INTRODUCTORY LETTER

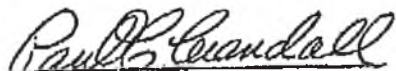

Town Charter-Town of Lubec, Maine

Dear Citizens of Lubec:

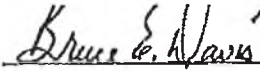

As provided by Referendum Question No. 1 of the Warrant of Town Meeting of 1993, the Lubec Charter Commission was established. Six members were elected and three were appointed by the Selectmen. The Commission held many meetings and two public hearings. The final draft was submitted to the Selectmen on March 23, 1995. This charter will be presented to the Town of Lubec for acceptance at the Special Town Meeting in 1995 and, if passed, the charter will take effect 30 days after said Town Meeting.

Federal and State Law along with our Town Charter governs our Town Government. Some sections of our Town Charter are, in fact, State Law. The purpose of our Town Charter is to more clearly define and put into effect laws which govern our Town Government. We want to maximize accountability and responsiveness to our citizens. We have worked hard to form a Town Charter that will provide the foundation for the most democratic Town Government. We wish to thank you, the citizens of Lubec, for the opportunity we have had to serve you on the Charter Commission.

Respectfully yours,

Paul C. Crandall, Chairman

Lubec Charter Commission

PREAMBLE

We, the citizens of Lubec, realizing our responsibilities inherent in the adoption of this charter, also recognize that strict moral ethics must be practiced by all people, particularly those in positions of authority. These moral obligations require honesty, integrity, and high ethical standards on the part of all elected and appointed officials.

Honest, responsible, dedicated leadership in all phases of our community is essential if Lubec is to continue to be a better place in which to live.

The Town of Lubec was incorporated on June 21, 1811. The purpose of this charter is to clarify the rights and responsibilities of the Town of Lubec; and to add others required by present needs and by changes in State statutes; and to assemble all this into readable, acceptable format.

This charter may be amended in the future, as cause or need requires.
