2. State Aid Construction—the money raised was held over until this year for construction on the Hinckley Hill Road.
3. Cutting Bushes—Cleared the four corners at Irish Road, Hinckley Hill Road and corner of the Dyer Road.

5. Special State Aid Construction—a special grant of \$8,500 was allocated to Carmel and the State rebuilt a section of the Fuller Road.
6. Town Road Tar—mulch and seal was applied to the Pomeroy Road, Fuller Road and Church Street.

# CARMEL VOLUNTEER FIRE DEPARTMENT

To the Citizens of Carmel:

During 1969, this department was called out on a total of 18 fires. Of this number, 3 were automobiles, 3 chimney fires, 2 grass fires, 9 house fires and 1 false alarm. One of the house calls was to Hermon and one to Newburgh.

A new portable pump was purchased at a price of \$450.00.

Our ambulance has been out on several calls. Many donations have been received.

Regular fire meetings are held the second and fourth Tuesday of each month. The Junior Fire Department meets on the first and third Tuesday of each month.

This is your Fire Department so feel free to come to any of the fire meetings. Your support is needed.

Plans are being made for our annual Fireman's Ball. The date has not yet been set.

Respectfully submitted,

KENNETH LUCE

Fire Chief

## BUILDING INSPECTOR'S REPORT

There were 37 applications for Building Permits in 1969. Six went before the Board of Appeals, four were granted. Two of these were issued as temporary with a one year limit, two were turned down.

The Planning Board is working on two sub-divisions of land.

A report from the Census Bureau was received, filled out and returned.

Respectfully submitted,

IRWIN W. PIKE

## SIMPSON MEMORIAL LIBRARY REPORT

The Library is open every Wednesday afternoon from one o'clock until four o'clock. Since Christmas it has not been open in the evening, however, starting in April it will be open Wednesday evening from seven o'clock to eight o'clock.

We have quite a few children using the Library. We have added new books for them and will be buying more. New adult books have been added. The Boy Scouts held a drive and many used books were donated. These have been catalogued and placed on the shelves.

New green wall to wall carpeting has been purchased and installed. This adds a great deal to the interior of the Library.

We welcome your suggestions for the improvement of your Library.

Respectfully submitted,

ARLIE FOSTER  
President

# CIVIL DEFENSE REPORT

To the Residents of the Town of Carmel:

With this report comes the end of another year of Civil Defense activities and what the Director considers successful in many categories, also with the assistance of many local people.

We would like to point out that radio monitoring is in effect 15 to 20 hours daily, with not so many hours on Sunday, but could be put into operation within minutes of any emergency, with not less than 20 persons ready to assist in the projects.

The Carmel Emergency Radio Club, Inc., now headed by its new president, Mr. George Cumming, has assured us that the same cooperation will continue in every category they are qualified to assist. Under last year's president, Mr. Lloyd Marcho, Jr., the following assists were given to law enforcement agencies within the area.

Three search parties, all of a serious nature, assisted the Sheriff's Office several times at their request.

We would also like to bring to the attention of all residents of the area, the possible curtailment of ambulance service. The State law requires many services along with qualified personnel to perform the same. It is a herculean task to obtain volunteers and just one or two will not be enough. This project needs the individual assistance of every resident to assist financially for the training of personnel so that a shortage of qualified persons cannot arise in any given emergency. Please bear in mind that this is a suggestion and that this is not under Civil Defense in any way.

Respectfully submitted,

THEODORE A. JOHNS  
Civil Defense Director
