Town Manager's Annual Report

"Changes aren't permanent, but change is." Change is one of the only constants in life, and that's as true of the life of a community as it is of each of us as individuals. What can we do, and what do we do, to affect those changes in a positive way and help ensure the outcomes we want? The first, and most important, thing to do is get involved. I can hear you now, "What? You want me to sign up for a committee? Or to run for Council?" If those are ways of getting involved that suit you, sure. But not all "getting involved" means signing up for something or running for office. Watch or attend meetings, get familiar with the issues, contact Council members – or me – and let us know your thoughts, concerns, and ideas. Just getting involved doesn't guarantee a particular outcome, but NOT getting involved guarantees your perspective isn't considered.

Issues related to how much change Windham has gone through over the last decade, or two, three, four, and more decades, took up a lot of Council and staff time over the last year. Planning for the community's needs – present and future. We have a lot of catching up to do after many years of growth and too little investment in facilities and infrastructure. The town's new comprehensive master plan update is nearing completion, focusing on four major themes, what the Comprehensive Plan Review Team and planning director Ben Smith call the "4 Big Things:"

Changing the Game for Growth Areas
Invest in Rural Windham to Keep it Rural
Create a North Windham to be Proud of
Focus on Community Facilities and Programs

Each of these big things captures a dimension of what the town needs to be doing to meet the challenges of growth and change. The town has continued updating its capital facilities plan, developing a more workable approach to wastewater management and ground water protection needs in the North Windham area, and improvements for the corridor through North Windham. We are putting that planning focus on to work internally as well with an organizational strategic plan to guide how we make decisions about those services and budgets, and how we report to you about whether we're achieving what we intended.

I've said it before, but I'll say it again: Windham is a great town. It is the Lakes Region's marketplace, an integral part of Greater Portland, and it will continue to be a great place to live, work, raise a family, and have a business. In the years (decades? centuries?) ahead the trees and fields will still be green, the water clear, and the people engaged, friendly, and hard-working. And we're all going to work together to make it happen so that, in the years to come, others will look back and say we did.

Anthony T. Plante, Town Manager

Superintendent of RSU#14

A Year of Strategic Planning

The RSU 14 Windham Raymond School System finished their first year with our newly adopted five-year Strategic Plan. As a reminder to our community, the feedback we collected over the course of last year, reflects the priorities that the wider school communities identified as necessary to support moving our district forward as we continue to strive to ensure our mission, "Success for All."

RSU 14 has a notable reputation to ensure past and future Strategic Plans continue to serve as a roadmap for achieving our vision and long term goals. The new strategic goals include the following:

1. Designs for Learning
By 2020, all RSU 14 students will be engaged in authentic, personalized learning experience to master standards through multiple pathways.
2. Environment for Learning
By 2020, all RSU 14 students will continue to learn in a school environment that meets the developmental needs of learners and supports balance and quality of life for all members of the learning community.
3. Technology for Learning
By 2020, all members of the RSU 14 learning community will be proficient users of technology and will have consistent and equitable access to the technology resources needed to support mastery of personalized learning goals.

Our Strategic Planning work could not happen without the vision and drive of the collective school and community members. I thank them for their collaboration and tireless work from beginning to end with developing this plan. Strategic Planning Committee: Mary Jane McCalmon, Kate Brix, Christine Hesler, Chris Howell, Danielle Donnini, Kelly Crockett, Tina Johnson, Michael Duffy, Tina Christopherson, Tom Bartell, Christine Williams, Susan Smyth, Tammy Hamilton, Aimee Senatore, Lisa Garneau.

For additional information about the ongoing committee work and the connection to the 5-year Strategic Plan, please visit our website at www.rsu14.org and select: Board/Supt; Strategic Plan. The following are areas that we are focusing on:

-) Homework Committee
-) School Start Time Committee
-) Technology Committee
-) Proficiency Diploma Committee – see Guiding Principles K-12 and Grading Practices
-) Community Outreach Committee

A New Team

The new Unified Basketball Team at Windham High School brought with it much excitement throughout the 2017 season!

Committed to providing athletic opportunities to all students, the RSU 14 School Board unanimously approved a request that allowed Windham High School students, with and without disabilities, to participate in a Unified Basketball team for the 2017 season. Given the partnership between the Maine Principals Association and Special Olympics of Maine, the sport continues to grow in popularity.

For those who are unfamiliar with Unified sports, the foundation is to partner students with developmental disabilities (Unified Student Athlete) with students without developmental disabilities (Unified Student Partners) to train, compete, and represent their school. Unified Student Partners play alongside the Unified Student Athletes, while motivating, assisting, and mentoring them throughout the unified basketball season. Unified Sports benefits students in that it helps promote physical activity, teamwork, sportsmanship, and social inclusion. The opportunity to compete in sports teaches many life lessons: to work as a team, to follow rules and to be committed. Through the

MPA/Special Olympics Unified Sports program we have an opportunity to make real positive changes in the lives of students with and without disabilities. Addition of the Unified Basketball team will expand the current RSU 14 Special Olympics Program.

If your son or daughter is interested in participating as a Student Athlete next season, please have them contact Mr. Drummond at rdrummond@rsu14.org.

Windham High School

Increasingly, we continue to see top notch statistics about our High School. Please take note of the following:

-) 90% of Windham High School students graduate from Windham High School within 4 years of enrolling. This percentage does not include students who earn their diploma in 5 years or 6 years. The 4-year graduation rate is 4% higher than the average for Maine and is 9 % higher than the national average.
-) The drop-out rate for Windham High school is 1.18 percent. WHS has the lowest drop-out rate of public high schools with an enrollment of 1000 students. Looking at Class A schools, WHS has the second lowest drop-out rate of public Class A schools in the state.
-) 83% of students graduating in the class of 2016 enrolled in a four year, two year or certificate program after graduating from Windham High School. 8% joined the military and 9% went directly into the work force.
-) 90% of students from the class of 2015 who enrolled in a 4-year program after high school were still enrolled in that program during their 3rd semester after enrolling. The national average for third semester persistence is 72%.
-) 183 different courses in 8 content areas are offered to Windham High School students. In addition, students have access to 19 different vocational programs at Westbrook vocational and Portland Arts and Technology High School.
-) Advanced Placement courses are offered in Art, Math, English, Social Studies, and Science. On average, 250 Advanced Placement exams are given each year at Windham High School with 60% of students earning a three or higher.
-) Students at Windham High School have access to 46 different teams covering 26 different athletic programs. 46% of Windham High School students participate in the athletic program.
-) 27 after school clubs, activities, and honor societies are open to Windham High School students.

Other Accolades

Our very own Windham Raymond Adult Education (WRAE) continues to gain recognition and was honored at the Sebago Lakes Region Annual Meeting as the 2016 Business of the Year. WRAE was recognized as "an outstanding chamber member business operating in the Sebago Lakes Region that has set an example in leadership, innovation and quality, and has provided noteworthy economic opportunity to the people of the Sebago Lakes Region." WRAE was also being lauded for "donating its time and employees' time unselfishly for the good of the Sebago Lake Region Chamber." Congratulations!

Odyssey of the Mind Competition: 3 out of our 4 teams from WPS and Manchester placed in the top 3 in their division problem that advances them to the State Meet.

RSU14 AmeriCorps member, Natalie Landry, received the Outstanding National Service Volunteer Award from the First Lady. A proud moment.

Our school nutrition program was recognized in the National School Nutrition Journal for our impressive school gardens.

Mrs. Otley, grade 4 teacher at Manchester School, was selected as the state of Maine winner for her grade level by the VFW National Citizenship Education Award. Congratulations.

Congratulations to Windham Primary School for achieving the 2016 "Let's Go!" Award in the category of a *Smarter Lunchroom* by offering healthy choices in their café. "Let's Go!" is a program of the Barbara Bush Children's Hospital at Maine Medical Center.

After several years of planning, coordinating and fundraising, a new playground for Raymond Elementary School is looming.

Windham Chamber Singers were named semi-finalist for the American Prize Choral Performance. theamericanprize.blogspot.com

Bravo to Dr. Richard Nickerson, Director of Choral Music at Windham High School, for being a 2017 Grammy Music Educator Award finalist – in the top 10.

Jennifer Ocean, Manchester Elementary teacher, received a \$3000 “School Recycling Grant” from EcoMaine to help with the Garbage to Garden Program.

Maine Nutrition Council nominates individuals for the Katherine O. Musgrave Public Service Award – recognizing individuals for outstanding work in the field of nutrition within the state. Jeanne Reilly, RSU14 School Lunch Director, was the recipient of the year’s award.

Jody Colangelo, special education teacher at Windham Primary School, was the 2017 Regional Teacher of the Year for the Greater New England Area.

Karen Petcher, math teacher at Windham High School and Ryan Rumsey, Windham Middle School teacher, have both been nominated as 2017 Cumberland County Teacher of the Year.

Chad Pulkkinen was named SMAA boys basketball coach of the year.

Good Sportsmanship Banner went to Windham High School Girls Basketball Team for the second year in a row.

Good Sportsmanship Banners went to WHS Wrestling Team and Boys Cross Country A-South Team.

In summary, without the strong support of our community, combined with our dedicated hard-working employees and our amazing students, I am most proud of the work that has taken place during this year. Thank you to all for working alongside with us to ensure, “Success for All.”

Sincerely,

Sanford J. Prince, IV

Windham Raymond Adult Education

Town Report 2016

Windham Raymond Adult Education: Branch Out and Explore Your World

2016 was the year of the "Challenge". We challenged them to take the first step towards their future, to branch out into the unknown and embrace change. We challenged them to their world in new ways and through new experiences. Then we challenged ourselves to live up to the community's expectations and continue to provide the area with the best adult education experience possible. For the past fourteen years I have made it my goal to expand those opportunities for the adults in our community. I strongly feel that it contributes greatly to the quality of life in our communities as we continued to be seen as a local and statewide leader in adult education, offering the most diverse array of adult learning opportunities in the area.

The vision for – and goals of – Windham Raymond Adult Education (WRAE) had never seemed more important. We served a diverse adult population and continually tried to offer the most affordable and highest quality learning opportunities we could. Academically, our English for Speakers of Other Languages, Literacy, High School Diploma and HiSET classes helped many in our communities to achieve their own dreams for work, military and college. Numerous in-house and on-line Career Pathways classes enabled students to advance in their own chosen careers or attain skills and confidence to take a new path.

Over the course of 2016, adults of varying ages, vastly different educational, economic and skill levels, with an equally diverse number of interests, found their way to all of the sites where the Windham Raymond Adult Education Program operates in Windham and Raymond. Adults ages 17 -87 had access to over 300 different adult learning opportunities during this year. That translated into over 3100 total enrollments.

Highlights over the past year included:

-) Provided onsite training at two local businesses
-) WRAE was named the Sebago Lakes Region Business of the Year
-) Offered a Maine Outdoor Leadership/Recreational Guide Prep Course
-) Planned a regional bus trip to the Common Ground Fair in Unity for nearly 50 people
-) Through our partnerships, expanded offerings such as Introduction to Welding (a partnership with Portland Area Technical High School- PATHS), Bus driver training (a partnership with ProDrive Truck Driver Training) and EMT-Basic Training (a partnership with United Training Center) and First Aid/CPR for Pets
-) Career Pathways Coordinator, Tina Christophersen, was elected for a second term as the Sebago Lakes Region Chamber of Commerce President
-) Director, Tom Nash met with our US Delegation in Washington DC, twice to advocate for adult education/literacy while serving as the President of the national Commission on Adult Basic Education (COABE) the nation's largest professional organization dedicated to improving the adult education services for all US residents.
-) 21 Adults completed their High School credential in 2016

Enrollment/Participation Figures

There was a slight decrease of 96 (3%) in adult enrollments from the same period of time last year (January – December). There is a 3 year average of 3144 enrollments.

Program Enrollments (Calendar Year)

	<u>2016</u>
Adult Basic Education/Literacy	19
College Transitions	67
English for Speakers of Other Languages	66
Family Literacy Programming	250
General Enrichment	918
Health/Wellness	1397
High School Completion/HISET	128

Report of the Assessor

The mission of the Assessing Office is defined by the Maine Constitution, which states: All taxes upon real and personal estate, assessed by authority of this State shall be apportioned and assessed equally according to the just value thereof."

The Assessing Office is responsible for ad valorem taxation of all Windham real and personal properties, addressing for E9-1-1 and the coordination of Geographic Information Services (GIS).

Valuation as of April 1, 2016:

Taxable valuation of real estate:	\$1,769,797,000
Taxable valuation of personal property:	\$34,032,800
Total taxable valuation of real estate and personal property:	\$1,803,829,800
Parcel count: 8,489	
Personal Property accounts: 1,082	

Homestead Property Tax Exemption: The homestead exemption provided a reduction of \$15,000 in 2016 on the value of your home for property tax purposes. Beginning in 2017 the homestead exemption will increase to \$20,000. To qualify, you must be a permanent resident of the State of Maine and the home must be your permanent residence, you must have owned a home in Maine for the twelve months prior to applying and an application must be filed on or before April 1st with the municipality where the property is located. If you have already applied, there is no need to reapply.

Veteran's Exemption: Veterans who were not dishonorably discharged, are over 62 years of age or are an un-remarried widow/widower of a qualifying veteran may be eligible for a reduction in the valuation of their property. Veterans under the age of 62 who are 100% disabled due to a service-connected disability may also qualify.

Business Equipment Tax Reimbursement (BETR) and Business Equipment Tax Exemption (BETE): Personal Property may qualify for reimbursement from the State of Maine through the BETR Program or for exemption under the BETE Program.

Exemption applications are available at the Assessing Office and at www.windhammaine.us.

Assessing Staff from left:

Elisa Trepanier, Assessor; Kara Taylor, Assessor's Assistant/E9-1-1 Addressing Officer; Taylor Burns, Appraiser; Joan Hodgdon, Appraiser; and Teresa Konczal, Administrative Assistant

Code Enforcement

The Code Enforcement Department offers a variety of services to residents and property owners. In addition to issuing building, internal and external plumbing, mechanical and electrical permits; the department responsibilities include the enforcement of land use and shoreland zoning, gravel pit, junkyard and flood plain regulations, rules in regard to the conversion of seasonal dwellings in shoreland areas, Wireless Telecommunications Tower Ordinance, Surface Water Protection Ordinance and the Mass Gathering Ordinance. Windham has 14 lakes and ponds covering 32,180 acres of area and 15 rivers, streams and brooks, all of which are in Shoreland Zoning.

Code Enforcement was responsible for processing 1,757 permits in 2016 resulting in revenue of \$407,104.93 and in 2015 was also responsible for processing 1420 permits, resulting in revenue of \$276,950.90. This includes: Building permits, Impact Fees, Junkyards, Plumbing, Shoreland Review, Soil and Erosion, Use, Wastewater, Driveway and Street Opening.

Building Permits issued, by category, for the years 2013, 2014, 2015 and 2016 are as follows:

Building permit Count	2013	2014	2015	2016
Accessory Apartment	2	4	4	2
Accessory Buildings - Residential	16	19	46	53
Accessory Buildings - Commercial		5	3	3
Additions and alterations - Residential	133 R/C	136	187	202
Additions and alterations - Commercial		32	34	35
Change of Use	3	2	3	10

Driveway (tracking this has now shifted to PW)		24	31	
Street Opening (tracking this has now shifted to PW)		25	34	

* Separated in 2014 for renovations and new
R/C = residential and commercial

Zoning Board of Appeals 2016:

The Board of Appeals is a volunteer board of five regular members and one alternate. The Board meets the first Thursday of every month in the Council Chambers at 7:00 p.m. They had a total of 4 meetings this year. The Board reviewed a total of 4 applications for the year 2016, monies taken in \$1,600.

Cumberland County Soil and Water Conservation District (CCSWCD) Implementation

Town of Windham | 2016 Project Summaries

2016 Grant for Baker Brook Crossing | Public Infrastructure Improvement Funds [POC: Robyn Saunders]

CCSWCD assisted the Town's Public Works Director, Doug Fortier, by submitting a grant application for state water bond funds to replace a poorly performing stream road crossing of Falmouth Road in Windham. The crossing of Baker Brook, consisting of twin corrugated metal culverts, has a history of flooding.

The 52" diameter twin culverts were severely undersized for the 11+' bank full width of the stream. By providing funding for the replacement of the existing twin culvert by a single, properly-sized pipe-arch culvert, the road stream crossing will:

-) Ensure access to crucial public and commuter services;
-) Improve aquatic life habitat by unblocking three miles of upstream habitat;
-) Increase water quality by decreasing downstream scour; and
-) Enhance resiliency by reducing the risk of culvert flooding.

As a result of CCSWCD's efforts, this Town project was awarded approximately \$95,000.

21st Century Downtown Master Plan | Public Planning and Ordinance Review [POC: Damon Yakovleff]

CCSWCD supported the Town's efforts to develop a 21st Century Downtown Master Plan for North Windham by providing input to Town Planning Director, Ben Smith, in three areas for land use improvements:

1. Stormwater management – encouraging low impact development to align with anticipated national requirements.
2. Parking Regulations – reducing required parking minimums through expanded shared parking, collaborative winter maintenance and potentially an in-lieu-fee program.
3. Bicycle / Pedestrian Alternative Routes – utilizing scarce space available along the Route 302 corridor for additional pedestrian improvements and finding alternative parallel routes for bicycle infrastructure.

General Water Quality Protection | Technical Assistance Requests [POC: Heather True]

-] Two technical assistance site visits for residential landowners were conducted and recommendations provided to assist lake protection efforts: one site located on Sebago Lake and the other on Highland Lake
-] Two additional residential technical assistance inquiries were received in 2016, which are slated for follow up in Spring 2017
-] Funding provided in part by grants from the Department of Agriculture, Conservation and Forestry (DACF) and the Cumberland County Commissioners/County Managers Office (i.e., Cumberland County government)

Little Sebago Lake Protection Project, Phase IV [Project Manager: Heather True]

-] Project started in March 2014 and completed project in December 2016
-] Conducted outreach including:
 - 12 out of 17 technical assistance visits completed in the Town of Windham, including 5 residential and 7 for private road associations
 - Two steering committee meetings held
 - One presentation to the Little Sebago Lake Association (LSLA) members
 - One article published in the LSLA winter newsletter
-] Completed three improvement projects
-] Offered erosion control mulch as the "BMP of the Year" to qualifying residents
-] Established new lake association cost-sharing effort
-] Completed 3 out of 15 private road operation and maintenance plans in the Town of Windham
-] Funding provided, in part, by the U.S. Environmental Protection Agency (EPA) under Section 319 of the Clean Water Act. Section 319 grants are administered by the Maine Department of Environmental Protection (DEP) in partnership with EPA.

Sebago Lake Watershed Protection Project, Phase III [Project Manager: Heather True]

-] Project started March 2016
 - Continues through December 2017
 - Includes sites in Windham, as well as Sebago, Naples, Casco, Raymond, Standish, and Frye Island
-] Two project check-in meetings held
-] List of agriculture sites within the watershed compiled
-] 1 of the 24 Lake Scaping site visits conducted by Portland Water District was located within the Town of Windham
-] Funding provided, in part, by EPA under Section 319 of the Clean Water Act, administered by DEP in partnership with EPA.

CONNECT Clean Water Education | School-aged Education Program [POC: Jami Fitch]

Through funding from both Portland Water District (PWD) and the Interlocal Stormwater Working Group (ISWG), CCSWCD provided clean water education lessons to 352 students at Windham High School, Windham Middle School, and Manchester Elementary School. The total number of student contact hours equaled 2,326 hours.

Lessons covered watersheds, watershed models, water movement, and branching patterns; transport of nonpoint source pollutants; stormwater, storm drains, and cumulative impact; impervious/pervious surfaces, runoff, and best management practices; water quality parameters and testing, bio-assessment using macro-invertebrate sampling, and river characteristics.

In addition, in the fall of 2016, CCSWCD worked with Windham Middle School 7th graders to investigate how their school campus may be impacting local water resources as part of service learning project in coordination with PWD. The students presented their findings to their parents and the school community in December and will be implementing on-the-ground projects in the spring of 2017.

YardScaping Healthy Lawn Care | Best Management Practices [POC: Kat Munson]
CCSWCD worked with Blue Seal and Aubuchon Hardware to provide healthy lawn care information to their customers.

CCSWCD also continued working with the Home Depot. In 2016, CCSWCD trained Home Depot associates about healthy lawn care practices, identified recommended products on Home Depot shelves, and provided two educational tabling events to the public on May 7, 2016 and September 9, 2016.

Funding for healthy lawn care outreach is provided through funding from ISWG, a coalition of 14 municipalities (including Windham) that are subject to Clean Water Act permit requirements. More detail is provided below.

Stormwater Permit Compliance Assistance | ISWG Regional Collaboration [POC: Aubrey Strause]

For almost 15 years, CCSWCD has coordinated and facilitated the Interlocal Stormwater Working Group (ISWG), a coalition of 14 municipalities (including Windham) subject to Clean Water Act permit requirements. ISWG meets every other month to address permit requirements on a regional basis. By participating in ISWG, CCSWCD helps the Town by implementing 2 of the 6 permit requirements (public education, outreach, and participation efforts).

Outside of the ISWG relationship, CCSWCD also assists the Town of Windham by completing the required annual reports that must be submitted to DEP in September. In 2016, CCSWCD also worked with Windham to assist with permit compliance and to prepare for the DEP audit of Windham's stormwater program. This assistance includes staff trainings, site visits, documentation assistance, and interdepartmental coordination of permit responsibilities.

Staff

Activity levels continue to rise in the Code Enforcement Department due to the surge in construction and increased regulations both federal and state. We saw expansions and renovations of local businesses, commercial buildings filled after standing vacant for some time, as well as the construction of new commercial establishments. We saw increased efficiency and department transparency after the implementation of new permitting software in 2014. The software program has also allowed the community to apply for permits, schedule inspections, report a code violation and subscribe to department reports online. Steve LeBrun – Code Enforcement Officer, Charles (Chuck) Daigle – Code Enforcement Officer, and Mabel J. Darby-Morey - Administrative Assistant, are ready to provide you with excellent customer service and invite you to visit the Department!

Windham Economic Development Corporation

The Windham Economic Development Corporation takes the lead role in providing support to new and existing businesses, and in carrying out the daily functions of Economic Development. WEDC's Executive Director reports directly to the Board of Directors of the WEDC. The Town of Windham provides funding to the Corporation and the Town Council receives regular updates from its Council representatives to the WEDC about ongoing activities and programing.

The WEDC actively works to support the many entrepreneurs, business owners and workers throughout Windham. The Town's business directory, www.WindhamMarketplace.com, where over 800 Windham businesses are listed, continues to be viewed regularly by people all over the United States, especially New England, as well as many area residents looking for goods and services our businesses supply. We are reaching out to retailers and developers who do not have a presence in Windham to let them know how good of a market we are. With the assistance, and insistence of the Town Council, the Town has enhanced our Holiday flag program along our roadways to include lighted trees and decorations. We have advertised the Windham Marketplace both regionally and locally in print and on TV. We have sponsored the Rotary's Ice Fishing Derby as well as other local events, attracting visitors to our commercial district and visitors to our parks and trails.

The Windham Economic Development Corporation looks forward to continuing its support of the community by providing assistance to both the Town and businesses located or looking to locate in Windham. We are especially excited about the possibilities that the 21st Century Downtown Plan brings to the North Windham Commercial District. The vision includes a more vibrant, walkable, "Town Center" with business people and residents alike enjoying enhanced amenities with access to public spaces and new and improved streetscapes and shopping and dining areas. The WEDC is committed to working with our partners in both the public and private sectors to make this vision a reality.

Windham's Economic Development Strategic Plan, which will be incorporated into the comprehensive planning efforts underway by the Town's Planning Office, is the basis for future investments and programing supporting economic development in town. The Plan's Vision, Mission, Values, and Objectives are outlined on the next page.

Windham Maine Economic Development Strategic Plan

Vision

To create a business friendly environment that provides a high-quality of life, a vibrant economy, and a welcoming atmosphere, while protecting our town's rural characteristics and natural resources.

Mission

To encourage economic growth and development in a manner that supports increased prosperity in the Town of Windham and improves the quality of life for all of its citizens.

Core Values

Industry Diversity • Innovative Community Building • Sustainable Growth
Expanded Employment Opportunities • Skilled Workforce • Proactive Customer Services

Objectives

Objective 1: Plan for the Future- Identify and implement policies, programs, and initiatives that support the Town's economic and community development needs.

Objective 2: Support Business Growth and Prosperity- Proactively seek opportunities to diversify Windham's economy, create jobs, and strengthen existing business.

Objective 3: Create and Maintain an Efficient Review and Approval Process- Establish review and approval processes that are efficient and in alignment with economic and community development initiatives, as well as provide resources to parties utilizing these services.

Objective 4: Develop a Support System for Economic Development- Ensure the sustainability of economic development initiatives in Windham through collaborative efforts of town officials and departments with the Windham Economic Development Corporation (WEDC), regional agencies, local business groups, and citizens, in addition to identifying and utilizing strategic funding sources.

Thomas Bartell

Executive Director, Windham Economic Development Corporation

Windham Fire-Rescue Department

"The mission of the Windham Fire - Rescue Department is to assist the citizens and visitors of our community with emergencies that they are unable to handle themselves".

The Windham Fire - Rescue Department provides service to the community from four locations strategically placed throughout the town. The South Windham Fire station a shared station with Gorham and is located at 8 Main Street, East Windham Station is at 47 Falmouth Road, North Windham Station is at 718 Roosevelt Trail and Windham Center Station is at the Public Safety Building at 375 Gray Road.

Windham Fire - Rescue Department Emergency Responses for 2016

MAJOR INCIDENT TYPE	# INCIDENTS	% of TOTAL
Fires	58	2.09%
Overpressure rupture, explosion, overheating - no fire	4	0.14%
Rescue & Emergency Medical Service	1927	69.32%
Hazardous Condition (No Fire)	135	4.86%
Service Call	269	9.68%
Good Intent Call	141	5.07%
False Alarm & False Call	221	7.95%
Severe Weather & Natural Disaster	15	0.54%
Special Incident Type	10	0.36%
TOTAL	2780	100.00%

Windham Fire-Rescue had a successful 2016 year providing effective service to the community of Windham. The department saw a 1.8% increase in call volume over 2015. The majority of our calls 69.32% continue to be Emergency Medical Services related with 39.2% of those requiring ambulance transports to the hospital. Our second most frequent call for service was for service calls. These calls include mutual aid to other communities, service to other agencies like law enforcement as well as other non fire or medical calls for service we receive from the community.

We staff the department using what is known in the industry as a combination department. This means we are providing service through a hybrid system of paid on call firefighter/EMTs, per-diem firefighter/EMT's and full time Firefighter/Paramedics. Using this model we currently staff the Public Safety Building and the North Windham Station with 24 hour coverage with this hybrid model. We did receive approval to add two new full time firefighter/paramedics starting in 2017. This will help us to provide a more consistent level of care and crew from our North Station.

Currently, during the day 7am to 7 pm there are three per-diem firefighter/EMT's at North Windham. At the Public Safety Building there are two per-diem firefighter/EMT's and one full time firefighter/paramedic. During the night 7pm to 7am there are two per-diem firefighter/EMT's at North Windham with one per-diem firefighter/EMT's and one full time firefighter/paramedic at the Public Safety Building. We also partner with Southern Maine Community College to have college three students live at the South Windham and three students at the East Windham Stations during the school year. In exchange for the hands on learning experience, room and board those students have to be in the station during the night from 10pm 7am and on weekends from midnight to 7am to assist in providing coverage from those stations.

The 104 members of the department participate in training on a regular basis to maintain and learn new skills. In 2015 the men and women of the department completed 7,780.5 hours of training. We hold company level trainings on Wednesday evenings with certification programs taking place on nights and weekends.

In November of 2016 the department accepted delivery of a 2016 Pierce Sabre pumper. This purchase has moved our 1994 International pumper to a reserve status and the current reserve, a 1981 Mack has been retired completely. The new Engine is housed at the North Windham Station and has already performed flawlessly at several incidents.

During the course of the year we watched the former Maine Cedar Log Homes facility located in the commercial complex at 33 Main Street transform into our new South Windham Fire Station. A building committee to include members from the town and department in partnership with SMRT Architects and Hardy Pond Construction facilitated the renovation. The department moved into the new station on January 15, 2017.

2016 brought a change to how we respond to fire calls. Using the information from the Emergency Fire Dispatch we are able to categorize our calls by severity and adjust the amount of units that respond. As a result of this change the answers the dispatcher receives from the 9-1-1 caller calculate into a code that will send more or less units for help. This program has been very successful for us thus far as we try and ensure that we are sending the right amount of help to the right people and trying to avoid sending too much equipment when it may not be needed.

At the October Town Council meeting the department received approval to order two new ambulances. These units have been ordered and are expected to arrive in Windham in spring 2017. We currently are operating out of 2010 ambulances, one of the current ambulances will be traded in and the other will remain in the fleet as a third ambulance. This will increase our capacity for handling medical calls in town before we have to call another town for assistance.

If you have questions, concerns, or comments, please feel free to call 892-1911 or come by one of the stations and talk with us. If you would like a tour of our facilities we would be glad to make arrangements. We look forward to another challenging year of serving the residents and visitors of Windham.

Respectfully Submitted,

Brent J. Libby, Chief

Windham Public Library

Annual Report 2016

The mission of the Windham Public Library is to be your center for community, information, technology and entertainment by powering learning and fun for all ages.

In 2016, Windham Public Library served the Windham community by providing materials in print and digital format to both entertain and educate library users. The library offered valuable space to meet, programs, outreach services, school visits, and activities such as movies, games and puzzles. The library space was used for quiet study, educational and civic group meetings, story times, author talks and more! The collection includes an always expanding variety of materials to circulate and view, such as books, magazines, audiobooks, eBooks/eAudiobooks, DVD and Blu-Ray movies, music, daily newspapers, and access to computers and the internet. The library held Story Time, Books and Babies, Summer Reading Programs for all ages, a monthly Book Group, "Tea for You", a weekly knitting group, and other informational programs. In addition, the library provided outreach services to senior living facilities, preschools, and Windham elementary schools, and we checked out park and museum passes. Library staff members participated in local librarian and literacy groups to collaborate and discuss library services in the community as well as worked with RSU#14 staff and Windham Parks and Rec staff to coordinate several events throughout the year. From the statistics below, it is clear that the services are being well utilized.

2016 Statistics

Items circulated: 95,339
 Visits: 66,420
 New library patrons: 652
 New items added to collection: 3,757
 Special Requests: 82

 Maine State Park Pass – 49 uses
 Maine Wildlife Park – 75 uses
 Planetarium – 10 uses
 Tate House – 5 uses
 Willowbrook – 15 uses

PASS USAGE SAVED PATRONS \$5,073

So what's new?

New additions this year were made to our programming lineup. We held our first full year of monthly Author Talks. The program was slow to pick up in attendance, but now with the regularity of the program and consistency of promotion, we see steadily increasing attendance each month with some loyal followers. The program features authors who have recently published works of fiction or non-fiction. In 2016, Kevin Mannix, Josh Christie, Monica Wood, Russell Warnberg, Kevin Hancock, and our own Circulation Supervisor Jen Dupree were among the authors that visited. We look forward to an exciting lineup of authors in 2017.

In addition to our extensive print and digital offerings, we added a new digital service, ComicPlus. The ComicsPlus service allows patrons to borrow digital comics anytime, anywhere, with their library card. Thousands of digital comic books are available with a click of the mouse or a

tap of the finger. All patrons need is their library card and a web browser to get started. Patrons can even download the Comics Plus: Library Edition app for iPhone and iPad to take borrowed comics on the go!

The Children's Room staff worked to establish new genres for the picture book collection. This genrefication project reorganized all the picture books into different subject areas. The work included determining new shelf placement for each item, making changes to the computer record, and placing new labels on each item. This was an enormous amount of work but one that will assist library patrons in finding the items they are looking for. Because of this successful reorganization library staff members are looking for other parts of the collection to treat in the same way.

In the fall, we had major work completed to clean up and maintain the property outside the building. Much of the shrubbery and gardens were overgrown and needed expert care from a professional landscaper. We also added stone steps on the side of the building. We were fortunate to have funds donated from community members in honor of library supporters that passed away in 2016. In the Spring of 2017, we will continue to plant new shrubs and flowers that will be easy to maintain and will keep the property looking nice for years to come.

Staffing Changes— Staffing at the library remained fairly stable this year with no retirements or resignations of our regular staff. We added three new substitute Circulation Assistants to our staff list. Develan Abbott, Stephanie Vary, and Alex March all joined the staff in May. Alex began college in September and has not had much time to commit to the library while school is in session. However, Stephanie and Develan are regular faces that community members see when they visit the library.

In the 2017 town budget, the reinstatement of a position was approved for the library. In January of 2017, a full time Circulation Supervisor position will be added to our staff roster. We look forward to adding this position and the benefits to library service that it will bring.

Community collaborations—

The book group completed another Maine Humanities Council book group series in the Spring of 2016 called "Defining Wilderness, Defining Maine." This was a wonderful collaboration with MHC, and the library and book group attendees enjoyed the discussions around each book in this series. Another book series will begin in early 2017 with a theme of "Making a Difference: How Love and Duty Change Lives".

Library staff members participated in the Summerfest parade. An antique car, owned by Tom Bannen, was decorated and entered in the parade that promoted the library's three summer reading program themes. Staff members enjoyed participating and have begun planning for participation in 2017. In addition, Library Director Jen Alvino brought Windham Public Library books and other information to the Windham Wellness Fair at the Veteran's Center. The library shared a table with the Windham Parks and Rec department at this fun community event.

Visits were made each month to several daycares, assisted living, and senior housing facilities. Library staff members read stories to children and brought materials for use at all the facilities. They are able to promote library services during their visits and are able to reach community members that are not able to visit the library in person. The members we visit often comment that they truly appreciate our visits and staff members are dedicated to providing them.

Each year during Fire Prevention Week, the Children's Room staff members invite folks from the Windham Fire/Rescue Department to visit the library after story time. The children are treated to fire prevention themed stories during story time and then have an opportunity to visit with the Fire/Rescue staff and see some of their equipment. This year we had both a fire truck and an ambulance visit. The children got to sit in the trucks and talk to the staff from Windham Fire/Rescue. This is a wonderful opportunity for the children in the community to visit with important community helpers.

We also collaborated this year with the Maine Humanities Council and were awarded a grant. The Windham Public Library, Raymond Village Library, and Windham High School were awarded a grant which allowed the community to host "The Zany, Majestic Bard" as part of the celebration of Shakespeare's First Folio visiting the area. "The Zany, Majestic Bard" was a one-hour performance-lecture created and performed by David Greenham. It was a lively, fun, and educational performance that delighted and surprised audiences of all ages. The program included history, a brief guide on how to read and understand the text, the opportunity to hear some Shakespeare, and plenty of good jokes.

Finally, the library will undergo a major construction project in 2017. Significant time in 2015-2016 has been spent preparing for this. We look forward to completing the construction and continuing to provide exceptional library services to the community.

Respectfully submitted,

Jennifer Alvino

Kevin Mannix Author Talk

The Medical Loan Closet

The Windham Medical Loan Closet provides medical equipment and supplies free of charge to area residents.

The Loan Closet, located at 221 Windham Center Road, may be accessed by calling 894-5999 extension 1111. A volunteer will return the call and arrange for the loan. Volunteers are extremely grateful for donations of clean, gently used equipment, as well as monetary donations, which are used to purchase frequently requested items such as wheelchairs and walkers.

Residents, their visiting nurses, physical and occupational therapists utilize the Loan Closet more and more each year. During the 2016 calendar year items were loaned to approximately 345 individuals.

The Medical Loan Closet volunteers are diligent in their efforts to maximize their funding dollars, donations and donated medical equipment in order to try and fulfill as many loan requests as possible. Often times they find themselves cleaning and repairing wheelchairs, walkers, shower benches and the like so the items can be loaned out again.

Volunteers Marilyn Roberge, Sherene Bernier, Barbara Hall, Sue Kelly, Dianne Loring, Kristi MacKinnon, Cherie Segal, Laurel Parker and Mary Vandenburg would like to thank the Town Council for its continued generous support.

Respectfully Submitted,

Marilyn Roberge

Loan Closet Chair

Windham Parks and Recreation Department

The mission of the Windham Parks and Recreation Department is to create a sense of community through people, parks and programs.

Annual Report 2016

Windham's parks are truly a valuable resource to the members of our community, and we continue to make improvements and find ways to attract more park users. In 2016, the following upgrades were made throughout our parks:

At Donnabeth Lippman Park, the brick buildings down by the water had exterior painting done, the bigger of the two buildings was painted inside, there was a cement pad installed for the porta-potty, and a new grill was installed near the picnic pavilion. Additionally, we began to renovate the garage near the entrance to the park, which will become a storage/workshop for Park Maintenance Foreman Kevin Bailey. The department also purchased a used snowmobile for the purpose of grooming the snow shoe and snowmobile trails at both Lippman Park and Lowell Preserve. At both Lowell Preserve and Otterbrook, trail markers were replaced as needed. Kevin had the assistance of the new seasonal, part-time parks maintenance employee Fred Kelley, which helped immensely in being able to accomplish additional tasks.

Dundee Park had another busy summer with over 19,026 recorded visits. Dundee is a very popular facility for people from all over the region, including many groups from surrounding Parks and Recreation departments. We sold 300 passes, which was higher than last year, and we had 45 different groups come to the park. Overall our total revenue for the season, including entry fees, boat rentals and beverage sales was \$43,573. Our Summer Concert Series brought 1175 total visits to the park for free after 5:00 p.m. The Summer Lunch Program was introduced this year, and there were 14 season passes given out to families wishing to partake in the lunch program. Improvements at Dundee included an electrical upgrade to accommodate the Summer Concert Series and a floor under the pavilion. We also partnered with Sebago Trails Paddling Company in offering some new paddling opportunities, and they loaned us an additional canoe for the season. Many thanks to Ron and Dusti Faucher, our park managers, and all our staff at Dundee Park for a successful 2016 season!

Our summer day camp program was very successful in 2016 with 234 children enjoying one of our three day camps run by the Department (an increase of 31 children from the previous year). There are full and part-time enrollment options offered to suit everyone's needs, and we intro-

duced the Senior Camper program this year for youth entering 9th grade. The camps were stationed at the Middle School and the High School this summer. We offer a wide variety of activities at camp including field trips, arts and craft activities, games, special themed events and camp wide activities for all to enjoy and to make it a positive and active summer for all our children at camp. We had 23 staff members providing a quality experience to our campers this summer, and this summer we hired an Outdoor Recreation Coordinator for the 7-week camp program so that we could get our campers doing many more outdoor activities in our own parks and trails, and those in the Lakes region. We also offered a Summer Tennis Camp and our Summer Track Program, which had 42 participants in this year.

Our ski program at Shawnee Peak went extremely well with 50 participants in our Friday evening program and 18 participants in our Wednesday afterschool program. The department also loans out snow shoes throughout the winter months. Mad Science is offered throughout the schoolyear as an after school enrichment opportunity for grade school children, and we began to offer other new enrichment programs for pre-schoolers through middle school youth in 2016. The department offers a Discount Ticket program to both summer and winter recreational venues throughout Maine and New Hampshire, and tickets can be purchased anytime during regular business hours.

Our seniors had many choices for day trips during the year, and we have also joined forces with our surrounding communities to offer more senior options. We send out a quarterly newsletter and encourage people to call the office to get added to that mailing list. Highlights in 2016 included the following: Preservation Park in Poland, Isles of Shoals boat trip, Somerset Grist Mill, Castle in the Clouds, the Stone Mountain Arts Center, Country Sundays in Litchfield, the Fryeburg Fair, numerous shopping destinations and some great eating establishments.

The Parks and Recreation Department offers some annual special events that the community looks forward to each year, which includes the Father Daughter Dance, the Mother Son Sports Nite, and the Halloween Party, all of which were expanded in 2016 to include more participants and more participation from community groups. We also partnered with the Windham PTA in offering Winterfest at Lippman Park in February. Special calls from the North Pole were made by a dedicated volunteer and town councilman, and the 2nd Annual Community Tree Lighting was held at the Public Safety Building with much support from the Fire Department and Mrs. Nancy Cash-Cobb's 3rd grade chorus.

We also encourage all our residents to bike, hike or walk one of our great conservation and trail areas we have in Windham.

For further information on our parks, programs and special events please check our web site at www.windhamrecreation.com, and be sure to set up your household account so that you can be kept in the loop through our weekly e-mail newsletters.

I want to thank former staff members Jackie Roux and Sherri Holtan, who left the department in early 2016, for their years of service to the town. I want to thank Lynn Bucknell and Kevin Bailey for their longtime commitment to this department. The department was pleased to have Kerri Roy and Sarah Davenport join the department this year. I want to thank the Parks and Recreation Advisory Committee (Donna Chapman, Jennie Butler, Casey Dubay, Jason Hanken, Liza Libby, Pat Moody, and Shawn Plante), for the vision and enthusiasm they have brought to this department. I also want to thank Kelly and Neils Mank, Robin Mullens, Deb and Tom Matthews and Kathy and Kevin Smith for the dedication they showed in pulling together Summerfest 2016 - another great event that the Windham community enjoys every year.

The department has many wonderful plans in place for 2017, and we hope that you will find that

something we are offering is just what you were looking for!

Linda Brooks, Parks and Recreation Director

Windham Planning Department

Vision for the Windham Planning Department

The Windham Planning Department is dedicated to encourage, support and enable Windham's citizens, elected leaders and officials to:

- J Articulate and formalize their visions and goals through the creation of the comprehensive master plan, programmatic and district plans and policies.
- J Achieve the community's goals by implementing plans through ordinance and policy development, project management and the employment of a fair and predictable development review process.
- J Contribute through opportunities for meaningful participation by diverse methods at all stages of planning in order to continuously update and refine community goals, ensure transparency in planning services, and to build awareness for community issues and opportunities.

Department Mission

The mission of the Planning Department is to provide professional advice and technical expertise to citizens, elected leaders and municipal officials to assist in understanding and addressing community issues and priorities. This is accomplished through a focus on long term economic vitality, environmental integrity, and quality of place through the development of high quality plans, plan implementation and development review services.

Department Structure

The Planning Director, Ben Smith, AICP, is responsible for overall management of the department and long range planning projects. Long range projects, which are undertaken as directed by the Town Council and Town Manager, include a range of topics that deal with land development and transportation.

Planner, Amanda Lessard, is lead staff member for development review services. The majority of this work involves assisting the Planning Board and Staff Review Committee in their reviews of Subdivision and Site Plan applications by coordinating the recommendations of Town staff members and outside engineers and working with applicants on ordinance and process questions. For those not familiar with these terms, subdivision applications involve the division of land into multiple parcels, while site plan applications are typically for the construction of commercial or industrial buildings on a single parcel. Amanda also assists with long range projects as time allows.

The Town Engineer, Jon Earle, joined the Planning Department in October of 2016. Jon is responsible for plan review and construction inspection for site plan and subdivision projects. In addition, he is the Town's project manager for the 21st Century Downtown Master Plan and North Windham Wastewater Study projects. Jon also provides preliminary cost estimates for future town projects including roadway reconstruction, paving, and drainage projects. The Town Engineer also serves as the Town's Technical Committee member to the Portland Area Comprehensive Transportation System (PACTS).

Administrative Assistant, Lisa Fisher, provides assistance to the public and support on development review and research projects. Lisa also provides administrative support for the oversight of performance guarantees and development escrow accounts for projects under construction.

Development Review Activities

During the 2016 calendar year:

The Planning Department reviewed nineteen (19) subdivision applications, thirteen (13) site plans, one (1) conditional use, and four (4) ordinance amendments.

The Planning Board issued approvals for thirteen (13) subdivision applications, eight (8) site plan applications, one (1) conditional use, and recommendations for three (3) ordinance amendments.

The Staff Review Committee reviewed and approved five (5) commercial site plans.

Additionally, the department implemented electronic application packets which increased public access to submission materials, lowered costs for applicants, and improved efficiency in communication and records management.

Long Range Planning Activities

In 2016, the department worked on the long-range planning projects listed below. Additional information on these projects can be found on the department's webpage at www.windhammaine.us.

) Comprehensive Master Plan update (a top Town Council priority)

The Final Draft Plan was completed in 2016. A Town Council vote is anticipated in June, 2017.

) North Route 302 Transportation Plan (White's Bridge Rd. to Mineral Springs Rd.)

The project to reconfigure the Whites Bridge Road and Anglers Road intersection on Route 302 was completed.

) 21st Century Downtown Plan for North Windham

Comprehensive effort to build upon the sense of place in the North Windham commercial district through transportation improvements and land use planning tools.

Preliminary Engineering of improvements within the Roosevelt Trail (Route 302) and Tandberg Trail (Routes 115 and 35) has been completed. These improvements include sidewalks, sidewalks, intersection improvements, access management and looking at landscaping and lighting.

) Windham Energy Committee

This group is continuing to work on conservation and efficiency in municipal operations, including research on LED streetlight technology, and preparing for an update of the 2010 Windham Energy Plan.

) Portland Area Comprehensive Transportation System (PACTS) Planning Committee

Federally mandated transportation planning and funding agency for the region.

Looking Ahead

The Planning Department is anticipating adoption of the Comprehensive Plan in 2017. A major focus of work for the remainder the year will be setting up the Town to succeed in plan implementation.

Contact Us

The Planning Department is located on the top floor of Town Hall. The office is open Monday through Friday from 8:00 a.m. to 4:00 p.m. You may also reach us by phone at 207-894-5960 ext. 2 or via the email addresses on the Town's website. Our goal is to provide a high level of customer service, and we encourage all residents to contact us with any thoughts or questions on planning in Windham.

Yours Truly,

Ben Smith, AICP

Windham Police Department

2016 ANNUAL REPORT

The Windham Police Department consists of an organization of 30 persons inclusive of both sworn and non-sworn personnel providing police services to the Town of Windham. The department is broken down into the following divisions.

UNIFORMED PATROL

The Patrol Division consists of 19 uniformed personnel responsible for patrolling the community 24 hours a day seven days a week. The Patrol Division is charged with the responsibility of responding to citizen complaints, investigating traffic crashes and enforcing both criminal and traffic laws of the State of Maine. In addition to these duties, the patrol division consists of personnel who are certified state instructors or experts in several disciplines. These include certified use of force instructors, firearms instructors, as well as traffic crash reconstructionists, DRE's (Drug Recognition Experts), instructors in intoxilyzer / drunk driving detection and Police K-9.

CRIMINAL INVESTIGATIONS DIVISION

The department's Criminal Investigations Division is made up of six sworn full-time personnel. The division consists of, three Detectives, one School Resource Officer, a Community Services Officer and a Narcotics Investigator.

The division is primarily responsible for the follow-up investigation of crimes committed against persons or property in the Town of Windham. All major investigations that are undertaken by the Windham Police Department are conducted, or aided by investigators assigned to the Criminal Investigations Division. Some of the types of crimes investigated by the division include Robbery, Burglary, Larceny, Auto Theft, and other major crimes against persons that include all types of Assaults. The Narcotics Investigator is sworn with federal authority and is also responsible for initiating the forfeiture of property that is seized by the department as a result of criminal activity.

The School Resource Officer is assigned to the high school. In addition to providing law enforcement services to the High School, he works with the school to develop various emergency response plans and security related policies. Equally important is the school resource officer teaches various classes on criminal justice related topics at the request of staff.

The Community Services Officer's primary role is teaching various programs in the elementary and middle school levels. D.A.R.E.: Drug Abuse Resistance Education is a comprehensive 17 week curriculum taught to the fifth grade classes at the Windham Manchester School. This program's focus is to educate children in resistance to drugs and violence and peer pressure.

DARE Middle school Program: The Department also provides the DARE Middle School Program. This curriculum provides the necessary follow through that the DARE program had been lacking here in Windham in past years. The middle school program is taught to all 7th grade students. These lessons, as well as the fifth grade curriculum meet many of the federal learning standards for health curriculum and have actually been written into the Windham School System's Health Curriculum.

This year we worked with the Fire Department and sponsored a Safety Day at the Public Safety Building. Various demonstrations and displays not only from the Police and Fire Departments but from many other social service and support agencies were on hand. The event was a success and well attended, we hope to sponsor a similar event this year.

ADMINISTRATIVE SUPPORT

The Windham Police Department's administrative support staff consists of two members; they are responsible for maintaining all of the various records of the department. These include department inventory, department training records, traffic crash reports, incident reports as well as arrest reports. They are responsible for compliance with a variety of mandatory reporting on crime statistics to both the state and federal governments and also responsible to review and take appropriate actions on any Freedom of Access requests made of the department. Staff also performs the department's financial functions of accounts payable, accounts receivable and payroll.

ANIMAL CONTROL

The Animal Control Division consists of a single certified animal control officer. The animal control officer is responsible for patrolling the town looking for dogs running at large, disturbing the peace or in violation of dog leash law and licensing ordinances. The animal control officer also is responsible for the proper disposal of dead and seriously injured domestic animals in the town.

EMERGENCY COMMUNICATIONS

The dispatching and E911 services for the Windham Police Department are provided by the Cumberland County Regional Communications Center located in South Windham. The center services most emergency services in central and western Cumberland County. They are a full service E911 Public Safety Answering Point equipped with the most modern and up to date technologies and emergency communication policies and procedures.

NETWORKING PROGRAMS

In order to provide services to the many different demographics of our community, the department has developed and enhanced partnerships with several different agencies this year. TRIAD is an organization to help develop various services to seniors in our community. We have joined the Westbrook / Gorham TRIAD to help bring services to seniors in Windham. We have developed a working relationship with Family Crisis Services. FSC provides various supports for people dealing with domestic violence related issues. We find that Family Crisis is an important asset in our efforts to investigate and provide services to our citizens dealing with these issues. Trauma Intervention Prevention Services (TIPS) is an organization that provides trained volunteer to respond to traumatic events to lend assistance to family, friends and the community in general. TIPS provide enormous support to emergency service providers while working on the difficult situations. We have also established a reading program at the Primary School. Officers go to the school to read to classroom to help support the school in a positive personality trait the school is trying to teach during that time frame. This program was received very well by the students, staff and parents. We will continue to look for opportunities to partner with group to help provide services to our community.

OPIOID CRISIS

The State of Maine as well as many other regions of the country has been battling an Opioid crisis in recent years unfortunately Windham is no exception. 2016 saw several deaths attributed to acute opioid poisoning. The department has taken a three pronged approach to addressing this crisis.

NARCAN: the state has made available Nasal Narcan for police departments. Nasal Narcan is an opiate antagonist that reverses the effects of respiratory arrest caused by an opiate overdose. During the final four months of the year, Windham Police Officers administered Nasal Narcan to four people most likely resulting in saving their lives.

Increased enforcement: As mentioned above, we have an investigator assigned to the federal HIDTA drug task force in the state. This task force focuses on high level multi-jurisdiction drug traffickers. When school is out, we are able to reassign personnel, to investigative resources. We partnered with the Gorham Police Department to assign officer to work collaboratively in the two towns. Last summer the officers made more than 12 arrests, several of which were people transporting Opiates into the region from out of State.

Treatment and Support: The department has collaborated with the Towns of Westbrook, Gorham, Buxton as well as the Sherriff's Department in applying for and receiving a grant to help people suffering with substance use disorder. The grant allowed for hiring a Recovery Liaison specialist. This person helps people seek treatment, employment, housing and other resources that help people transition from treatment into long term recovery. The grant also allowed for training in excess of 20 people in the region to become recovery coaches. Recovery coaches provide more one on one support for people.

ANNUAL STATISTICS FOR 2016

Calls for service	18,117	
Arrests	515	
INDEX CRIMES *	REPORTED	CLEARED CASES
Criminal Homicide	1	1
Rape	2	0
Robbery		
Assault	104	93
Burglary	30	7
Larceny/Theft	230	93
MV Theft	10	2
Arson	0	
TRAFFIC		
Total Traffic Stops	3607	
Total Citations	519	
Total Warnings	1527	
OUI	69	
Total MV Accidents	532	
Fatal	4	
Personal Injury	117	
Property damage	378	
Non-reportable	33	

New Faces: The department has hired two new patrol officers this year. Officer Devyn Rogers joined the department in August. Devyn came to us from working as a corrections officer in the Cumberland County Jail. He holds an associate's degree in Criminal Justice and is currently in the military reserves. Devyn attended the Maine Criminal Justice Academy graduating in December.

Officer Jeff Ruth has joined us coming to us from the Portland Police Department. Jeff holds a bachelor's degree from St. Josephs college, is a longtime Windham resident where he resides with his wife a children. Jeff maybe familiar to many of our residents as he is active in youth sports and volunteers hours in coaching rec sports teams.

Both officers are tremendous additions to our department and the community, we are fortunate to have them on board.

Grants: The department has participated in several grant programs that help provide services to our citizens improve our operations and provide our officers with equipment they need to perform their duties in an efficient and safe manner. We have utilized Bureau of Highway Safety grants to procure overtime funding for speed enforcement details; we have also received a new radar unit from the bureau as well. Edward J. Byrne grant funding was used to procure new Tasers for our officers. Home Land Security grants were used to upgrade locks at the public safety build from punch key to a proximity card reader system. Both Federal and State grant programs pay for a portion of new ballistic vests and carriers for new officers and those existing vests that get replaced on a five years schedule. As mention above, a collaborative grant with area communities developed and paid for a recovery liaison program to help combat the opiate abuse disorder crisis.

We hope that this report not only shows the level of work associated with enforcement efforts from the department, but also demonstrates the various levels of skills and expertise of our officers as well as the collaborative efforts to help ensure our citizens receive professional and prompt services.

Respectfully submitted,

Chief Kevin L. Schofield

Annual Report Highlights of the Calendar Year 2016

Personnel

- J David Dickson retired as Building & Grounds Supervisor
- J Brian Morin was promoted to Building & Grounds Supervisor
- J Antonio Villacci was hired to Building and Grounds
- J Matthew Thomes was hired to Building and Grounds
- J Gretchen Anderson was hired as the Town's new Stormwater Compliance Officer
- J Sam Pelletier was hired as the Public Works Service Writer / Parts Controller
- J Forrest Lamb was promoted from Truck driver to an Operators position
- J Kevin Kimball was promoted from Truck driver to Highway Maintenance Supervisor

Equipment Purchased

- J Harper Goosen Bale Chopper
- J Haulmark Utility Trailer for Buildings & Grounds
- J Single Axel Dump Truck with Plow

Maintenance Accomplishments

- J Catch Basin Location Marking – 146 man hours
- J Cleaned Catch Basins – 561 cleaned, 164 man hours
- J Sign Installation and Repair – 110 man hours
- J Cold Patched Town Wide – 161 man hours
- J Brush Cutting and Clearing – 40 man hours
- J Shoulder Work – 281.5 man hours

Storm Water

- J Updated the Stormwater Operation and Maintenance Plans for municipal facilities - Fire Stations, Police Stations, and Buildings & Grounds.

-) Updated and streamlined inspection documentation for the Public Work's Stormwater Pollution Prevention Plan (SWPPP) and Spill Prevention, Control, & Countermeasure Plan (SPCC).
-) Conducted annual stormwater training for departments that have the potential to pollute stormwater – Fire, Police, Building and Grounds, Public Works, Code Enforcement.
-) Completed a Stormwater Page for the Town website, which can be accessed under the Public Works tab – page contains basic Stormwater information, MS4 permit information, the Town's annual reports, etc.
-) Completed an Illicit Discharge Detection and Elimination Manual to increase efficiency for identifying and remediating possible pollution sources.

Town Wide Road Striping

-) Double Yellow Centerlines - 292,210 feet
-) White Lines - 392,096 feet
-) Directional Arrows - 268
-) Letters - 222
-) Lane Lines - 6,307
-) Stop Lines - feet of 12" - 277
-) Stop Lines - feet of 24" – 1,195
-) Crosswalk Markings - 2,207 feet
-) Yellow Lines Around Islands - 680 liner feet
-) Parking Spaces - 218
-) Handicap Parking - 6 No Parking 10 each

Roadside Mowing

-) 286 Hours - 30 Days - 105.75 Miles

Grading Dirt Roads

-) 89.5 Man Hours

Roadside Clean up

-) Sweeping
 - Road Sweeping - 664 Man Hours
 - Hand Sweeping - 226 Man Hours

Permits Issued

-) Driveway permits - Issued 48 permits
-) Street Opening permits - Issued 59 permits

Road Paving Program

-] Ditched, replaced or upgraded drainage removed & replaced culverts & cross culverts, re-set basins & paved swales as necessary
-] Dutton Hill Road – Surface Paved
-] Highland Cliff Road from Pope Road to the Church- performed drainage work
-] Evergreen Lane – Overlay pavement
-] Haven Road – Overlay pavement
-] William Knight Road – Reclaimed & Base Paved

Winter Storm Events & Material Usage ~ responded to 23 snow/ice events, some multiple day events

-] Snow Events - 15 events
-] Inches of Snow - 87" of snow
-] Ice Events - 8 ice/sleet/freezing rain events
-] Ordered 8,591 gallons of winter calcium, 1,528 tons of salt, and 5,039 yards of sand
-] Mileage Driven - 32,264 miles

Building & Grounds Maintenance Division

Maintained 9 Municipal buildings & grounds

-] Mowed & manicured municipal grounds

Maintained 26 Cemeteries

-] Clean up commenced in April
-] Mowed cemeteries through the season
-] Special preparation for Memorial Day, Veterans Day, & Labor Day
-] Preparations for Presidential election (voting)
-] Replaced door header on the salt shed
-] Replaced 6 emergency exit lights, 4 at the gym and 2 in the Annex.
-] Added new water main and ran new pex water lines to Public Works and bus garage.
-] Replaced exterior door at SS Building
-] Painted the Annex hallways
-] Painted Lobby of the Public Safety Building
-] Added drainage on the Fire side of the Public Safety Building
-] Replaced two windows at Public Safety Building
-] Replaced carpeting on the lower level of SS Building due to flooding, as well as located drainage pipes which stopped the flooding of the lower level
-] Added two electronic locks on the "new" South Windham Fire Station

Fleet Maintenance Division

Maintained all vehicles & equipment used by Public Works, Police Department, Recreation Department & Town Office

Fabricated plow parts, wing parts

Fabricated Hot Box and the trailer it is stationed on

Took initial inventory of stock room

Respectfully Submitted by,

Doug Fortier, Director of Public Works

Assisted Fire Department 11/18/2016

Social Services

General Assistance

The Town of Windham's General Assistance Program (G.A.) is a state mandated, municipally administered financial assistance program. It was designed to be a program of "last resort" for residents who are unable to provide for their basic needs. The G.A. office is located in The Family Resource Center at 377 Gray Road. It is overseen by the Assistant Town Manager/H.R. Director and is staffed by René Daniel, G.A. Administrator.

Assistance is available for basic necessities as defined by local ordinance and state statutes. Eligible applicants are assisted through payments made to specific vendors. Administrative costs of the program are paid for through tax dollars. The state reimbursed the Town 70% of the cost of general assistance benefits paid for residents. In 2016, \$6,588.53 was issued to eligible recipients prior to reimbursement. This reflects a 54% decrease in overall general assistance costs from 2015. The decrease is attributed to continued diligent oversight of the program: Administration by a certified General Assistance Administrator, strict adherence to the ordinance, continued education regarding the program, furnishing food and non-food assistance through the Windham Food Pantry, and the lower than expected cost of heating fuel which significantly reduced requests for heating assistance.

General Assistance Expenditures 2009 – 2016

Under G.A., applicants must provide verification of their income and expenses, residence, and if unable to work, medical documentation substantiating their work limitations. Applicants are required to seek work if they are physically able and/or to apply for assistance through other state and federal programs that may be available to them. A determination of eligibility is made for a thirty-day period based on anticipated earnings. Individuals and families that do not qualify for financial assistance are referred to local resources appropriate to their need(s).

Please call 892-1906 to schedule an appointment. Office hours: Monday – Friday 8am to 4pm.

2016 General Assistance Expenditures

Type	Inter-views	#Cases	#People	Benefit Provided
Housing	120	12	32	\$6,253.28
Emergency Housing	14	0	0	\$0
Heating	38	0	0	\$0
Electric (non-heating)	24	4	17	\$216.94
Propane (non-heating)	12	0	0	\$0
Food	76	0	0	\$0
Prescriptions	6	0	0	\$0
Medical Services	2	0	0	\$0
Dental Services	2	0	0	\$0
Burials/Cremations	6	0	0	\$0
Diapers/Baby Supplies	20	0	0	\$0
Household/Personal	76	0	0	\$0
All Other Needs	1	1	5	\$118.31
	397	17	54	\$6,588.53

Food Pantry/Clothes Closet

The Food Pantry and its companion Clothes Closet were established in response to a growing need for assistance in the community. Food insecurity is a real and urgent issue and it is being addressed at the Food Pantry with confidentiality and compassion through private appointments with the Social Services Assistant, Colette Gagnon.

Clients are served once a month and receive fresh milk, eggs, bread, and vegetables/fruit (when available) in addition to meat and staple items. Families with children are provided with "extras" during school vacations and the summer break. In 2016, the Pantry served 3,174 families made up of 5,661 people.

In 2016 the Food Pantry received U.S.D.A. surplus and "rescued" food from Wayside Food Rescue and has maintained a relationship with The Good Shepherd Food-Bank. The Food Pantry relies on, and is very fortunate to have, generous individual and corporate donations as well as community participation during food drives. In 2016, local businesses, churches, service groups, grocery stores, schools and individuals have all been very generous and provided the Food Pantry with \$32,914.89 in cash donations. The Town would like to thank these businesses, organizations, churches, and volunteers that assist those in need throughout the year.

The Food Pantry and the Clothes Closet are open Monday – Thursday 8am – 4pm. Food Pantry clients must provide proof of residency – i.e. utility bill or lease. There is no residency requirement for items needed from the Clothes Closet. Call 892-1931 to schedule an appointment.

Respectfully Submitted,

Phyllis Moss, Assistant Town Manager/H.R. Director

Town Clerk

This year I would like to start by saying Thank You to my staff, Judy, Rita, Donna, and fellow co-workers Judith, Joanne, Lucy and Stephanie for helping me survive the Presidential Election and for all the great work they do all year long.

It was very obvious after this spring's Democrat and Republican caucuses' that something needs to change. Due to the sheer numbers of people who came out to register and participate in the caucus; which generated long lines, impatient people and a delay to the start of both Caucuses'; the Secretary of State's Office plans to submit a bill to the Legislature regarding the administration/logistics of a Presidential Primary. The last time Maine held a Presidential Primary was in March of 2000.

The Secretary of State's Office replaced all municipalities' old AVS voting machines with new Express Vote machines. These machines can be used by any voter, but they are extremely beneficial for voters who might have problems with hearing and vision, etc.

At the June Election we had 659 voters participate, with 11,955 registered to vote. At the November Election had 10,140 voters participate, with 12,576 registered to vote. We broke our record by 782 voters. We also broke our absentee voter record by 513 voters. We had over 1,200 people register to vote prior to Election Day and on Election Day, our highest so far!

Clerk's Statistical Data

	Births	Marriages	Deaths	Hunting/Fishing	Dogs	Concealed Weapons
2012	167	112	121	1173	2093	247
2013	196	130	120	1259	2058	345
2014	193	119	125	1261	2110	207
2015	182	140	147	1211	2117	175
2016	211	124	162	1257	2202	138

Donna Emerson joined the Clerk's Office in October. We were glad to have her, and we were very grateful the busy election season did not scare her off! Election work was pretty much all she was taught her first several weeks on the job.

Our current Boston Post Cane recipient is Isabel Taylor. Isabel received the cane in November of 2015. She has been a Windham resident since 1951, and she taught for 24 years in the Windham schools.

Our annual Rabies Clinic went well again this year. Dr. Griffin and his Assistant came to give the shots. The Lakes Region Animal Hospital has been doing this for 20+ years, and we are very grateful for their assistance in our program.

Each year in early December Judy Vance and I buy Christmas gifts that we deliver to Social Services. They give them to the children of Windham whose families need a little help with the holiday. We collect donations by performing marriage ceremonies at Town Hall and from people who need Dedimus Justice Services. I would also like to thank those residents who know we do this and who stop by each Christmas season to give us a donation to add to our fund.

Respectfully Submitted,

Linda Morrell, Town Clerk, CCM

Paul R. LePage
GOVERNOR

STATE OF MAINE
OFFICE OF THE GOVERNOR
1 STATE HOUSE STATION
AUGUSTA, MAINE
04333-0001

Dear Citizens of Windham:

Maine has a long tradition of civil participation in both state and local government, and I thank you for being informed and involved citizens.

My vision for Maine is prosperity, not poverty. For this reason, one of my top priorities continues to be the reduction and eventual elimination of the income tax. Raising the minimum wage is not the path out of poverty; I want Mainers to earn a career wage. Reducing the income tax is the biggest and most immediate pay raise for all hard-working Mainers.

Not only does an income tax cut put more money back in your pockets, but it will also attract businesses that can offer good-paying careers to keep our young people here. It shows the nation that we are serious about wanting people and businesses to come—and stay—in Maine.

Unfortunately, voters approved a referendum question to raise the income tax to 10.15% on successful Maine households and small businesses. Enacting the second highest income tax rate in the country shows the nation we are eager to punish people for being successful. It will drive them out of our state and make it even more difficult to attract much-needed doctors, dentists, scientists, engineers and other professionals to Maine. They can live in neighboring New Hampshire, which takes no income tax from their paychecks. Even worse, there is no guarantee the extra revenue from this tax will go to fund education, as proponents promised.

As successful people leave Maine, state and municipal government will lose the significant amount they pay in property, sales and incomes taxes. This will put even more upward pressure on local property taxes. Municipalities will have to get more creative to provide local services without increasing property taxes. Reforming the tree growth program, collecting property taxes on land in conservation or preservation programs, charging a payment in lieu of taxes on state land that is taken off the property tax rolls and having non-profit organizations pay a two-percent tax on their net revenues are all ways for municipalities to increase revenues.

Such bold measures would take strong leadership and commitment from local officials and residents. If ever I can be of assistance to you or if you have any questions or suggestions, I encourage you to contact my office by calling 287-3531 or by visiting our website at www.maine.gov/governor.

Sincerely,

Paul R. LePage
Governor

United States Senate

WASHINGTON, DC 20510-1904

Dear Friends:

It is an honor to represent Maine in the United States Senate. I am grateful for the trust the people of our State have placed in me and welcome this opportunity to share some key accomplishments.

Growing our economy by encouraging job creation remains a top priority. The tax relief bill enacted during this last Congress contains provisions I authored to provide small businesses with the certainty that they need to invest, grow, and, most important, hire new workers. The 2017 National Defense Authorization Act includes a provision the Maine delegation worked together to champion requiring that military recruits be provided with athletic footwear made in America, as is required for other equipment and uniform items whenever possible. This is a great victory for our troops and for the 900 skilled workers at New Balance factories here in Maine.

Maine's contributions to our national security stretch from Kittery to Limestone. As a senior member of the Appropriations Committee, I successfully advocated for critical funding for projects at the Portsmouth Naval Shipyard and \$1 billion towards the construction of an additional ship that will likely be built at Bath Iron Works. This funding will strengthen the Navy and our national security, and the additional destroyer will help meet the Navy's goal of a 355-ship fleet.

Maine's growing population of older individuals creates many challenges. That's why, as Chairman of the Senate Aging Committee, my top three priorities are fighting fraud and financial abuse directed at our nation's seniors, increasing investments in biomedical research, and improving retirement security.

The Aging Committee's toll-free hotline (1-855-303-9470) makes it easier for senior citizens to report suspected fraud and receive assistance. Last May, a call to the hotline helped lead to the arrest of a national crime ring targeting seniors, and in June I worked to secure the humanitarian release of a Maine senior who had been imprisoned in Spain after being victimized by an international drug smuggling scam.

The Aging Committee also released an extensive report detailing the findings of our bipartisan investigation into the abrupt and dramatic price increases for prescription drugs whose patents expired long ago.

I advocated strongly for the \$2 billion increase in funding for the National Institutes of Health to advance research on such diseases as diabetes and Alzheimer's. I also championed and authored portions of the 21st Century Cures Act that will further support biomedical innovation and make significant reforms to our mental health system.

The Senate also took steps in the past year to combat the nation's heroin and opioid epidemic by passing the Comprehensive Addiction and Recovery Act (CARA), which I was proud to cosponsor. CARA is a monumental step forward in our effort to address the devastating addiction crisis affecting countless families and communities across the country and right here in Maine.

A Maine value that always guides me is our unsurpassed work ethic. In December 2016, I cast my 6,236th consecutive vote, continuing my record of never missing a roll-call vote since my Senate service began in 1997.

I appreciate the opportunity to serve Windham and Maine in the United States Senate. If ever I can be of assistance to you, please contact my Portland state office at 207-780-3575 or visit my website at www.collins.senate.gov. May 2017 be a good year for you, your family, your community, and our state.

Sincerely,

Susan M. Collins

Dear Friends of Windham,

Since being sworn into the Senate in 2013, I have made it my mission to address at the federal level the most important issues facing our great state. Working closely with my colleagues in the Maine Congressional Delegation, we've been able to successfully secure a number of legislative victories that support our state's economy, our rich traditions, and the hardworking people I am proud to represent.

In an increasingly polarized Congress, my goal as an Independent is to put partisanship aside, build consensus and further common-sense solutions to address the needs of the American people. To this end, I have co-founded the Former Governors Caucus, a group of former state executives who are frustrated with legislative gridlock and eager to find bipartisan solutions. And as always, I aim to bridge the partisan divide by hosting barbeque dinners in Washington with colleagues ranging from Ted Cruz to Elizabeth Warren. If you know a person's children, then you see them as a mother or father and not a rival vote, and working to further personal dialogue and build relationships can lay the foundation for successful legislation.

One of the accomplishments of which I am most proud is the legislative victory that protects our college students and their families from an expensive hike in student loan interest rates. In 2013, as students faced a significant spike in interest rates that would have taken thousands of dollars out of their pockets, I brought together colleagues from across the political spectrum to broker compromise legislation called the Bipartisan Student Loan Certainty Act. Thanks to this bill, students will save \$50 billion over the next 10 years by lowering their interest rates, which means that a student in Maine will now save between \$3,000 and \$6,000 over the life of their loan.

Being an Independent in the Senate has allowed me to make calls and vote on policies that are best for Maine, but it has also made it possible to play key roles in finding simple solutions and legislative fixes that make good commonsense to both parties. Of course, much of what we do in the Senate doesn't happen on the Senate floor, or even in committee. Instead, it involves working across all levels of government to ensure the State of Maine receives attention and support from the federal government.

Take, for example, the opioid and heroin epidemic devastating communities across our state. While Congress has passed legislative solutions aimed at expanding access to medical treatment, I've also pressed for other changes that can be accomplished more quickly and make a more immediate difference in Maine. For example, I successfully urged the U.S. Department of Health and Human Services to increase the number of patients to whom a doctor can provide medication-assisted treatment, and in 2015 brought the Director of the Office of National Drug Control Policy to Brewer to meet directly with Mainers and hear their stories. I've also engaged law enforcement – including the Drug Enforcement Agency – to crack down on the production of opioids and work to limit their diversion. Together, Senator Collins and I helped pass the Northern Border Security Review Act to combat drug and human trafficking along our border with Canada.

While the opioid epidemic is certainly our biggest public health crisis, job loss in Maine is still our number one economic problem and that's why we need to focus on bringing good paying jobs back to Maine and protecting the ones we still have. As a member of the Armed Services Committee, I teamed up with Senator Collins and Representative Poliquin to successfully secure a provision in the defense bill that can help domestic shoe manufacturers like New Balance. The three of us also worked together with the Department of Commerce to establish an Economic Development Assessment Team, known as an EDAT, to assist Maine's forest industry in the wake of several mill closures. We have an incredible spirit of innovation and ingenuity in Maine and I believe finding ways to invest in that spirit will reignite Maine's forest products sector and our economy. Part of our economic path forward must also include expanding access to high-speed broadband, which can help connect our businesses and communities to information and economic opportunities.

As a member of the Senate Armed Services and Intelligence Committees, I work to keep Maine and our nation safe. Part of that important work means continuing to work for funding for the construction of Navy ships that will be used to protect American interests across the globe. We all know that "Bath Built is Best Built," which is why I've fought to authorize funding for Navy ships built at BIW. The best way to preserve peace is by deterring war through unassailable strength, and to do that we must support our shipbuilders and our brave service members and invest in our military. I strive to meet this solemn responsibility every day as a member of these committees, which is why I hardly ever miss a hearing and take great care in overseeing the agencies sworn to keep us safe. Armed Services Chairman John McCain called me "one of the most serious and hard-working members" of the Committee, and that's a humbling compliment from a true American hero.

As always, please call or write me with thoughts or concerns with matters currently before Congress, or if you need assistance navigating a federal agency. As a public servant, it is critical to me to listen and learn from you, which is why staying connected with people from all over our beautiful state remains a top priority for my work in the Senate. Please call my toll-free line at 1-800-432-1599 or one my offices: Augusta: (207) 622-8292, Bangor: (207) 945-8000, Presque Isle (207) 764-5124, Scarborough (207) 883-1588, or Washington, D.C. (202) 224-5344. You can also write me on our website at www.king.senate.gov/contact.

It is an honor and a privilege serving the people of Maine in the Senate, and I look forward to working with you in our search for a more perfect Union.

Sincerely,

Angus S. King, Jr.
United States Senator

128th Legislature
Senate of
Maine
Senate District 26

Senator Bill Diamond
10 Crown Point
Windham, ME 04062
(207) 892-8941
diamondhollyd@aol.com

Dear Friends of Windham,

I am pleased and humbled to be returning to the State House for another term as your state senator. I will continue to work very hard to be your voice in the Senate and I appreciate the confidence you have shown in me.

Once again the Legislature is divided, but this year the margins are smaller. This is a fair representation of our state. In my view, Maine is neither blue nor red; we expect our leaders to know their constituents and represent them using common sense. We in Augusta have a responsibility to cooperate in order to do the right thing for Maine's families. Party affiliation should be an afterthought.

The 127th Legislature was very constructive because we all worked together. We took action on Maine's opioid epidemic, extended tax relief for Maine's teachers and homeowners, approved funds to fix our roads and bridges and boost Maine's technology sector, passed sensible welfare reform, and created the Invest in Maine Capital Fund, which will bring more businesses – and jobs – to Maine.

On the all-important matter of education, we closed a \$15 million school budget shortfall, funded more Maine State Grants to help our kids succeed in college, and addressed the issue of student loan debt by expanding Opportunity Maine, our program to help Mainers pay off their loans. And I am pleased that several of my own measures designed to keep our kids safe from predators were signed into law.

As we move forward with the 128th Legislature, please know that I am always available to hear from you. In addition to the open public meetings I hold around our district periodically, I would encourage you to sign up for my legislative email updates. Just contact me if you would like to join. I can be reached by phone at (207) 892-8941 and by email at diamondhollyd@aol.com.

Again, it is an honor to represent the hard working people in the communities of Senate District 26. I wish you the very best and look forward to seeing you around.

Sincerely,

Bill Diamond
State Senator

INTERIOR, ENVIRONMENT, AND RELATED
AGENCIES

Dear Friend,

I hope this letter finds you well. It's a privilege to share an update on my work to represent you and your family in Washington and in Maine.

As always, the interests of my constituents are what guide my work. There are many things I could talk about in that regard. But I want to focus here on one issue of particular importance—economic development. Having good-paying jobs allows future generations to make this wonderful state their home. With that goal in mind, I'm working to address Maine's economic challenges and capitalize on its opportunities.

One such opportunity is agriculture, where Maine is bucking national trends. The average age of our farmers is actually going down while acreage in cultivation is going up. Consumer demand for local food is driving that growth. I've been successful in reforming federal policies to help farmers and processors meet that demand. My work will continue this year as Congress reauthorizes the Farm Bill.

I'm also working to support jobs in our coastal communities. Last year, I helped block Sweden's proposed ban on the export of Maine lobsters to the European Union. I also introduced legislation to lift unnecessary regulations on seafood exporters and invest in working waterfront infrastructure.

On the House Appropriations Committee, I'm defending federal programs that support jobs throughout Maine. These programs invest in worthy projects that are beyond the reach of private, municipal, or state resources. In our state, they provide loans to small businesses, clean polluted sites for redevelopment, find new marketable uses for Maine's natural resources, build broadband infrastructure, and much more.

Aside from economic development, advocating for Maine veterans is one of my highest priorities. With Congress' current agenda, I'm also fighting to defend Medicare and Social Security, protect clean air and water, and ensure that our communities have the resources to address hunger, homelessness and lack of health care access.

Just as important as my policy work in Washington is what my office does to help individuals in Maine. Every year, my staff helps hundreds of constituents who have issues with federal agencies or programs. Please call my Portland office at (207) 774-5019 for assistance. It's an honor to serve you.

Take care,

Chellie Pingree

Windham, ME 04062

Dear Friends and Neighbors,

I would first like to thank the residents of Windham for electing me as your State Representative. It has been a pleasure to serve the residents of House District 25 in the Maine Legislature. I am honored that you have entrusted me with this responsibility as I serve my second term as your Representative.

Among the items lawmakers will be taking up this session are the two-year budget that begins on July 1st, 2017 and the referendum questions passed on last November's ballot, including new laws that increase the minimum wage, eliminate the tip credit, raise Maine's top tax, and legalized marijuana. Further steps to address the state's ongoing opioid crisis are also expected to be considered. The Maine House and Senate will take up over 2,000 pieces of legislation during the first session which ends in June.

To do my job well, I will continue to send legislative updates e-mailed weekly throughout the year to all who would like to stay informed as to current state news. If you wish to receive these updates, please contact me at Patrick.Corey@legislature.maine.gov or www.facebook.com/representativepatrickcorey.

Again, thank you for giving me the honor of serving you in Augusta!

Sincerely,

A handwritten signature of Patrick W. Corey in black ink.

FINANCIAL STATEMENTS (CONT.)

Statement 5

TOWN OF WINDHAM, MAINE
Reconciliation of the Statement of Revenues, Expenditures,
and Changes in Fund Balances of Governmental Funds
to the Statement of Activities
For the year ended June 30, 2016

Net change in fund balances - total governmental funds (from Statement 4)	\$ 1,667,324
Amounts reported for governmental activities in the statement of activities (Statement 2) are different because:	
Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of those assets estimated useful lives as depreciation expense. This is the amount by which capital outlay (\$2,057,207) exceeded depreciation expense (\$833,508) and net book value of disposed assets (\$39,020).	1,184,679
Revenues in the statement of activities that do not provide current financial resources are not reported as revenues in the funds.	(86,000)
Some expenses reported in the statement of activities do not require the use of current financial resources and, therefore, are not reported as expenditures in governmental funds. This is the decrease in accrued interest (\$6,727) and accrued compensated absences (\$4,508) and the increase in other postemployment benefits liability (\$85,027).	(73,792)
Capital lease proceeds provide current financial resources to governmental funds, but issuing debt increases long-term liabilities in the statement of net position. Repayment of lease principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the statement of net position. This is the amount by which lease repayments (\$500,613) exceeded proceeds (\$339,461).	161,152
Bond proceeds provide current financial resources to governmental funds, but issuing debt increases long-term liabilities in the statement of net position. Repayment of bond principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the statement of net position. This is the amount by which bond repayments (\$1,785,000) exceeded bond proceeds (\$1,668,000).	117,000
The Town is amortizing the deferred charge on refunding and the issuance premium over the life of the refunding bond. This is the amount by which the amortization of the premium (\$180,506) exceeded the amortization of the deferred charge on refunding (\$163,286).	17,220
Some expenses reported in the statement of activities do not require the use of current financial resources and therefore are not reported as expenditures in the governmental funds. This is the increase in the net pension liability with the related changes in deferred inflows and outflows of resources.	(266,147)
The Town has bonds that were originally issued for School purposes. These amounts will be funded by Regional School Unit #14 when the debt service payments are due. The Town has recorded a long-term receivable for the amount that will be paid by the School Unit for these bonds. The amount of the receivable at year end was \$14,300,000 with principal amounts paid off during the year totaling \$1,635,000.	(1,635,000)
Change in net position of governmental activities (see Statement 2)	\$ 1,086,436

See accompanying notes to basic financial statements.

TOWN OF WINDHAM, MAINE
Statement of Revenues, Expenditures, and Changes in Fund Balance
