# REPORT OF SELECTMEN AND TOWN MANAGER

To the Citizens of Carmel:

The Board of Selectmen and Town Manager respectfully submit the following report of activities for the year ending December 31, 1973.

1. Town Road Improvement: The funds received for Town Road Improvement were expended, with other funds, for construction of the Pomeroy Road. The Pomeroy Road had to be constructed wholly by Town funds. The State did not accept the road as a State Aid Road.

2. State Aid Construction: No further State Aid Construction was done on Hinckley Hill Road this past year. However, the funds appropriated in 1973 had been anticipated the previous year and were, therefore, paid to the State.

3. Cutting Bushes: No money was spent for cutting bushes in 1973. We have carried it forward and with the appropriation for this year, we hope to do some cutting and spraying.

4. Town Roads and Bridges: Several tons of hot patch was applied to the Fuller Road to get it ready for paving. Culverts were replaced or lowered in several places. Gravel was applied to the Swett Road, Marcho Road, Murray Road, Dyer Road and Hinckley Hill Road.

5. Town Road Tar: Hot Top was applied to the Fuller Road from Fitts' residence to the Irish Road four corners, also, from the Irish Road four corners up the Pomeroy Road to the Levant Town line. We feel this was a major improvement in the Town.

6. Salt and Sand: 1200 yards of sand was added to the stock-pile, which gave us about 1500 yards to start the season. It looks as though we may have a sizeable amount left over for next year.

7. Town Dump: Again, our thanks to the contractors who have taken care of the dump the past year. We know our days are numbered for open burning and the present location of the dump. The Planning Board and Municipal Officers will probably have articles for your consideration in the coming year.

8. State Revenue Funds were received and applied directly to taxes to reduce the rate.

9. Federal Revenue Sharing Funds received were placed in the trust fund. The only appropriation from the funds was \$18,000.00 for Highways.

10 Town Hall Lot: At last the old Town safe is down and the cellar filled in and leveled. No definite plans have been made for future use of the lot.

11. McGown Store Lot: We are still holding the money in escrow for the purchase of this lot. The papers are in the hands of the attorneys.

The Town Office is open Monday, Wednesday and Friday from 9:00 A.M. to 5:00 P.M., on Tuesday and Thursday from 9:00 A.M. to 12:00 A.M., and on Monday evening from 7:00 P.M. to 9:00 P.M.

The Selectmen meet at the town office on Monday evenings at 7:30 P.M. You are welcome to attend and offer suggestions for the betterment of the Town.

Respectfully submitted,

EARLE E. McSORLEY

# CONSTABLES' REPORT

February 18, 1974

To the Citizens of Carmel:

The constables of Carmel have been very busy this year. The breakdown of calls is as follows:

31 family disturbances, 72 dog complaints, 14 breaking and entering, 19 traffic complaints, and 22 misc. calls.

\$1,300.00 in stolen property and goods was recovered.

2 lost children were found in the woods and returned safe and well to their parents.

Respectfully submitted,

# CARMEL VOLUNTEER FIRE DEPARTMENT

To the Citizens of Carmel:

The Fire Dept. had a total of 29 calls in the year 1973, with 20 calls in Carmel, 4 calls in Etna, and 5 calls in Hermon under our mutual aid agreement.

We wish to thank the Citizens of Carmel for their support in providing the funds for purchasing the new chassis for our No. 2 truck. With a major portion of remodeling completed, we now have two pumpers in operation.

The Fire Dept. has elected new officers for the year 1974 as follows:

President	Errol Preble
Vice President	Colby Palmer
Secretary	John Simpson
Treasurer	Fred Emerson, Jr.
Chief	Robert Jarvis
Assistant Chief	Pat Evans
Captain	Robert Mahon
Lieutenant	Calvin Young
Lieutenant	Tony Alaimo

I would like to mention that 10 members of the fire dept. have just completed a four hour refresher course in techniques of fighting forest fires. As of February 14, an 18 hour State Aid course covering structural fires will be given. This course will cover planning attack, use of equipment, pre-planning, and use of mutual aid equipment.

A new procedure for grass burning has been organized by the fire dept. Any citizen in Carmel requesting burning is suggested to contact Asst. Chief Pat Evans (848-5327) for time of burning. This procedure allows the fire dept. time to set up crew in advance for burning, and insure that all requests are handled.

As the Town of Carmel becomes more populated; long range terms for additional fire units will be necessary as well as manpower. I urge any citizen with any interest to attend our meetings to learn the operation of equipment, as someday you may be saving your own home. Due to shortage of manpower available in daytime, I ask for volunteers to contact me and place your name on our call list.

Thank you.

Respectfully submitted,

ROBERT JARVIS

Fire Chief

# AUDITOR'S REPORT

February 12, 1974

Board of Selectmen  
Carmel, Maine

In accordance with Title 30, Section 5253, Maine Revised Statutes Annotated of 1964, as amended, an audit has been conducted of the financial records of the Town of Carmel for the year ended December 31, 1973.

The examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the exhibits and schedules incorporated in this report, present fairly the financial position of the Town at December 31, 1973, and the results of its operations for the period indicated.

Respectfully submitted,  
R. M. RIDEOUT, JR.  
State Auditor

RMRJr:lms

## SCOPE OF AUDIT

The system of internal control was reviewed as it pertained to the handling of cash and other matters of financial concern. Cash accounts were verified by reconciliation of bank statements and/or bank confirmation.

An analysis was made of receipts and deposits as well as disbursements and bank charges. Vouchers, payrolls and canceled checks were examined on a selective basis. Letters of confirmation were used on a test basis to verify the correctness of recorded assets and liabilities.

Revenue accruing to the municipality from various sources was examined and checked to pertinent records. Records of town and selectmen's meetings, as they pertained to financial matters, were checked. Federal revenue sharing, trust and reserve fund transactions were reviewed and investments were verified. Surety bond and insurance coverages were determined.

## COMMENTS OPERATIONAL RESULTS

The fiscal year's operations showed that a net unexpended departmental balance of \$8,017.24 was lapsed to unappropriated surplus, per the following summary:

Departmental Accounts:	
Unexpended Balances	\$13,532.16
Overdrafts	5,514.92
	<hr/>
Net Unexpended Balance	\$ 8,017.24

The unallocated excise tax revenue unexpended balances in the contingent and costs and interest accounts less overdrafts in the town road tarring and welfare accounts were the major factors contributing to the net amount lapsed to surplus. The records did not indicate that the legislative body had voted to allow overdrafts in appropriation accounts.

\* \* \*

The following comments pertain to the accompanying financial statements:

ASSETS . . . . The general fund cash balance totaled \$85,602.23 and federal revenue sharing funds amounted to \$18,289.71 at December 31, 1973. The bank balances used in reconciling this amount were confirmed by the depositories. Petty cash was counted.

Accounts receivable of \$12.00 consisted of amounts due from a municipality for welfare expenditures.

Taxes receivable totaled \$19,299.79 of which \$19,207.74 represented current year accounts. The remaining balance of \$92.05 was for delinquent accounts dating from 1971. Tax liens and tax acquired property amounted to \$2,330.49 and \$2,136.02 respectively.

LIABILITIES, RESERVES AND SURPLUS . . . . The departmental accounts showed an unexpended balance of \$16,693.50 carried forward to the ensuing year in accordance with customary practice and/or pending further financial activity.

Federal revenue sharing payments for the entitlement periods January 1, 1972 to June 30, 1972, July 1, 1972 to December 31, 1972, January 1, 1973 to June 30, 1973 and the first quarterly payment for the fiscal year beginning July 1, 1973 amounted to \$32,304.00. Interest earnings credited to the account was \$985.71. Appropriated federal revenue sharing funds of \$18,000.00 were allocated to the town's operating account and expended for public transportation purposes. Unappropriated funds totaled \$15,289.71 at December 31, 1973. At the year end, \$18,289.71 was on deposit in a savings account of which \$3,000.00 was due the general fund.

The unappropriated surplus amounted to \$94,256.74, a decrease of \$7,560.29 for the year. This change was occasioned principally by the voter authorized transfers for tarring town roads and purchase of the McGown Lot for future town purposes less the net unexpended departmental balance lapsed, income from general fund investments and gain on sale of tax acquired property.

TRUST AND RESERVE FUNDS . . . . Trust fund principals totaled \$12,697.71 and unexpended income was \$1,457.57 at year end.

Capital reserve funds of \$587.53 and \$10,629.09 were for future fire department and general building projects respectively.

A credit reserve fund of \$5,642.20 was established for emergency tax relief.

All trust and reserve funds are on deposit in the Bangor Savings Bank, Bangor, Maine.

#### GENERAL

The use of excise tax revenues, federal revenue sharing funds and transfers from surplus in the amounts of \$18,000.00, \$18,000.00 and \$19,200.00 respectively for current year operations were voter authorized at the regular and special town meetings.
