgent issue and it is being addressed at the Food Pantry with confidentiality and compassion through private appointments with the Social Services Assistant, Colette Gagnon.

Clients are served once a month and receive fresh milk, eggs, bread, and vegetables/fruit (when available) in addition to meat and staple items. Families with children are provided with “extras” during school vacations and the summer break. In 2014, the Pantry served 2,521 families made up of 3,572 adults and 1,127 children for a total of 4,699 people.

In 2014 the Food Pantry received U.S.D.A. surplus and “rescued” food from Wayside Food Rescue and has maintained a relationship with The Good Shepherd Food-Bank. The Food Pantry relies on, and is very fortunate to have, generous individual and corporate donations as well as community participation during food drives. In 2014, local businesses, churches, service groups, grocery stores, schools and individuals have all been very generous and provided the Food Pantry with \$41,008.41 in cash donations. The Town would like to thank these businesses, organizations, churches, and volunteers that assist those in need throughout the year.

The Food Pantry and the Clothes Closet are open Monday – Thursday 8am – 4pm. Food Pantry clients must provide proof of residency – i.e. utility bill or lease. There is no residency requirement for items needed from the Clothes Closet. Call 892-1931 to schedule an appointment.

Respectfully Submitted,

Phyllis Moss, Assistant Town Manager/ H.R. Director

Town Clerk

This year we consolidated the town's two municipal voting districts into a single municipal voting district to be designated as Ward 1. This was a suggestion made to me by the Secretary of State's Office with the reason being "it made sense." We already had every voter in Windham voting at the Windham High School but we kept the two districts separate inside the polling place. By consolidating, it streamlined the voting process, it eliminated the worry of waiting in the wrong line, and it eliminated the need to have two sets of Warden and Deputy Wardens, thus saving money.

Another change that we saw concerning voting was that every ten years the Federal Government changes the numbering of the Senate and Legislative Districts. We went from Senate District 12 to 26 and from Legislative Districts 110 & 111 to Districts 24 & 25, but the voters did not have to worry about any of that because by consolidating they only had to stand in the line that had their last name.

Our two elections this year was the Primary Election held on June 10 and the General & Referendum Election held on November 4. In June, we had 11,922 registered voters with 1,059 people voting. In November, we had 12,061 registered voters with 7,782 people voting.

We were also using new voting tabulation machines issued state-wide by the Secretary of State's Office. We attended two training sessions to become familiar with the new machines. They proved to be very accurate but do tend to be a little slower than our older voting tabulators.

Clerk's Statistical Data

	Births	Marriages	Deaths	Hunting/ Fishing	Dog Licenses	Concealed Weapons
2010	168	106	109	1708	2140	154
2011	185	92	106	1259	2109	181
2012	167	112	121	1173	2093	247
2013	196	130	120	1259	2058	345
2014	193	119	125	1261	2110	207

Our Boston Post Cane is still in the hands of Clista Loring who just turned 107 in January! Clista was awarded the Cane back in September of 2012 at the young age of 104. Clista resides at Ledgewood Manor.

Once again, we were able to go Christmas shopping and bring lots of presents and gift cards down to Social Services to be handed out to families in need. I would like to thank all of the people who donated money for this. We do not charge for our Dedimus Justice Service or for performing marriage ceremonies at Town Hall, but we do accept donations and we put those towards buying gifts. We also appreciate the residents who donate "just because" they know we do this each year and they want to help. Thank you so much!

Our annual Rabies Clinic was held on December 6 in the Town Hall gym. Dr. Griffin from the Lake Region Animal Hospital came, once again, to administer the vaccines. The Clerk's Office was there doing dog licensing, and it was a great success. Thank you Dr. Griffin for your continuing support.

I would like to thank the dedicated people I work with, Rita Bernier and Judy Vance, as well as the women in Auto Registration, Judith, Joanne, Lucy and Stephanie. They are a pleasure to work with and we work well as a team. I also want to thank my Election Workers; they too are dedicated, do a great job, and are willing to help wherever there is a need. Thank you.

Linda Morrell, Town Clerk, CCM

Paul R. LePage
GOVERNOR

STATE OF MAINE
OFFICE OF THE GOVERNOR
1 STATE HOUSE STATION
AUGUSTA, MAINE
04333-0001

March 30, 2015

Town of Windham
8 School Rd
Windham, ME 04062-4899

Dear Citizens of Windham,

Maine has a long tradition of civil participation in both state and local government, and I thank you for being informed and involved citizens.

My vision for Maine is prosperity, not poverty. For this reason, one of my top priorities is the reduction and eventual elimination of the income tax. Not only does an income tax cut put more money back in your pockets, but it will attract businesses that can offer good paying careers to keep our young people here in Maine. Further, this tax cut maximizes one of our existing resources — tourism — and ensures the millions of visitors who come to Vacationland each year contribute their small part to our economy.

Simply put, this proposal results in an immediate pay raise for all of you hard-working Mainers. It creates stronger and even more vibrant communities as we show people that we are serious about wanting people and businesses to come — and stay — in Maine.

If we are to make Maine prosperous, we must also work hard to reduce our heating and energy costs. I am committed to lowering the cost of energy, not only to attract job creators, but also to allow Maine people to affordably and effectively heat and power their homes.

And finally, it is of utmost importance that we begin to address the growing drug problem in our state. Maine's people are its most precious commodity, and our safety is being threatened by the drugs that are entering our state each and every day. My goal is to face the problem head on by employing more drug agents, prosecutors and judges before the epidemic destroys our communities.

It is a pleasure serving as your Governor. If ever I can be of assistance to you or if you have any questions or suggestions, I encourage you to contact my office by calling 287-3531 or by visiting our website at www.maine.gov/governor.

Sincerely,

Paul R. LePage
Governor

Dear Friends,

It has been a privilege to serve the State of Maine since being sworn into the U.S. Senate in January of 2013. First off, I want to make sure you know how to reach my offices, as I welcome your thoughts, questions, or concerns. You can call our toll-free, in-state line at **1-800-432-1599**. In addition, our local numbers are as follows: Augusta (207) 622-8292, Presque Isle (207) 764-5124, Scarborough (207) 883-1588, and Washington D.C. (202) 224-5344. You can also provide your input on our website at www.king.senate.gov.

Maine is a large state; I know that traveling to our offices can present logistical and financial challenges, which is why our team implemented an outreach program, **Your Government Your Neighborhood**. My staff has been traveling to communities throughout the state for two years now, hosting office hours for local residents. Since we began, we have made over 400 trips and plan to increase that throughout 2015.

If we haven't yet been to your town office, community library, or school, or hosted an information table at a local non-profit, please let us know!

My work in Washington this year has been broad reaching, and I am committed to continue this work in a transparent and nonpartisan manner.

My projects have included:

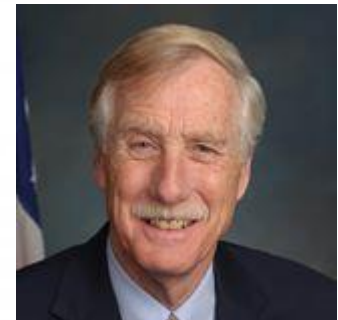

- Overseeing national security and defense issues from ISIS to cybersecurity
- Continuing efforts to simplify student loans and make higher education more affordable
- Easing the regulatory burdens facing Maine businesses, farms, and schools
- Co-sponsoring budget initiatives for a smarter economic direction
- Supporting vital infrastructure and highway investments
- Tackling climate change mitigation and its long-term impacts
- Ensuring financial transparency in politics through campaign finance reform
- Promoting the growth of rural internet access
- Co-sponsoring legislation to help working families get paid leave to care for loved ones

I am tremendously grateful for the opportunity to serve you and will keep you informed of my activities in Maine and Washington.

Sincerely,

ANGUS S. KING, JR.

CONGRESS OF THE UNITED STATES
HOUSE OF REPRESENTATIVES

Dear Friends,

I hope this letter finds you and your family well. It's an honor to represent you in Congress. Thank you for the chance to update you on my work there and in Maine.

Like many here at home, I find the current partisan environment in Washington and Congress to be very frustrating. Attempts to take away people's health care, weaken environmental protections, and stoke controversy have been put ahead of more meaningful work to create jobs, help people through tough times, and give our children a better future.

Still, I have tried to find opportunities to work on issues where my colleagues across the aisle and I can find agreement. As a member of the minority party, I'm very proud that these efforts have earned several legislative victories that benefit the people of our state.

One of the most significant was passage of a Farm Bill containing many reforms I introduced to help the kind of small, diversified, family farms that we have here in Maine. These included more funding to help these farms meet the growing demand for healthy local food, as well as better insurance to fit their needs and helping SNAP recipients use benefits at farmers markets.

Another bill I introduced was signed into law, initiating a study of the York River to see if it is a good candidate for the federal Wild and Scenic Rivers program. The classification would help protect this important natural resource while potentially bringing more visitors to the area and an increased amount of federal investment for its conservation. As a member of the House Appropriations Committee, I've worked to secure other investments for the state as well, including \$20 million to replace a crumbling, unhealthy and outdated tribal school in Washington County.

But not all the work I do is from Washington. My offices in Portland and Waterville assist hundreds of constituents every year who have issues with federal agencies and programs—veterans benefits, Social Security, and passports among them. If you have a problem where I might be of assistance, I encourage you to call (207) 774-5019. My staff and I welcome the opportunity to serve you.

Again, it's a pleasure to represent you in Congress. Please keep in touch.

Best wishes,

A handwritten signature in blue ink that reads "Chellie R." followed by a long horizontal line.

TOWN OF WINDHAM, MAINE
Reconciliation of the Statement of Revenues, Expenditures,
and Changes in Fund Balances of Governmental Funds
to the Statement of Activities
For the year ended June 30, 2014

Net change in fund balances - total governmental funds (from Statement 4)		\$ 124,547
<p>Amounts reported for governmental activities in the statement of activities (Statement 2) are different because:</p>		
Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of those assets estimated useful lives as depreciation expense. This is the amount by which capital outlays (\$902,865) exceeded depreciation expense (\$791,286) and loss on disposal (\$3,445) in the current period.		108,134
Revenues in the statement of activities that do not provide current financial resources are not reported as revenues in the funds.		77,000
Some expenses reported in the statement of activities do not require the use of current financial resources and, therefore, are not reported as expenditures in governmental funds. This is the decrease in accrued interest (\$19,956) and increase in other post employment benefits liability (\$96,108) and accrued compensated absences (\$74,464).		(150,616)
Capital lease proceeds provide current financial resources to governmental funds, but issuing debt increases long-term liabilities in the statement of net position. Repayment of lease principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the statement of net position. This is the amount by which lease repayments (\$529,912) exceeded proceeds (\$457,712).		72,200
Bond proceeds provide current financial resources to governmental funds, but issuing debt increases long-term liabilities in the statement of net position. Repayment of bond principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the statement of net position. This is the amount of repayments.		2,053,337
The Town is amortizing the deferred charge on refunding and the issuance premium over the life of the refunding bond. This is the amount by which the amortization of the premium (\$180,506) exceeded the amortization of the deferred charge on refunding (\$163,286).		17,220
The Town has bonds that were originally issued for School purposes. These amounts will be funded by Regional School Unit #14 when the debt service payments are due. The Town has recorded a long-term receivable for the amount that will be paid by the School Unit for these bonds. The amount of the receivable at year end was \$17,826,234 with principal amounts paid off during the year totaling \$1,903,337.		(1,903,337)
Change in net position of governmental activities (see Statement 2)		\$ 398,485

See accompanying notes to basic financial statements.
