TOWN REPORT DEDICATION

The 2015 Town Report is dedicated to **Robert Bacon**. Bob is a lifelong resident of the Town of Sidney. He was instrumental in forming Sidney Rescue and was in charge of the department for 12 years. He has been actively involved with both the fire and rescue departments for more than 50 years.

After the West River Road Fire Department was destroyed by fire in late November of 1994, he served as chairman for the Building Committee that oversaw the rebuilding project. He also sent letters to suppliers of fire equipment throughout the country, resulting in thousands of dollars worth of donations to help re-equip the station.

In 2011 Bob received the Spirit of America Award for his service to his community. Some criteria for this award includes a person that has shown continued long-term service, whose efforts and accomplishments have been a direct benefit to the community, and who set an example for young people to follow. There is no question as to why Bob was a recipient of this award.

Sadly, Bob will be stepping down as the Assistant Fire Chief in 2015. Please help us to acknowledge his many years of dedication and service to our community and wish him a very happy retirement.

Paul R. LePage
GOVERNOR

Residents of the Town of Sidney

Maine has a great tradition of civil involvement and citizen participation in the decision making process. Thank you for taking the time to become informed.

In the fall of 2011, a prominent national business magazine published a business climate ranking that put the country on notice that Maine is the toughest state in our nation to grow a business and create jobs. As a result of our challenging business climate, our per capita income is just 80 percent of the national average.

One of my top priorities for getting Maine moving is regulatory reform. The objective is a cooperative approach to how the State and municipalities work with the private sector rather than a weakening of standards or oversight. This is why I have created a new "Certified Business Friendly Community" program which is geared towards helping towns reduce red tape, and work with our job creators.

Plenty of good paying jobs and a growing tax base are what is needed to solve many of our public sector problems. Given the chance, Maine's private sector can create prosperity for our communities and working families.

If we want to make Maine prosperous, we also need to address our high energy prices and our educational system. Maine needs to be able to compete nationwide, and I am focused on reducing the high cost of electricity for Maine people. In addition, businesses need a qualified workforce to fill jobs of tomorrow, and it is critical that we put our students first, and reform our educational system.

Another top priority is fiscal reform. We will never have enough to spend on our priorities if we do not get our state indebtedness and welfare spending under control. In previous sessions, we made some progress in reforming our welfare system. However, there is still work to do. I have put forth budgets that are focused on reining in welfare spending, and offering tax relief to Mainers.

It is a pleasure serving as your Governor. If ever I can be of assistance to you or you have any questions or suggestions, I encourage you to contact my office by calling 287-3531 or by visiting our website at www.maine.gov/governor/lepage/.

Sincerely,

Paul R. LePage

WASHINGTON, DC 20510-1904

Dear Friends:

In November, the people of Maine entrusted me to serve another term in the United States Senate. I am deeply honored to serve you and will continue to work to bridge the partisan divide and to forge bipartisan solutions to the many challenges our nation faces. With the New Year just beginning, I welcome this opportunity to reflect on some of my work from this past year and to highlight some of my priorities for the year ahead.

The biggest challenge facing our State remains the need for more jobs so that Mainers can stay in our great State to live, work, and raise their families. Since small businesses create the vast majority of jobs, we must help them to start up, grow, and succeed. We must update our tax code to encourage small business investment in equipment and other assets, cut the red tape that is hampering job creators, build the transportation and energy infrastructure to support an expanding economy. We must also foster opportunities for key industries, from agriculture to defense. We must ensure that our workers have the skills they need for the jobs of today and tomorrow. These initiatives will remain my top priorities in the new Congress.

I am pleased to report a number of successes from this past year, including provisions from my “Seven Point Plan for Maine Jobs.” My proposals to streamline job training programs and better match workers’ skills with employers’ needs were enacted as part of a workforce investment act. I helped secure promising manufacturing opportunities for our state—from requiring the military to buy American-made athletic footwear for new recruits, just as it does for other uniform items, to an additional Department of Energy investment in the deepwater, offshore wind power project being developed by the University of Maine, Maine Maritime Academy, and private companies. For Maine agriculture, I succeeded in including the fresh, white potato in a federal nutrition program from which it has been the only vegetable to be excluded.

Also last year, I was pleased to join in the christening of the *USS Zumwalt* at Bath Iron Works, a Navy ship for the 21st Century that will help protect our nation and strengthen one of Maine’s most vital industries. And, for Veterans living in rural areas, I secured a two-year extension of the successful Access Received Closer to Home program, which is improving access to health care for Veterans in northern Maine. Finally, after several years in the making, I am delighted that Congress has approved my legislation to form a commission – at no cost to taxpayers – on the creation of a National Women’s History Museum. A museum recognizing the contributions of American women is long overdue, and this bill is an important first step toward that goal.

In the new Congress, I will serve as Chairman of the Transportation Appropriations Subcommittee. This position will allow me to continue working to ensure investments are made in critical transportation infrastructure, which is essential for our safety and economic growth. To date, Maine has received more than \$90 million for highway, bridge, airport, rail, and port projects through the successful TIGER grant program.

I will also serve at the helm of the Senate Special Committee on Aging in the 114th Congress, a position I sought because Maine has the highest median age in the nation. Working to address pressing issues facing our seniors, from long-term care and retirement security to the vast potential of biomedical research, will be on our agenda. Preventing and effectively treating Alzheimer’s should be an urgent national priority as this devastating disease continues to take such a personal and economic toll on more than five million Americans and their families. The Committee will also continue to focus on the scams and frauds targeting our senior citizens and has a toll-free hotline (1-855-303-9470) where seniors and their loved ones can report suspected fraud.

A Maine value that always guides me is our unsurpassed work ethic. As 2014 ended, I continued my record of never missing a roll-call vote since my Senate service began in 1997; a tally that now stands at more than 5,700 consecutive votes.

I am grateful for the opportunity to serve the great State of Maine and the people of Sidney. If ever I can be of assistance to you, please contact my Augusta Constituent Services Center at (207) 622-8414, or visit my website at www.collins.senate.gov.

Sincerely,

Susan M. Collins

Dear Friends,

It has been a privilege to serve the State of Maine since being sworn into the U.S. Senate in January of 2013. First off, I want to make sure you know how to reach my offices, as I welcome your thoughts, questions, or concerns. You can call our toll-free, in-state line at **1-800-432-1599**. In addition, our local numbers are as follows: Augusta (207) 622-8292, Presque Isle (207) 764-5124, Scarborough (207) 883-1588, and Washington D.C. (202) 224-5344. You can also provide your input on our website at www.king.senate.gov.

Maine is a large state; I know that traveling to our offices can present logistical and financial challenges, which is why our team implemented an outreach program, **Your Government Your Neighborhood**. My staff has been traveling to communities throughout the state for two years now, hosting office hours for local residents. Since we began, we have made over 400 trips and plan to increase that throughout 2015.

If we haven't yet been to your town office, community library, or school, or hosted an information table at a local non-profit, please let us know!

My work in Washington this year has been broad reaching, and I am committed to continue this work in a transparent and nonpartisan manner.

My projects have included:

- Overseeing national security and defense issues from ISIS to cybersecurity
- Continuing efforts to simplify student loans and make higher education more affordable
- Easing the regulatory burdens facing Maine businesses, farms, and schools
- Co-sponsoring budget initiatives for a smarter economic direction
- Supporting vital infrastructure and highway investments
- Tackling climate change mitigation and its long-term impacts
- Ensuring financial transparency in politics through campaign finance reform
- Promoting the growth of rural internet access
- Co-sponsoring legislation to help working families get paid leave to care for loved ones

I am tremendously grateful for the opportunity to serve you and will keep you informed of my activities in Maine and Washington.

Best Regards,

ANGUS S. KING, JR.

Dear Friends,

Since being sworn in, I have been working to help solve our most important issues such as creating more jobs, lowering the cost to heat our homes and balancing the national budget.

In Congress, I will work to give job creators the confidence they need to start new businesses and create more jobs. It is important for Congress to continue to pass jobs bills, like the Keystone XL Pipeline Act, to get our hard-working Mainers back to work so they can put more food on the kitchen table. As your representative, I will always support legislation that will balance our national budget, reduce the high cost of energy and help create more jobs.

Secondly, I have been working, with Republicans and Democrats, to help lower the cost of energy for our small businesses and hard-working families in Maine. One of my first votes, as a member of Congress, was in support of the Keystone XL Pipeline Act and the Natural Gas Pipeline Permitting Reform Act. These bills will help increase the production and create a reliable flow of natural gas to Maine, especially the Second District.

For my first House floor speech, I asked my Republican and Democrat colleagues to join me in support of the Balanced Budget Constitutional Amendment. This Constitutional amendment will require Washington to, finally, live within their means, just like our hard-working families in Sidney. Balancing the national budget will help end wasteful spending and help secure financial security for our kids and grandkids.

I'm honored and grateful to serve you and represent the hard-working people of Maine's Second Congressional District. If you need any help, please visit my website (Poliquin.house.gov) or call any of my offices: Lewiston (207) 784-0768, Bangor (207) 942-0583, Presque Isle (207) 764-1968 and Washington, D.C. (202) 225-6306.

Dear Friends,

I hope this letter finds you and your family well. It's an honor to represent you in Congress. Thank you for the chance to update you on my work there and in Maine.

Like many here at home, I find the current partisan environment in Washington and Congress to be very frustrating. Attempts to take away people's health care, weaken environmental protections, and stoke controversy have been put ahead of more meaningful work to create jobs, help people through tough times, and give our children a better future.

Still, I have tried to find opportunities to work on issues where my colleagues across the aisle and I can find agreement. As a member of the minority party, I'm very proud that these efforts have earned several legislative victories that benefit the people of our state.

One of the most significant was passage of a Farm Bill containing many reforms I introduced to help the kind of small, diversified, family farms that we have here in Maine. These included more funding to help these farms meet the growing demand for healthy local food, as well as better insurance to fit their needs and helping SNAP recipients use benefits at farmers markets.

Another bill I introduced was signed into law, initiating a study of the York River to see if it is a good candidate for the federal Wild and Scenic Rivers program. The classification would help protect this important natural resource while potentially bringing more visitors to the area and an increased amount of federal investment for its conservation. As a member of the House Appropriations Committee, I've worked to secure other investments for the state as well, including \$20 million to replace a crumbling, unhealthy and outdated tribal school in Washington County.

But not all the work I do is from Washington. My offices in Portland and Waterville assist hundreds of constituents every year who have issues with federal agencies and programs—veterans benefits, Social Security, and Passports among them. If you have a problem where I might be of assistance, I encourage you to call (207) 774-4019. My staff and I welcome the opportunity to serve you.

Again, it's a pleasure to represent you in Congress. Please keep in touch.

Annual Report to the Town of Sidney
A Message from Senator Roger Katz

Dear Friends and Neighbors:

First of all, my thanks to you for the honor of serving as your moderator at Town Meeting!

This is now my third term in the Maine Senate. I am so grateful for the trust you've placed in me and I will continue to do my best to represent the citizens of Sidney and the entire state.

Even as we continue to come out of the recession, we face some stubborn and daunting issues here in Maine, including the reality that we have the highest median age in the country. How do we deal with the challenge of an aging population? How can we continue to provide excellent state services to our people without putting more pressure on local property taxes? How can we prepare our students (young and old) for the high – paying, high – demand jobs of the future? What can we do to help lower energy costs for Maine people and businesses? How can we ensure a welfare safety net for the most vulnerable among us while at the same time making sure that we are encouraging self-sufficiency? What can we do to attract more young workers and entrepreneurs to our state?

The questions are easy to ask. Finding the answers is a more difficult. This is where you come in! I am hoping that many of you will reach out to me during the course of the legislative session with your ideas and thoughts on the budget and other bills we are facing.

The Governor's budget proposes some fundamental reform to our tax structure, most of which I think makes great sense. However, parts of it could end up placing further burdens on the Town of Sidney and its property taxpayers. What do you think? Let me know by contacting me at 287-1505 or rkatz@lipmankatz.com. Your input will help me do a better job.

Again, my humble and sincere thanks for allowing me to represent you in Augusta.

Best,

Roger Katz

January 2015

Dear Friends & Neighbors:

Thank you for the ongoing privilege of being your voice in Augusta. It is difficult to believe that I am already in my second fourth-term in office. The pleasure of serving the people of Sidney is one I will never forget, and I hope my representation has lived up to your expectations.

For a number of weeks already, lawmakers have been hard at work, as roughly 1,890 bills have been submitted for consideration prior to our statutory adjournment date of June 17. Amongst the myriad of topics presented for discussion are, of course, the State budget; legalizing, taxing, and regulating marijuana; reinstating the State Fire Marshal's authority to inspect amusement rides; virtual charter schools; solid waste disposal; energy costs; the availability of rural broadband Internet; eliminating the requirement that adults wear seatbelts; and prohibiting the handling of a mobile telephone while operating a motor vehicle. As always, you can monitor the progress of all tendered proposals online by visiting the Legislature's Web site, <http://legislature.maine.gov/>.

Focusing more on my time at the State House, legislative leadership has assigned me to the Appropriations and Financial Affairs Committee. Having past experience on this panel, I look forward to working with my colleagues on both sides of the aisle in crafting a balanced financial plan that will help more Mainers move from poverty to prosperity.

Since it is always my intent to maintain an open line of communication with constituents, I encourage you to send me your e-mail address so that I can provide you with a copy of my regular e-newsletter. This publication includes topics of interest related to government and other public service announcements.

As we delve deeper into the New Year, I hope 2015 is one that brings you and your families good health and good fortune!

Best regards,

2014-15 SELECTMEN REPORT

Dear Citizens of Sidney,

It is our honor to serve as your Selectmen,

Some exciting things are happening with regards to the New England Music Camp on the Pond Road. Camp Director, John Wiggin and the board of directors are in the process of becoming a year round community center that all residents can become a part of and enjoy with their families at no financial liability to the town. We will be asking the town to vote in favor of a community grant that will greatly benefit all of us as the camp begins to take shape.

On June 30, 2014 the Sandy River Recycling Association was completely dissolved and all assets liquidated. The Town of Sidney received their share of the sale in the amount of \$25,245.88. Last year we began a new two-year contract with Central Maine Recycling, LLC at a significant price decrease, saving the town \$4,242 per year in recycling costs.

Our Rescue Chief and Assistant Chief resigned their posts in the fall of 2014. The board instated Rescue Captain Dan Courtemanch as the interim chief until the next vote of officers. We are thankful for his immediate response and his dedication to serve our town.

The Highway Department's 2010 Volvo was paid in full at the end of December 2014. In this year's budget we are asking the town to support purchasing a much needed backhoe, saving the town from renting every year.

In order to keep the town in good repair and allow efficient use of time, the board is asking the town to support a mailing system at a cost of \$200 per year and new flooring for the offices. In addition, our employees and volunteers are required to keep up with OSHA training and to stay into compliance with the Bureau of Labor Standards.

Due to unfortunate circumstances, the town has acquired another property from non-payment of property taxes; bringing the total to five properties. We received bids on some of the properties this past year. The board declined some of the offers, as they did not meet the minimum bid requirement. The board accepted two bids on landlocked parcels.

A few months ago, the DEP tested the old landfill on the Tiffany Road and found it to be somewhat contaminated. They required the town to remediate the property, with the promise of up to a 90% reimbursement from the state. Our cost for remediation will be approximately \$11,800 with a potential reimbursement of \$10,620. More work needs to be done that we are currently getting estimates for, including a fence to protect the area from ATVs and such.

In closing, we would like to thank the many individuals who serve our community on Boards and Committees. In addition, we are especially thankful for our Fire and Rescue volunteers who give many hours of service attending mandatory training, filling out required paperwork, attending professional meetings, answering phone calls and always being ready to answer emergency calls on behalf of the 4,200+ residents of Sidney. These men and women are a special breed of dedicated volunteers. They have jobs, families, and homes to take care of, yet are willing to move at a moment's notice, sometimes putting themselves in harm's way on our behalf. Let's let them know how much we appreciate them whenever we have the opportunity.

We would like to take this opportunity to extend our appreciation to Wally Buschmann. He has been the Town Meeting Moderator for many years now. This year due to a scheduling conflict, Roger Katz will moderate the Town Meeting scheduled for March 28, 2015. Thank you gentlemen for providing this service to the Town.

Last but not least, we are proud of the staff in all our departments. Their dedication shows in the work they do for the citizens of Sidney.

Respectfully submitted,

Town of Sidney

REPORT OF THE FIRE CHIEF

Once again it is that time of year to submit the annual report for the Sidney Fire Department for the fiscal year of February 1, 2014 to January 31, 2015.

The Sidney Fire Department is pleased to have brought on new members to the Fire Department.

1. Mike Sprague
2. Blake Philbrick
3. Lou Berthel
4. Chad Steward
5. Sarah Cabana

These new members are now enrolled in Fire Fighter 1 and 2 block classes. These classes involve 8 blocks at 16 hours a block equaling 128 hours of fire training for each new member. With the completion of this course they will meet qualifications for the Bureau of Labor Standards. This will be a big asset to the Sidney Fire Department due to the number of firefighters that are getting done.

At the time of this report the Sidney Fire Department responded to 79 Fire Calls and 52 Fire/ Rescue Calls. These calls were a wide range from vehicle accidents, forestry fires, structure fires, carbon monoxide calls, fire alarms, and smoke alarms. On that note, the department would like to remind residents to please remember to change the batteries in your smoke alarms.

This year the town Selectmen and myself decided to go from two days of issuing fire permits to just one day; Saturday from 9:00 a.m. to 11:00 a.m. New to 2014, town's people may also go on line to get a fire permit for free at www.wardensreport.com by following the instructions. From August 2014 to February 1, 2015, there were 77 permits issued on this free website.

I would like to thank my officers for their dedication and support in this challenging year. The officer core consisted of Asst. Chief Bob Bacon, Captain Kevin Bacon Engine 1 Company, Captain Ben Jandreau Engine 2 Company, Lt. Brian McKinnon Engine 1 Company, Lt. Clyde Warman Engine 2 Company and myself. I also would like to thank my fire fighters for their dedication to the fire department and to the town's people.

The entire Sidney Fire Department would like to recognize Asst. Chief Bob Bacon for his dedication to the department for a total of 50 years. It has been brought to our attention that he will be retiring this year. This will be a great loss to the Town Of Sidney and the Fire Department. We wish you a happy retirement.

The Sidney Fire Department would like to thank the Town's people for their continued support to their Fire Department, without your support it would be very hard to do our jobs.

Thank you,
Chief Richard Jandreau

Report of the Sidney Rescue Chief

Sidney Rescue responded to 96 medical emergencies and Fire and Rescue responded together to 32 motor vehicle accidents this past year. Rescue also stood by at structure fires and controlled burns held by the Fire Department.

The top three responders for these calls were:

Chris Giroux - 87

Dan Courtemanche - 64

Scott Routhier - 37

We currently have seven members and will be adding more Emergency Medical Technicians in the coming year.

We would like to thank all of the Firefighters who responded to medical calls with us and the townspeople for their continued support.

Please take a minute and make sure that your house number is clearly visible from the road. This is how we find your house in the event of an emergency.

Respectfully submitted,

Dan Courtemanch

Interim Rescue Chief

**Cemetery Committee
Annual Report
December 31, 2014**

Under Warrant Article 19 (\$4,700.) the Select Board approved a contract with *Gravestone Concerns, LLC* (locally owned by Donna-Mae Bean) to continue the gravestone preservation effort. Gravestone preservation was performed in Lincoln and Field Cemeteries. Recommendations were made to the Select Board for removal of the hazardous trees. The Select Board approved removal of dangerous trees from Reynolds Hill, Bean and Clark/Goff Cemeteries by *Foster Tree and Landscaping, LLC*.

Two more signs were donated to our cemeteries. One sign located at the bottom pointing up to Reynolds Hill and one for the Reynolds Hill Cemetery Fence. A leaning tree over the Lincoln Cemetery on private property was cut and removed by Tom Tillson. To decrease costs, trees were hauled off from Reynolds Hill and Clark/Goff by volunteers. Abbott Fence Company volunteered to straighten the granite fence posts in Lincoln Cemetery.

Thank you to the following volunteers that maintain some of our cemeteries: David Smith in Bangs, Tom Tillson in Lincoln and Leslie Bickford in Barton Cemeteries. With the help of volunteers from the Sidney Historical Society, veteran's graves were decorated with American Flags in time for the Memorial Day recognition. The Boy Scouts Troop 401 hosted a flag burning ceremony on June 14th, Flag Day, with residents dropping off flags along with the worn flags from our cemeteries.

We continue to monitor tree conditions as least twice yearly and following severe windstorms. Our tree maintenance efforts have resulted in preventing damage to ancient memorial stones in many graveyards. Still, we don't catch them all. We have enjoyed great relations with local contractors, each donating hundreds of dollars of labor beyond their contract prices. Volunteers, the Town staff, and

the Select Board have been very supportive, as have the land owners adjoining the several sites where the work has been performed.

We are concerned that the present level of funding for the preservation efforts barely allows for maintaining the status quo.

We feel it is time to develop a plan for replanting some hardy tree species at some of these sites, Longley being one example. This would allow us to work toward another century or more of continuing the tranquil and respectful atmosphere once provided by the former cedar trees.

Site development is also to be considered. We understand from Shawna Foye, Town Clerk, there is a waiting list for gravesites. We suggest budgeting now for expansions through further mapping and landscaping within existing sites where undeveloped space is available. We also see room for additional land adjoining some sites. Early negotiations for these parcels would be a wise consideration.

We wish to preserve our heritage and maintain our ancestral graveyards in a manner that will make us all proud.

Respectfully submitted,
Town Cemetery Committee:

Beth Clark Golding, Chair
Lawrence A. Tibbetts
Stanley Hanscom

SIDNEY FOOD CUPBOARD 2014 REPORT

The Sidney Food Cupboard continues to grow in the number of families we serve. In 2014 we had 284 requests for food which fed 1,218 Sidney residents. This is an increase of nine requests but an increase of 220 Sidney residents needing food.

We received a grant from Mid-State Machine Foundation for \$2,000 this year. This grant made it possible for us to have different items of food on the shelves. We also received 800lbs of food from the Postal Food Drive in May. The Boy Scouts, Girl Scouts, the Messalonskee Middle School and the James H. Bean School all continue to have great food drives in November; this helps us get through the holidays. The MHS Key Club in Oakland brought us a pickup truck load of food in November. The Empty Bowl Dinner raised \$547. Middle Road General Store gives us bread several times a week which the clients really enjoy. DND Disc Golf of Sidney had a donation box at their golf course this summer and brought us food to stock the shelves with. The Arnold Trail Sportsmen's Club gave us a \$300 donation for food at Christmas time and bought presents for 12 children. Many individual donations were received from local families. **Praise God!**

Scott and Helen Davis had a fundraiser at their home this summer to benefit the food cupboard. They had a live band, invited 100 friends and neighbors with everyone bringing food donations. Helping those less fortunate than ourselves, Sidney people are always willing to help their neighbors. **Praise God!**

At the Annual Town Meeting the voters of Sidney appropriated \$5,000 to be used to stock the pantry. **A great day for the Sidney Food Cupboard!**

We still receive food from KVCAP four times a year. Marcoux Meat Shop continues to work with us to keep our meat voucher program going. Our clients get a voucher for \$20 to buy meat each month.

We also received \$1,371 from the End Hunger Program from the Maine State Employee Credit Union. Thanks to all who participated in the walk-a-thon, we couldn't have done it without you. The teachers at the James H. Bean School put together 7 turkey baskets that go to local families at Thanksgiving. A total of 40 turkey baskets were passed out this year. The members of the Sidney Historical Society donated food and made a cash donation each month at their meetings. The Masons had a wonderful food drive in October. They collected approximately 1,000 items and \$200. We have been so fortunate to receive so many donations from local residents to keep this mission going. **God is good; He takes care of our need.**

In Christ's service,

Sandra Tibbetts

REPORT OF THE ANIMAL CONTROL OFFICER

Greetings from Animal Control,

2014 was a slow year for animal control related calls. There were a total of 43 calls for service. This included 2 dog bite incidents, 2 animal welfare checks, 5 dead animal pick-ups, 8 animal trespasses and 11 stray animals. Three people were summoned on animal related violations including keeping a dangerous dog, animal trespass and keeping an unlicensed and unvaccinated dog.

There has been an ongoing animal trespass case regarding a local farmer. Several of his goats and cows have been continuously reported, throughout the year, grazing near I-95, crossing the Drummond Road unattended, and trespassing on private property. This case has been filed with the Waterville District Attorney's Office and is under review by a court Judge. In the mean time, please use caution when traveling the Drummond Road.

In regards to animals trespassing, I have had several complaints regarding chickens and guinea fowl running on local roads and trespassing on private property. Remember that Maine State Law Title 7 section 4041 (Animal Trespass) states that an owner or keeper of an animal may not allow that animal to enter onto or remain on the property of another or unattended on any local, county or state road or highway. Animals include any live stock, fowl, equine, or dogs. Cats are excluded from this animal trespass law. For further information on this statute, please refer to the Maine Revised Statutes Annotated and the above Title and section, which can be found at <http://www.mainelegislature.org/legis/statutes/>.

-A reminder about stray cats:

Stray cats may be picked up. However, the stray cat must be contained or captured before an impoundment is made. (i.e. garage, in a room, cat carrier or trap) Cats have free range of Maine and there are no laws regarding or preventing cats from running at large. Stray cats have also adapted to survive the winter weather and continue to breed every year. Please note that if you feed a stray cat for more than 10 consecutive days,

you become the legal keeper of that cat and the responsibilities there of.
(MRSA Title 7 section 3907§16)

- Rabies Vaccinations and Dog License.

Maine state law requires that both cats and dogs are to be vaccinated against rabies, Title 7 section 3916. It not only benefits your pet, but you as well. By doing this, you are in part helping to keep the spread of rabies and other infections down. A fine of up to \$100.00 can be issued to animal owners if their cat or dog is found to be unvaccinated. Also, Town ordinance and Maine state law require all dogs to be license each year, Title 7 section 3921. A fine of up to \$100.00 can be issued for an unlicensed dog.

If you have any questions regarding animal issues, animal law, or need advice with animal wildlife, please don't hesitate to call me. All though animal wildlife is not part of my animal control duties, I am a certified animal damage control agent with the Maine Department of Inland Fisheries and Wildlife. A fee may be charge for any trapping and removal of nuisance wildlife. However, if the animal is exhibiting signs of rabies, contact me immediately as this is an animal control related issue and needs to be handled right away.

I would like to wish all a safe and happy New Year.

Thank you for your support.

Sidney Historical Society

The Sidney Historical Society has had a busy and productive year. I continue to be amazed at the commitment and hard work from our members. We have a talented group and whenever there is a job to be done someone steps up to do it. Thank you all!

This year through the back breaking work of Jon Gammans and Jeff Frost with a contingent of hearty volunteers, the memorial bricks were laid at our site in front of the Town Office.

The Buy-a-Brick Campaign Continues!

With the leadership of Emmons Pinkham and Maura Gammans, we were able to raise money for our memorial project by providing lunch for 280 bicyclists and volunteers at New England Music Camp in September. The Modern Woodmen of America provided us with a matching grant for which many thanks go to Patrick Linnehan.

Beth Golding and her committee had a garage sale in June that raised funding for our kitchen renovation project. That work is ongoing. Our new bathroom provides easy access for our members.

The SHS Veteran's Memorial Committee held its 3rd annual Memorial Day parade and ceremony. Thank you to Sidney's Girl Scouts and Boy Scouts for helping to honor our veterans. We presented Spirit of America Awards to Harland Bragg, Floyd Luce, and Don Robbins. On Veteran's Day in November, we sponsored a ceremony with Roger Katz as our speaker.

Bill and Charlotte Sawtelle created another stellar calendar for 2015. These calendars may be purchased at the Town Office or from an SHS member.

We continue to have programs at our monthly meetings. With the support of Maine Archives and Museums (MAM), Maura Gammans was able to arrange our Oral History Project speakers at the Grange in April. Kathi Smith is keeping our membership informed about goings on with her Newsy Notes. Sally Furber Nelson is working to keep our new website current and informative.

We continue to have the Grange open for research on Tuesdays from 1-4pm. Our regular meetings are being held on the 2nd Tuesday of each month at 2:00 at the Grange through March. We'll be back to our usual meeting time on the 2nd Wed of each month in April. You are invited to join us.

VITAL RECORDS OF SIDNEY PUBLISHED

A significant event which occurred during 2014 was the publishing of the book *Vital Records of Sidney, Maine*. This book was compiled by Sidney Historical Society members Beth Clark Golding, Sally Furber Nelson, and Janet McCarthy Weymouth and published by Picton Press. It includes births, deaths, marriage intentions, and marriages from 1746 to 1899 as well as a copy of "Record of Marriages Solemnized by Asa Wilbur Pastor of a church in Sidney." The book is available for research purposes in the town office and in the research center of the

Sidney Historical Society next door.

Spirit of American Foundation Tribute

The Spirit of American Foundation Tribute honors individual volunteers, organizations, or groups. It is presented in the name of Maine municipalities for commendable community service.

This year our Town is pleased to award the Spirit of America Foundation Tribute to Jon and Maura Gammons for their tireless work on the Sidney Veteran's Memorial site. Shirley Bragg also received a Spirit of America of Foundation Tribute this year for her myriad of contributions to the Town of Sidney.

Over the past few years Jon contributed many volunteer hours to develop a list of veterans who have a Sidney connection. He then constructed an impressive poster listing all those names and built a model of the proposed memorial site. He followed that with fund raising activities in order to procure building materials. And finally, he was leader in the actual construction of the Town's new memorial site.

When the Bicycle Coalition of Maine requested several communities within Kennebec valley to sponsor a lunch for the 2014 "Bike Across Maine," Maura, with her can-do attitude, picked up the torch and was the prime motivator that made this event happen in Sidney. She formed a committee and got sponsorships and an offer from the New England Music Camp to use their dining facility. Her committee was able to provide lunch for 300 people who were very appreciative of this community effort. In addition, they were able to raise \$5400 for the Sidney Veteran's Memorial site.

Shirley Bragg, a Sidney resident for over 55 years, was awarded with the Spirit of America Foundation Tribute for her contribution to activities many years ago and for her current contributions. Many years ago, Shirley was a Ladies Aid support for firefighters; she was involved in the Sidney 2nd Baptist Church, Sidney Lions Club, and Sidney Snowmobile Club. This year, Shirley contributed to the Bicycle Coalition of Maine by donating vegetables for the meal provided at the New England Music Camp. She offers family counseling services as a licensed Counselor for free to families in the community.

Sidney residents are proud to honor Jon Gammons, Maura Gammons, and Shirley Bragg for their community service!

Mailboxes

In the 2014 Town Report, the Sidney Highway Department included information for the correct installation and maintenance of mailboxes along roadways. We have included the Town of Sidney's Mailbox Policy for Sidney Roads in this Annual Report. Please find the mailbox information following this notice.

Snow in Roadways

The Sidney Highway Department would like all property owners to be aware of the safety and legal issues of putting snow in roadways and covering culverts. Due to many issues we have encountered this winter already, we are sharing the following information released by the Maine Department of Transportation and Marc Guimont (MDOT's Director of Maintenance and Operations), December 1997:

"PUTTING SNOW IN ROADWAY IS ILLEGAL AND UNSAFE"

"As you are clearing your driveway after the next snowstorm, the Maine Department of Transportation wants you to remember that it's unsafe and illegal to dump the snow into the road for the State or local snowplow to move for you."

Despite State statute found in 29A MRSA § 2396, "State and municipal snowplows routinely encounter situations where someone has plowed, snow blown, or even shoveled snow from a driveway into the road instead of disposing of it safely and properly."

"The law making those actions illegal was passed to protect the driving public. Drivers encountering snow plowed from a driveway onto an otherwise clear or lightly-covered roadway stand a good chance of losing control of their vehicles when they hit the accumulated snow. Snow pushed, blown or thrown from a driveway could lead to an accident that puts someone in the hospital, or worse."

State and municipal departments have the option of asking for State and local police assistance if they are constantly dealing with snow deposited into the roadway and over culverts. However, we would rather remind people about the serious problem that this causes before an accident occurs. Therefore, as you clean snow from your driveway, please be sure to remove any snow pushed into the roadway and please do not plow over the end of culverts. Thank you for your cooperation.

SIDNEY, MAINE

Town of Sidney Mailbox Policy for Sidney Roads

Adopted by the Board of Selectmen February 23, 2015

For convenience and practicality, mailbox installations have been allowed within the right-of-way of Sidney's roads; however it is important to recognize that such installations have two very important conditions:

- The mailbox must be installed in accordance with applicable standards to ensure that mail can be delivered and that the mailbox does not create an obstacle or safety hazard to those that use or maintain the highway, and
- The mailbox is installed entirely at the owner's risk. In other words, if the mailbox incurs damage during any sort of highway operations or maintenance, the property owner is not entitled to replacement or compensation. In fact, if the mailbox was not installed in accordance with the applicable standards as stated above, the owner may even be held liable for injuries or damages that may have been incurred as a result.

Mailbox Design

Mailbox design and installation standards are available from several sources, and mailbox owners are expected to consult this information prior to undertaking any mailbox installation or replacement. The following standards have nationwide relevance and were developed in cooperation with one another:

- The United States Postal Service (USPS) Mailbox Guidelines. The USPS defines the standards for mailbox construction, as well as the placement tolerance that must be met to accommodate postal operations. Specifics may be obtained from the local post office or online at: <https://www.usps.com/manage/know-mailbox-guidelines.htm>
- American Association of State Highway and Transportation Officials (AASHTO) Roadside Design Guide. The AASHTO Roadside Design Guide, Chapter 11: *Erecting Mailboxes on Streets and Highways* deals with the safety and construction of privately owned mailboxes, mailbox supports, and mailbox turnout designs and is less focused on postal operations. This publication may be obtained online through the AASHTO Bookstore at: https://bookstore.transportation.org/Item_details.aspx?id=1807

The Town of Sidney has developed this policy to promote compliance with these national standards and to help further clarify the expectations and responsibilities of Sidney mailbox owners to improve the safety of our roads and highways. The following pages further specify the details associated with the mailbox height, location, offset, and post type to minimize the potential hazards associated with mailbox installations and to reduce the opportunities for damage to mailboxes.

Mailbox Installation Standards

- **General Location:** Whenever possible, mailboxes should be located after the driveway opening. This location placement improves visibility, minimizes the amount of snow that comes off of the snow plow, and improves the approach for the mail carrier. The diagram below further clarifies this preferred placement:

- **Mailbox Support Design:** It is best to use an extended arm type of post with a free-swinging suspended mailbox. This allows snowplows to sweep near or under boxes without damage to supports and provides easy access to the boxes by carrier and customers. The following picture shows a free-swinging suspended mailbox:

- **Offset:** Mailboxes should be set back from the edge of the shoulder – regardless of whether the shoulder is gravel or paved. In other words, the face of the mailbox should be at least **one foot (1')** back from the edge of the normally plowed surface of the highway or the face of curb. Greater offset distances are encouraged whenever possible to allow the mail carrier to get further out of traffic and to further minimize potential damage to the mailbox. The following picture shows a mailbox with a reasonable offset:

- **Height:** According to USPS standards, a mailbox must be installed with the bottom of the mailbox located between 41” and 45” high above the surface of the highway shoulder. The Sidney Public Works Director recommends that this height be closer to the 45” measurement to minimize conflict with the height of the plow truck wing when snow is being pushed back during, or between, winter storms. The following picture further clarifies the height considerations:

- **Post Size, Type and Embedment:** Mailbox posts must be sturdy enough to hold up the mailbox in all types of weather conditions, however they cannot be so rugged that they present a hazard to vehicles that inadvertently leave the road. If a mailbox support is struck by a vehicle, it must easily break away. Therefore, the following types of posts are deemed acceptable:
 - **4" x 4" wooden posts embedded 2 feet** into the ground. Larger wooden posts may be used only if the post is drilled through with an appropriate spade bit to create a shear plane that is no higher than 6" above the surface of the surrounding ground. The number and size of the drilled holes depends upon what is necessary to bring the cross-section of the larger post down to the equivalent cross-sectional area of a standard 4" x 4" post. (MaineDOT Standard Specification 606.06)
 - **1" to 2" round diameter steel or aluminum pipe or standard U-channel post embedded 2 feet into the ground.**
 - Unacceptable mailbox supports include: anything that is filled with concrete, masonry and stone structures, heavy steel structures, and most objects that were intended for other uses (e.g. antique plows, I-beams, and various other household tools and objects).

NOTICE: Mailboxes, attachments or support systems not consistent with this policy are considered "Deadly Fixed Objects" (also known as "DFOs") and are in violation of 23 MRSA §1401-A. As such, when these installations are recognized by the Sidney Road Commissioners, the owner will be informed of the hazard and immediate removal will be requested. If the property owner does not comply with this request, the Sidney Road Commissioners may elect to have the installation removed and seek reimbursement from the property owner for all costs incurred.

This "Mailbox Policy for Sidney Roads " is hereby adopted by the Sidney Board of Selectmen to be effective immediately upon signing and will remain in effect until revoked or amended.

Given unto our hands this the 23 day of February, 2015.

January 9, 2015

Dear Citizens of the Town of Sidney:

It has been another busy year for your Schools and our work of preparing *ALL LEARNERS* to be prepared for success in life after high school whatever their path may be remains. This means that graduates are proficient in our curriculums, are complex thinkers, and are reflective, self-directed, and collaborative learners/workers. These are all skills crucial for being successful in today's world. These efforts are aligned with RSU 18's Vision and Strategic Plan, and in line with Maine's Proficiency Based Education Law enacted in 2012.

Beginning in 2018, Maine learners graduating from Public High Schools must graduate proficient in the Maine Learning Results. Maine's Learning Results consists of eight curriculum areas: English Language Arts, Mathematics, Science & Technology, Social Studies, Visual and Performing Arts, Health and Physical Education, World Languages, and Career and Educational Development. Additionally, Graduates must also demonstrate proficiency in the Guiding Principles of the Maine Learning Results requiring that they be Clear and Effective Communicators, Self-Directed and Lifelong Learners, Creative and Practical Problem Solvers, Responsible and Involved Citizens, and Integrative and Informed Thinkers.

RSU 18 is well along the path of implementing a Proficiency Based Learning system and meeting the requirements of Maine's Proficiency Based Graduation requirements. We have steadfastly followed RSU 18's Vision and Strategic Plan, and a key component of the plan centers on the principle of continuous improvement: learning from the work we are doing and leveraging these learnings to improve. In that vein, RSU 18 will be holding a 2015 planning session involving District stakeholders with the purpose of looking at our Vision and Strategic Plan, Maine's Proficiency Based Graduation Requirements, and our Proficiency Based Learning System in order to hear inputs and perspectives on how to continue improving this work. This information will help guide our work over the next few years.

Another area where we have been working centers around the development of a Teacher and Leader (Administrator) Growth and Development system. Hiring, developing, and retaining the best possible teachers and leaders is crucial to RSU 18 being the best education system it can be. A Committee of teachers and leaders from all Schools in the District has been working on this since the Fall of 2013. Plans are to begin piloting this System beginning in January 2015, receiving state approval of the System in June 2015, and implementing the System beginning with the 2015-16 school year. This Growth and Development System is aligned with RSU 18's Vision and Strategic Plan and Maine's Effective Teacher & Leaders' Law.

As I write this letter work is underway preparing the school funding plan for the 2015-16 school year. It is always a delicate balance of meeting the needs of learners, providing the right levels of supports and services to support this learning, and keeping the Schools in good shape and safe. In 2012-13 the latest year that data is available, Maine's average cost to educate a student was \$11,582. For RSU 18, this cost was \$1,589 less per student at \$9,993. We will work hard to bring forward a budget that meets the needs of our learners while also being fiscally responsible to the communities of RSU 18.

"Proudly serving the children in the Belgrade and China Lakes Regions."

Your Schools are led by a very capable and dedicated Board of Directors who devote many hours of service for the learners, families and residents of Belgrade, China, Oakland, Rome, and Sidney. They do a wonderful job, and if you are out and about and happen to see them, please remember to thank them for their many hours of service on your behalf.

Thank you for the opportunity to serve you.

Sincerely,

Gary N. Smith

The Kennebec County Sheriff's Office continues to proudly serve the citizens of Kennebec County. The Sheriff's Office has a long history of service, dating back to 1799. Our agency serves many functions in the communities of our County. In addition to rural patrol, the Law Enforcement Division provides many regional assets to our communities including Drug Investigations, K-9, Dive Team, Sex Offender Registry, Veterans Advocacy, Accident Reconstruction and the Special Response Team.

In 2014, Deputy Sheriffs responded to a total of 34,224 calls for service. We answered (506) calls for service involving theft; (866) motor vehicle accidents; (687) alarms; (279) domestic violence; (242) 911 hang-ups; (118) assaults; (129) K-9 calls and (502) providing assistance to other agencies. The Sheriff's patrol division conducted (297) school safety visits and made 2,211 vehicle stops.

During the past year, our Correctional Facility managed 3,328 inmates. The offenses committed by defendants included everything from Burglaries to Homicides. Substance abuse and the proper treatment of citizens with mental illness continue to be two primary concerns at the Correctional Facility. Despite significant fiscal challenges, the CARA program continues to operate, serving as the only state-wide substance abuse treatment program.

Inmates at the Kennebec County Correctional Facility are required to work. Inmates that are considered to be a risk to the community work inside the facility cleaning and cooking, while others are supervised on outside projects. For every two days worked, one day is reduced from their sentence, resulting in a \$529,042 bed day savings to the citizens of Kennebec County. Throughout 2014, inmates worked 14,646 community service hours, valued at approximately \$109,842. Our inmates raised 39,835 pounds of produce for the inmate kitchen and area food pantries in 2014.

We are committed to providing innovative programs to reduce crimes, assist victims, and to provide enhanced public safety. I acknowledge the ever-growing opiate addiction problem and have committed to partnerships at the Federal, State and Local levels to combat this problem. Our approach is aggressive enforcement, education and treatment for those afflicted.

I will provide the 121,164 citizens of Kennebec County with progressive and professional Law Enforcement and Correctional Services. I welcome any comments or suggestions which improve our service to the citizens of Kennebec County.
