Sullivan-Sorrento Historical Society

To The Town of Sorrento

On January 12, 1983 our Society became 11 years old. Our collection is housed in the exhibit room at the Recreation Center in West Sullivan. This past year we have received over 200 new items, donated by 50 donors, bringing our collection to over 800 gifts consisting of old photographs, books, documents, maps, artifacts and charts. Gifts received in 1983 of particular interest are: (1) collection of old papers belonging to Ambrose Simpson; (2) steamer schedules from 1880's and 1890's; (3) collection of ledgers, 1896-1919 and other items found under floor boards in demolition of the Harvey Robertson store; (4) Dyer, Sargent and Bragdon genealogical material; (5) photos of fire which destroyed the East Sullivan church January 7, 1973.

We have completed our Donor's card file and continue to study regarding the preparation of a Catalogue system for our collection...if anyone has any experience in this field, we would appreciate their advice! We have consulted with the Maine State Museum and other organizations. Our most recent conference was with the Curator of Bangor Historical Society and we also talked with the Reference Librarian at Bangor Public Library.

In 1983 we held meetings from April through October on the 3rd Wednesday of each month. Programs included: Lois McFarland's talk on "BUTTONS"; Slim and Ethel Rice and George and Erma Lowndes' talk on the re-organization of the John Dority Grange in E. Sullivan; Dr. Winthrop Libby, former president of Univ. of Maine, speaking on the student activists at UMO during the 1960's (Sorrento Library); John Thomsen's movie presentation and talk on Maine's "Narrow Gauge Railways" (Sorrento Library); and a meeting-tour of Carle Gray's century old Pleasant Hill Farm home, Route 200, Sullivan.

We are requesting help from readers to participate in writing the Town History for the Sullivan Bicentennial in 1989 (Sorrento was part of Sullivan until 1895). We would like to give special emphasis to our earliest history, before incorporating in 1789, and extending through statehood in 1820 and the separation of Hancock in 1828, and of Sorrento in 1895. The genealogies of the earliest families should be set forth clearly and accurately, for the benefit of their descendants, future historians and the public at large. We hope that comprehensive treatment can be given to the shipbuilding, mining and granite industries. We welcome your help and suggestions and all factual information with which you can provide us relevant to the history of the Town of Sullivan.

Our first meeting this year will be April 18th at the Recreation Center. Watch newspapers for announcements of these meetings April through October. Do plan to attend our meetings and participate in our programs.

Respectfully submitted,

Officers and Directors of the
SULLIVAN-SORRENTO HISTORICAL SOCIETY

Frenchman's Bay Library

1983 was a good year for the library. Generous public support of our rummage sales, bake sales, and August Bazaar, and an increase in the appropriation voted by residents of Sullivan at their 1983 Town Meeting, made it possible to purchase many good new books for adults and children. We also appreciate the gifts of books and money received during the year.

The number of people using the library continued to increase throughout the year. Our greatest need at present is for a proper library catalogue file that readers may use themselves to locate any book on the shelves by title or author. A recent gift from a former committee member has been earmarked to start a fund for this purpose.

The Frenchman's Bay Library is open all year on Tuesdays and Saturdays from 1 p.m. to 4 p.m. and during the same hours on Thursdays from June 15 to September 15. Residents of Sullivan and Sorrento, the towns that make annual appropriations to help support the library, may use the library without charge. Residents of other towns pay a small fee for full library privileges.

Sorrento-Sullivan Recreation Center

1983 will be remembered as a year of dramatic change and renewed interest in our Rec Center. The election meeting attendance was perhaps the largest ever. Of the sixteen members elected to the Board, ten were new faces. The new Board with its all new executives promptly launched into planning and implementing needed improvements as well as methods of raising funds.

As you look around, it will be obvious that the main hall floor has a new finish coat thanks to Clint Ritchie and Judy Scott who donated a lot of their time and expertise in doing a great job. The field east of the building has been mowed. The porch area at the rear of the building has been partially insulated and a new single door installed to replace the two old ones. A wheelchair access ramp is being built. Twelve new large tables have been purchased. Two heat recycling fans together with a "smokers" exhaust system have been installed at the expense of the Sullivan Fire Department.

We received a staggering \$3,087.00 from a fund drive based upon an appeal by letter. To all those who contributed we thank you again. Public suppers and a hunters breakfast were held with modest success. Dances with popular local bands are being planned. Although the Center does rent its facilities for such things as wedding receptions, rummage sales, public dances and private suppers, etc., these fees do not alone cover operating expenses or those unexpected expensive repairs associated with aging buildings.

We believe you will be pleased to note that plans are in work to have the Center as our Civil Defense Center. Also, that the Center has made itself available as an emergency evacuation facility for the Maplecrest Nursing Home.

We wish to thank, in advance, all residents of Sorrento and Sullivan for your continued support.

Respectfully submitted,

Sorrento Community Center

The Committee for the Sorrento Community Center is pleased to submit its report of activities for the first full year of its existence.

The building has been repaired and painted. A number of windows have been boarded up to conserve heat and window quilts have been installed on others. In the fall, the two upper rooms and hallways were thoroughly cleaned, making them more attractive places to hold meetings and suppers. The Town has bought new folding tables and chairs.

The Committee decided that pot luck suppers would be a good way to interest Sorrento people in their new Community Center, and we have sponsored several of these, each followed by a short program, using the talents of several townspeople. Printed postcards have been mailed in advance of each supper, and notices placed in newspapers and on radio. Programs have included several slide shows, country music, Christmas carols, and Sorrento History Night, featuring collections of old photographs and memorabilia, as well as slides of this year's musseling operations in the harbor and surrounding waters. Between thirty-five and forty-five people have attended the suppers and have enjoyed the good food and sociability.

We have been encouraged by several gifts and contributions to the Center from year-round residents and summer people. Dorothy Wheatland gave an electric coffee pot, Gifford Ewing a generous check, Arthur Thompson has loaned some of his paintings and drawings to decorate the walls, and several people have contributed towards the purchase of daffodil bulbs for the grounds. The Committee gratefully acknowledges the recent establishment of the Martha Hale Memorial Fund for the Sorrento Community Center by the family of Martha Hale.

At a special Town Meeting, the citizens of Sorrento voted to rent the basement of the building to Michael Parker for storage, but voted not to rent the back room at this time. The Committee and the Selectmen are reviewing plans for a kitchen, which will be built as soon as estimates are in and funds available. The Committee proposes to renovate the back room as a lounge, which would serve as a meeting room for small groups and which could be rented for parties.

We are fortunate to have this fine building for our Community Center, and we hope all Sorrento people will feel welcome here. It can add much to the quality of life in our town.

Respectfully submitted,
The Committee for the Sorrento Community Center

Legislative Report from Senator Tom Perkins

The first regular session of the 111th Maine Legislature was rather long and taxing for not only the legislators but the people of Maine as well. Though we worked every method at our disposal, we were unable to confine the powers that be to the monies at hand. Much to my regret, many Maine people in their communities are being asked to supplement the State Budget by means of a fire suppression tax and an increase in the gas tax as well as fees associated with our Maine environment.

Some of the bills I sponsored were:

L.D. 178 - AN ACT to Amend the Maine Guarantee Authority Act to Allow for More Expansive Development in the State.

L.D. 527 - AN ACT to Provide all Municipalities With the Option to Establish a Local Board of Assessment Review.

L.D. 664 - AN ACT to Allow the District Court to Grant Restitution in Cases of Unfair Trade Practices.

L.D. 734 - AN ACT Relating to Powers of the Board of Trustees of the Maine Maritime Academy and to Authorize Conferral of the Master of Science Degree in Maritime Management.

L.D. 872 - AN ACT to Promote Work-Site High Blood Pressure Programs for Maine Workers.

L.D. 880 - AN ACT to Clarify the Tax Status of Time-Sharing Condominiums.

L.D. 912 - AN ACT to Improve the Administration of Agricultural Fairs.

L.D. 1101 - AN ACT to Amend the Laws Relating to Transportation or Cutting of Christmas trees.

L.D. 1285 - AN ACT Making Unified Appropriations and Allocations for the Expenditures of State Government, General Fund, and Changing Certain Provisions of the Law Necessary to the Proper Operations of State Government for the Fiscal Years Ending June 30, 1984, and June 30, 1985.

L.D. 1295 - AN ACT Making Additional Authorizations and Allocations Relating to Federal Block Grants for the Expenditure of State Government for the Fiscal Year Ending June 30, 1983.

L.D. 1405 - AN ACT to Protect Underwater Electric Cables and to Increase the Penalties for Violations.

L.D. 1414 - AN ACT to Extinguish Obsolete Mineral and Mineral Rights.

L.D. 1491 - AN ACT Relating to Forged or Illegal Prescriptions.

L.D. 1495 - AN ACT to Provide Legislative Participation in the Allocation of Consumer Settlements and for Allocation of Funds for the Low Income Energy.

L.D. 1641 - AN ACT to Amend the Lucerne-in-Maine Village Corporation Charter.

L.D. 1714 - AN ACT to Provide Equitable Health Care for Alcoholism and Drug Dependency Treatment.

L.D. 1738 - AN ACT to Require Legislative Approval of Low-Level Radioactive Waste Facilities.

L.D. 1646 - AN ACT to Provide Equal Access to Justice.

Selectmen of Sorrento

Auditor's Report

February 11, 1984

Board of Selectmen
Town of Sorrento
Sorrento, Maine

We have examined the balance sheet of the Town of Sorrento, Maine as of December 31, 1983, and the related statements of revenues and expenses and changes in surplus for the year then ended. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Our examination has been made primarily for the purpose of formulating an opinion on the basic financial statements taken as a whole. The other data included in the report, although not considered necessary for a fair presentation of the financial position, results of operation or changes in fund balance in conformity with generally accepted accounting principles are presented for supplementary analysis purposes and have been subjected to the audit procedures applied in the examination of the basic financial statements and are in our opinion, fairly stated in all material respects in relation to the basic financial statements taken as a whole.

In our opinion, the aforementioned financial statements present fairly the financial position of the Town of Sorrento, Maine as at December 31, 1983 and the results of its operation and changes in fund balance for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Respectfully submitted,
