Sanford, ME 04073

Dear Friends,

It has been a privilege to serve the State of Maine since being sworn into the U.S. Senate in January of 2013. First off, I want to make sure you know how to reach my offices, as I welcome your thoughts, questions, or concerns. You can call our toll-free, in-state line at **1-800-432-1599**. In addition, our local numbers are as follows: Augusta (207) 622-8292, Presque Isle (207) 764-5124, Scarborough (207) 883-1588, and Washington D.C. (202) 224-5344. You can also provide your input on our website at [www.king.senate.gov](http://www.king.senate.gov).

Maine is a large state; I know that traveling to our offices can present logistical and financial challenges, which is why our team implemented an outreach program, **Your Government Your Neighborhood**. My staff has been traveling to communities throughout the state for two years now, hosting office hours for local residents. Since we began, we have made over 400 trips and plan to increase that throughout 2015.

If we haven't yet been to your city office, community library, or school, or hosted an information table at a local non-profit, please let us know!

My work in Washington this year has been broad reaching, and I am committed to continue this work in a transparent and nonpartisan manner.

My projects have included:

- Overseeing national security and defense issues from ISIS to cybersecurity
- Continuing efforts to simplify student loans and make higher education more affordable
- Easing the regulatory burdens facing Maine businesses, farms, and schools
- Co-sponsoring budget initiatives for a smarter economic direction
- Supporting vital infrastructure and highway investments
- Tackling climate change mitigation and its long-term impacts
- Ensuring financial transparency in politics through campaign finance reform
- Promoting the growth of rural internet access
- Co-sponsoring legislation to help working families get paid leave to care for loved ones

I am tremendously grateful for the opportunity to serve you and will keep you informed of my activities in Maine and Washington.

Sincerely,

ANGUS S. KING, JR

Dear Friends and Neighbors,

Let me begin by thanking you for allowing me the honor of serving you in the Maine Senate. I am humbled that you have put your trust in me for a second term and can assure you I will continue to work tirelessly on your behalf. This is a brief recap of the 127<sup>th</sup> Legislature, as well as my hopes for the upcoming 128<sup>th</sup> Legislature, which convened in December.

Last year we continued the work of reforming our state's welfare system and achieved the long sought-after goal of banning the purchase of alcohol, tobacco and lottery tickets with welfare benefits. While there is more work to be done, I believe these efforts will help to deter such abuse of the system and help ensure that benefits are going to those who truly need them.

The Legislature also worked in a bipartisan fashion to begin addressing the drug crisis affecting our state. We approved putting 10 new drug enforcement agents on the street, as well as provided funding for treatment programs and drug use prevention efforts. I believe such a comprehensive approach is essential and I look forward to continuing to address this problem facing our state. We must also continue to fight the drug epidemic threatening our state and hurting our families.

In the upcoming session, it is clear that we must continue to do all we can to attract more jobs to Maine. To that end, I will work to advocate for proposals which will expand economic opportunity for all Mainers. It is my hope the Legislature can once again work together to find solutions to these widespread problems.

You have my humble and sincere thanks for allowing me to represent you in Augusta. Please feel free to contact me at 287-1505 or [dcwoodsone@gmail.com](mailto:dcwoodsone@gmail.com) if you have comments, questions or if you would like assistance in navigating our state's bureaucracy.

Sincerely,

A handwritten signature in cursive script that reads "David C. Woodsome".

Dave Woodsome  
State Senator, District 33

February 18, 2015

Dear Neighbors:

January marked the end of our first month as members of the 127<sup>th</sup> Legislature. It's such an honor to represent our community in the House of Representatives and we are looking forward to working with our colleagues as the session progresses.

Perhaps the biggest project facing the Legislature this year will be passing a balanced budget that promotes economic growth and job creation. A critical component of the budget will be maintaining healthy levels of state aid to towns and cities through revenue sharing. We must also make sure to preserve the Low Cost Drugs for the Elderly and Disabled Program, which helps to pay for needed medication for low-income seniors. With a divided government, overcoming partisanship, compromising and working together will be imperative should we expect to accomplish this task.

Some other issues the Legislature will address include making higher education more affordable, ensuring more Mainers are working on a livable wage, addressing hunger and poverty in rural areas, improving transportation and access to affordable heating, as well as increasing access to health care services, to name only a few.

As your representatives, we will always keep you and the people of Sanford in mind as these issues are debated and voted upon.

We are always looking for ways to keep in touch, whether in-person or online. If you have any questions or concerns regarding state government, please feel free to contact us. Our democracy works better for you when you are an active and engaged part of it.

Sincerely,

Anne-Marie Mastraccio
