What time period does the information in this Annual Report cover?

All of the Town's financial information in this report (expenses, revenues and employee compensation information) is for the **2014-2015 Fiscal Year (FY15) beginning July 1, 2014 and ending June 30, 2015**. We are required to report audited financials for the Annual Town Report and FY15 is the most recent fiscal year for which we have audited figures. The current fiscal year that we are in (FY16) does not end until June 30, 2016.

However, because of the timing when we print the Annual Town Report nearly a year after the Town's last fiscal year ends, Department Head reports and other letters offer information based on different timeframes such as calendar year 2015 and more recent information when applicable.

The primary reason for different time periods is that the most current data for various areas of the Town operation: audited financials, tax assessments, crime statistics, building permits, etc., varies depending on the data source. In all cases, we strive to give you the fullest and most up-to-date information about Town operations. We have noted on each data table the specific time period for which the figures are related.

Hours of Operation & Phone Numbers

Sabattus Town Office. Phone: 375-4331 / Fax: 375-4104

Monday, Wednesday, Thursday, 8:00a.m.- 4:30p.m.

Tuesday 8:00a.m.- 6:00p.m.

Friday 8:00a.m.-1:00p.m.

STATE OF MAINE
OFFICE OF THE GOVERNOR
1 STATE HOUSE STATION
AUGUSTA, MAINE
04333-0001

Paul R. LePage
GOVERNOR

Dear Citizens of Sabattus:

Maine has a long tradition of civil participation in both state and local government, and I thank you for being informed and involved citizens.

My vision for Maine is prosperity, not poverty. For this reason, one of my top priorities is the reduction and eventual elimination of the income tax. Some are pushing to raise the minimum wage, but I want Mainers to earn a maximum wage. Reducing the income tax is the biggest and most immediate pay raise for all hard-working Mainers.

Not only does an income tax cut put more money back in your pockets, but it will also attract businesses that can offer good-paying careers to keep our young people here in Maine. It shows the nation that we are serious about wanting people and businesses to come—and stay—in Maine.

Another of my priorities is to lower the cost of student debt in Maine. If young people are struggling with too much student debt, they are unable to afford homes or vehicles. We are now offering programs to help them lower their debt, stay in Maine, begin their careers and start families.

To provide good-paying jobs for our young people, we must also work hard to reduce our energy costs. High energy costs are a major factor in driving out manufacturers, mills and other businesses that need low-cost electricity. I am committed to lowering the cost of energy, not only to attract job creators, but also to allow Maine people to heat and power their homes affordably and effectively.

And finally, we are making progress to address the drug pandemic in our state. It is my most important duty to keep the Maine people safe. While education, treatment and prevention efforts are important, we must get the dealers off the streets. I am pleased the Legislature has finally agreed to fund my proposal for more drug agents to stem the supply of deadly opiates flowing into our communities, but our law enforcement agencies are still understaffed. We must do more.

It is a pleasure serving as your Governor. If ever I can be of assistance to you or if you have any questions or suggestions, I encourage you to contact my office by calling 287-3531 or by visiting our website at www.maine.gov/governor.

Sincerely,

Paul R. LePage
Governor

www.maine.gov

Dear Friends:

It is an honor to represent Maine in the United States Senate. I am grateful for the trust the people of our State have placed in me and welcome this opportunity to share some key accomplishments from 2015.

Growing the economy by encouraging job creation was and remains my top priority. The tax-relief bill signed into law at the close of last year contains three key provisions I authored to help foster job creation and provide small businesses with the certainty they need to invest, grow, and, most important, hire new workers. Another provision I authored that became law last year gives a boost to both Maine's economy and traffic safety. This provision permanently changed the federal law that previously had forced the heaviest trucks onto our country roads and downtown streets, rather than allowing them to use Maine's federal Interstates. In addition, I was glad to help secure another significant award for the University of Maine's deepwater offshore wind initiative, which has the potential to advance an emerging industry and create thousands of good jobs in our state.

Maine's historic contributions to our nation's defense must continue. In 2015, I secured funding toward a much-needed additional Navy destroyer, likely to be built at Bath Iron Works. Modernization projects at the Portsmouth Naval Shipyard that I have long advocated for were also completed, as were projects for the Maine National Guard.

I was also deeply involved in crafting the new education reform law to better empower states and communities in setting educational policy for their students. The law also extends a program I co-authored that provides additional assistance to rural schools, which has greatly benefitted our state. A \$250 tax deduction I authored in 2002 for teachers who spend their own money on classroom supplies was also made permanent last year.

As a result of a scientific evaluation of the nutritional value of potatoes required by a law that I wrote, the wholesome fresh potato finally was included in the federal WIC nutrition program. I also worked on other issues important to Maine's farmers and growers, including research on wild blueberries and pollinating bees.

As Chairman of the Housing Appropriations Subcommittee, I have made combating veterans' homelessness a priority. This year's housing funding law includes \$60 million for 8,000 new supportive housing vouchers for homeless veterans. Since this program began in 2008, the number of homeless veterans nationwide has dropped by one third. Maine has received nearly 200 vouchers to support homeless veterans.

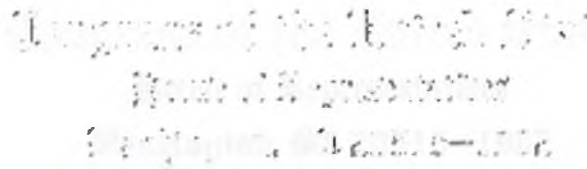

Last year, I became Chairman of the Senate Aging Committee. My top three priorities for the committee are retirement security, investing more in biomedical research, and fighting fraud and financial abuses targeting our nation's seniors. I advocated for the \$2 billion increase in funding for the National Institutes of Health to advance research on such diseases as diabetes and Alzheimer's. The Senate also unanimously passed my bill to support family caregivers. The Aging Committee's toll-free hotline (1-855-303-9470) makes it easier for senior citizens to report suspected fraud and receive assistance and has already received more than 1,000 calls.

A Maine value that always guides me is our unsurpassed work ethic. As 2015 ended, I cast my 6,072nd consecutive vote, continuing my record of never missing a roll-call vote since my Senate service began in 1997.

I appreciate the opportunity to serve the town of Sabattus and Maine in the United States Senate. If ever I can be of assistance to you, please contact my Lewiston state office at (207) 784-6969, or visit my website at www.collins.senate.gov. May 2016 be a good year for you, your family, your community, and our state.

Sincerely,

Susan M. Collins
United States Senator

Town of Sabattus
190 Middle Road
Sabattus, ME 04280

Dear Friends,

This past year—my first as your Congressman in the U.S. House of Representatives—I am proud to have supported Maine families, local businesses and communities by working hard with Republicans and Democrats to promote policies that will preserve and create jobs and lower energy costs. I have worked to ensure our Veterans and active military members have the services they have earned and deserve, protected the individual rights and liberties they have fought for, and strengthened our national security to keep Americans safe and free.

I have fought tooth and nail to protect and create jobs for Maine. I stood up against the Washington political establishment, including Congressional leadership, to oppose granting fast-track authority to the President, a policy that allows him to facilitate massive international trade agreements that are unfair to American businesses, especially those in Maine. I am also extremely proud to have led the charge in successfully ending unfair and job-killing Canadian subsidies and to win a major victory for Maine by pushing into law a provision that will continue the FDA's use of paper inserts, efforts that combined to preserve hundreds of traditional Maine papermaking jobs.

As a proud member of the Military Veterans Caucus, I have been fighting for our Veterans by supporting several bills to increase funding for Veterans' health programs and hold the VA accountable. I also am proud to have introduced my own bill—the Helping Our Rural Veterans Receive Health Care Act—to give our rural Veterans easier access to their earned health care services by letting local hospitals care for them instead of VA centers far from home. I extend my thanks to all who have served.

In this first year, I also had one of my own bills signed into law. My critical and bipartisan Child Support Assistance Act will help children and their families receive legally due support in a timelier manner from delinquent parents. My District offices also helped hundreds of Maine families resolve issues with federal agencies and get the answers, benefits and services they deserved.

There is much more work to be done. Our Great State and Nation face many critical challenges. Please know that I am working hard, every day, to serve you and that I will continue to work here at home and in Washington for our families, local businesses and communities.

If you ever have any concerns or if I can provide assistance, please contact my Congressional Offices in Bangor (942-0583), Lewiston (784-0768), Presque Isle (764-1968) and Washington, DC (202-225-6306), or visit my website at poliquin.house.gov. It is an honor to represent you and our fellow Mainers in Congress.

Best wishes,

Bruce Poliquin
Member of Congress

United States Senate

WASHINGTON, DC 20510

ANTHONY S. KING, JR.
U.S. SENATOR
BUDGET
ENERGY AND
NATURAL RESOURCES
INTELLIGENCE
COMMITTEES

Dear Friends of Sabattus:

It has been a privilege to serve the State of Maine since being sworn into the U.S. Senate.

Much of my time in Washington this past year has been devoted to the Senate Armed Services Committee and the Select Committee on Intelligence. Protecting our homeland and the people of Maine from terrorism and violence remains one of my top priorities. Through my work on the Armed Services Committee, I was able to secure several provisions in the 2016 National Defense Authorization Act that benefit Maine. The legislation authorizes the construction of an additional DDG-51 Arleigh Burke Class Destroyer that could be built at Bath Iron Works and expands the HUBZone program to stimulate economic growth at former military installations like the former Brunswick Naval Air Station.

Returning control to teachers, school districts, and states has also been a primary concern of mine. I am encouraged that the Every Student Succeeds Act has become law. It eliminates the burdensome requirements of the No Child Left Behind Act and ensures access to a quality education for all students. A provision I helped author in the bill will give states the opportunity to pilot the use of their own proficiency-based assessments in lieu of federally-mandated standardized tests. Also included in the bill are several measures I secured to promote local input, fund education technology initiatives, and explore new strategies to increase student access to the internet outside of school.

Communities across Maine have taken bold action to improve their broadband connectivity, and I have been proud to foster federal support for these types of projects. My amendments to the Every Student Succeeds Act will promote the type of work already occurring in Washington County, where students who lack broadband access are able to check out mobile hotspots from their local libraries. Additionally, a bill I cosponsored, the Community Broadband Act, helped pave the way for the FCC to enact rules protecting the ability of municipalities to invest in better broadband. I am excited by Maine's leadership on this important economic development issue and will continue to support local efforts in this area.

After extensive negotiations, the Senate passed a five-year transportation bill that will increase highway and transit funding in Maine and provide stability to improve our transportation infrastructure. The legislation contains provisions I cosponsored to cut red tape and improve predictability and timeliness by streamlining the federal permitting process for large infrastructure projects. Also incorporated in this bill are my provisions to relieve financial regulations on Maine's community banks and credit unions and to reauthorize the Export-Import Bank, a critical tool that supports communities and small business across the state.

Following my inquiries in the Energy and Natural Resources Committee, the National Park Service has announced they will begin exploring strategies to allow park visitors to purchase electronic passes online and will pilot the program at Acadia National Park. These passes would improve access to our nation's most treasured landscapes and would generate resources for years to come. I remain deeply engaged in preserving Maine's natural beauty and strengthening our outdoor recreation economy.

It is with solemn responsibility that I have focused my energy addressing the opioid epidemic in Maine. This work includes convening roundtables with a wide-range of health care and law enforcement professionals to combat addiction; introducing a proposal to safely dispose of excess prescription drugs; cosponsoring a

Senate-passed bill that addresses mothers struggling with addiction and the alarming effect it has on newborns; cosponsoring the TREAT Act, which expands the ability of medical specialists to provide life-saving medication-assisted therapies for patients battling heroin and prescription drug addiction; and calling on the Commander of U.S. Southern Command to increase efforts to stop the flow of heroin at our southern border.

I like to think of Maine as a big small town – and in a small town, the leaders are accessible and eager to listen. In that spirit, I've made it a priority to stay connected with people from all over Maine who e-mail, write, and call with suggestions or questions. If I can ever assist in your interaction with a federal agency, or you have thoughts, concerns, or personal input on a matter that is currently before Congress I hope you will contact me, let me know where you stand, and engage in this critical part of democracy. Please call my toll-free line at 1-800-432-1599 or one of my offices: Augusta (207) 622-8292, Presque Isle (207) 764-5124, Scarborough (207) 883-1588, or Washington, D.C. (202) 224-5344. You can also write me on our website at www.senking.senate.gov.

As always, I am honored to represent the people of Maine and look forward to working with you for the betterment of our great state.

Sincerely,

Annual Report to the Town of Sabattus

A Message from Senator Garrett Mason

Dear Friends and Neighbors:

I would like to thank you for the opportunity to represent Sabattus in the Maine Senate during the past five years. It has been an honor to work on your behalf to make our state an even better place to live, work and conduct business.

Legislators considered a number of bills last year that would have tightened spending and eligibility for Maine's welfare system. It has always been a priority of mine to reform our state's welfare programs to target the elderly, disabled, and those truly in need. Although the Senate approved many of the proposed changes, most of the initiatives were killed in the House. One change we were able to make addresses fraudulent use of benefits. This past year, the Department of Health and Human Services expanded its welfare fraud investigative unit, which addresses more than 3,000 allegations of abuse every year. Lawmakers changed the law so a person who makes a false statement in order to obtain municipal general assistance is now guilty of a Class E crime and is ineligible to receive further welfare assistance for a period of 120 days or until the benefits received are reimbursed, whichever period is longer. It's a step in the right direction and it is my hope that we continue to make more changes to reform our welfare system.

During the second session of the Legislature, we need to make progress towards addressing the cost of energy in this state. There are a number of bills that have been proposed that would change the way our state's energy system works, and as a member of the Energy, Utilities and Technology Committee, I look forward to tackling legislation that would lower your energy costs. I also believe that working to provide support to areas hard-hit by recent mill closings should be a focus of the 2016 session.

One issue that will be at the forefront of discussion this year in Augusta is legislation aimed at tackling the state's drug crisis. Lawmakers are currently debating legislation that proposes to hire more drug agents and expand substance abuse treatment. The bill, which would dedicate \$4.9 million to this problem, would fund 10 additional investigator positions within the Maine Drug Enforcement Agency and direct the state to open a drug detoxification facility in northern or eastern Maine. It also seeks to fund projects run by jails or local law enforcement agencies to help drug users connect with community-based treatment and recovery programs.

Again, thank you for entrusting me to represent you in Augusta. Please feel free to contact me if you need my help in navigating the state bureaucracy. I can be reached in Lisbon Falls at 577-1521, in Augusta at 287-1505, or by e-mail at Garrett.Mason@legislature.maine.gov.

Sincerely,

Senator Garrett P. Mason

Town of Sabattus
190 Middle Road
Sabattus, ME 04280

Dear Friends and Neighbors,

It is an honor to serve you as your State Representative for House District 57. After a challenging first session in 2015, I look forward to working through the second session energized by what I was able to accomplish last year. It is my privilege to be your voice at the Capitol and I can assure you I will continue to work carefully and diligently on your behalf.

Currently I serve on the Joint Standing Committee on Inland Fisheries and Wildlife committee for the 127th Legislature. This committee oversees the Department of Inland Fisheries and Wildlife; inland fisheries and wildlife research and management; hunting; fishing; trapping; hunter safety; fish hatcheries; game wardens; guides; ATVs; snowmobiles; watercraft registration, boat safety and more.

To do my job well, I will continue to send legislative updates e-mailed weekly throughout the year to all who would like to stay informed as to current state news. If you wish to receive these updates, please contact me at woodysnary@gmail.com.

Again, thank you for giving me the honor of serving you in Augusta!

Sincerely,

Stephen J. Wood
State Representative

To the Citizens and Taxpayers of Sabattus:

It's with great pleasure, I write this first annual report to you as your Town Manager. I will encapsulate some of the Town's highlights and its financial outlook. First, I believe that I must recognize Andrew Gilmore for his dedication to the Town of Sabattus and his four years as Town Manager. Drew resigned in July to pursue other professional opportunities and moved to North Carolina with his family. Drew's time here should be remembered for developing financial protocols that have ensured the Town's financial stability and transparency. The Town's financial position looks substantially improved since 2011, when systems were developed for maintaining or improving the current financial condition. Additionally, he worked diligently on improving the effectiveness and efficiency of each department while raising employee standards.

Prior to my appointment as Town Manager, I spent four years as your Chief of Police. Those years revealed to me the remarkable community of Sabattus and most importantly the residents and business owners. The relationships I developed with Sabattus, during my tenure as Chief of Police, made leaving my law enforcement career of 30 years much easier. I anticipate many future challenges, but know that I will receive honest feedback from our residents and political bodies. This honest communication will greatly assist in our continued improvement of Sabattus' financial outlook and continuing our plan for expanding the tax base.

One of my first challenges was identifying and hiring a new Chief of Police. The Town conducted a comprehensive search and obtained applicants from across the country. A panel of three Police Chiefs and two Sabattus residents interviewed six semi-finalists and identified two finalists. With great privilege, I was able to appoint an internal candidate, and in January 2016 the Board of Selectmen confirmed Gary Baillargeon as Chief of Police.

The Sabattus Police Department experienced multiple changes in the past year, and the face of the Police Department is ever-changing. Longtime employees Officer Melanie Skidgel and Lt. Matthew Prince resigned from the department. Two of the three vacant positions were recently filled. New to the Sabattus Police Department are Officer Spencer Teixeira and Detective Sergeant Shella Wetherbee. We anticipate boundless community involvement from these two new employees, and our residents should look forward to meeting them.

Town staff and elected officials understand the fiscal challenges facing towns because of reduced revenue sharing from the State and limited expansion opportunities of our tax base. We have worked diligently to ensure the financial stability and liquidity of assets. The most recent audit of FY15 demonstrates the financial stability of the Town of Sabattus and strides made over the past few years. Town staff and the Board of Selectmen have worked attentively in developing sound financial capital plans and improving the Town's infrastructure, while improving the Town's undesignated fund balance. During FY16, we made these improvements with a minimal Mill rate increase of 10 cents.

During the 2015 Town Meeting and meetings from previous years, residents overwhelmingly supported several capital expenditures and I want to update you on the status of these items. The Public Works Department purchased a new Western Star Dump-Plow truck. The truck was delivered the first week of April and was several thousand dollars under the amount allocated by voters. Additionally, the Public Works Department purchased a Massey Tractor in October 2015. The tractor and its attachments provide Gary LaBonte and his crew an invaluable tool while increasing the crew's efficiency and safety. The Police Department purchased a 2015 all-wheel drive Dodge Charger in July 2015. This cruiser has been on the road for several months and proved extremely valuable during the few snow storms experienced this past winter. Additionally, the Town approved the purchase of automated external defibrillators (AEDs) for the Police Department. The Police Department now has three AEDs, with two being located in their primary cruisers and one located in front hallway of the Police Station. The most

substantial purchase of the year was the new Pumper/Tanker purchased by the Fire Department. Chief Veilleux and other dedicated volunteers worked meticulously on researching the correct truck for our community while understanding the financial parameters approved by voters. We purchased an E-One pumper/tanker, and we expect the new truck to arrive in October of this year. The Fire Department also purchased several air cylinders approved over the past several years. This strategic planning of cylinder replacement should benefit the Town and its Fire Department for several years.

During the past few years, our collaboration with Androscoggin Valley Council of Governments and Maine Department of Transportation resulted in several infrastructure improvements. The Town's portion of the funding for these projects were appropriated from the FY13 \$750,000 road bond and revenues procured from the Charter mandated 25% excise tax contribution to the Road Construction Capital Account. The Department of Transportation completed two phases of updating the Main Street corridor and installing sidewalks. Additionally, they completed the first phase of improving Pleasant Hill Road with site improvements made at the intersection of Middle Road and Pleasant Hill Road. The second phase of this project began on April 4 and will be completed by July 31, 2016. The final project utilizing these funds was the 1.5-mile repaving for Lisbon Road in the autumn of 2015. Several other road projects occurred in the past five years, but these projects highlight the recent commitment to improving the Town's infrastructure using assorted funding sources while minimizing the effect of these projects on the Town's Mill rate.

I must genuinely thank the Town Office staff for making my transition seamless. Suzanne Adams, Amy Duquette and Judy Fournier continually assist me with identifying the challenges of managing a Town and provide historical perspectives. These professionals are the true face of the Town Office and provide our residents with a quality experience when seeking our services. I must also recognize and thank our two contract employees, Donna Hayes and Dennis Douglass. Both greatly assist me in specialized areas that I am just beginning to understand, and their patience is appreciated. I would be remiss if I didn't recognize two essential employees, Joe Gauthier and Jerry Sabins. Joe's dedication to the maintenance of our buildings is remarkable, and his maintenance plan should reduce future capital expenditures for the Town. Jerry and his staff are second to none. In my four-plus years with Sabattus, I have not heard a single negative comment about the Transfer Station. That speaks volumes about the customer service and work product coming from Jerry and his staff.

I look forward to my continued service to the citizens of Sabattus and helping to realize the Town's future opportunities. The residents of this Town have welcomed me, as both a Police Chief and Town Manager, and I sincerely appreciate your hospitality. The openness and honesty of our residents is refreshing and invigorating. Your open communication and feedback makes our growth easier while providing us with a clear expectation of services desired. Thank you for permitting me to manage your Town and making me feel like a member of your community. Please feel free to stop in the Town Office and provide me with your thoughts, concerns or experiences with the Town or its staff.

Sincerely,

Anthony R. Ward
Town Manager

To the Citizens of Sabattus:

Your Town Clerk submits the following reports for the year ending December 31, 2015:

In 2015, 666 dogs and one kennel were licensed and monthly reports and payments were sent to the Maine Department of Agriculture Animal Welfare Program.

Currently, Sabattus has 3,659 registered voters according to the Town's registration records. There are 1,102 Democrats, 197 Green Independent, 890 Republicans, and 1,470 Unenrolled. The Town of Sabattus conducted three elections in 2015, as follows:

June 09, 2015	Regional School Unit Budget Validation
July 28, 2015	Regional School Unit Budget Validation
November 3, 2015	Referendum Election & Local Municipal Election

Vital Statistics received from January 1, 2015 through December 31, 2015 have been filed according to requirements and monthly and quarterly reports have been submitted to the Department of Human Services, Office of Vital Records in Augusta, Maine.

Respectfully Submitted,

Suzanne M. Adams
Town Clerk

Code Enforcement

Dennis J. Douglass

Code Enforcement Officer, Building Inspector,

Licensed Plumbing Inspector, 911 Addressing Officer

The Code Enforcement Officer, Building Inspector and Plumbing Inspector administers law relating to land use such as; building codes, shoreland zoning, minimum lot standards and the Maine Plumbing rules.

A major function of the Code Enforcement Office is to provide information to the public and to assist property owners in making prudent land use decisions. The office receives many requests for information on subjects ranging from land use regulations and building matters to issues involving State and Federal laws.

The office has an extensive collection of reference materials and can provide answers to some fairly complicated questions.

All construction within the boundaries of the Town of Sabattus requires a permit(s). Applicants may contact the Code Enforcement Officer at 751-6778 for any questions they may have. The Code Enforcement Office may also be contacted on the Internet at www.sabattus.org.

A permit is required for all new construction / remodeling / demolition / signage

A permit is not required for repairs

A permit is not required for a boundary fence (max. 6' height)

Code Enforcement Hours of operation:

Tuesday - 8:00am to 6:00pm

Wednesday - 6:00pm to 9:00pm

All other times available by phone at #751-6778

Inspections are done as needed during regular daytime work hours any day during the normal work week.

Permits for calendar year 2016

	<u>Total permits</u>	<u>Fees</u>	<u>Value</u>
Demolition permits	9	\$40	\$0.00
Mobile home permits	9	\$2,212	\$200,580
New single family home permits	13	\$6,439	\$1.9 mill.
Commercial construction permits	2	\$1,748	\$205,000
Renovation / Remodel	8	\$511	\$168,500
Garage permits	20	\$3,483	\$307,490
Storage shed permits	11	\$277	\$26,500
Miscellaneous permits	17	\$600	\$34,966
Internal plumbing permits	16	\$1,058	\$0.00
HHE200 – Septic system permits	12	\$1,875	\$0.00

2015 ANNUAL REPORT

Sabattus Fire & EMS Department

March 31, 2016

To The Citizens of Sabattus,

2015 has once again been a very positive year for the Sabattus Fire and EMS Department. This being my 3rd year as your Fire Chief, I continue to see many advancements and positive changes within the service. With that said, it is with great pleasure that I submit the 2015 Annual Report to the Town of Sabattus.

In February of 2016, at a Board of Selectmen meeting, I had the pleasure of recognizing a few members for their outstanding performances throughout the year in 2015. Awards were presented for their achievements. Awards were as follows:

Fire Officer of the Year was awarded to Lieutenant Tony Siderio

Fire Fighter of the Year was awarded to Firefighter Matt Conde

EMS Responder of the Year was awarded to FF/EMT Jennifer Campbell

Junior Firefighter of the Year was awarded to Junior FF Austin Gayton

Additionally, Austin Gayton was recognized through the National Junior Volunteer Fire Council for reaching 250 volunteer hours. The award he received, was the President's Volunteer Service Award, in which Austin received a signed letter of achievement from President Obama, along with a certificate and an award pin. Firefighters Matt Conde, Brian Grant, Kasey Blais, and Captain Mike Noel all achieved Firefighter 1&2 certification. Currently, there are 2 members who are attending the rigorous 240+ hours of training to achieve this certification, and will be certified to that level sometime in July. These members show the true dedication and commitment to serving their community. Congratulations to them all for their efforts.

This year, members of Sabattus Fire and EMS responded to a total of 316 Fire and EMS calls. As you can see by the charts below, the majority of the incidents we respond to occur during the week and during normal business hours. It is important to look at this information, as the majority of our membership, are also at work during these time periods. This is why it is crucial we continue to support the per-diem staffing program, the recruitment and retention programs, as well as our mutual aid partnerships.

The Sabattus EMS First Responders are trained emergency medical technicians (EMTs) of various levels. They are trained to respond to critical emergency medical calls prior to the arrival of United Ambulance Service ranging from cardiac arrests, shortness of breath, seizures, diabetic problems, and many other critical incidents and injuries. To date, EMS First Responders have responded to more than 600 calls since its inception, not including fire department emergencies. Currently, there are 12 active EMT responders in the program and other members actively enrolled in an EMR first responder or EMT program. Our goal is to have, at a minimum, 5 more personnel trained and available to respond in the coming year.

In 2015 many grants were applied for through various agencies such as FEMA, Maine EMA, the forestry service as well as other local organizations. This year we have been awarded well over \$10,000 in grants to better enhance our services as well as creating a safer work environment for responders. Some of the items we were able to purchase are safety lockout equipment, structural firefighting boots, water rescue equipment, hazardous materials operation training, and radio communication equipment. As many of you may have seen, in June of 2015 we acquired a used, inflatable rescue boat. The majority of the members have received operations training on the boat, and it has been deployed a few times for various incidents on the lake. We will continue the pursuit of obtaining grants for equipment and supplies as this greatly reduces the burden on taxpayers.

I want to remind all the citizens of the community that numbering your homes, so that it is visible from the road, is a town ordinance. We as responders continuously struggle to locate homes during times of emergencies, which takes valuable time away from the care we should be giving to you or your loved ones. Please take a moment the next time your pulling in to your home and see if your house number is visible, at night, from the road. If not, we also can't see it. House numbers can be purchased at local hardware stores. Also, as a courtesy, the Sabattus Fire Association is selling reflective house numbers for your homes or mailboxes. Forms can be obtained at the fire stations, or on line at the towns website at www.sabattusmaine.com. A mere \$15.00 could save you or your loved one's life!

I would like to express to you how fortunate the Town of Sabattus is to have such a devoted and hardworking fire and EMS department. These individuals selflessly have responded to 316 emergency calls. This past year responders spent more than 1200 hours on scene of emergencies, within and outside our community. This does not include their attendance for trainings, informative meetings and other behind-the-scenes fire related activities. This kind of perseverance demonstrates how committed they are to assuring their safety as well as the safety of your community. Your firefighters continue to put enormous amounts of hours in to being qualified and well-trained.

The men and woman of your Fire/EMS Department continue to aggressively seek out and learn better ways to serve the community through training, public education, and on-the-job experience. Many of your Sabattus emergency responders work fulltime for other emergency organizations in other communities, as well as hold regular employment positions. This kind of diversity and education from various agencies allows Sabattus responders to be leaders in their field and best serve our town. As your fire chief, I am pleased with the forward progress and proactive approach to our expanding community and its needs.

Despite time constraints and family obligations, the members of the Sabattus Fire and EMS Department still find time to volunteer and serve our community, facing high risk of injury, or even death, protecting life and property for little compensation. It gives me great pleasure to know that the Town of Sabattus has such dedicated firefighters and EMS professionals working for our community. It is very important that we strive to be progressive and proactive and continue to maintain a high level of service. I continue to say that I am very proud to be part of this organization and honored to serve as your Fire Chief. Please do not hesitate to contact me with any questions or concerns. My goal is to have an open line of communications with everyone.

If any of you have a desire to be part of the Brother and Sisterhood in one of the most rewarding fields or if you are licensed through Maine EMS and are interested in being a part of the Fire and Rescue community, either in the emergent or non emergent aspect; please do not hesitate to contact me or fill out an application which is available on the town website. Come join a great group of committed individuals' "Citizens Volunteering to Protect Life and Property" within the community.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read "Marc Veilleux", with a stylized flourish at the end.

Town of Sabattus Fire & EMS Department

TOWN of SABATTUS POLICE DEPARTMENT

190 Middle Road • Sabattus, Maine 04280 • Phone: (207) 375-6952 • Fax: (207) 375-2504

Dear Residents of Sabattus,

I am extremely excited to have the opportunity to present my first annual report as your Chief of Police. The Sabattus Police Department has gone through some exciting changes during the past year. As you know, former Police Chief Anthony Ward took the position as Town Manager replacing Andrew Gilmore. That movement allowed me to apply for and ultimately be selected as the Sabattus Police Chief, a position that I am honored to have. Long time employees, Melanie Skidgel and Lt. Matthew Prince resigned from the department to explore options in the private sector.

The town has had the privilege of welcoming two new additions to the police department this year. Officer Spencer Teixeira was hired and has completed his Filed Training Program and is now patrolling the streets of Sabattus. Detective Sergeant Shella Wetherbee was also hired recently and has already made a tremendous impact on the department and the town as a whole. We look forward to see what the future holds for these two new additions.

The Sabattus Police Department full-time staff consists of myself, Detective Sergeant Shella Wetherbee, Officer Ralph Destefano, Officer Jeremy Petty, Officer Dennis Mailman, Officer Spencer Teixeira, and Administrative Assistance/Dispatcher/Constable Melissa Kelly. Due to the recent departure of Lt. Prince, we are currently in the processes of hiring for this open position. Additionally, we have four part-time officers who are Allen Huntington, Andrew Levesque, Jason Chaloux and Shawn Kelly.

This past year, the Sabattus Police Department has implemented new technology, the use of Body Worn Cameras. Body-worn cameras, which an increasing number of law enforcement agencies are adopting, represent one new form of technology that is significantly affecting the field of policing. Law enforcement agencies are using body-worn cameras in various ways: to improve evidence collection, to strengthen officer performance and accountability, to enhance agency transparency, to document encounters between police and the public, and to investigate and resolve complaints and officer-involved incidents. This new technology will help bring clarity to controversial encounters. I have personally used the video from this cameras to assist in my testimony at court proceedings as well as to resolve potential complaints against officers. We at the Sabattus Police Department want to make sure that the community knows that we are transparent and utilize the utmost of professionalism when dealing with the public. This new technology assists us in this endeavor. So when you see a

Chief Gary E. Baillargeon

Sabattus Police Department

strange looking devise on the officer's chest, smile, you are on video. We promise to capture your good side😊.

In 2015, the Sabattus Police Department aggressively pursued alternative funding sources in minimizing local tax dollars for equipment or additional patrols. In 2015, the Sabattus Police Department received approximately \$6,000 in funding for additional patrols focusing on OUI enforcement; \$3,000 in funding for additional patrols focusing on seatbelt violations and \$1,000 in funding for additional funding for underage alcohol related enforcement and/or prevention. This \$10,000 in additional patrols expenditures increased the number of patrol hours by Sabattus officers without impact the Town's budget or mill rate.

Additionally, the Sabattus Police Department utilized alternate funding sources to greatly assist in the purchase of new equipment for our officers. Through grant funding, we were able to purchase three new Glock 21 handguns which replaced three older handguns that certainly exceeded their life expectancy. We were also able to place an order for four officer trauma kits to help provide immediate medical care for our officers and the community they encounter. Also ordered with over \$5,000 in grant funding were tactical body armor and shields to again make sure that no matter what we encounter, our officers will be prepared to protect themselves and the community we serve. All of the above equipment was purchased 100% through grant funding again with no impact on the Town's budget or mill rate.

The Sabattus Police Department was also able to procure grant funding for the purchase of six new officer bullet resistant vests at a 50% matching funding formula again, saving the community close to \$2,000.

As always, our goal, both as full-time and part-time officers, is to meet and exceed the needs and expectations of our community, and provide a service in a professional, courteous and caring manner. This is a great community and the residents should expect nothing less than this level of performance from your Police Department.

Statistics

The Town of Sabattus is the recipient of the 2016 SafeWise Report Safest Cities Award – a safety award that has been recognized by The Huffington Post, Mashable, AngiesList, Homes.com, and many other national publications as a resource for people looking to relocate to the State of Maine. You can view the criteria and the entire list here

<http://www.sabattusmaine.com/2016/07/20/sabattus-police-department-receives-2016-safewise-report-safest-cities-award/>

Sabattus also remains one of the safest communities in Androscoggin County, according to statistics obtained from Maine Uniform Crime Report. Androscoggin County, as a whole, saw a 30.4% decrease in index crimes reported between 2013 and 2014. The crime rate (average number of index crimes per 100 residents) also decreased by 21.1%.

The initial 2014 crime stats for Sabattus show a significant decrease in total index crimes from 86 to 57 or a 33.7% decrease. The most notable decreases occurred in thefts and burglaries. . The clearance rate for 2013 and 2014 are substantially above industry norms and demonstrate the dedication of both our patrol officers and investigators. The Sabattus Police Department boasts an impressive 75.4 % clearance rate of all reported index crimes. There are only three agencies in the entire state with a higher clearance rate. The decrease in the crime rate and index crimes as well as the impressive clearance rate demonstrates a team effort made by the patrolman on the streets, the investigators working the cases, the supervision and administration as well as the partnership with the community as a whole. We need your assistance to help us continue this trend by being vigilant in watching for suspicious behaviors in your neighborhoods. Call us any time night or day and we will be there.

Public Works Department Annual Report

Town of Sabattus Citizens,

The Public Works Department operates with a very small staff. The crew consists of Tim Pinard (lead equipment operator), Matt Gaydos (truck driver/laborer/equipment operator), Robert Marthaia (truck driver/laborer) Chuck Cox (Mechanic), Tony Galipeau (seasonal truck driver/laborer) and me, your Road Foreman. The new dump truck that was voted on last year, should arrive sometime in April!

Some of the past year's highlights:

Spring

During this time period, ground is thawing and beginning to dry. It's too early for heavy excavation work. Work during this period includes: general maintenance of PW grounds and buildings, Martin's Point cleanup and dock setting. We rent a street sweeper and also use our small sweeper for townwide cleaning including the Fire Dept. and Town Office. Road maintenance is done by filling potholes and putting up "bump" signs. Our trucks and plows are cleaned, painted, and fixed from winter wear.

Summer

The summer of 2015 was a very busy time for the Public Works crew. We improved over 1.25 miles of Lisbon Road between Jordan Bridge Road and the Maine Turnpike overpass. The project started with grading the roadway and improving the ditches. We then installed almost 300 feet of new cross culverts underneath portions of the roadway to improve the water flow and drainage. Approximately 2050 tons of asphalt was then laid on this stretch of roadway. We then used another 30 tons of asphalt for connecting the roadway to driveways. This connecting work is labor intensive and done by hand. The project was finally complete when new gravel was spread on the shoulders to ensure these areas were consistent with the new asphalt.

Just prior to this project we received a grant from Maine Municipal Association for the purchase of a Swenson shoulder machine. We used this machine for the first time when spreading gravel on the shoulders of Lisbon Road. This machine made our crew more efficient and reduced the chance of injury from manually spreading the gravel.

We need to recognize Pat Cyr's contribution to the project. He donated approximately 80 yards of stone for the Lisbon Road project. These stones were used around the culvert installation in the area of 348 Lisbon Road.

Winter

Even though the winter of 2015-2016 was a mild one, we used about 600 tons of salt and left us with the sand shed, half full. We were one man short during this time which made covering the routes a little late at times. On a good note, the new Massey Ferguson Tractor did a good job on the Town's sidewalks.

Major D.O.T. Projects for 2015 season;

- Pleasant Hill Road Reconstruction

I would like to thank everyone at Public Works for their hard work and dedication, the Board of Selectmen, the Town Manager, the Town Office Staff, and the members of our community for your support.

Thank you,

Gary LaBonte, Road Foreman

Transfer Station

To the Citizens of Sabattus:

Recycling tonnage rate was 42% for 2015 (the most current statistics available) which was 8% below the State of Maine recycling goal. With the help of citizens, I know we can collectively work together to improve our recycling rate which will:

1. increase our revenue;
2. decrease our household waste; and
3. reduce the tipping fees charged to the Town to dispose of waste.

2015 Recycling Statistics (Rounded)

Cardboard	47 tons
Newspaper/Magazines	40 tons
Mixed paper	43 tons
Glass	11 tons
Tin/Aluminum	12 tons
Plastic 1-7	40 tons
TVS/ Computers/ Light Bulbs	15 tons
Metal Recycled	129 tons

By removing recyclables from the mainstream waste, citizens saved \$10,251 in disposal tipping fees and collected \$40,000 from the sale of recycled materials and wood/demo/electronic/metal fees. That's a total of \$50,251 in direct financial benefit to the citizens of Sabattus by recycling!

Friendly Reminders:

- Clear trash bags are required and are available for sale at the transfer station.
- Syringe users: Please use a container of hard plastic such as a laundry detergent bottle with a cap, place your used syringe inside the bottle, and secure with the cap before disposal. This should be disposed in the household waste stream.

I would like to thank my outstanding staff for doing another great job this year: Leadman Robert Stevens, William Stuart, Clifford Michaud, Leroy Couillard and Richard Pinard. Any resident seeking information regarding the Transfer Station, please leave a message for Jerry at 207-375-2507 or visit the Sabattus Town web-site at www.sabattus.org/our-government/transfer-station.

Respectfully submitted,

Jerry Sabins
Transfer Station Manager

ASSESSORS' AGENT & TAX COLLECTOR'S ANNUAL REPORT

The Town of Sabattus maintains permanent records with title information, descriptions of land and buildings, and the valuation of all properties taxable and exempt, tax maps, lists of property, property tax cards, commitment books, exemption applications and proof of qualifications.

Property Tax Exemptions

Homestead Exemption

Under this law, homeowners are eligible for a \$15,000 reduction in valuation. In order to qualify you must have owned property in Maine for at least twelve months prior to April 1st and make the property you occupy your permanent residence.

Veteran's Exemption

A home owner may be eligible for a reduction in the valuation of his/her property if s/he:

- Has permanent residence in Sabattus on April 1st
- Is a veteran who was honorably discharged
- Served during a recognized war period in the U.S. Armed Forces
- Is 62 or older or an unremarried widow/widower of a qualifying veteran
- Is under 62 but 100% disabled due to a service-related disability

An application along with proof of service and discharge, such as a copy of a DD214 form must be provided for veterans who served during WWII or later. The exemption is a \$6,000 reduction in valuation.

Paraplegic Veteran

A veteran that received a federal grant for a specially-adapted housing unit may receive an exemption of \$50,000 in valuation.

Blind Exemption

A homeowner that is determined to be legally blind by a medical doctor receives a \$4,000 exemption.

All of the above exemptions require a completed application and may require additional information to support the claim for exemption. All applications must be submitted to the Town Office no later than April 1st of any given year.

Current Use Programs

The State of Maine offers the following "current use programs" which give the property owner a reduction in his/her assessed value. Applications for all these programs are available at the Town Office or at the Maine Revenue Services website (www.maine.gov). All applications must be filed on or before April 1st. In order to be eligible, each program has certain criteria that must be met. Any change in use of the land warrants withdrawal from the program and a penalty assessed.

Tree Growth

This program provides for the landowner with at least 10 acres of forested land that wishes to maintain land for the planting, culture, and continuous harvesting of trees. A Forest Management and Harvest Plan must be prepared and submitted with the application. Applications must include a map of the parcel indicating the forest type breakdown as well as all other areas not classified as tree growth. The 100% valuation per acre for each forest type by county is determined by the State Tax Assessor each year. If the classified parcel no longer meets the criteria of eligibility or the landowner withdraws from the program, a penalty on an amount between 20% and 30% of the difference between the tree growth value and the fair market value will be assessed depending on the amount of time in the program.

FarmLand

In the farmland program, the land must be used for farming, agriculture, or horticulture. Farmland can include woodland and wasteland. At least five (5) contiguous acres of land is required and the tract must contribute at least \$2,000 gross income from farming activities per year in one of the two, or three of the five calendar years preceding the date of application. If the property no longer qualifies as farmland or the landowner withdraws from the program then a penalty will be assessed that is equal to: the amount of taxes that would have been paid in the last five years had it not been in the program, less the taxes that were originally assessed, plus any interest on that balance.

Open Space

Under this program no minimum acreage is required and the tract of land must be preserved or restricted in use to provide a public benefit such as public recreation, scenic resources, game management, or preserving wildlife habitat. Classified land is valued by reducing the fair market value in accordance with a cumulative percentage reduction for which the land is eligible according to certain categories.

- Ordinary Open Space - 20% reduction
- Permanently Protected - 30% reduction
- Forever Wild - 20% reduction
- Public Access - 25% reduction

If the property met all of the above requirements, the owner would see a cumulative reduction of up to 95% on the classified land. If the classified parcel no longer meets the criteria of eligibility or the landowner withdraws from the program, a penalty will be assessed equal to: an amount between 20% and 30% of the difference between the open space value and fair market value depending on the amount of time in the program.

Respectfully Submitted,

Donna Moore Hays, CMA, Assessors' Agent to the Board of Assessors/Selectmen
Judy D. Fournier, Tax Collector

ASSESSMENT AND TAX SUMMARY 2014/2015

Fiscal Year:	July 1, 2014 to June 30, 2015
Tax Rate:	\$17.80 per thousand dollars of valuation after applicable exemptions
Due Dates:	September 2nd 2014 & March 2nd 2015
Interest Rate:	7%
Assessment Date:	April 1, 2014
Commitment Date:	July 22, 2014
Assessment Ratios:	100%
Exemption Ratio:	100%
Homestead Exemption Amount:	\$10,000

SABATTUS SANITARY DISTRICT'S ANNUAL REPORT

April 2016

The Sabattus Sanitary District's mission is to continue to serve it's customers in a professional manner and strive to achieve quality effluent through its wastewater treatment process and to protect the environment by meeting its discharge permit to the Sabattus River. The Department of Environmental Protection sets strict limits to achieve through our discharge permit and we take pride in meeting those limits on a continual basis. The District continues to go above and beyond to adapt and establish good working relationships with its customers and the people they work with to achieve the goals they set forth in the most cost effective manner, without affecting the quality of its work and product. Clean and safe drinking water is also a priority for the District as well as providing fire protection to its customers and residents of the community. Since its establishment in 1969, the drinking water in Sabattus meets all of the standards set forth by the State and Federal agencies and its guidelines. The District provides an excellent quality of water provided through 2 gravel packed wells approximately 60 feet deep and pulls water from an underground aquifer. The District does not add any chemicals to its water supply. The District collects required monthly samples and performs testing to assure safe and great tasting quality water to its customers.

The Sabattus Sanitary District received 3 new residential sewer hook ups in 2015, and the water received 3 new services as well. In 2015, we received record breaking cold and frost went down over 5 feet in areas. The Water Division encountered a total of 5 water breaks including: Niles Rd., Lisbon Rd., Middle Rd., Island Rd., and Spring St. The total water pumped from Marsh Rd. pump house for 2015 was 71.10 million gallons, with a daily average of 200,000 gallons per day. One violation occurred in 2015 due to a missed monthly sample and follow up samples were collected to rectify the violation. All required sampling set by the State were met. The Sewer Division treated approximately 31.35 million gallons, with a daily average of 88,000 per day gallons discharged into the Sabattus River. No violations occurred in 2015. Again, all testing required by the State met their requirements.

The Water Division was awarded a \$10,000.00 Wellhead Protection Grant through the State of Maine Drinking Water Program. In working with Maine Rural Water Association, the District was able to update its own wellhead protection program as well as establish a Wellhead Protection Ordinance in which the town's people voted in favor of. This is very important to assure there are no potential hazards in and around the wellhead area that could pose a potential threat to our ground wells.

The sewer rates were adjusted and raised effective January 1, 2016 to meet the department's obligations. The rate increase will occur over a 2 year period to help lessen the burden to our rate payers. The last increase was in 2010. With little growth and no commercial users to help offset the costs of operations, it is always a challenge to keep rates stable for our customers.

The District has continued working on a Capital Improvement Plan (C.I.P.) for both departments. The District currently budgets some of these capital expenses in its annual budget, but not in a complete plan. With the recommendations from our auditor, the District has started budgeting appropriate funds for future capital replacement projects as well as adopting an emergency fund policy. This certainly will save the ratepayers in the long run avoiding costly interest on loans taken. Maine Rural Water Association has met with the District and its staff to look at 5-10-15 year needs and prioritizing them into a plan.

The District has been working with the Maine Department of Labor and the SafetyWorks division on making our workplace the safest environment possible for our employees. The District is proud to announce it received the SHAPE safety award through Safety Works. This shows excellence and a commitment in safety in keeping the District a safe environment for its employees.

The District continues to contract with the Town to do all of its administrative duties in an order to save money and keep rates stable. All Payments will be made at the Town Office. We continue to communicate with the Town Manager and his staff on upcoming projects, safety issues etc... that benefit not only the employees but the ratepayers. The District is always looking for ways to provide its customers with the best quality product and do it in a cost effective manner.

**WARRANT FOR ANNUAL TOWN MEETING
TOWN OF SABATTUS
MAY 19, 2016**

State of Maine
County of Androscoggin, ss.

To Police Chief Gary Baillargeon, a Constable of the Town of Sabattus, County of Androscoggin, State of Maine,

GREETING:

In the name of the State of Maine you are hereby required to notify and warn the voters of the Town of Sabattus, in said county, qualified by law to vote in Town affairs to meet at the Sabattus Town Office Building in the Community Room at 190 Middle Road in said Town, on Thursday, May 19, 2016, at 6:00 o'clock in the evening, then and there to act on the following articles:

ARTICLE 1. To choose a moderator by written ballot to preside at said meeting.

ARTICLE 2. To see if the Town, in accordance with 36 M.R.S.A. Section 505(1), will vote that the tax lists specified in 36 M.R.S.A. Section 709 be committed for collection on or before September 1, 2016.

Board of Selectmen Ought to Pass

ARTICLE 3. To see if the Town, in accordance with 36 M.R.S.A. Section 505(2) will vote to establish September 01, 2016, or 30 days after the tax bills are postmarked and mailed, whichever is later, as the due date for the first payment of the fiscal year 2016-2017 taxes and March 01, 2017 as the due date for the second payment.

Board of Selectmen Ought to Pass

ARTICLE 4. To see if the Town, in accordance with 36 M.R.S.A. Section 505(4), will vote that property taxes shall be delinquent if not paid by the dates established in Article 3 and that interest, at the rate of 7.0% per annum, shall be charged on all delinquent property taxes.

Board of Selectmen Ought to Pass

ARTICLE 5. To see if the Town, in accordance with 36 M.R.S.A. Section 506-A, will vote that a taxpayer who pays an amount in excess of that finally assessed shall be repaid the amount of the overpayment plus interest from the date of the overpayment at the annual rate of 7.0%.

Board of Selectmen Ought to Pass

ARTICLE 6. Shall the Town authorize the Selectmen to receive and appropriate non-property tax revenues to reduce the property tax commitment for the 2016-2017 fiscal year?

Anticipated non-property tax revenues for the fiscal year beginning July 01, 2016 include the following approximations of State and Town Revenues:

I. Excise Tax	\$ 700,000
II. Municipal Revenue Sharing	\$ 260,000
III. Homestead Exemption Reimbursement	\$ 171,437
IV. All Other Non-Property Tax Revenues	\$ 368,794
Total ESTIMATED Non-Property Tax Revenues	\$ 1,500,231

Board of Selectmen Ought to Pass

ARTICLE 7. Shall the Town authorize the Selectmen to appropriate an amount not to exceed \$125,000 from Undesignated Fund Balance ("Surplus") to reduce the Property Tax Commitment for the 2016-2017 fiscal year?
