ANNUAL REPORT

**One Hundred and Eightieth
Annual Report**

Library Use Only **MAINE STATE LIBRARY**
MAR 17 1999

Letter of Transmittal

To the Citizens of Carmel:

This report will show you how the business transaction for 1991 have transpired. It shows, fairly, how your tax dollars are being spent.

The Audit for 1991 was done by Harold Blake, of Readfield, Maine. He assisted Forest Bradeen last year. Mr. Bradeen has retired and Mr. Blake is doing many of his past accounts. Copies of the Audit are available at the Town Office for your inspection.

Respectfully submitted,

GLENNIS A. McSORLEY, Town Manager

Dogs are subject to be licensed as soon as they become six months of age. New licenses are due and available at the Clerk's office on January first of each year. You must have proof of rabies immunization and certificate of sterilization or spaying with you in order to obtain the dog license.

The Clerk's Office is open daily, Monday through Friday from 9 to 5, and on Monday evening from 7 to 9 p.m.

Respectfully submitted,

GLENNIS A. McSORLEY, Town Clerk

Carmel Volunteer Ambulance Service

To the Citizens of Carmel:

As new Chief of Carmel Ambulance Service, I would like to tell you a little bit about my background. I have been working in the Medical Field for the last 10 years, the last two have been with Carmel. For the last year I have held the position of Training Officer. I have worked with the Elementary School and the Boy Scouts getting them familiar with what we do and also teaching them some Basic First Aid Skills. I am always available to help organizations and in the near future will be setting up a blood pressure clinic. Please feel free to contact me through the Town Office at any time.

In 1991, Carmel Ambulance responded to 152 calls. The calls were: 56 in Carmel, 14 on I-95, 17 in Stetson, 20 in Etna, 4 Fire Assists, 2 in Newburg, and 39 calls which were no transports or people who were not residents of Carmel. We also had the pleasure of delivering a baby. Congratulations to Lainie, Leonard, Sandy & Ted. These calls totaled a low average of 304 hours, saving the tax payers at least \$6,384.00.

I have heard the question a number of times, "Why is Capital Ambulance always in town?" I am going to answer that question for all of you now. In the last few years the State has upgraded the Standard of Care to people needing assistance. We, as

attendants, need to provide the best possible care available. That means we bring the hospital to you. When a patient needs medications, we cannot provide that at our license level, therefore, we need to call an ALS (Advanced Life Support Service) such as Capital. We apologize for any undo expense this may cause, but I truly feel, as I'm sure we all do, you cannot put a price on a persons life. I'm sure you want to also know shy we are not at that license level. In order to do that, we need more volunteers. This type of training is very expensive, and takes time. We do have three EMT's who are currently awaiting a class for IV Training. It is my goal to upgrade our license level in the future. During this year we have upgraded from a LAA (Licensed Ambulance Attendant) License to a EMT (Emergency Medical Technician) Level. A EMT receives 120 hours of training, including two eight hour rotation in the Emergency Room, compared to 60 hours for LAA Level.

We currently have eleven EMT's, three LAA's and seven Drivers on our Service who are all active members. All our Drivers have become CPR Certified in the last year, and I would like to let everyone know, our Drivers are not just Ambulance Drivers. Without them we would not get to you safely and our job at the scene would be much more difficult.

We have a fund raising committee started in 1991. This Committee will be helping to raise money for new equipment and uniforms. If you are interested in helping, contact Dawn Demmons at 848-2829.

I would personally like to thank all Life Members, and all the past members of our service for providing the foundation for us to build on, and I look forward to serving the Community in the future.

Respectfully submitted,

VICKI THAYER, Chief

Carmel Volunteer Ambulance Service Treasurer's Report

To the Citizens of Carmel:

The following is a report of the income and expenses for the Carmel Volunteer Ambulance Service as of December 31, 1991.

INCOME RECEIVED:

RHONDA CROWLEY, Secretary/Treasurer

Carmel Firemen's Auxiliary

The Carmel Fire Department Auxiliary meets the second Sunday of each month at 11:00 a.m. at the home of Frances Morrial (848-5610) located on Route 2. The Auxiliary welcomes new members and anyone wishing to become a member is invited to join us.

During the past year we have sponsored a Firemen's Ball in April and a Harvest Ball in October, participated in the Carmel Days festivities, provided refreshments at the Town Meetings and an Open House held at the Fire Station after the parade on Memorial Day. We held a dinner in conjunction with the Golden Harvest Grange to honor past and present Firemen and held a hunter's breakfast in November at the Golden Harvest Grange.

We would like to thank all those who have given to us so generously, your support has enabled the Auxiliary to provide for our fire fighters.

We are planning our Firemen's Ball which will be held this year on April 25th and our Annual Raffle which is held in conjunction with the ball. As always there will be a limit on tickets for the ball. Tickets for the ball and/or raffle may be purchased from local merchants or you may call Susan Bowers at Carmel Video, 848-3322.

Respectfully submitted,

JOCELYN HATCH, Secretary

Simpson Memorial Library Librarian's Report

Story hour programs this past year were very well attended. The summer session had a total attendance of 89 children. Our preschool story hours are an excellent way to introduce children to an organized learning experience in preparation for starting school. For information on when story hours are planned, watch for announcements in the Bangor Daily News Midweek column.

Total circulation for the year 1991 was 3,492 and the total attendance was 2,664.

The library book collection has been growing the past few years with our continued financial support and donations of books, paperbacks and magazines.

Special projects completed this year include enlarging and regravelling the parking area, purchase of a new Academic American Encyclopedia set, the "Balloon Man" program at the Carmel Days Fair, and a photo-copying machine purchase. Future goals and projects planned include exterior maintenance work to the library, roof repair and an access to the handicapped ramp.

Library hours are Tues.. 1-5, Wed. 1-5, and Thurs. 12-7 p.m.

Thank you for your continuing support

Respectfully submitted,

SHARON L. NUTE, Librarian

Simpson Memorial Library

MARIE L. KRUSCHWITZ, Treasurer

Planning Board

To the Citizens of Carmel:

The Planning Board was very active during 1991, sometimes we had to meet 3 or 4 times in a month.

We have worked with Penobscot Valley Council of Governments to prepare a Shoreland Zoning Ordinance for the Town of Carmel. This will be presented to the townspeople, at a later date.

Some of the requests that we worked on, and approved, were Phase I and Phase II subdivisions of land on the Dyer Road, for Dale Henderson Logging, consisting of a total of 18 lots, and called Dyer Road Estates; the dividing of two separate lots of land into two lots on Fuller Road; and further review of South Slope Estates Mobile Home Park on Hampden Road. Currently, we are working on another subdivision request by Claude Cyr, on the Five Road.

The Planning Board meets regularly on the first Monday of each month at 7:30 p.m., at the municipal building. You are welcome to attend.

Respectfully submitted,

JOHN DeLUCK, Chairman

Animal Control Officer

To the Citizens of Carmel:

I put in 46³/₄ hours and 697 miles on my car during the year related to animal control. I had 23 dog and 5 cat complaints, of that, 6 dogs and 5 cats went to the shelter.

The laws are starting to change this year. I went to an animal control workshop in Auburn and the main topic was the rapid movement of rabies moving north. I encourage you to have your cats and dogs rabies shots, so maybe we won't have any problems with rabies in the future.

I will also let you know if your dog is loose. Your dog could be impounded at the cost of \$20.00 the first time, and \$40.00 the second time, plus any cost at the Bangor Animal Shelter.

Please take care of your dogs and cats so you can enjoy them and they can enjoy you.

Respectfully submitted,

STEVEN K. CYR, Animal Control Officer

Board of Appeals

To the Citizens of Carmel:

During 1991, the Board of Appeals received one request for an Administrative Appeal and one request for a Variance. The request for variance was denied and the administrative appeal was decided in favor of the applicant.

The Board was reduced in size from five members with two alternates to three members and one alternate. This was done due to an irregularity in the procedure used to establish a five member board.

The current board members and term expiration dates are as follows:

Barbara Baeslack, Secretary	1995
Fred Kircheis, Chairman	1994
Charles Nute	1995
Joseph Pelletier, Alternate	1996

Respectfully submitted,

FRED W. KIRCHEIS, Chairman

Carmel Water Quality Committee

To the Citizens of Carmel:

The Committee has begun a survey to ascertain the problems of the village and elsewhere. It is our intention to pursue federal and state grants to help in the planning and correction of any health hazard that we encounter. The people that we have surveyed have been very helpful and honest.

We have a chance to receive grants and take care of the problem ourselves, before the state imposes their sanctions. After which will not be eligible for grants. We thank you for your support.

Respectfully submitted,

SUSAN RUDNICKI, Chairperson
DR. SARAH SIMPSON
ROBERT PELLETIER

Land Use Committee

It's been a busy and productive year in Carmel since the 1991 March Town Meeting. At that time, the citizens of Carmel voted to adopt a Comprehensive Plan, a plan to deal with future growth and development in Carmel, yet still retain its rural quality and unique characteristics. That Plan was the first step in complying with the States Growth Management Act. The second step was to develop a new Land Use Ordinance, this task has kept a group of fifteen volunteers busy all year.

The committee has focused on establishing new districts in town, re-assessing land uses in these districts, promoting community development, protection of the environment, preservation of the town character, and ensuring a balance of property rights. A consulting firm, Penobscot Valley Council of Governments, has been hired to help develop new ordinances and to ensure consistency with our Comprehensive Plan. The funding for this assistance was obtained by a block grant from the State and money appropriated by Carmel citizens at the March 1991 Town Meeting. While the technical advice of PVCOG has been invaluable, the decisions and direction of the proposed Ordinance rests with the people of Carmel. The volunteers have worked diligently to represent the community and were greatly aided in this task by citizen participation. More public hearings and informal meetings are planned to familiarize the people of Carmel with the proposed Land Use Ordinance and to invite public comment prior to a vote on this Ordinance.

Respectfully submitted,

CHERILLE JOHNSON, Chairman

Civil Defense

To the Citizens of Carmel:

There has been no significant activity concerning Civil Defense in Carmel this year.

I have been in contact with the County Director several times and ordered some free pamphlets and booklets to be passed out to anyone interested in reading them. Some were made available to the schools.

I visit the government supply depots, on occasion, to see if they have anything that Carmel can use.

Respectfully submitted,

CHARLES TIBBETTS, Director

Carmel Senior Citizens Club

We hold our meetings the first and third Wednesdays of each month at the Carmel Snowmobile Club House. A pot luck dinner is served at 12 noon with each member bringing either a hot dish or dessert. A door prize is awarded at each meeting.

Our officers are Viola Harvey, Pres; V. Pres.; Louis Washburn, Sec.; Arlene Newey, Treas.; Pearl Bailey, Chaplain; Leona Stables. The Entertainment Committee are Helen Swett, Bertha Bryant, Erma Underhill and Evelyn Stevens.

Eight fruit baskets have been presented to members who have been in the hospital. Cards have been sent for members birthdays and get well messages.

We enjoyed a trip to the Cole Land Transportation Museum in Bangor. We enjoyed luncheons in Clinton, Ellsworth, East Corinth and the IGA Coffee Shop in Brewer.

Our Christmas meeting was "snowed out" and we didn't meet on New Year's Day.

We held a bake sale at the Golden Harvest Grange Craft sale and netted a good profit. We also have held some "Silent Auctions" with our meetings and they have netted us some good profits.

This year we have purchased a new cord organ with some of the Memorial Monies that have been contributed to the club. Bunny Curtis is attending to that for us.

We wish to thank the residents of Carmel for their supports, the Carmel Snowmobile Club for the use of their building, Town Manger, Selectmen and others for all they have done.

Remember, all Senior Citizens are welcome the 1st and 3rd Wednesdays.

Respectfully submitted,

ARLENE NEWHEY, Secretary

Plumbing Inspector

To the Citizens of Carmel:

Remember—you need a plumbing permit to do any type of plumbing—internal or external. Permits may be obtained at the Town Office on Monday evenings from 7:00 to 9:00 p.m., unless it is a holiday.

Permits issued this past year were as follows:

29 External

4 Internal

Total fees collected amounted to \$2,598.00.

Respectfully submitted,

JAMES O. EMERY, Plumbing Inspector

Constable's Report

To the Citizens of Carmel:

During 1991, a total of 251 incidents have been logged through the Sheriff's Office, from the Town of Carmel. This does not include calls I received that do not require an incidents number, or calls received by main State Police and Game Wardens.

Routine checks of the schools and businesses in town have been made and to individual homes, upon request. If you are going away on vacation or for the weekend and would like a property check, please call me at 848-3281 or call the Sheriff's Office at 947-4585.

Because of the increase of property crimes in rural areas. I would encourage people to report any suspicious vehicles or incidents to me.

Calls that I have received involved accident, assaults, theft, burglaries, harassment, missing persons, domestic problems, etc.

I wish to thank the Carmel citizens for their continued support.

Please don't DRINK and DRIVE!

Respectfully submitted,

FRED E. EMERSON, JR., Constable

News from the Carmel-Etna Headstart Center

This year at the Carmel-Etna Headstart Center, located at the Four-Square Full Gospel Church on Route 143 in Etna, is filled to capacity. We have children from Etna, Carmel, Stetson, Exeter, Newport, Plymouth, and Hermon.

The children have been very busy so far this year, with more plans for the rest of the year. The children have been visited by Sue Targon, teaching them the importance of saying no in an abuse situation, in the form of a puppet show, keeping their attention and teaching at the same time. Our local Cadette Girl Scouts came and read to the children and did a craft. Dr. Susan Stevens from the Carmel Health Center came to teach the children about health and how to take care of themselves (eating properly, washing, etc.). Also, Santa came to hand out the children gifts.

Our most popular visitor was Smokey the Bear and his friend, Vern Knapp, our local Forest Ranger. The children knew about fire prevention thanks to the teachers, Cathy Lindsey and Carla Brejwo, and aid, Toni Bailey, and the parents. Smokey was quite surprised to see how much the children already knew. We were also visited by the Etna Volunteer Fire Department, teaching the children not to be afraid of a fireman because he is there to help them.

The children have been involved in a Penny Sale by with the Carmel Elementary School, raising money by selling Avon and other assorted bake sales and raffles. This money is used for purchasing Christmas presents for the children, field trips, classroom needs and graduation in May. They've had trips to Conant's Apple Orchard, Carla Brejwo's to harvest pumpkins (donated by Bruce Prescott), to the Bangor Mall to see Santa, and to the University of Maine at Orono Planetarium.

Our parents have been very involved with all the children's activities, thus showing the importance of the children and this program. We would like to thank the community members for their support and involvement.

Recruitment has begun for next year. The program is open to any 3 or 4 year olds in surrounding towns. This is a federally funded program for low income families. The center is open four days a week, four hours a day. If you are interested in an application or would like to come visit the center, please call us at 269-2502. During the summer months you can reach the Maine Head Start office at Penquis CAP in Bangor at 941-2830.

Respectfully submitted,

NINA SMITH, Center Newsletter Reporter
and Chairperson

Building Inspector's Report

To the Citizens of Carmel, I make the following report:

In calendar year 1991, 103 Building Permits were issued for the following purposes (compared to 121 in 1991).

- 14 New Houses, including seasonal
- 12 Mobile Homes
- 9 Garages, including attached and detached
- 15 Sheds
- 16 Additions
- 8 Alterations
- 11 Decks/Porches
- 4 Demolition Permits
- 3 Barns & Stables
- 2 Swimming Pools
- 2 Change of Occupancy
- 3 Denied
- 1 Structural Repair
- 2 Pump House

Please remember that building permits are required BEFORE starting any construction, structural alteration, enlargements, change of type of occupancy and before moving or demolishing a building or mobile home. Building permit applications are available from the Town Office.

The Building Inspector/Code Enforcement Officer is available at the Town Office on Mondays between 12:30 p.m. and 4:00 p.m. and 7:00 p.m. until 9:00 p.m.

Respectfully submitted,

BRIAN J. McCARTHY

Report of the Recreation Committee

To the Citizens of Carmel:

The Recreation Committee saw many positive changes in 1991. We wrote a revised mowing contract to better maintain the Recreation Field Complex. Also a more specific description of The Summer Recreation Program Director's position was written and approved. To provide a clearer understanding of the Committee's role specific by-laws were written and approved with a slate of officers being elected for 1 year terms.

1991 also saw once again a very successful Summer Recreation Program. A Summer Basketball Clinic also met with success. Carmel children also participated in a 7 week soccer league with Hermon/Carmel children. Carmel adults participated in a co-ed softball league on Sundays.

A storage shed has been purchased for the field complex and a storage area has been constructed at the town office for used by the committee.

We have also purchased a swing set for the field complex to be assembled in the Spring of 1992. A covered picnic area has been planned and met with approval also to be constructed in 1992.

Presently the committee has four members. We welcome all citizens to attend our meetings and assist us in planning more programs for all ages.

Meetings are held Monday evenings at 7:00 p.m. at the Town Office.

Respectfully submitted,

NOREEN CORMIER, Secretary

Report of the Road Commissioner

To the Citizens of Carmel:

In January 1991, due to the soft weather, gravel had to be hauled and put on the Marcho Road-or South County Road. Somebody named it "Grammy's Road". The Earle McSorley crew hauled 232 yards to fill it in and make it somewhat passable. No further construction was done to the road. It needs to have extensive work. It was graded, periodically, throughout the summer.

In March, Donald Hewes and his crew patched all of the blacktop roads and he hauled gravel to the Dyer Road to fill in places where the frost had made it difficult for cars to pass through. He also filled culverts on the Damascus Road.

Most of the roadwork was posted for proposals by local in town contractors. The Selectmen felt that this was the fairest and most cost wise way to do. The lowest proposal received on each job posted was accepted by them.

Culverts reset on Horseback Road and Preble Lane, and a dooryard culvert installed at the Hershel Arnold residence on Fuller Road were done by Walter Demmons.

Seventeen Road Signs, Fourteen Stop Signs, and a gate at the Recreation Field were done by Douglas Small.

Calcium Chloride was applied the first time by Roby Ross.

Robert Noyes repaired a culvert on the Fuller Road in the Damascus area near the railroad tracks.

Work done by Donald Hewes and crew consisted of ditching on Hinckley Hill Road, installing two new cross culverts on Pomeroy Road, Rip Rap in the ditchline on the shoulder of the Fuller Road below the Horseback four corners, replacing the driveway culvert at Randy Martin's, ditching above and below the driveway, and construction on about two-tenths of a mile of the Haskell Road—installing dooryard culverts, ditching and applying 12 inches of gravel from just west of Joe Horton's to the stream.

The McSorley crew did ditching on the Five Road and reset the dooryard culverts at Frank Buchanan's ditched and removed the shoulders of the road on Corliss (Fuller) Road from Douglas Small's to Route #2, ditched and removed the shoulders on the south side of the hill on Damascus Road, reset two dooryard culverts there, and constructed approximately two-tenths of a mile of road on the Dyer Road, ditched and hauled away the debris, replaced or reset dooryard culverts, and applied 12-18 inches of gravel to the surface. All grading of the dirt roads was done by McSorley. Small amounts of gravel was hauled to various places to aid in smoothing the roads.

We had Commercial Paving do some of our blacktop roads again this year. They applied a shim coat and chip seal to a good portion of the Cook Road, and did the same to about 2250 feet on the Hinckley Hill Road.

Sunrise Materials applies a 2" binder mix to approximately 2250 feet of the Dyer Road. This is the first time hot top has been put on this road.

Bushes were cut by Bud Neddeau of Carmel. Some were cut by Randy Haskell of Dexter, particularly where climbing had to be done.

Tim Richardson got the bid for mowing the roadsides. They were mowed twice, once in June and again in September. "Where's the Murray Road?" Tim said!!!

Snow removal and sanding is being done by Robert Shaw. The winter sand (3,500 yards) was stockpiled by Sullivan Construction of Troy.

We anticipate receiving \$42,644.00 from State Local Road Assistance this year. There was a balance of \$30,343.94 in the account on December 31, 1991. Plans are to spend \$70,000.00 from these funds for blacktop roads. We anticipate putting hottop on the newly constructed portion of the Dyer Road, and then make an assessment in the spring as to where maintenance is most needed on the other blacktop roads.

Construction of the dirt roads in the North Carmel area will also be a precedent, but I am sure that other dirt roads will need attention when mother nature takes her course.

Thanks to each of you who has worked on the roads throughout the year.

Buckle up and drive cautiously.

Respectfully submitted,

GLENNIS A. McSorley, Road Commissioner

Budget Committee Recommendations

The following are the recommendations of the Selectmen and Budget Committee for the 1992 Municipal Appropriations.

	1991 Requested	Approp. (1991)	Balance Forward	1992 Selectmen & Budget Committee
