REPORT OF THE
SUPERINTENDENT OF SCHOOLS.

Superintending School Committee:

L. U. Bragdon, term expires March, 1922
C. E. Hale, term expires March, 1923
E. H. Jellison, term expires March, 1924
Superintendent, Elmer B. Eddy.

To the Superintending School Committee and Citizens
of the Town of Sorrento:

I herewith submit my third annual report for the year ending February 7, 1922.

This has been a very successful school year. We have been fortunate in securing the services of efficient teachers who have worked faithfully for the interest of the pupils and the community, and I am pleased to speak words of praise in their behalf. The pupils have formed the habit of doing thorough work, and have to feel a certain responsibility of making the most of their time and books. The parents have cooperated in every way possible. The attitude they have shown toward the school work is a direct proof of which as the large gain in attendance shows.

In my last report, after long and serious study of school conditions, I recommended employing two teachers at High Head. At the beginning of the fall term, we divided the school into regular primary and grammar grades. This plan has been successfully carried out throughout the year. I recommend that sufficient funds be raised to continue the work.

REPAIRS.

In the past two years much has been done to improve the condition of the Cove schoolhouse. Practically both buildings are in good state of repair.

BOOKS AND SUPPLIES.

As the attendance has been somewhat larger this year, it has required an extra outlay for books and supplies. We are now well equipped, and I would suggest that the usual \$100 appropriation be made this year.

In conclusion, I wish to thank the teachers for their faithful work and co-operation, and to the school committee and citizens, for their loyalty and support, I am indeed grateful.

Respectfully submitted,

ELMER B. EDDY,

Superintendent of Schools.
