CARMEL VOLUNTEER FIRE DEPARTMENT

+ + +

To the Citizens of Carmel:

During 1966, this department was called upon to fight 39 fires. Of this number, 2 were major fires, 31 were of miscellaneous nature, 4 were to Etna, 1 to Newburg and 1 to Hermon.

We purchased 800 feet of 2½ inch hose.

"Old Razor Back" our 1300 gallon 1937 tank truck reached retirement age and has been pensioned off. It has been replaced by a 1960 Chevrolet tanker of 2000 gallon capacity.

Mr. J. Paul Kelleher, Proprietor of Harvey's Funeral Home, presented the department with a Cadillac ambulance for use of the towns people. The department is sincerely grateful to Mr. Kelleher for his interest in the town and his generosity for this fine piece of equipment.

Respectfully submitted,

KENNETH LUCE

Fire Chief

Maine Department of Health and Welfare

DIVISION OF PUBLIC HEALTH NURSING,

Bureau of Health

Annual Report of Public Health Nursing Service in
Carmel for the year 1966

Public health nursing is concerned with securing and maintaining better health for all individuals in the community. Every town needs a well organized public health program, and it should be the concern of each citizen in the community to meet this goal.

The public health nurse gives directly those services that require her special nursing skills and gives leadership and counsel to the citizens in developing, cooperatively, the health programs most suitable for their own community.

A summary of the public health nursing service in your community for the past year follows:

CHILD HEALTH CONFERENCE PROGRAM

Attendance	49
Number Children Examined by Physician	32
Smallpox	8
Number Immunized:	
Diphtheria, Whooping Cough, Tetanus	20
Poliomyelitis	15

SCHOOL HEALTH PROGRAM

Audiometer Tests 319

Tuberculin Tests 68

Your public health nurse gave health guidance to individuals in their homes and in the schools.

Restorative nursing services were given to those needing care in their homes under the direction of the family physician.

Many individuals have had clinic services of the Department of Health and Welfare when they were referred by their family physician.

Your public health nurse wishes to thank all those assisting her with the various health programs.

Respectfully submitted,

GEORGINA J. PATTERSON

Public Health Nurse

Carmel, Maine

In accordance with Title 30, Section 5253, Maine Revised Statutes Annotated of 1964, an audit has been conducted of the financial records of the Town of Carmel for the fiscal year ended December 31, 1966.

The examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Net Unexpended Balance	\$ 2,318.38

The overlay, the unappropriated balance of excise tax revenue, and unexpended balances in the interest and contingent accounts were the major factors contributing to the amount lapsed to surplus.

* * * *

The following comments pertain to the accompanying financial statements and to the scope of audit.

ASSETS . . . The general cash balance of \$3,767.87 was on deposit in the Merrill Trust Company, Bangor, Maine at December 31, 1966. The petty cash fund of \$50.00 was on hand with the tax collector.

Taxes receivable totaling \$29,712.33 included for the most part unpaid current year accounts of \$27,401.92. The remaining balance of \$2,310.41 represented uncollected prior years' taxes dating from 1963. Tax liens and tax acquired property amounted to \$4,671.14 and \$9,632.81 respectively.

Accounts receivable of \$184.86 consisted of current charges for State and another municipality's welfare cases.

LIABILITIES, RESERVES AND SURPLUS . . . The accounts payable of \$3,008.25 represented for the most part, the unpaid balance of the School Administrative District No. 23 current year assessment.

The appropriation accounts showed an unexpended balance of \$17,190.41 that was carried forward to the ensuing year. This balance consisted of the revaluation and concrete bridge funds, and various operating account balances that are carried forward in accordance with legal requirements and/or customary practice.

Cemetery funds being held pending acceptance by the town amounted to \$150.00 at year end.

The unappropriated surplus amounted to \$25,827.45, a net increase of \$2,018.38 for the year. The change was occasioned principally by the net unexpended departmental balance lapsed.

DEBT FUND . . . The debt fund, incorporated in the balance sheet as a separate fund, reflected outstanding fire truck notes of \$4,800.00 which are to be retired from future revenue.

TRUST FUNDS . . . The trust fund principals totaled \$10,330.00 and unexpended income amounted to \$1,139.44 at the year end. With the exception of the ministerial and school fund of \$1,605.00, the trust funds were on deposit in the Bangor Savings Bank, Bangor, Maine.

GENERAL . . . The use of a portion of the excise tax revenue for specific current operations was authorized by the townspeople.

SCOPE OF AUDIT

The system of internal control was reviewed as pertained to the handling of cash and other matters of financial concern. Count of cash was made and records checked to determine the accuracy of recorded cash transactions.

Cash accounts were verified by reconciliation of bank statements furnished by the depository or by bank confirmation. Verifications were utilized, on a test basis, to determine the correctness of recorded assets and liabilities.

An analysis was made of receipts and deposits as well as expenditures and negotiated checks. Vouchers, payrolls and cancelled checks were examined for a selected period.

Excise tax collections were checked with copies of receipts retained by the collector. Debt and trust fund transactions were examined. Surety bond coverage was reviewed.

A copy of the complete audit is on file at Town Office.
