REPORT OF
SUPERINTENDENT OF SCHOOLS.

Superintending School Committee,

E. L. Jellison, chairman, term expires March, 1920.
E. H. Jellison, term expires March, 1921.
L. U. Bragdon, term expires March, 1922.

Superintendent,
Elmer B. Eddy.

*To the Superintending School Committee and Citizens
of the Town of Sorrento:*

It is my privilege to submit herewith the annual report of the superintendent of schools. Having been but a few months in the field, I can hardly be expected to outline all the progress of the last year, or all the needs that have arisen. My aim has been and will continue to be, to carry on the excellent work of your former superintendent of schools, to observe carefully the conditions of the schools, and recommend changes only when convinced by careful investigation of results elsewhere, that such changes will be for the best interest of the schools. I feel that great credit is due our teachers. We have been very fortunate in having with us this year teachers who have used their influence to promote the welfare of our boys and girls both in the school and out.

In providing for the maintenance of the schools, I wish to urge the importance of an increase in the teachers' salaries. There is a demand for an increase in wages. We cannot retain the high standard of our

schools unless these demands are met. I trust you will increase the appropriation this year.

REPAIRS.

In making your appropriation for repairs this year, I would suggest that you take into consideration the condition of the outbuildings at the Cove. They are in bad condition, and something should be done this year.

TEXT-BOOKS.

We are well supplied with books, but the cost of books and paper has so increased that it will be necessary to raise the usual appropriation.

In closing, I wish to thank the members of the school committee for their advise and co-operation in everything that pertains to the good of the schools.

Respectfully submitted,

ELMER B. EDDY,
Superintendent of Schools.
