LIBRARY

Patricia Makley, Librarian
Brenda Gould, Saturday Librarian

OTHER OFFICIALS

Osman Hart, Animal Control Officer
Hartley Mowatt, Emergency Mgmt. Director
Shane Poland, Code Enforcement Officer
Sidney Abbott, Plumbing Inspector
Shannon Moxcey, General Assistance

MANAGER'S LETTER

To the voters and residents of West Paris,

I respectfully submit the 56th annual Town Report. Our community has had a relatively quiet year with the exception of the fire that destroyed much of the Penley Brothers mill. Our cover bears a picture of the mill from an earlier time. I thank Richard Penley for providing us with the photo.

We continue to enjoy the benefits of changes in and additions to the services provided by your town's government. We are seeing an increase in the use of debit/credit cards for transactions at the Town Office. Our website contains links so that you can re-register automobiles, snowmobiles, all terrain vehicles and boats. Also available is an on-line link where property taxes can be paid and residents can purchase hunting and fishing licenses.

The improvements made at the transfer station have resulted in continued savings. Our compactors have allowed us to reduce transportation costs. The single sort recycling program continues to be well received. The town was a recipient of an award for Most Improved Program from the Maine Resource Recovery Association.

Financially we are holding our own. We note that our fund balance has dropped to \$588,059 which is still sufficient to meet our cash flow needs but we will not be able to use as much to reduce the tax rate as we have in previous years.

We have purchased a well maintained 1990 Champion Grader replacing our 1964 Austin-Western, improving the capabilities of our Highway Department. Road surface reclamation and paving was performed on Maple Street, Farrar Lane, Park Street, Smith Street and a portion of Morse Hill Road as part of our road surface management program.

In closing I wish to thank all who contribute to our community by serving on the various boards and committees, associations, auxiliaries and as officials. Thanks to Donna, Karen, Bill, Warren, Troy, David, Kevin, Patty, Brenda, Norm and our firefighters for being the finest municipal team in the State of Maine.

Respectfully,
John F. White
Town Manager

ASSESSORS REPORT

The Town's assessed valuation as of April 1, 2013 was \$87,759,787 which is an increase of \$1,612,000 from 2012. The local assessed valuation was certified to be 100% of the State valuation which is determined by an annual analysis of sales of real estate in Town. The 2013 tax commitment was \$1,382,216.65 up \$72,770.29 from 2012, and the tax rate was \$15.75 per \$1,000 of value.

Donna Hays, CMA, the Agent for the Assessors is in the office twice a month. If you have any assessment questions please feel free to call the Town Office.

Remember that all new applications for Homestead and Veteran's exemptions or Tree Growth must be filed prior to April 1st.

FIRE DEPARTMENT REPORT

Another year has come and gone with 2013 being the busiest for fire calls in some time. We experienced multiple calls with the largest being a fire at the former Penley mill. That fire was called in on January 29th at 1:29 in the morning. The fire burned very hot due to the old dry timber, saw dust and clothes pins that were still in storage. Many townspeople came out to watch the large fire of a building which held many memories for former workers and their families. We experienced many difficulties extinguishing the blaze once we drained the town water supply to critical within a two hour span. Crews were sent scrambling to obtain access to the river in two locations in order to maintain our water supply for our apparatus. We thank our 12 mutual aid fire departments, our Ladies Auxiliary, Tri-Town Rescue and PACE Ambulance for all the work and assistance they gave throughout the incident.

We also experienced a busy training year hosting the Firefighter 2 course which is the most advanced training class available in the State of Maine. Class started on April 1st and concluded in October with firefighters from many area towns in Oxford and Androscoggin Counties. Along with all this training, multiple fire calls continued throughout the year causing extreme exhaustion for our firefighters and mutual aid partners. Several classes had to be postponed so that the firefighters assist with fires in Turner and Otisfield.

We hope to have a less eventful year in 2014 but we are ready for whatever may occur. We have started training in house and with our mutual aid partners monthly. In April 2014 we will be hosting an interior fire attack class with the Roxbury Fire Department at Region 9 School of Applied Science in Mexico. These classes are necessary to maintain our firefighting abilities throughout the year and stay in compliance with the rules of the Maine Department of Labor.

I want to personally express my appreciation to our current membership, our auxiliary, the Selectmen and foremost, John White our Town Manager for all their individual assistance throughout the year.

Respectfully,
Norm St. Pierre
Fire Chief

Penley Mill Fire, January 29, 2013

HIGHWAY DEPARTMENT FOREMAN'S REPORT

Every year is different, 2013 had plenty of changes. We started the year with a two man crew consisting of Warren Packard and myself. We were looking for someone to work with us. On January 28 Troy Billings was hired to work with us. He had been working in Minot part time and was glad to find a full time job. We then worked some or all of the next 38 of 40 days. The time was spent plowing, sanding, salting, and maintaining the equipment. We got involved with the Penley Mill fire adding to what we do in a day's work. We are now into March and steaming frozen culverts and taking a sander out to haul gravel to fill in muddy road areas, only to put it back in the truck to sand again.

In April we are changing over to summer road work. We went to Augusta to the Equipment Show, checking out graders. I heard of a used grader in Madison, we weren't far away so I called the owner and were able to go look at it and try it out. We ended up buying it. We finished taking the the sanders out and the plow gear off the trucks and got ready to sweep the streets. In May we swept the streets and roads, graded the gravel roads, and worked on the new grader and put it in service. It is a big improvement over the old grader.

In June we cleaned a lot of stuff out of the old sheds getting it ready to sell. The old metal went to West Paris Metals and we put the surplus small equipment out for a silent auction. We put up the American Flags on Main and Kingsbury Streets. The gravel was graded as needed and started ditching and replacing culverts on Tuelltown Road.

In July we took the flags down after the 4th. Hauled gravel to Holden, Mack, and Snowfalls Roads. Work was done on Park Street where we removed the old cement sidewalk and put it catch basins and drainage, in preparation for repaving. We worked at the Transfer Station setting up a platform to permit access to the new larger demolition debris container. We also worked on Farrar Lane ditching. We replaced a culvert on Church Street. At this same time road side mowing was being done by a contractor. The town bought about 700 yards of cold mix for shimming roads, which was delivered to our gravel pit. One of the first places we put down shim was at the end of the gravel on Stearns Hill Road and there hasn't been as many pot holes as before. Other places that were shimmed were Abbott Hill and Trask Roads. The ditch on Chamberlain Road was lined to help keep it from washing away. Finally Park Street, Smith Street, Maple Street, Farrar Lane and a portion of Morse Hill Road were reclaimed and then paved. After that was done we had to build up the shoulders with gravel. Winter sand was being hauled in and salt had to be added to it and piled up. After that a culvert was replaced and some ditching was done on Gates Hill Road.

On November 1st we replaced the reservoir tank for the radiator on Engine 5 Fire Truck. Grading of the gravel continued and started putting the plow gear and wings. The grader wing needed to be worked on before it could be used. We put up the American Flags for Veterans Day. Before we knew it we were plowing, sanding, and salting till the end of the year.

Municipal Only (Trash & Zero-Sort Recycling)

25.04% Diversion Rate

OLD HOME DAYS REPORT

Old Home Days was held May 31st and June 1st, 2013 with the theme of "Red White & Blue West Paris Salutes You". This was also the same weekend that the West Paris alumni gathered at the Agnes Gray School.

The OHD set-up was moved to a new area over by Derby Hill, which yielded many compliments all around.

Jim Bennett opened the festivities with the flag ceremony and singing of periodic music. The turnout was fabulous on Friday night; hundreds were in attendance to enjoy the nightly entertainment with Hurricane Mountain, Rides with Summit Adventures, and a GREAT fireworks show. The He-Man contest and Fry Pan Toss provided some good entertainment and the largest number of participants to date.

Saturday's events were held with temps in the 90's, with many turning out for the parade. There was a huge turnout of Veteran's that joined us to ride on various floats in the parade as we honored them. B&J trains had a fantastic display during the day. The Baby Contest had the biggest group of babies since we can remember. The Petting Zoo was a very popular event through-out the weekend. Nightly entertainment on Saturday was provided by Rockin' RoadRunners.

This years Old Home Days will be held on June 13th and June 14th 2014. Fireworks, Summit Adventures, evening musical entertainment, and the petting zoo, are some of the returning events. Hope to see you there!

OXFORD HILLS SCHOOL DISTRICT SUPERINTENDENT'S REPORT

The Oxford Hills School District recognizes the value of a community centered education. The Agnes Gray School is a prime example of why this value remains true today. Its students show steady growth and achievement on state exams and the school continues to make Adequate Yearly Progress. School goals include maintaining the improvements we have already made in attendance rates, as well as academic goals in Reading, Writing and Math.

The Agnes Gray School entered into a partnership with the West Paris Public Library and the Historical Society, to offer a series of programs and events to 'Celebrate the Maine Woods'. These programs will run throughout the year, with some held at the library and some held at the school.

The district expanded its Prekindergarten Program to Agnes Gray School this fall. Early indications are that this program will help prepare students for the academic rigor and social challenges of school.

Maintaining a historic structure in the center of town has its challenges and these will need to be addressed in future years. The most significant of these is that the school lacks an adequate drop off location for students and this results in a significant amount of traffic around the school at the opening and closing of the school day. The operations committee has a plan to address this issue when finances permit.

The 2013-2014 school year has seen many changes at Oxford Hills Middle School. South Campus opened in the fall and is now home to approximately 180 students and 20 staff members. The students rotate between North and South Campus each trimester allowing them to experience each setting. The changes at Oxford Hills Middle School have created an excitement for learning. This excitement is reflected in our average daily attendance rate of 97 percent, indicating an increase in student engagement from past years. We continue to work with community partners in an attempt to expose our students to real world application of their knowledge while maximizing local resources.

The ability to have every student using one to one technology at the Comprehensive High School has had a tremendous impact on our students and teachers. This technology has enabled all students to integrate technology into every class and take advantage of a multitude of online educational resources.

The high school continues to expose all students to post-secondary options. Students have access to the Aspirations Lab, Early College classes, Financial Fitness Fair, OHCHS College Fair, Early College Visits for sophomores and juniors, Community Internships and FAFSA Nights to support families in filing the federal forms for financial support. All of these programs raise aspirations for our students and help them plan for life after high school.

We currently have over 750 students from Oxford Hills Comprehensive High School and Buckfield High School enrolled in one or more of the 16 vocational programs being offered. In each program students learn industry-standard skills in state of the art facilities. Most programs offer college credits through high school work. This enables students to get a jumpstart on their post-secondary training and careers. We have ongoing partnerships with many local businesses and organizations including Stephens Memorial Hospital, Maine Machine Products, University of Maine Cooperative Extension, and Lucas Tree. These partnerships help us train students in real-world situations for real-world careers.

The Oxford Hills School District is comprised of eight communities tightly bound by a common commitment to provide for the educational needs of the communities. Without the support of our towns, PTOs, families and businesses we would not be able to accomplish all that we do. We appreciate all the time, energy and resources everyone donates to help keep the school running efficiently.

Sincerely,
Richard Colpitts
Superintendent of Schools

WEST PARIS ATHLETIC ASSOCIATION REPORT

2013 was a great year for the West Paris Athletic Association. We would like to thank all the volunteers, parents and players who donated time, equipment and money to make our season successful.

Participation remained steady with 5 teams utilizing the facility and approximately 80 children enrolled in the summer Softball/Baseball program. Volunteers spent many hours cleaning up the ball fields at the Mann Complex in preparation for the busy season.

Accomplishments this year include upgraded power to the snack shack, power to the grandstands, the purchase of a tractor for coaches to use maintaining the fields and some much needed work on the Babe Ruth field due to flooding. The infield has been resurfaced and loamed as it is being converted to a grass infield and work is in process to replace the backstop. In addition, large boulders have been placed along the riverbank to slow down the flow of water in hopes of preventing major damage to the lower fields in the event of future flooding.

Fundraisers included the annual Little Ceasar's Pizza Kit sales as well as fried dough sales at Old Home Days. 2014 looks to be a busy year as we anticipate another year of great enrollment and continued improvements and maintenance to the complex. We hope to complete construction of a second (smaller) snack shack building for the upper fields which we anticipate to bring in additional snack shack profits. Now that we have power at the grandstands, we will be looking into some security options to deter some of the minor vandalism which has occurred in the past few years. We continue to work on replacing the wooden bleachers with low maintenance aluminum bleachers through fundraising efforts.

We are continuously looking for volunteers to coach or help coach ball teams, work in the snack shack and help maintain the facility. Anyone interested in volunteering or looking for more information can contact the Town Office.

Thanks again to everyone who contributed to WPAA's success in 2013!

**WEST PARIS PUBLIC LIBRARY
ARTHUR L. MANN MEMORIAL LIBRARY
TRUSTEES' REPORT**

The trustees are pleased to report continued interest in the library and its programs. Our librarian, Patricia Makley, has created a friendly, inviting atmosphere and is consistently helpful to anyone who needs the services provided by the library. She is assisted by Brenda Lynn Gould, our talented Saturday librarian, who makes our library a welcome destination on the weekend.

The walkway, which was constructed by Jeff Shock and leads from the parking lot to the library, is much appreciated by our visitors. The wood will be stained in the spring. The building was visited in April, at our request, by a state inspector who informed us we needed to have some work done on the wiring in the basement under the original part of the library. This has been taken care of. The garden which enhances the appearance of our site has been expanded successfully through the efforts of the Friends of the Library, who purchased shrubs and plants. Master Gardeners from the Extension Service took care of the design and planting.

Our board of trustees includes our co-chairpersons, David MacDowell and Terry Merrill; our secretary, Elaine Emery; our treasurer, Sandra Broberg; Marianne Walton; Ann Holt Payne; Les Pulsifer; Rodney Abbott; and Bruce Downing. The trustees thank the community for the support they provide for the library.

"Castle Tower" by Susan Lyons

Currently on display at the library in the **5 Photographers** exhibit

LIBRARIAN'S REPORT

5,350 children and adults used the library services and attended programs. 99 people became new members, 1 card issued in 1949 was reactivated. 6,670 books, movies, and magazines were borrowed.

A journal of the year's events at the Arthur L. Mann Memorial Library:

January: Rodney Abbott's poetry group met most Wed. nights, all year long... Pam Burke tutored children in math and reading on Wed. afternoons, during the school year. **February:** We joined Facebook, our page is updated by Susan Lyons... Valentine cookies were decorated. **March:** The Annual Easter Egg Hunt was hosted by the Friends group... Note-a-Belles gave a concert of spring themed songs... Story time for preschoolers was offered during March, April & May. **April:** Author Pat Gott read from her book *Horse Tails by Horses in Harness* to the 3rd & 4th graders. **May:** Seniors Plus person here for walk-in appointments (4 months). **June:** Old Home Days Open House... Mary Christine Hargreaves sang for the 1st & 2nd graders... Children signed up for the summer reading program (SRP) & were given reading passbooks... "Mostly Watercolors," an exhibit of the art of Joanie Kintz, opened. **July:** The Summer Explorers visited... Patty Makley read an original story & taught a craft for SRP. **August:** Author & illustrator of *The Cat with the Question Mark Tail*, D.C. Sherer & Joanie Kintz, presented an event for SRP... An Ice Cream Social, grand finale of SRP, was hosted by Pam & Jim Burke. **September:** First grade began 1st Friday visits... Libri Foundation Grant, BOOKS FOR CHILDREN, awarded. **October:** Friends' annual book sale & "buck-a-bag" sale & raffles ... Trustees honored Friends Group with a "Thank you Tea." **November:** The Boxbury School visited as part of their castle studies. **December:** We "Lit Up the Castle" & Eileen Storck's Explorers sang selections from their Christmas program & Susan Glines played the keyboard as Jim & Julia Bennett led Christmas carols & Star Gazer Farm gave wagon rides... 5 Photographers (Deb Herrick, Ann Holt, Susan Lyons, Mike Payer, Dan Trowbridge) exhibit opened.

Special thank yous to: The Friends of the Library and their president Julia Bennett, for their outstanding contributions, including free library t-shirts for the summer reading program participants who met the reading goals... Priscilla Pulsifer & Sandra Broberg for bringing books to The Ledgeview Living Center... David MacDowell for writing the Books for Children grant... The team of extraordinary weekly volunteers without which this larger library could not thrive: Priscilla Pulsifer, Beverly Stevens, Pam Burke, and Brenda Lynn Gould, who in addition to being our excellent Saturday librarian, also volunteers, often taking on special library projects: also, thank you Esther McLaughlin, Haley Young, Elizabeth Courbron, and Alex James for volunteering. THANK YOU for your support and appreciation of our beautiful library.

Respectfully, Patricia Makley, Librarian

COMMITTEE:
SPECIAL COMMITTEE
ON AGING
PERMANENT MEMBER
AFFILIATIONS:
SELECT COMMITTEE
ON THE BUDGET

Dear Friends:

It is a privilege to represent Maine in the U.S. Senate, and I welcome this opportunity to share some of my work from the past year.

Encouraging the creation of more jobs remains my top priority. I have developed a Seven Point Plan for Jobs in Maine, which includes proposals to spur small business investment, ensure robust workforce education and training, reduce regulatory red tape that stifles job creation, support Maine agriculture and manufacturing, and invest in the infrastructure needed to expand our economy. Traditional industries and small businesses remain the backbone of Maine's economy, and innovation will be important for future jobs as well. I have supported Maine's effort to lead the world in deepwater wind technology and was proud when the University of Maine and its private sector partners launched the first prototype this year. This emerging industry has the potential to create thousands of good jobs here in Maine.

BIW remains a major Maine employer and is critical to our national security. I have worked hard to support the Navy's request for a 10th DDG-51 and to continue construction on the DDG-1000s at the shipyard. This year's annual defense policy bill also contains more than 50 provisions to eliminate sexual assault from our military, including several provisions that I authored.

Partisan divisiveness in Washington continues to prevent us from addressing some of our nation's most serious challenges. Gridlock reached a peak in October with the federal government shutdown that pushed our country to the brink of defaulting on its financial obligations and damaged our economy. As the shutdown continued with no end in sight, I presented a proposal I believed both sides could support. Within days, I was leading a bipartisan coalition of 14 Senators that worked night and day to craft a plan to reopen government, avert default, and restart negotiations on a long-term plan to deal with our nation's unsustainable debt of more than \$17 trillion. Known as the "Common Sense Caucus," we will continue to work to develop solutions and bridge the partisan divide.

Earlier this year, across-the-board federal spending cuts known as "sequestration" took effect. These indiscriminate cuts jeopardized priorities from national security to medical research and stand in stark contrast to the thoughtful and thoroughly debated spending priorities set at town meetings throughout Maine. To bring some Maine common sense to this process, I authored bipartisan legislation to allow federal agencies to set priorities in administering the required cuts and wrote a new law to ensure that sequestration would not disrupt air travel, which plays such an important role in fueling Maine's tourism economy.

I have also enjoyed my work as the ranking member of the Senate Special Committee on Aging where, with Senator Bill Nelson of Florida, we work on issues of critical importance to Maine seniors. The committee has created a toll free hotline (1-855-303-9470) to make it easier for senior citizens to report fraud and scams and to receive assistance. I also serve as the Senate Co-Chair of the task force on Alzheimer's, a devastating disease that takes a tremendous personal and economic toll on more than five million Americans. Better treatment for Alzheimer's and ultimately finding a cure should be an urgent national priority.

Finally, I am proud to reflect our famous Maine work ethic by completing another year of service without missing a single roll call vote. I have not missed a vote since I was elected – a streak that stands at more than 5,300 in a row.

May 2014 be a good year for you, your community, and our great State of Maine.

Sincerely,

Susan M. Collins
United States Senator

ARMED SERVICES
BUDGET
INTELLIGENCE
RULES AND ADMINISTRATION

January 21, 2014

Town of West Paris
25 Kingsbury Street
West Paris, Maine 04239

Dear Friends,

Since arriving to the U.S. Senate last January, I have been looking for ways to provide Mainers with improved access to federal services through the use of digital technology and on the ground outreach initiatives. Maine is a rural state and I know that traveling to our offices can present both logistical and financial challenges.

To help overcome those obstacles, I launched our signature **Your Government Your Neighborhood** outreach program in June 2013. Every other week members of my staff in Maine travel to different towns - ensuring that all 16 counties are served each month - to hold constituent office hours for local residents.

Over the past eleven months my work in Washington has been largely shaped by the four committees that I serve on: Armed Services, Intelligence, Budget, and Rules. These appointments allow me to engage on issues important to Maine and help craft legislation before it comes to the Senate floor. On the Armed Services Committee I work with my colleagues to honor our obligations to members of our armed forces both past and present, as well as ensure the continued strength, efficiency, and sustainability of our military. On the Intelligence Committee I work to effectively mitigate security threats facing our country while also establishing measures to guarantee that the privacy rights of U.S. citizens are protected. On the Budget Committee, I am working to ensure that necessary spending is tempered with fiscal responsibility, and my position on the Rules Committee allows me to push for procedural reforms that remove institutional inefficiencies and help move the country forward.

I am tremendously grateful for the opportunity to serve you and determined to keep you informed of my activities in Maine and Washington. As always, I welcome any thoughts, questions, or concerns that you may have. You can visit my website at <http://www.king.senate.gov> and provide your input there, or call our toll free in state line at 1-800-432-1599. In addition, our local numbers are as follows: Augusta (207) 622-8292, Presque Isle (207) 764-5124, and Scarborough (207) 883-1588, and Washington D.C. (202) 224-5344.

Sincerely,

ANGUS S. KING, JR.

January 2014

Dear Friends:

Last year saw some of the most bitterly partisan political fighting in Washington in recent memory. However, the gridlock in Washington has not slowed my efforts to fight for Maine's businesses and industries on the national and international level. I will continue to visit and speak with Maine's small businesses and manufacturers to hear firsthand about their successes and challenges. This is an important part of my ongoing "Make it in Maine" agenda which consists of initiatives to boost domestic manufacturing and support job growth in our state.

In 2014, it will be my great honor to continue serving our nation's veterans as the Ranking Member of the House Veterans' Affairs Committee. Over the course of the last year, I worked with Representative Jeff Miller (R-Florida), the committee's chairman, to pass a number of bills important to veterans. Some that we passed would reduce the VA's disability claims backlog, help get veterans their compensation faster, and improve training and educational opportunities. One critical measure we advanced through the committee would ensure that all VA programs receive funding a year in advance so no veterans will have to worry about services being disrupted.

While I am proud of these accomplishments, I know there is still so much to do. I will continue to fight for new advances in areas such as veteran employment, veterans' health care, and the ongoing concerns with the VA claims backlog.

I believe Washington is at a crossroads. There are many members of Congress on both sides of the aisle that truly want to get things done for the people they represent. Congress needs to work together to get things done and make Washington work again. I continue to be committed to making that happen, and continue to regularly meet with Democrats, Republicans, and Independents to forge a way forward.

As we move forward into a new year, my highest priority remains ensuring that Mainers receive timely and quality constituent services. Whether you have a specific concern with a federal agency or need help connecting to resources, please don't hesitate to reach out to me at any of my offices. I also encourage you to visit my website (www.house.gov/michaud), where you can email me as well as connect with me on Facebook and Twitter.

Thank you again for the opportunity to represent you in Congress.

With warmest regards,

Michael H. Michaud
Member of Congress

January 2014

Dear Friends and Neighbors:

It is an honor and privilege to represent the citizens of <town> in the Maine State Legislature.

The second session of the 126th Maine State Legislature has reconvened. We will be addressing pieces of legislation carried over from the first session as well as taking up new pieces of legislation. These new pieces are limited by the Constitution to budgetary matters, bills of an emergency nature that received approval by the Legislative Council, and the Governor's bills.

Some topics of legislation pertain to expansion of the State's Medicaid program, welfare reform, amending the current fireworks law, and firearms regulations.

I encourage you to visit the Legislature's website at <http://www.maine.gov/legis> for information concerning pieces of legislation that may interest you. If you would like to receive periodic updates about events taking place in the State House and around the State of Maine, please email me you're your request.

Please do not hesitate to contact me with any comments or questions that you may have concerning state government.

Sincerely,

Tom J. Winsor
State Representative
District 95

INDEPENDENT AUDITORS' REPORT

To the Board of Selectmen
Town of West Paris, Maine

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities of the Town of West Paris, Maine as of and for the year ended December 31, 2013, which collectively comprise the Town's basic financial statements as listed in the table of contents.

Management's Responsibilities

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal controls relevant to the Town's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we do not express such an opinion. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities of the Town of West Paris, Maine, as of December 31, 2013, and the respective changes in financial position, thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Required Supplementary Information

The management's discussion and analysis and the budgetary comparison information, as listed in the table of contents, are not a required part of the basic financial statements but are supplementary information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of West Paris, Maine's basic financial statements. The combining and individual non-major fund financial statements, listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the basic financial statements. The supplementary information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

WARRANT FOR TOWN MEETING
MARCH 1, 2014

To: Willard Keach, a citizen of the Town of West Paris,

GREETINGS:

In the name of the State of Maine you are hereby required to notify and warn the voters in the Town of West Paris, qualified by law to vote in town affairs, to meet at the Agnes L. Gray School Gymnasium, on Saturday, **March 1, 2014**, at 10:00 a.m., to act on the following articles, to wit:

Article 1. To choose a moderator to preside over the meeting.

Article 2. To choose the following officers:

one (1) Selectman, Assessor, Overseer of the Poor (for a three year term)
one (1) Water District Director (for a three year term)

Article 3. To see if the citizens will vote to authorize the Selectmen to expend such money, as necessary, from each budget category of the annual budget during the period January 1, **2015** to March **7, 2015** in order to insure the continuous operation of the town government.

Article 4. To see if the citizens will vote to apply any overlay allocated to the miscellaneous account.

Article 5. To see if the citizens will vote to authorize the Selectmen to carry forward balances or deficits at the end of the fiscal year, if they deem it advisable.

Article 6. To see if the citizens will vote to have taxes due and payable at the date of commitment with interest charged at the rate of **seven** percent (**7%**) per annum on all taxes not paid on or before November **14, 2014**.

Article 7. To see if the citizens will vote to accept payment of taxes before commitment.

Article 8. To see if the citizens will vote to set the interest rate to be paid by the Town on abated taxes at **three** percent (**3%**).

Article 9. To see if the citizens will vote to authorize the Selectmen to assign, release, sell and convey all interest in real estate acquired by the Town by virtue of tax liens and to execute property instruments of conveyance, to authorize the Selectmen to, at their sole discretion to sell back the property to the original owner upon terms they may deem in the best interests of the Town, and that sale to any other by sealed bid.

Article 10. To see if the citizens will vote to authorize a three percent (3%) discount on **2014** real estate and personal property taxes for the first thirty (30) days from the date of commitment and **2014** real estate and personal property taxes paid in full prior, and to appropriate **\$30,000** for discounts.
