NOTE 1: USGS 7.5' quadrangle stream features appearing on this map have been revised to agree with planimetric and topographic mapping and photogrammetric data captured photogrammetrically dated May 7, 2007. See Section 6 of the Land Use Ordinance for the definition of Stream Protection zones.

NOTE 2: Parcel information updated through April 1, 2008.

NOTE 3: IF&W Wetlands data obtained from Maine Office of GIS revised 9/14/2012. This data represents moderate and high value rated freshwater wetlands as defined by Maine's Natural Resources Protection Act.

NOTE 4: Roads depicted on this map are meant signify the legal status of the roads as reflected in town tax records, but should not indicate all roads are through roads and sufficient for through traffic.
