Report of the Town Council Chairwoman

TO RESIDENTS OF THE TOWN OF WINDHAM

As I began to compose this letter, I realized how quickly my first year has passed as Chairwoman of the Town of Windham. It has been a year with many rewarding moments, as well as many changes and challenges. Though a year of transition, we made solid progress on many fronts and will continue these projects moving forward, while trying to minimize tax increases.

I am honored to be the Chairwoman in Town Council. This legacy of leadership is a tribute to the success and stability of the Town of Windham, and to the belief in the importance of our purpose held in common with us by our Town Council Members and Tony Plante Town Manager over so many years. Personally, I am truly humbled to lead the incredibly talented and dedicated people of the town of Windham and the Town Council.

One challenge all of us in town government face is keeping taxes low and providing excellent customer care and services to our residents. This is true in our ever expanding population, a growing middle class and the aging population in our community. The scale and complexity of the budget is magnified when combined with the RSU 14 budget. It is my belief that providing high-quality service to residents and businesses in the community in a sustainable manner is the Town Manager and Council's greatest challenge. But it is also the greatest hope for a better future for every individual, every family, every business and every town employee in Windham.

The passing last month of former Councilor Tommy Gleason reminded us all that the simple set of beliefs defined in Our Mission can guide our Town through all the challenges and complexities of these or any time. My overarching goal as Chair is to ensure that our nearly 17, 000 residents, business owners and town employees around the community will always be united by a common Vision and Mission in Windham.

Thank you all for allowing me this role as Chairwoman,

Donna Chapman

Town Manager's Annual Report

"Changes aren't permanent, but change is." Change is one of the only constants in life, and that's as true of the life of a community as it is of each of us as individuals. What can we do, and what do we do, to affect those changes in a positive way and help ensure the outcomes we want? The first, and most important, thing to do is get involved. I can hear you now, "What? You want me to sign up for a committee? Or to run for Council?" If those are ways of getting involved that suit you, sure. But not all "getting involved" means signing up for something or running for office. Watch or attend meetings, get familiar with the issues, contact Council members – or me – and let us know your thoughts, concerns, and ideas. Just getting involved doesn't guarantee a particular outcome, but NOT getting involved guarantees your perspective isn't considered.

Issues related to how much change Windham has gone through over the last decade, or two, three, four, and more decades, took up a lot of Council and staff time over the last year. Planning for the community's needs – present and future. We have a lot of catching up to do after many years of growth and too little investment in facilities and infrastructure. The town is working on a new comprehensive master plan update, incorporating the 21st Century Downtown plan, updating its capital facilities plan, and coming up with a more workable approach to wastewater management and ground water protection needs in the North Windham area. We are putting that focus on planning to work internally as well and developing an organizational strategic plan – expressing our mission, vision, and values, and answering questions about what it is we're here to do, what services to provide, and at what level. This is all intended to guide how we make decisions about those services and budgets, and how we report to you about whether we're achieving what we intended.

Following the retirements of both a long-time fire-rescue chief, Charlie Hammond, and police chief, Rick Lewsen, the town's two public safety departments have new leaders. We welcome Brent Libby as fire-rescue chief from a similar position in nearby Standish, and Kevin Schofield from his position as chief with the Bridgton Police Department. Windham's parks and recreation director, Brian Ross, also decided to retire, and has been succeeded by Linda Brooks, also from a similar position with the town of Standish. We look forward to their contributions to the management team and the community.

I've said it before, but I'll say it again: Windham is a great town. It is the Lakes Region's marketplace, an integral part of Greater Portland, and it will continue to be a great place to live, work, raise a family, and have a business. In the years (decades? centuries?) ahead the trees and fields will still be green, the water clear, and the people engaged, friendly, and hard-working. And we're all going to work together to make it happen so that, in the years to come, others will look back and say we did.

Anthony T. Plante, Town Manager

Superintendent of RSU#14

Every year we take a look around us and every year we have amazing students who are at the helm of the RSU 14 ship, offering us their voices, and selecting a variety of real-world choices as they cultivate a personalized education that meets their needs. Of course, their education choices would not occur without a school community of dedicated, caring and highly accomplished employees who foster a personalized education for every student that is self-directed and rich with the most advanced technology to aid our mission, "Success for All." Our school-wide employees are committed to learning and discovering new teaching methods that encourage a vivacious entrepreneurial spirit ingrained in the culture of this fine organization. The wider school communities support us in reaching our goals. Your support is the very definition of the forward thinking this school-community strives for each and every year and it is greatly appreciated.

It's time once again to plan for the next five years to ensure "Success for All" students. The new strategic plan will steer us into the future and will be the driving force to implement new strategies and goals – setting our sails for successful outcomes so that our students will have the knowledge and skills to solve real world issues. This past school year, one of the life boats of the strategic planning team, comprised of parents, school staff and community members, developed a survey to gather important information about each school in our district. The survey was widely distributed to community members, students and staff by way of our website, at all schools, town offices, libraries, publicly advertised in local newspapers, and even an electronic scan code. In order to collate the data and identify top themes for the Strategic Writing Committee, a meeting was hosted with a variety of stakeholders. As a result, the three goals were developed given our new strategic plan.

Goal 1: Design for Learning

-) All RSU14 students will be engaged in authentic, personalized learning experiences to master standards through multiple pathways.

Goal 2: Environment for Learning

-) All RSU15 students will continue to learn in a school environment that meets the developmental needs of learners and supports balance and quality of life for all members of the learning community.

Goal 3: Technology for Learning

-) All members of the RSU14 learning community will be proficient users of technology and will have consistent and equitable access to the technology resources needed to support mastery of personalized learning goals.

Today, with support from our committed Board of Directors, we are excited to begin the 2016-2017 school year with Phase I of a new five-year Strategic Plan that will point our compass to 2021.

This past year, the RSU 14 school community continues to support our youth on stage as they perform for us right here in our own backyards. From Peter Pan the Musical to the Windham Chamber Singers and the Lion King Production, you might think just for a minute or two you're watching a show on Broadway – the talent is that good!

RSU 14 continues to be awarded programming grants, classroom project grants, sportsmanship awards, athletic championships, school nutrition recognition, and student academic excellence awards, to name a few. Indeed, this school year has been a success!

Lastly, I'm so proud of our staff here at RSU 14. Not only do they make a difference every day in the lives of our student population, but they also continually strive to make a difference reaching their own new career goals and have been called to present and share their work at local, regional and national events. Most recently, Christine Hesler, Curriculum Director, and Chris Howell, High School Principal, were selected as the New England Secondary School Consortium 2016 award winners. In addition, RSU 14 Grounds Crew have won two "Fields of Excellence" awards. We were two from a total of eighty-two awarded from across the country. Congratulations to all staff in RSU 14! Together, we have an impact below the hull. Together, we make a difference on deck.

As always, please visit us at our Website to learn of our progress, view videos, keep informed, and much more! <www.rsu16.org>

Windham Raymond Adult Education

Windham Raymond Adult Education: Discover Your Path

We have many choices in life as to which path we travel. Which career, education and training or even hobby we wish to undertake will then lead us in a certain direction. WRAE can be an important part of that journey. For the past thirteen years I have made it my goal to expand those opportunities – those pathways – for the adults in our community. The support we have received over the years continues to grow as we continue to provide high quality programs, serves and course offerings to the Sebago Lakes Region area.. WRAE continues to be seen as a local and statewide leader in adult education, offering the most diverse array of adult learning opportunities in the area. Over the course of 2015, adults of varying ages, vastly different educational, economic and skill levels, with an equally diverse number of interests, found their way to all of the sites where the Windham Raymond Adult Education Program operates in Windham and Raymond. They came for a variety of reasons: to improve their basic reading, writing or math skills; to earn a high school credential; to prepare for post-secondary education or a new job; to take their first ever computer course; to improve their health; or finally to learn a new skill that would enrich their life. Adults ages 17-90 had access to over 300 different adult learning opportunities during this year. That translated into over 3200 total enrollments.

Highlights over the past year included:

- J Offered new programming in Raymond working with the Raymond Fire Department for First Aid/CPR Training and LL Bean for Maine Guide Training
- J Expanded local and regional workforce training opportunities
- J Through new partnerships, offered Introduction to Welding (a partnership with Portland Area Technical High School- PATHS), Bus driver training (a partnership with ProDrive Truck Driver Training) and EMT-Basic Training (a partnership with United Training Center)
- J Career Pathways Coordinator, Tina Christophersen, was elected as the Sebago Lakes Region Chamber of Commerce President
- J College Transitions Coordinator, Shelli Pride received two honors received the Distinguished Service
- J Offered new programming in Raymond working with the Raymond Fire Department for First Aid/CPR Training and LL Bean for Maine Guide Training
- J Director, Tom Nash began serving his term as the President of the national Commission on Adult Basic Education (COABE) the nation's largest professional organization dedicated to improving the adult education services for all US residents.
- J 19 Adults completed their High School credential in 2015

Enrollment/Participation Figures

There was a slight decrease of 33 (1%) in adult enrollments from the same period of time last year (January – December). There is a 3 year average of 3,197 enrollments.

Program Enrollments (Calendar Year)

	<u>2015</u>

Windham Raymond Adult Education provides a wide range of adult learning opportunities to the Windham and Raymond communities. For a complete listing of our programs and services, please visit www.windham.maineadulted.org.

Your continued patronage, financial support and input are always appreciated and welcomed.

Respectively submitted,

Thomas Nash

Director of Adult Education

Report of the Assessor

Mission:

The mission of the Assessing Office is defined by the Maine Constitution, which states: All taxes upon real and personal estate, assessed by authority of this State shall be apportioned and assessed equally according to the just value thereof."

The Assessing Office is responsible for ad valorem taxation of all Windham real and personal properties, addressing for E9-1-1 and the coordination of Geographic Information Services (GIS).

Valuation as of April 1, 2015:

Taxable valuation of real estate:	\$1,762,334,900
Taxable valuation of personal property:	\$31,847,900
Total taxable valuation of real estate and personal property:	\$1,794,182,800
Parcel count: 8,420	
Personal Property accounts: 1,035	

Homestead Property Tax Exemption: The homestead exemption provided a reduction of \$10,000 in 2015 on the value of your home for property tax purposes. Beginning in 2016 the homestead exemption will increase to \$15,000. To qualify, you must be a permanent resident of the State of Maine and the home must be your permanent residence, you must have owned a home in Maine for the twelve months prior to applying and an application must be filed on or before April 1st with the municipality where the property is located. If you have already applied, there is no need to reapply.

Veteran's Exemption: Veterans who were not dishonorably discharged, are over 62 years of age or are an un-remarried widow/widower of a qualifying veteran may be eligible for a reduction in the valuation of their property. Veterans under the age of 62 who are 100% disabled due to a service-connected disability may also qualify.

Business Equipment Tax Reimbursement (BETR) and Business Equipment Tax Exemption (BETE): Personal Property may qualify for reimbursement from the State of Maine through the BETR Program or for exemption under the BETE Program.

Exemption applications are available at the Assessing Office and at www.windhammaine.us.

Assessing Staff from left:

Kara Taylor, Assessor's Assistant/E9-1-1 Addressing Officer; Teresa Konczal, Administrative Assistant; Elisa Trepanier, CMA Assessor/GIS Coordinator; Joan Hodgdon, CMA Appraiser.

8 School Road
Windham, Maine 04062
Phone: 207-894-5960 x 3

Code Enforcement

The Code Enforcement Department offers a variety of services to residents and property owners. In addition to issuing building, internal and external plumbing, mechanical and electrical permits; the department responsibilities include the enforcement of land use and shoreland zoning, gravel pit, junkyard and flood plain regulations, rules in regard to the conversion of seasonal dwellings in shoreland areas, Wireless Telecommunications Tower Ordinance, Surface Water Protection Ordinance and the Mass Gathering Ordinance. Windham has 14 lakes and ponds covering 32,180 acres of area and 15 rivers, streams and brooks, all of which are in Shoreland Zoning.

Code Enforcement was responsible for processing 1,420 permits in 2015 resulting in revenue of \$276,950.90 and in 2014 was also responsible for processing 1356 permits, resulting in revenue of \$235,133.76. This includes: Building permits, Impact Fees, Junkyards, Plumbing, Shoreland Review, Soil and Erosion, Use, Wastewater, Driveway and Street Opening.

Building Permits issued, by category, for the years 2012, 2013, 2014 and 2015 are as follows:

Building permit Count	2012	2013	2014	2015
Accessory Apartment	0	2	4	4

Zoning Board of Appeals 2015:

The Board of Appeals is a volunteer board of five regular members and one alternate. The Board meets the first Thursday of every month in the Council Chambers at 7:00 p.m. They had a total of 7 meetings this year. The Board reviewed a total of 7 applications for the year 2015, monies taken in \$2,800.

Cumberland County Soil and Water Conservation District (CCSWCD) Implementation

Town of Windham | 2015 Project Summaries

RESIDENTIAL TECHNICAL ASSISTANCE

General Water Quality Protection Assistance Requests

- J Two residential technical assistance site visits conducted and recommendations provided to assist landowners with lake protection efforts:
 - B The site on Sebago Lake provided guidance on shoreline stabilization for a private boat launch right-of-way; and
 - B The other site located on Highland Lake also provided guidance for a private boat launch.

J FUNDING SOURCES:

- B The first hour of technical assistance is free to private landowners, which is made possible through a modest annual appropriation from the State (Department of Agriculture, Conservation and Forestry) and Cumberland County government.
- B Any time incurred after the first hour of technical assistance is provided as fee-for-service on a time and materials basis to the landowner.

LAKE WATERSHED PROTECTION PROJECTS

Little Sebago Lake Protection Project, Phase IV

-) Project started in March 2014 and continues through 2016
-) Outreach in 2015 included:
 - B 21 technical assistance visits completed
 - B Four steering committee meetings held
 - B One private road association meeting held
 - B Project update presented to the Little Sebago Lake Association's 2015 Annual Meeting
-) Two high priority projects completed
-) Access roads surveyed for developing maintenance plans for seven road associations
-) FUNDING SOURCES:
 - B Maine DEP through section 319 of the Clean Water Act
 - B Little Sebago Lake Association also provided match to make this grant and work possible.
 - B Program development funded by contributions from the Maine Department of Agriculture, Conservation, and Forestry and the Cumberland County Commissioners

Sebago Lake Watershed Assessment and Prioritization Project

-) Project started in April 2014 and ended in September 2015
-) Sebago Lake and Crooked River Watershed-Based Protection Plan completed and approved by Maine DEP in July 2015
-) Outreach in 2015 included:
 -) Two steering committee meetings held
 -) Water quality index ranking fact sheets created for sub watersheds
 -) Water quality index scores completed for sub watersheds
-) Sebago Lake Sub watershed Assessment and Prioritization Report completed in September 2015
-) FUNDING SOURCES:
 - B Maine DEP through section 319 of the Clean Water Act¹
 - B Partners providing funding and/or in-kind services to make this work possible included the Town of Standish, Portland Water District, Maine Forest Service, USM, and others.
 - B Program development funded by contributions from the Maine Department of Agriculture, Conservation, and Forestry and the Cumberland County Commissioners

CONNECT PROGRAM

Clean Water Education

CCSWCD and Portland Water District provided clean water education lessons to 360 students at Windham High School, Windham Middle School, and Manchester Elementary School. The total number of student contact hours equaled 1,955 hours.

Lessons covered the water cycle, water movement; water quality parameters and testing, bio assessment using macro-invertebrate (aquatic insect) sampling, river characteristic observations; sustainable development to minimize impact on river; global water distribution, conservation, and the water cycle; branching patterns, water systems/movement, watersheds; runoff, stormwater, nonpoint source pollutants, solutions; Maine's brook trout: habitat requirements, life cycle, anatomy, field trip to Casco Hatchery, classroom tank set-up and maintenance; impervious/pervious surfaces, nonpoint source pol-

lutants, shorefront landscape design, vegetated buffers; water quality monitoring, macroinvertebrates, mock bio assessment; erosion, best management practices, landscape evaluation and redesign; trout release in the Pleasant River: water quality testing, macroinvertebrate sampling, streamside assessment hike; "Discovering Water" book project: Book about various water topics produced by WHS students for a middle school audience, finalized and printed book, hosted publication party.

In addition, in the fall of 2015, CCSWCD worked with Windham Middle School 7th graders to investigate how their school campus may be impacting local water resources, and they presented their findings to their parents and the school community.

The CONNECT Program is funded in part by the following organizations:

-) The Interlocal Stormwater Working Group (ISWG) is a group of 14 municipalities in the Greater Portland area that work on regionally and collaboratively to achieve Clean Water Act stormwater permit requirements.
-) Additional funding is invested by CCSWCD, as well as Casco Bay Estuary Partnership (CBEP) and Portland Water District, to provide clean water education to school-aged children.

YardScaping PROGRAM

Healthy Lawn Care

CCSWCD worked with Blue Seal and Aubuchon Hardware in Windham to provide healthy lawn care information to their customers. In 2015, CCSWCD also continued working with The Home Depot, by training their sales associates about healthy lawn care practices, identified recommended products on The Home Depot shelves, and provided an educational tabling event for the general public on May 10, 2015.

Funding for the YardScaping Program in Windham is provided through the Town's participation in ISWG.

MUNICIPAL STORMWATER COMPLIANCE ASSISTANCE

Interlocal Stormwater Working Group (ISWG)

For over 10 years, CCSWCD has coordinated and facilitated ISWG, which is a coalition of 14 municipalities (including Windham) that are subject to Clean Water Act permit requirements. ISWG representatives meet every other month to address permit requirements on a regional basis. By participating in ISWG, CCSWCD helps the Town by implementing 2 of the 6 permit requirements (public education, outreach, and participation efforts).

Stormwater Permit Compliance Support

Outside of the ISWG relationship, CCSWCD also assists the Town of Windham by developing the required annual report that must be submitted to the Maine Department of Environmental Protection in September each year. In 2015, CCSWCD also worked with Windham to assist with additional permit compliance requirement. CCSWCD's support included providing staff training sessions, recommendations from site visits, documentation assistance, and interdepartmental coordination of permit responsibilities. Although CCSWCD primarily assists the Department of Public Works with their permit responsibilities, CCSWCD also provided assistance to additional municipal departments including:

-) Public safety (fire and police departments);

-) Planning & Code Enforcement;
-) Cooperation with RSU 12 regarding co-located facilities; and
-) Others as needed to facilitate interdepartmental cooperation regarding permit responsibilities.

S:\0 Watershed Protection\Municipal Program\Windham\2015 Windham summary report.docx

¹Funding for this project was provided, in part, by the U.S. Environmental Protection Agency (EPA) under Section 319 of the Clean Water Act. Section 319 grants are administered by the Maine Department of Environmental Protection in partnership with EPA.

Staff

Activity levels continue to rise in the Code Enforcement Department due to the surge in construction and increased regulations both federal and state. We saw expansions and renovations of local businesses, commercial buildings filled after standing vacant for some time, as well as the construction of new commercial establishments. We saw increased efficiency and department transparency after the implementation of new permitting software in 2014. The software program has also allowed the community to apply for permits, schedule inspections, report a code violation and subscribe to department reports online. We welcomed a new staff member, Chuck Daigle in October. Steve LeBrun – Code Enforcement Officer, Charles (Chuck) Daigle – Code Enforcement Officer, Mabel Darby-Morey - Administrative Assistant, and I, Heather McNally, Director of Code Enforcement and Zoning Administration, are ready to provide you with excellent customer service and invite you to visit our Department!

(L-R) Heather McNally, Mabel Darby-Morey, Chuck Daigle, and Steve LeBrun.

Heather McNally, Code Enforcement and Zoning Administration Director

Windham Economic Development Corporation

In alignment with the Town of Windham's goals and in support of Windham's staff and their projects, the Windham Economic Development Corporation takes the lead role in providing support to new and existing businesses and carrying out the daily functions of Economic Development. WEDC's Executive Director reports directly to the Board of Directors of the WEDC. The Town of Windham has maintained funding to the Corporation and the Town Council receives regular updates from its Council representatives to the WEDC about ongoing activities and programming.

The WEDC actively works to support the many entrepreneurs, business owners and workers throughout Windham. The Town's business directory, www.WindhamMarketplace.com, where over 800 Windham businesses are listed, continues to be viewed regularly by people all over the United States, especially New England, as well as many area residents looking for goods and services our businesses supply. We are reaching out to retailers and developers who do not have a presence in Windham to let them know how good of a market we are. With the assistance, and insistence of the Town Council, the Town has enhanced our Holiday flag program along our roadways to include lighted trees and decorations. We have advertised the Windham Marketplace both regionally and locally in print and on TV. We have sponsored the Rotary's Ice Fishing Derby as well as other local events, attracting visitors to our commercial district and visitors to our parks and trails.

The Windham Economic Development Corporation looks forward to continuing its support of the community by providing assistance to both the Town and businesses located or looking to locate in Windham. We are especially excited about the possibilities that the 21st Century Downtown Plan brings to the North Windham Commercial District. The vision includes a more vibrant, walkable, "Town Center" with business people and residents alike enjoying enhanced amenities with access to public spaces and new and improved streetscapes and shopping and dining areas. The WEDC is committed to working with our partners in both the public and private sectors to make this vision a reality.

Windham's Economic Development Strategic Plan, which will be incorporated into the comprehensive planning efforts underway by the Town's Planning Office, is the basis for future investments and programming supporting economic development in town. The Plan's Vision, Mission, Values, and Objectives are outlined on the next page:

Windham Maine

Economic Development Strategic Plan

Vision

To create a business friendly environment that provides a high-quality of life, a vibrant economy, and a welcoming atmosphere, while protecting our town's rural characteristics and natural resources.

Mission

To encourage economic growth and development in a manner that supports increased prosperity in the Town of Windham and improves the quality of life for all of its citizens.

Core Values

Industry Diversity • Innovative Community Building • Sustainable Growth
Expanded Employment Opportunities • Skilled Workforce • Proactive Customer Services

Objectives

Objective 1: Plan for the Future- Identify and implement policies, programs, and initiatives that support the Town's economic and community development needs.

Objective 2: Support Business Growth and Prosperity- Proactively seek opportunities to diversify Windham's economy, create jobs, and strengthen existing business.

Objective 3: Create and Maintain an Efficient Review and Approval Process- Establish review and approval processes that are efficient and in alignment with economic and community development initiatives, as well as provide resources to parties utilizing these services.

Objective 4: Develop a Support System for Economic Development- Ensure the sustainability of economic development initiatives in Windham through collaborative efforts of town officials and departments with the Windham Economic Development Corporation (WEDC), regional agencies, local business groups, and citizens, in addition to identifying and utilizing strategic funding sources.

Thomas Bartell

Executive Director, Windham Economic Development Corporation

Windham Fire-Rescue Department

"The mission of the Windham Fire - Rescue Department is to assist the citizens and visitors of our community with emergencies that they are unable to handle themselves".

The Windham Fire - Rescue Department provides service to the community from four locations strategically placed throughout the town. The South Windham Fire station a shared station with Gorham and is located at 8 Main Street, East Windham Station is at 47 Falmouth Road, North Windham Station is at 718 Roosevelt Trail and Windham Center Station is at the Public Safety Building at 375 Gray Road.

Windham Fire - Rescue Department Emergency Responses for 2015

MAJOR INCIDENT TYPE	# INCIDENTS	% of TOTAL
Fires	81	2.97%
Overpressure rupture, explosion, overhear - no fire	3	0.11%
Rescue & Emergency Medical Service	1880	68.89%
Hazardous Condition (No Fire)	164	6.01%
Service Call	188	6.89%
Good Intent Call	151	5.53%
False Alarm & False Call	250	9.16%
Severe Weather & Natural Disaster	2	0.07%
Special Incident Type	10	0.37%
TOTAL	2729	100.00%

Windham Fire-Rescue had a successful year providing effective service to the community of Windham. The department saw a 7.5% increase in call volume over 2014. The majority of our calls 68.89% continue to be Emergency Medical Services related with 42% of those requiring ambulance transports to the hospital. Our second most frequent call for service is for alarms sounding. We don't often arrive to those alarms and find a fire problem but we do utilize the interaction to check the building for safety, restore the alarm system and provide education.

We staff the department using what is known in the industry as a combination department. This means we are providing service through a hybrid system of paid on call firefighter/EMTs, per-diem firefighter/EMT's and full time Firefighter/Paramedics. Using this model we currently staff the Public Safety Building and the North Windham Station with 24 hour coverage with this hybrid model.

During the day 7am to 7 pm there are three per-diem firefighter/EMT's at North Windham. At the Public Safety Building there are two per-diem firefighter/EMT's and one full time firefighter/paramedic. During the night 7pm to 7am there are two per-diem firefighter/EMT's at North Windham with one per-diem firefighter/EMT's and one full time firefighter/paramedic at the Public Safety Building. We also partner with Southern Maine Community College to have college three students live at the South Windham and three students at the East Windham Stations during the school year. In exchange for the hands on learning experience, room and board those students have to be in the station during the night from 10pm 7am and on weekends from midnight to 7am to assist in providing coverage from those stations.

The 86 members of the department participate in training on a regular basis to maintain and learn new skills. In 2015 the men and women of the department completed 6,619 hours of training. We hold company level trainings on Wednesday evenings with certification programs taking place on nights and weekends.

In June the department held an awards ceremony to recognize the hard work performed the men and women of the Windham Fire –Rescue Department. Captain Ken Thorpe was recognized as the Officer of the Year. Josh Merrill was recognized as the Member of the Year. Deputy Chief Stan-lee Emerson, Deputy Chief David Nichols, Deputy Chief James Poitras, Captain Ken Thorpe, Lieutenant Greg Barr and Firefighter Raymond Lynds received the Gold Badge Award for their more than 25 years of service. Several others were recognized for their years of service while many others were commended through unit citations for their efforts on especially challenging emergencies that occurred throughout the year.

We have had several large projects start in 2015. The department through a committee of members designed the next engine to be purchased by the town. In October we ordered a 2016 Pierce pumper to be delivered in July of 2016. This purchase will move our 1994 International pumper to a reserve status and the current reserve, a 1981 Mack will be retired completely.

A committee was also formed to design the renovation of the building located at 33 Main Street, formally the home of Maine Cedar Log Homes, to become the new location of the South Windham Fire Station. The renovation should be completed by fall 2016.

2015 brought a change to how we respond to medical calls. Using the information from the Emergency Medical Dispatch we are able to categorize our calls by severity and adjust the amount of units that respond. As a result of this change the answers the dispatcher receives from the 9-1-1 caller calculate into a code that will send more or less units for help. This program has been very successful for us thus far as we try and ensure that we are sending the right amount of help to the right people and trying to avoid sending too much equipment when it may not be needed.

If you have questions, concerns, or comments, please feel free to call 892-1911 or come by one of the stations and talk with us. If you would like a tour of our facilities we would be glad to make arrangements. We look forward to another challenging year of serving the residents and visitors of Windham.

Respectfully Submitted,

Brent J. Libby, Chief

Windham Public Library

The mission of the Windham Public Library is to be your center for community, information, technology and entertainment by powering learning and fun for all ages.

In 2015, Windham Public Library served the Windham community by providing materials in print and digital format that both entertain and educate library users. The library offered valuable space to meet and many programs, new and traditional, attended by thousands of visitors. The library space was used for quiet study, educational and civic group meetings, story times, author talks and more! The library offered a variety of materials to circulate and view, such as books, magazines, audiobooks, eBooks, DVD and Blu-Ray movies, music, daily newspapers, and access to computers and the internet. The library held Story Time, Books and Babies, Crazy 8s math club, Summer Reading Programs for all ages, Book Group, "Tea for You" (which celebrated ten years of serving tea in 2015!), genealogy and knitting groups, and other informational programs. In addition, the library provided outreach services to existing and new elder housing facilities, preschools, Windham elementary schools, checked out local park and museum passes, and participated in local librarian and literacy groups to collaborate and discuss library services in the community. From the statistics below, it is clear that the services are being well utilized.

2015 Statistics

Items circulated: 92,645
 Visits: 65,353
 New library patrons: 750
 New items added to collection: 5,137
 Special Requests: 72
 Reference questions answered: 1,127
 Computer sign-ins: 7,884
 Meeting room usage: 622
 Downloads used: 7,040 checkouts
 Items repaired: 264
 Volunteer Hours: 1,616.5

Story Time statistics:

Preschool Story Time and Books and Babies
 134 sessions, 1,112 Adults, 1,411 Children

Children's Museum – 64 uses
 Dundee Park – 31 uses
 Maine State Park Pass – 55 uses
 Maine Wildlife Park – 87 uses
 Planetarium – 21 uses
 Willowbrook – 11 uses

PASS USAGE SAVED PATRONS \$5,853

So what's new?

New additions this year were made to our programming lineup. We began offering a monthly Genealogy program, celebrated National Library Week by cooking up Pancakes for Patrons, celebrated Star Wars day on May the 4th, had sessions of Family Story Time on Saturdays throughout the year, and began working with schools and other community partners to set up tables with library information at their events. These new programs were all successful and will be held again in 2016.

In addition, to our already extensive print and digital offerings we added three new options for patrons to check out materials. The 3M Cloud Library service, offering ebook and eaudiobooks to Windham cardholders, began in March and usage continues to grow. Zinio digital magazines began later in the year, offering a wide selection of 50 digital magazines that can be read on most portable devices, has also been a popular new offering. Finally, we now have Blu-Ray movies as part of our circulating collection. These are popular both with our residents and other participants in the Minerva consortium.

This year, the library staff and board members spent significant time discussing what it is the library does, what the community needs from the library and what the future holds. New mission, vision and values statements were adopted reflecting these discussions and can be found on the library website, along with a list of our Core Services and Strategic Goals. It was an enlightening process to work through.

We added new areas and furniture in the Children's Room. Our new bungee cord chairs in the newly created Book Nook have been popular with visitors who now have a place to sit and read. Also, a train table and new blackboard/magnetic board with letters and numbers are available for our youngest patrons. These are welcome additions to the Children's Room and entertain the children visiting for hours!

Fall of 2015 saw the addition of two new activities for Teens & Preteens. Once a month there is a Make It! activity set in the Teen area which requires participants to craft, build, imagine, puzzle, or create. Kids are encouraged to ask questions of those around them and to explore resources at hand (both print and digital) as needed. The most popular of these so far has been the cup stacking activity!

There is also a monthly library-wide, indoor scavenger hunt. Although aimed at older youths, younger and older folks have enjoyed participating as well. In addition, the Library and the Parks and Recreation Department worked together to offer additional activities to entertain the students visiting the library during after school hours. The library now has available a Nintendo Wii and many outdoor games. The kids have enjoyed signing out the equipment and using them in the library yard.

Staffing Changes— In January, Circulation Aide Lisa Schadler left employment to return to school and complete requirements for her teacher certification. Lisa worked at the library for a brief time but brought a nice perspective from her work in the Raymond Schools and at the Raymond Village Library. She continues to participate in our Windham/Raymond library staff meetings and it's nice to continue that connection.

In March, longtime Children's Room Circulation Aide Jeanne Thurber retired. Jeanne was hired in 1995 and through her 20 years on staff was dedicated to keeping the Children's Room in order and was always quick to find items on the shelf and come up with titles due to her care and attention to shelving library materials and creating displays. She is missed as a staff person but hasn't gone far. She remains a committed volunteer and continues to smoothly run our annual book sale as a member of the Friends of the Windham Public Library.

Finally, in May we welcomed Victoria Hugo-Vidal. Victoria has recently graduated from Simmons College with a Master's in Library Science. She brings a unique perspective and great energy to the position of Circulation Aide.

Community collaborations—

The book group completed another Maine Humanities Council book group series "History of Detective Fiction in the 20th Century". This was a wonderful collaboration with MHC, and the library and book group attendees enjoyed the discussions around each of the book in this series. Another book series began in late 2015 with books themed around the Maine Woods.

Library staff members participated in the Summerfest parade. An antique car, owned by Tom Bannen, was decorated and entered in the parade that promoted the library's three summer reading program themes. Staff members enjoyed participating and have begun planning for participation in 2016. In addition, library staff member, Laurel Parker, brought Windham Public Library books and other information to the first Windham Wellness Fair at the Veteran's Center. Plans are in the works to participate in the 2nd Annual Wellness Fair in mid-May 2016.

Visits are made each month to several daycares, assisted living and senior housing facilities. Library staff members read stories to children and bring materials for use at all the facilities. They are able to promote library services during their visits and are able to reach community members that are not able to visit the library in person. The members we visit often comment that they truly appreciate our visits and staff members are dedicated to providing them.

Finally, the library is represented on the Be the Influence Coalition by Library Director, Jen Alvino. This important coalition of community members from businesses, schools, Windham Police, and other civic organizations are working to combat drug use and abuse by teenagers.

Working with community members and groups outside of the library is rewarding for the library staff and helps us to promote our services and connect within the town to work toward shared goals. We work often with the Windham Parks and Rec, Windham/Raymond Adult Ed, Raymond Village Library, the Windham School Department and other Windham Town departments throughout the year and look forward to continuing to grow those relationships.

The Medical Loan Closet

The Windham Medical Loan Closet provides medical equipment and supplies free of charge to area residents.

The Loan Closet, located at 221 Windham Center Road, may be accessed by calling 894-5999 extension 1111. A volunteer will return the call and arrange for the loan. Volunteers are extremely grateful for donations of clean, gently used equipment, as well as monetary donations, which are used to purchase frequently requested items such as wheelchairs and walkers.

Residents, their visiting nurses, physical and occupational therapists utilize the Loan Closet more and more each year. During the 2015 calendar year items were loaned to 473 individuals, making this our busiest year to date.

The Medical Loan Closet volunteers are diligent in their efforts to maximize their funding dollars, donations and donated medical equipment in order to try and fulfill as many loan requests as possible. Often times they find themselves cleaning and repairing wheelchairs, walkers, shower benches and the like so the items can be loaned out again.

Volunteers Marilyn Roberge, Sherene Bernier, Barbara Hall, Sue Kelly, Dianne Loring, Kristi MacKinnon, Laurel Parker and Mary Vandenburg would like to thank the Town Council for its continued generous support.

Respectfully Submitted,

Marilyn Roberge

Loan Closet Chair

The Loan Closet volunteers would like to extend a special note of thanks to Mr. Lou Ezzy, who has repaired several pieces of medical equipment. He also offered to be of assistance in the future for similar repairs should we have a need.

Mr. Ezzy certainly doesn't want to draw attention to himself or be recognized for his service to the Medical Loan Closet, but we couldn't help but share how his kindness has had such an impact on the service we provide to our community.

Thank you!

Motor Vehicle Registration

The Tax Collection Office is responsible for the collection of all Windham properties. The new property tax bills are processed, sorted and mailed by the computer company, in August. In May, a courtesy notice is sent to homeowners who have a balance due. At the end of June, a Tax Receivable Summary is prepared for the auditor stating balances due on all taxes. Eight months from the date of tax commitment, if any tax remains unpaid, the lien process begins.

Windham Parks and Recreation Department

The mission of the Windham Parks and Recreation Department is to create a sense of community through people, parks and programs.

Improvements to Lippman Park, one of Windham's premier recreation facilities, continued throughout the year. There were three Eagle Scout candidates that did their community service projects at the park. Chad Witherow constructed a picnic pavilion; Travis Pesce built 3 handicapped-accessible picnic benches and 3 benches for along the trails; and Dean Preston built an entryway to the Story Walk Trail and also provided the department with another set of story boards. The department is so grateful for the contribution to our community that these committed Boy Scouts make. In June, the playground equipment that was purchased through a grant opportunity In November of 2014 was installed at the park. Once this was accomplished, we have had so many daily users to the park, and have received many positive comments. In December, we finalized the last step in the Recreational Trails Grant that had been acquired in 2013 by building an ADA compliant pathway from the parking lot to the pond's edge.

Dundee Park had another busy summer with over 16,314 recorded visits. Dundee is a very popular facility for people from all over the region, including many groups from surrounding Parks and Recreation departments. We had 32 days with over 200 visits and our highest attendance for the summer was on Sunday, July 12th with 674 visitors. We sold 277 passes, which was lower than last year, and we saw a reduction in our number of group visitors, accounting for 11% of our total visitors. Our canoe and paddle boat rentals took in \$1,525 and our beverage sales took in a net of \$610. Overall our total revenue for the season was \$43,281. We replaced 10 more of our outdoor grills, thus completing a 2-year process of grill replacement, and Park Manager Ron Faucher repaired a number of picnic benches and prepared for construction of new picnic benches in 2016. We hosted a Monday Meals Program in August this summer, and we had 138 people attend. Many thanks to Mona Dodd and Ron Faucher, our park managers, and all our staff at Dundee Park for a successful 2015 season!

Our summer day camp program was very successful in 2015 with 203 children enjoying one of our three day camps run by the Department. The camps were stationed at the Middle School and the High School this summer. We offer a wide variety of activities at camp including field trips, arts and craft activities, games, special themed events and camp wide activities for all to enjoy and to make it a positive and active summer for all our children at camp. Our camp philosophy is to pro-

vide a safe and positive environment and to provide opportunities for an active and fun experience for all campers. We had 27 staff members providing a quality experience to our campers this summer. New in 2015 was the Summer Tennis Camp offered by Wayne St. Peter, and we had 16 youth participate in this instructional program.

Our ski program at Shawnee Peak went extremely well with 58 participants in our Friday evening program and 13 participants in our Wednesday afterschool program. Our track programs have been very popular and successful in 2015. We had 47 youth in our summer track program and 18 in our indoor track program. Philip Jackson was our head coach for both programs. Windham also hosted the State USATF Youth meet on July 16th. Many thanks to Rich Drummond and his staff and Windham Boosters for their support and assistance in this state meet. In the Fall, the department introduced a youth cheering program for Grades K-8, and there were 53 participants who came out for this recreational cheering program. The department also offers two safety programs twice a year that are extremely popular with Grades 6-8, a Red Cross Babysitting Course and a Home Alone Course. Mad Science is offered throughout the schoolyear as an after school enrichment opportunity for grade school children.

Our seniors had many choices for day trips during the year. We offered 21 trips and served a total of 51 different people. Highlights included the following: City Theater in Biddeford, Deertrees Theater in Harrison, Hackmatack Summer Theatre, Stone Mountain Arts Center, the Fryeburg Fair, numerous shopping destinations and some great eating establishments. Many thanks to Laura Rhodes, one of our drivers who has volunteered over 11 years with the Parks and Recreation Department.

The Parks and Recreation Department offers some annual special events that the community looks forward to each year, which includes the Father Daughter Dance, the Mother Son Sports Nite, and the Halloween Party. New for 2015 was the Community Tree Lighting at the Public Safety Building, and the great response to that will certainly result in this being an annual event as well.

We also encourage all our residents to bike, hike or walk one of our great conservation and trail areas we have in Windham. For trail maps and further information on our program and special events please check our web site at www.windhammaine.us.

Following Brian Ross's retirement in May, 2015, I came on board in June – just in time for so many of the great things that this department has to offer. I want to thank the staff (Jackie Roux, Lynn Bucknell, Sherri Holtan and Kevin Bailey) for welcoming me to the department and for all the great work they do for the Windham community. I want to thank the Parks and Recreation Advisory Committee (Donna Chapman, Jennie Butler, Casey Dubay, Jason Hanken, Pat Moody and Carol Waig), for the vision and enthusiasm they have brought to this department. I also want to thank the Dundee Park Advisory Committee (Curt Bartram, Lucretia Gilheany, Patrick Gilheany and David Johnstone) for their commitment to being good stewards of Windham's wonderful waterfront facility.

The department has many wonderful plans in place for 2016, and we hope that you will find that something we are offering is just what you were looking for!

Windham Planning Department

Vision for the Windham Planning Department

The Windham Planning Department is dedicated to encourage, support and enable Windham's citizens, elected leaders and officials to:

- J Articulate and formalize their visions and goals through the creation of the comprehensive master plan, programmatic and district plans and policies.
- J Achieve the community's goals by implementing plans through ordinance and policy development, project management and the employment of a fair and predictable development review process.
- J Contribute through opportunities for meaningful participation by diverse methods at all stages of planning in order to continuously update and refine community goals, ensure transparency in planning services, and to build awareness for community issues and opportunities.

Department Mission

The mission of the Planning Department is to provide professional advice and technical expertise to citizens, elected leaders and municipal officials to assist in understanding and addressing community issues and priorities. This is accomplished through a focus on long term economic vitality, environmental integrity, and quality of place through the development of high quality plans, plan implementation and development review services.

Department Structure

The Planning Director, Ben Smith, AICP, is responsible for overall management of the department and long range planning projects. Long range projects, which are undertaken as directed by the Town Council and Town Manager, include a range of topics that deal with land development and transportation.

Planner Amanda Lessard is lead staff member for development review services. The majority of this work involves assisting the Planning Board and Staff Review Committee in their reviews of Subdivision and Site Plan applications by coordinating the recommendations of Town staff members and outside engineers and working with applicants on ordinance and process questions. For those not familiar with these terms, subdivision applications involve the division of land into multiple parcels, while site plan applications are typically for the construction of commercial or industrial buildings on a single parcel. Amanda also assists with long range projects as time allows.

Lisa Fisher is the department's administrative assistant and provides assistance to the public and support on development review and research projects. Lisa also provides administrative support for the oversight of performance guarantees and development escrow accounts for projects under construction.

Development Review Activities

During the 2015 calendar year, the planning department accepted thirteen (13) subdivision applications, seven (7) site plan applications, one (1) ordinance amendment, and one (1) contract zone, one (1) extension of approval, two (2) conditional uses, and one (1) shoreland zoning application. This represented an increase over application levels in 2014.

The Planning Board issued approvals for four (4) site plan applications, two (2) conditional use, nine (9) subdivision applications, one (1) ordinance amendment, one (1) contract zone and one (1) extension of approval during 2015.

Planning Board submission requirements were amended in 2015, in order to increase public access to submission materials and improve efficiency for staff and the Board. In 2016, we anticipate fully electronic Board packets which will reduce costs for applicants and make record management easier for Board members and staff.

Long Range Planning Activities

In 2015, the department worked on the long-range planning projects listed below. Additional information on these projects can be found on the department's webpage at www.windhammaine.us.

) Comprehensive Master Plan update (a top Town Council priority)

A Values & Vision Statement was approved by the Review Team and Town Council in February 2015.

Inventory Chapter drafting was mostly completed per the state requirements in 2015.

) North Route 302 Transportation Plan (White's Bridge Rd. to Mineral Springs Rd.)

The project to reconfigure the Whites Bridge Road and Anglers Road intersection on Route 302 has received its final approvals in January 2015. The project went out to bid in March, and is expected to be completed prior to the end of the year.

) 21st Century Downtown Plan for North Windham

Comprehensive effort to build upon the sense of place in the North Windham commercial district through transportation improvements and land use planning tools.

Preliminary Engineering of improvements within the Roosevelt Trail (Route 302) and Tandberg Trail (Routes 115 and 35) began in late 2015. These improvements include sidewalks, sidewalks, intersection improvements, access management and looking at landscaping and lighting.

) Windham Energy Committee

This group is continuing to work on conservation and efficiency in municipal operations, including research on LED streetlight technology, and preparing for an update of the 2010 Windham Energy Plan.

) Portland Area Comprehensive Transportation System (PACTS) Planning Committee

Federally mandated transportation planning and funding agency for the region.

Looking Ahead

The Planning Department is anticipating completion of the Comprehensive Plan this year. A draft plan is anticipated for public review in mid-2016. Updating Planning Board submission requirements is also a priority for the Department, in order to enable electronic Board packets which will increase public access to submission materials, lower costs for applicants and improve efficiency for staff and the Board.

Contact Us

The Planning Department is located on the top floor of Town Hall. The office is open Monday through Friday from 8:00 a.m. to 4:30 p.m. You may also reach us by phone at 207-894-5960 ext. 2 or via the email addresses on the Town's website. Our goal is to provide a high level of customer service, and we encourage all residents to contact us with any thoughts or questions on planning in Windham.

Windham Police Department

This past year was one of significant transition of the Windham Police Department. It marked the retirement of both Lieutenant David DeGruchy after 36 ½ years of service and Chief Richard Lewsen after 38 ½ years. Both men served the community with distinction and built the department from the ground up since its inception in 1976. Sergeant James Boudreau was promoted to Lieutenant and I, Kevin Schofield was hired as Chief of Police in April 2015. It is our goal to continue to develop and grow the department with the community and provide quality modern police services required as we continue to evolve through the 21st century.

The Windham Police Department consists of an organization of 29 persons inclusive of both sworn and non-sworn personnel providing police services to the Town of Windham. The department is broken down into the following divisions.

Uniformed Patrol

The patrol division consists of 18 uniformed personnel responsible for patrolling the community 24 hours a day seven days a week. The Patrol Division is charged with the responsibility of responding to citizen complaints, investigating traffic crashes and enforcing both criminal and traffic laws of the State of Maine. In addition to these duties the patrol division consists of personnel who are certified state instructors or experts in several disciplines. These include certified use of force instructors, firearms instructors, as well as traffic crash reconstructionists, DRE's (Drug Recognition Experts), instructors in intoxilyzer / drunk driving detection and Police K-9.

Criminal Investigations Division

The department's Criminal Investigations Division is made up of six sworn full-time personnel. The division consists of, three Detectives, one School Resource Officer, a Community Services Officer and a Narcotics Investigator.

The division is primarily responsible for the follow-up investigation of crimes committed against persons or property in the Town of Windham. All major investigations that are undertaken by the Windham Police Department are conducted, or aided by investigators assigned to the Criminal Investigations Division. Some of the types of crimes investigated by the division include Robbery, Burglary, Larceny, Auto Theft, and other major crimes against persons that include all types of Assaults. The Narcotics Investigator is sworn with federal authority and is also responsible for initiating the forfeiture of property that is seized by the department as a result of criminal activity.

The School Resource Officer is assigned to the high school. In addition to providing law enforcement services to the High School, he works with the school to develop various emergency response plans and security related policies. Equally important is the school resource officer teaches various classes on criminal justice related topics at the request of staff.

The community services officer's primary role is teaching various programs in the elementary and middle school levels. D.A.R.E.: Drug Abuse Resistance Education is a comprehensive 17 week curriculum taught to the fifth grade classes at the Windham Manchester School. This program's focus is to educate children in resistance to drugs and violence and peer pressure.

DARE Middle school Program: The Department also provides the DARE Middle School Program. This curriculum provides the necessary follow through that the DARE program had been lacking here in Windham in past years. The middle school program is taught to all 7th grade students. These lessons, as well as the fifth grade curriculum meet many of the federal learning standards for health curriculum and have actually been written into the Windham School System's Health Curriculum.

Administrative Support

The Windham Police Department's administrative support staff consists of two members; they are responsible for maintaining all of the various records of the department. These include department inventory, department training records, traffic crash reports, incident reports as well as arrest reports. They are responsible for compliance with a variety of mandatory reporting on crime statistics to both the state and federal governments and also responsible to review and take appropriate actions on any freedom of access requests made of the department. Staff also performs the department's financial functions of accounts payable, accounts receivable and payroll.

Animal Control

The animal control division consists of a single certified animal control officer. The animal control officer is responsible for patrolling the town looking for dogs running at large, disturbing the peace or in violation of dog leash law and licensing ordinances. The animal control officer also is responsible for the proper disposal of dead and seriously injured domestic animals in the town. As required, the Animal Control Officer also addresses matters pertaining to the proper welfare and shelter issues with domesticated farm animals.

Emergency Communications

The dispatching and E911 services for the Windham Police Department are provided by the Cumberland County Regional Communications Center located in South Windham. The center services most emergency services in central and western Cumberland County. They are a full service E911 Public Safety Answering Point equipped with the most modern and up to date technologies and emergency communication policies and procedures.

Networking Programs

In order to provide services to the many different demographics of our community, the department has developed and enhanced partnerships with several different agencies this year. TRIAD is an organization to help develop various services to seniors in our community. We have joined the Westbrook/Gorham TRIAD to help bring services to seniors in Windham. We have developed a working relationship with Family Crisis Services. FSC provides various supports for people dealing with domestic violence related issues. We find that Family Crisis is an important asset in our efforts to investigate and provide services to our citizens dealing with these issues. Trauma Intervention Prevention Services (TIPS) is an organization that provides trained volunteer to respond to traumatic events to lend assistance to family, friends and the community in general. TIPS provide enormous support to emergency service providers while working on the difficult situations. We have also established a reading program at the Primary School. Officer go to the school to read to classroom to help support the school in a positive personality trait the school is trying to teach during that time frame. This program was received very well by the students, staff and parents. We will continue to look for opportunities to partner with group to help provide services to our community.

Respectfully submitted,

Chief Kevin L. Schofield

-) On May 13, 2015 Windham Public Works send 3 2 man teams to compete at the Annual Cumberland County Snow Plow Rodeo. Each driver must navigate a truck with plow and wing through obstacle stations missing the obstacles or as many as possible. Of the 20 teams participating Windham's Mike Fardon and Jamie Leighton took 2nd place in regionals and 2nd place in States;

-) May 16, 2015 Public Works Open House/Food Drive for the Windham Food Pantry;

) Visits with schools and daycares;

Equipment Purchased

-) 2015 GMC 1 Ton Pickup trucks (2)
-) 2015 International Dump
-) 2015 Cat Loader 938M

Storm Water

-) Catch Basins ~ Cleaned 657 basins ~ Checked 59 basins ~ 220 man hours
-) Catch Basin Line Marking ~189 man hours
-) Dry Weather Outfall Inspections ~156 man hours
-) GPS and Mapping ~ 85 man hours
-) Outfall cleaning/ditching ~ 57 man hours
-) Stabilization Run off ~122 man hours

Town Wide Road Striping

-) Double yellow centerlines ~ 245,829 feet
-) White Edge Lines ~ 173,961 feet
-) Lane Lines ~ 6,307 feet
-) Directional Arrows ~ 295
-) Letters ~ 228

TOWN REPORT 2015

-) Stop lines ~ 277 feet of 12"
-) Stop lines ~ 1195 feet of 24"
-) Crosswalk markings ~ 2,286.5 feet
-) Yellow lines around islands ~ 680 liner feet
-) Parking spaces ~ 218
-) Handicap Parking ~ No Parking 6 each

Road Routine Maintenance

-) Install & repair basins, grading, shouldering, ditching, build & pave swales, replaced culverts & cross culverts
-) Roadside mowing ~240 man hours
-) 8,498 gallons of liquid calcium for dust control
-) Grading dirt roads ~ 227 man hours
-) Road & hand sweeping ~ 1,286 man hours
-) Brush/tree cutting ~ 111 man hours
-) Bump signs-frost heaves signs ~ 48 man hours
-) Cold Patching ~ 500 man hours
-) Culvert replacement/ditching ~ 2,998 man hours
-) Shoulder work ~ 732 man hours
-) Sign installation, repair & sign work ~ 224 man hours
-) Storm cleanup-up from wind and rain ~ 200 man hours
-) Wash-out repairs ~ 15 man hours

Permits Issued

-) Driveway permits ~ 31 Issued
-) Street Opening permits ~ 34 Issued

Road Paving Program

-) Box cut (repairing road bed in preparing for paving) ~ 1,098 man hours
-) Cross culvert replacement ~ 401 man hours
-) Ditching ~ 2,250 man hours
-) Driveway aprons (gravel driveway aprons to match new pavement) ~ 341 man hours
-) Misc. prep work ~ 228 man hours
-) Shoulder work ~ 305 man hours
-) Paved: Surface Albion Rd. Falmouth Rd. to 302
-) Shim & overlay Falmouth Rd. – Albion to Falmouth town line
-) Reclaim & base paved Dutton Hill Rd.

Snow Events & Material Usage ~ responded to 24 snow/ice events some multiple day events

Snow Events ~ 16/man hours ~ 2,909

Inches of Snow ~ 102.5 inches of snow

Ice Events ~ 8 ice, sleet, freezing rain events

Snow removal man hours ~ 574

Building & Grounds Maintenance Division

Maintained 9 Municipal buildings & grounds

-] Mowed & manicured municipal grounds
-] Assist with the setup of New Christmas lights & decorations through out the town & maintained lights through the season

Maintained 26 Cemeteries

-] Clean up commenced in April
-] Mowed cemeteries through the season
-] Special preparation for Memorial Day, Veterans Day, & Labor Day

Fleet Maintenance Division

Maintained all vehicles & equipment used by Public Works, Police Department, Recreation Department & Town Office

Fabricated plow parts, wing parts

Doug Fortier, Director of Public Works

Social Services

General Assistance

The Town of Windham's General Assistance Program (G.A.) is a state mandated, municipally administered financial assistance program. It was designed to be a program of "last resort" for residents who are unable to provide for their basic needs. The G.A. office is located in The Family Resource Center at 377 Gray Road. It is overseen by the Assistant Town Manager/H.R. Director and is staffed by René Daniel, G.A. Administrator.

Assistance is available for basic necessities as defined by local ordinance and state statutes. Eligible applicants are assisted through payments made to specific vendors. Administrative costs of the program are paid for through tax dollars. The state reimbursed the Town for 50% from January through June and 70% from July through December of the cost of general assistance benefits paid for residents. In 2015, \$12,220.75 was issued to eligible recipients prior to reimbursement. This reflects a 70% decrease in overall general assistance costs from 2014. The decrease is attributed to continued diligent oversight of the program: Administration by a certified General Assistance Administrator, strict adherence to the ordinance, continued education regarding the program, furnishing food and non-food assistance through the Windham Food Pantry, and the lower than expected cost of heating fuel which significantly reduced requests for heating assistance.

General Assistance Expenditures 2010 – 2015

Under G.A., applicants must provide verification of their income and expenses, residence, and if unable to work, medical documentation substantiating their work limitations. Applicants are required to seek work if they are physically able and/or to apply for assistance through other state and federal programs that may be available to them. A determination of eligibility is made for a thirty-day period based on anticipated earnings. Individuals and families that do not qualify for financial assistance are referred to local resources appropriate to their need(s).

Please call 892-1906 to schedule an appointment. Office hours: Monday – Friday 8am to 4pm.

2015 General Assistance Expenditures

Type	Inter-views	#Cases	#People	Benefit Provided
Housing	128	19	63	\$8,581.92
Emergency Housing	12	0	0	\$0

Food Pantry/Clothes Closet

The Food Pantry and its companion Clothes Closet were established in response to a growing need for assistance in the community. Food insecurity is a real and urgent issue and it is being addressed at the Food Pantry with confidentiality and compassion through private appointments with the Social Services Assistant, Colette Gagnon.

Clients are served once a month and receive fresh milk, eggs, bread, and vegetables/fruit (when available) in addition to meat and staple items. Families with children are provided with "extras" during school vacations and the summer break. In 2015, the Pantry served 3,069 families made up of 4,259 adults and 1,678 children for a total of 5,937 people.

In 2015 the Food Pantry received U.S.D.A. surplus and "rescued" food from Wayside Food Rescue and has maintained a relationship with The Good Shepherd Food-Bank. The Food Pantry relies on, and is very fortunate to have, generous individual and corporate donations as well as community participation during food drives. In 2015, local businesses, churches, service groups, grocery stores, schools and individuals have all been very generous and provided the Food Pantry with \$20,847.01 in cash donations. The Town would like to thank these businesses, organizations, churches, and volunteers that assist those in need throughout the year.

The Food Pantry and the Clothes Closet are open Monday – Thursday 8am – 4pm. Food Pantry clients must provide proof of residency – i.e. utility bill or lease. There is no residency requirement for items needed from the Clothes Closet. Call 892-1931 to schedule an appointment.

Respectfully Submitted,

Phyllis Moss, Assistant Town Manager/H.R. Director

Town Clerk

Everything stayed status quo in the Clerk's office this year with one exception, the Concealed Weapons law. The law changed in October of 2015. The new statute applies to both residents and non-residents ages 21 and older, who are not otherwise banned from carrying a concealed firearm. They can now carry a concealed handgun within state borders without needing a permit. Previously, carrying a concealed handgun required taking a handgun safety course, going to the Town Clerk's Office to fill out a nine (9)-page application and paying a fee of \$35.00, then the Police Chief would do a background check before he would issue the permit. We are still seeing those people with permits, for the most part, coming in to renew them. They are worried that the law might change back so they want to keep their permits active.

We held two elections this year. The first was on June 9 for the RSU #14 Budget Validation Referendum. We did not see a big turnout, only 273 people voted in this election. The second election was on November 4; it was a State Referendum and Municipal/RSU#14 candidate election. There were 11,895 registered voters and we had 2,148 participate. These numbers are typical for an off-election year.

Clerk's Statistical Data

	Births	Marriages	Deaths	Hunting/Fishing	Dogs	Concealed Weapons
2011	185	92	106	1259	2109	181
2012	167	112	121	1173	2093	247
2013	196	130	120	1259	2058	345
2014	193	119	125	1261	2110	207
2015	182	140	147	1211	2117	175

Our current Boston Post Cane recipient, Clista Loring, passed away on September 15 at the age of 107 years and 7 months! In November, I presented the cane to Isabel Taylor. Isabel is 101 and has lived in the Town of Windham since 1951. She taught for 24 years in Windham at the Arlington and new Manchester schools. The Boston Post cane has been presented to Windham's oldest living resident since 1909 when the tradition began.

We did very well in collecting donations for the needy children in Windham, and we were able to buy many gifts to be handed out at Social Services for Christmas. We collect our donations from performing marriages at town hall and accepting donations from people needing our Dedimus service. We also have some residents, who each year, stop by to make a donation just because they want to and they know we have been doing this for many, many years.

Our annual Rabies Clinic was held on December 5 at Town Hall. Dr. Griffin and his Assistant/Wife came to give the rabies shots. The Clerk's Office was also there licensing dogs for the coming year. I would like to thank the Lake Region Animal Hospital for continuing to support us in our efforts helping people to get their pets inoculated.

I would also like to thank my staff, Judy Vance & Rita Bernier, they are wonderful to work with and have a wealth of knowledge. It is also a pleasure to work alongside the women in Auto Registration, Judith, Joanne, Lucy and Stephanie.

Respectfully Submitted,

Linda Morrell, Town Clerk, CCM

Paul R. LePage

GOVERNOR

STATE OF MAINE
OFFICE OF THE GOVERNOR
1 STATE HOUSE STATION
AUGUSTA, MAINE
04333-0001

Dear Citizens of Windham:

Maine has a long tradition of civil participation in both state and local government, and I thank you for being informed and involved citizens.

My vision for Maine is prosperity, not poverty. For this reason, one of my top priorities is the reduction and eventual elimination of the income tax. Some are pushing to raise the minimum wage, but I want Mainers to earn a maximum wage. Reducing the income tax is the biggest and most immediate pay raise for all hard-working Mainers.

Not only does an income tax cut put more money back in your pockets, but it will also attract businesses that can offer good-paying careers to keep our young people here in Maine. It shows the nation that we are serious about wanting people and businesses to come—and stay—in Maine.

Another of my priorities is to lower the cost of student debt in Maine. If young people are struggling with too much student debt, they are unable to afford homes or vehicles. We are now offering programs to help them lower their debt, stay in Maine, begin their careers and start families.

To provide good-paying jobs for our young people, we must also work hard to reduce our energy costs. High energy costs are a major factor in driving out manufacturers, mills and other businesses that need low-cost electricity. I am committed to lowering the cost of energy, not only to attract job creators, but also to allow Maine people to heat and power their homes affordably and effectively.

And finally, we are making progress to address the drug pandemic in our state. It is my most important duty to keep the Maine people safe. While education, treatment and prevention efforts are important, we must get the dealers off the streets. I am pleased the Legislature has finally agreed to fund my proposal for more drug agents to stem the supply of deadly opiates flowing into our communities, but our law enforcement agencies are still understaffed. We must do more.

It is a pleasure serving as your Governor. If ever I can be of assistance to you or if you have any questions or suggestions, I encourage you to contact my office by calling 287-3531 or by visiting our website at www.maine.gov/governor.

Sincerely,

Paul R. LePage
Governor

Dear Friends:

It is an honor to represent Maine in the United States Senate. I am grateful for the trust the people of our State have placed in me and welcome this opportunity to share some key accomplishments from 2015.

Growing the economy by encouraging job creation was and remains my top priority. The tax-relief bill signed into law at the close of last year contains three key provisions I authored to help foster job creation and provide small businesses with the certainty they need to invest, grow, and, most important, hire new workers. Another provision I authored that became law last year gives a boost to both Maine's economy and traffic safety. This provision permanently changed the federal law that previously had forced the heaviest trucks onto our country roads and downtown streets, rather than allowing them to use Maine's federal Interstates. In addition, I was glad to help secure another significant award for the University of Maine's deepwater offshore wind initiative, which has the potential to advance an emerging industry and create thousands of good jobs in our state.

Maine's historic contributions to our nation's defense must continue. In 2015, I secured funding toward a much-needed additional Navy destroyer, likely to be built at Bath Iron Works. Modernization projects at the Portsmouth Naval Shipyard that I have long advocated for were also completed, as were projects for the Maine National Guard.

I was also deeply involved in crafting the new education reform law to better empower states and communities in setting educational policy for their students. The law also extends a program I co-authored that provides additional assistance to rural schools, which has greatly benefitted our state. A \$250 tax deduction I authored in 2002 for teachers who spend their own money on classroom supplies was also made permanent last year.

As a result of a scientific evaluation of the nutritional value of potatoes required by a law that I wrote, the wholesome fresh potato finally was included in the federal WIC nutrition program. I also worked on other issues important to Maine's farmers and growers, including research on wild blueberries and pollinating bees.

As Chairman of the Housing Appropriations Subcommittee, I have made combating veterans' homelessness a priority. This year's housing funding law includes \$60 million for 8,000 new supportive housing vouchers for homeless veterans. Since this program began in 2008, the number of homeless veterans nationwide has dropped by one third. Maine has received nearly 200 vouchers to support homeless veterans.

Last year, I became Chairman of the Senate Aging Committee. My top three priorities for the committee are retirement security, investing more in biomedical research, and fighting fraud and financial abuses targeting our nation's seniors. I advocated for the \$2 billion increase in funding for the National Institutes of Health to advance research on such diseases as diabetes and Alzheimer's. The Senate also unanimously passed my bill to support family caregivers. The Aging Committee's toll-free hotline (1-855-303-9470) makes it easier for senior citizens to report suspected fraud and receive assistance and has already received more than 1,000 calls.

A Maine value that always guides me is our unsurpassed work ethic. As 2015 ended, I cast my 6,072nd consecutive vote, continuing my record of never missing a roll-call vote since my Senate service began in 1997.

I appreciate the opportunity to serve Windham and Maine in the United States Senate. If ever I can be of assistance to you, please contact my Portland Office, 207-780-3575, or visit my website at www.collins.senate.gov. May 2016 be a good year for you, your family, your community, and our state.

Sincerely,

Susan M. Collins

COMMITTEES:
ARMED SERVICES
BUDGET
ENERGY AND
NATURAL RESOURCES
INTELLIGENCE
RULES AND ADMINISTRATION

Dear Friends of Windham:

It has been a privilege to serve the State of Maine since being sworn into the U.S. Senate.

Much of my time in Washington this past year has been devoted to the Senate Armed Services Committee and the Select Committee on Intelligence. Protecting our homeland and the people of Maine from terrorism and violence remains one of my top priorities. Through my work on the Armed Services Committee, I was able to secure several provisions in the 2016 National Defense Authorization Act that benefit Maine. The legislation authorizes the construction of an additional DDG-51 Arleigh Burke Class Destroyer that could be built at Bath Iron Works and expands the HUBZone program to stimulate economic growth at former military installations like the former Brunswick Naval Air Station.

Returning control to teachers, school districts, and states has also been a primary concern of mine. I am encouraged that the Every Student Succeeds Act has become law. It eliminates the burdensome requirements of the No Child Left Behind Act and ensures access to a quality education for all students. A provision I helped author in the bill will give states the opportunity to pilot the use of their own proficiency-based assessments in lieu of federally-mandated standardized tests. Also included in the bill are several measures I secured to promote local input, fund education technology initiatives, and explore new strategies to increase student access to the internet outside of school.

Communities across Maine have taken bold action to improve their broadband connectivity, and I have been proud to foster federal support for these types of projects. My amendments to the Every Student Succeeds Act will promote the type of work already occurring in Washington County, where students who lack broadband access are able to check out mobile hotspots from their local libraries. Additionally, a bill I co-sponsored, the Community Broadband Act, helped pave the way for the FCC to enact rules protecting the ability of municipalities to invest in better broadband. I am excited by Maine's leadership on this important economic development issue and will continue to support local efforts in this area.

After extensive negotiations, the Senate passed a five-year transportation bill that will increase highway and transit funding in Maine and provide stability to improve our transportation infrastructure. The legislation contains provisions I cosponsored to cut red tape and improve predictability and timeliness by streamlining the federal permitting process for large infrastructure projects. Also incorporated in this bill are my provisions to relieve financial regulations on Maine's community banks and credit unions and to reauthorize the Export-Import Bank, a critical tool that supports communities and small business across the state.

Following my inquiries in the Energy and Natural Resources Committee, the National Park Service has announced they will begin exploring strategies to allow park visitors to purchase electronic passes online and will pilot the program at Acadia National Park. These passes would improve access to our nation's most treasured landscapes and would generate resources for years to come. I remain deeply engaged in preserving Maine's natural beauty and strengthening our outdoor recreation economy.

It is with solemn responsibility that I have focused my energy addressing the opioid epidemic in Maine. This work includes convening roundtables with a wide-range of health care and law enforcement professionals to combat addiction; introducing a proposal to safely dispose of excess prescription drugs; cosponsoring a

Senate-passed bill that addresses mothers struggling with addiction and the alarming effect it has on newborns; cosponsoring the TREAT Act, which expands the ability of medical specialists to provide life-saving medication-assisted therapies for patients battling heroin and prescription drug addiction; and calling on the Commander of U.S. Southern Command to increase efforts to stop the flow of heroin at our southern border.

I like to think of Maine as a big small town – and in a small town, the leaders are accessible and eager to listen. In that spirit, I've made it a priority to stay connected with people from all over Maine who e-mail, write, and call with suggestions or questions. If I can ever assist in your interaction with a federal agency, or you have thoughts, concerns, or personal input on a matter that is currently before Congress I hope you will contact me, let me know where you stand, and engage in this critical part of democracy. Please call my toll-free line at **1-800-432-1599** or one of my offices: Augusta (207) 622-8292, Presque Isle (207) 764-5124, Scarborough (207) 883-1588, or Washington, D.C. (202) 224-5344. You can also write me on our website at www.king.senate.gov/contact.

As always, I am honored to represent the people of Maine and look forward to working with you for the betterment of our great state.

Sincerely,

Angus S. King, Jr.

diamondhollyd@aol.com

Dear Friends of Windham,

I hope this town report letter finds you and your family well. It is an honor to represent you and this community in the Maine Legislature. I appreciate the support and opportunity to be your State Senator. In meeting with people around the district I have been passing along a few items that I thought might be of interest to you as well.

Unclaimed Property: if you have a chance, it may be worth your while to check out the updated statewide Unclaimed Property list. Every year, the Treasurer's Office produces a list of unclaimed property, which consists of money and other personal assets that are considered lost or abandoned when an owner cannot be located after a specified period of time. Visit www.maine.gov/unclaimed or call 1-888-283-2808 to see if you have any unclaimed property.

Honorary Page Program: provides students a unique chance to observe and participate in the legislative process. As an Honorary Page, students deliver messages, distribute documents, interact with the senators, and most importantly take part in a real legislative learning experience. If you know of a student who may be interested, or would like more information, please contact my office. It would be my honor to meet with the student and his/her family during the visit to the State House.

Legislative Update: is part of my effort to keep you informed about what is happening in the Legislature. This periodic email allows me to share information that is useful and informative to you and our district. Please email me at diamondhollyd@aol.com or call to sign up.

As your State Senator, I will continue to do as I have always done in the past, and that is work with all sides to do what is best for you, our district, and our state. As the Legislature continues its work, please know that I am always available to hear from you.

I look forward to seeing you around!

Sincerely,

Senator Bill Diamond

TOWN REPORT 2015

COMMITTEE ON APPROPRIATIONS

SUBCOMMITTEES:

AGRICULTURE, RURAL DEVELOPMENT, AND
RELATED AGENCIES

INTERIOR, ENVIRONMENT, AND RELATED
AGENCIES

Dear Friend,

I hope this letter finds you and your family well. I appreciate the opportunity to give you an update on my work in Maine and Washington. It continues to be a great honor to serve the people of Maine's 1st District in Congress.

Over the last year, I have introduced a number of bills to address the problems my constituents face. One of the most concerning issues is hunger. Nearly 50 million Americans don't have reliable access to enough food. At the same time, 40 percent of the food produced in the country goes to waste. That is why I introduced the Food Recovery Act, comprehensive legislation to cut food waste while providing more food to the people who need it.

The Safe and Affordable Drugs from Canada Act takes on another serious concern for Maine families—the high cost of prescription drugs. Just over the border in Canada, the same medications are available at half the price on average. My bill would lift a ban that prohibits consumers from importing those medications. Other bills I introduced touch on a number of issues, from helping veterans secure benefits to protecting our coastal economies. For more information on all my legislation, go to www.pingree.house.gov.

My seat on the House Appropriations Committee—which has a powerful role in setting federal funding levels—has also put me in a position to influence policies and programs that affect Mainers. A couple of examples from the last year include pushing to make Lyme disease a higher federal priority and working to protect funding for a program that has extended pre-school to hundreds of Maine children.

But not all my work takes place at the Capitol. Here at home, I had the chance to visit many communities to help celebrate their victories and discuss their concerns—critical feedback to take to Washington. And over the last year, my hard-working staff has helped hundreds of constituents on their issues with federal programs and agencies.

I hope the last year has been a good one for you and your family. As we head into another year of challenges and opportunities for our nation, I promise that your interests will continue to guide my work. Please contact my office if there's ever anything I can do for you.

Best wishes,

Chellie Pingree

Dear Friends and Neighbors,

It is an honor to serve you as your State Representative for House District 25. After a challenging first session in 2015, I look forward to working through the second session energized by what we were able to accomplish last year. It is my privilege to be your voice at the Capitol and I can assure you I will continue to work carefully and diligently on your behalf.

Currently I serve on the Joint Standing Committee on Inland Fisheries and Wildlife committee for the 127th Legislature. This committee oversees the Department of Inland Fisheries and Wildlife; inland fisheries and wildlife research and management; hunting; fishing; trapping; hunter safety; fish hatcheries; game wardens; guides; ATVs; snowmobiles; watercraft registration, boat safety and more.

To do my job well, I will continue to send legislative updates e-mailed weekly throughout the year to all who would like to stay informed as to current state news. If you wish to receive these updates, please contact me at Patrick.Corey@maine.legislature.gov or [facebook.com/representativepatrickcorey](https://www.facebook.com/representativepatrickcorey).

Again, thank you for giving me the honor of serving you in Augusta!

Sincerely,

A handwritten signature in black ink that reads "Patrick Corey".

FINANCIAL STATEMENTS (CONT.)

Statement 5

TOWN OF WINDHAM, MAINE
Reconciliation of the Statement of Revenues, Expenditures,
and Changes in Fund Balances of Governmental Funds
to the Statement of Activities
For the year ended June 30, 2015

Net change in fund balances - total governmental funds (from Statement 4)	\$ (11,438)
Amounts reported for governmental activities in the statement of activities (Statement 2) are different because:	
Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of those assets estimated useful lives as depreciation expense. This is the amount by which depreciation expense (\$805,091) and net book value of disposed assets (\$18,365) exceeded capital outlay (\$789,552).	(33,904)
Revenues in the statement of activities that do not provide current financial resources are not reported as revenues in the funds.	95,000
Some expenses reported in the statement of activities do not require the use of current financial resources and, therefore, are not reported as expenditures in governmental funds. This is the decrease in accrued interest (\$15,653) and accrued compensated absences (\$80,385) and the increase in other postemployment benefits liability (\$96,828).	(790)
Capital lease proceeds provide current financial resources to governmental funds, but issuing debt increases long-term liabilities in the statement of net position. Repayment of lease principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the statement of net position. This is the amount by which lease repayments (\$502,436) exceeded proceeds (\$232,051).	270,385
Bond proceeds provide current financial resources to governmental funds, but issuing debt increases long-term liabilities in the statement of net position. Repayment of bond principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the statement of net position. This is the amount of repayments.	2,041,234
The Town is amortizing the deferred charge on refunding and the issuance premium over the life of the refunding bond. This is the amount by which the amortization of the premium (\$180,506) exceeded the amortization of the deferred charge on refunding (\$163,286).	17,220
Some expenses reported in the statement of activities do not require the use of current financial resources and therefore are not reported as expenditures in the governmental funds. This is the decrease in the net pension liability with the related changes in deferred inflows and outflows of resources.	207,651
The Town has bonds that were originally issued for School purposes. These amounts will be funded by Regional School Unit #14 when the debt service payments are due. The Town has recorded a long-term receivable for the amount that will be paid by the School Unit for these bonds. The amount of the receivable at year end was \$15,935,000 with principal amounts paid off during the year totaling \$1,891,234.	(1,891,234)
Change in net position of governmental activities (see Statement 2)	\$ 694,124

See accompanying notes to basic financial statements.
