## The Best Reasons

*Why we can serve you  
better and cheaper  
than all others:*

**First.**—Our store is small. We pay rent for just what room we need, and no more.

**Second.**—We carry a complete but small-sized stock. No investment in unsalable goods.

**Third.**—We employ no clerks. Our own personal attention is given to every customer.

**Fourth.**—To merit the patronage of the people of Carmel—which we want—we are willing to put ourselves out a little, if necessary, to please you.

**YOU ARE ALWAYS WELCOME HERE.**

## YOUR PRINTED MATTER

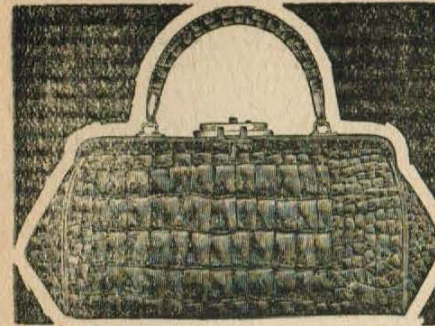

—nine times out of ten—is the only representative you send to out-of-town customers, and prospective customers. Probably you solicit business from persons you have never seen, and from persons you don't expect to see. In these particular cases, your printed matter represents you—the letter head is read before the letter—the first impression on your prospective customer is made the instant his eye perceives the printing on your stationery.

**USE CARE** in the smallest preparation of your copy—say just enough and say it just right. Select well your printer, and remember "the business man is judged by his printed matter.".....**FIRST IMPRESSIONS** are long-lasting. Let us make the impression on your stationery; and your stationery, in turn, will make good impressions on the people who receive it.
