Town Report Dedication

Patricia Bragg

The Town of Sidney is honored to dedicate this Town Report to our very own, Patricia A. Bragg (Patty).

Currently Registrar of Voters, Patty has performed many civic tasks and worn many hats over the years as a faithful employee, volunteer and resident of our Town.

As Town Registrar, she has independently learned the complicated requirements to this very detailed position. She has updated seemingly countless voter records and trained for her position accordingly with the Town Clerk, during numerous training sessions held by the Secretary of State's Office. Patty can always be counted upon to complete her tasks in a timely and thorough manner.

She is also known to be very generous with her time, knowledge, and skills preserving and archiving our valuable Historical Records. She is a long-serving member of the Sidney Historical Society and has in previous years acted as Treasurer and Secretary.

Patty has volunteered and worked, in various positions, over the years at James Bean Elementary School, SAA, Fire and Rescue Departments and Cemetery Committees. She could always be counted upon to work where she was needed and performed her tasks responsibly and with cheerful demeanor.

On her own time, she has celebrated many local families by designing and presenting keepsake bookmarks. She is creating a cookbook using family recipe submissions from residents. She is quite famous for her baking skills and her cinnamon buns are beyond compare.

Whether working or volunteering for the Town, school, Historical Society, her church or other community groups, Patty can always be counted upon to help with a smile on her face and a quick wit, making even the difficult tasks more agreeable. Patty is fun to be around, and you can always count on a laugh or two with her quick wit and humor.

It is truly a pleasure and well-deserved honor to dedicate the 2019 Town Report to Patricia A. Bragg.

STATE OF MAINE
OFFICE OF THE GOVERNOR
1 STATE HOUSE STATION
AUGUSTA, MAINE
04333-0001

PAUL R. LePAGE
GOVERNOR

Dear Citizens of Maine:

For the past eight years as your Governor, my priority has been to make Maine prosperous. I am proud to say that my administration has had some success, but there is more that can be done.

Mainers experienced strong, record-setting economic growth in 2018, setting so many new records: a record-high number of employers; a record-high number of private-sector jobs; record-high revenues for the state; record-low unemployment; and the fastest net-earnings growth in New England. Our poverty rate declined to the lowest since 2005 with the fewest number of children in poverty in 17 years. Maine's future is the brightest it has been in decades: there's more new businesses, more money in your paycheck, and better opportunities for our children. And that's what it's all about: the future of our state.

We have brought stability to state finances and implemented pro-business, pro-growth policies across state government. The incoming administration is taking on a state government that is vastly improved—both structurally and financially—from the one I inherited. Therefore, I have suggested to the new administration that now is the time to cut taxes by an additional 20 percent.

My administration lowered taxes by 20 percent for more than half-a-million Mainers. Cutting taxes for our families has proven to be an excellent policy decision. Despite this cut, we are seeing higher revenue in almost every tax category—sales and use tax, individual income tax, and corporate income tax. We must always remember that the revenue we receive in taxes is due to the hard work of Maine's people. Democrats stated they want to use surplus money to fully fund revenue sharing at 5 percent, rather than the 2 percent the towns have received for the past 6 years. **However, there is no guarantee your local government will cut your property taxes by one penny—never mind dollar-for-dollar—if revenue sharing is increased.**

The people of Maine and the municipal balance sheets would be better off if the state cut income taxes and allowed municipalities to collect property taxes or service fees from non-profits to supplement the local property taxes. Everyone should contribute to the operation of local community governments.

I encourage you to pay attention to what happens in your municipality and in Augusta. So many good people have worked much too hard to achieve our current prosperity. We must avoid letting politicians drive Maine's finances and its economy back into the ground. I promise you that I will be watching.

Sincerely,

Paul R. LePage
Governor

Dear Friends,

It is an honor to represent Maine in the United States Senate. I am grateful for the trust the people of our state have placed in me and welcome this opportunity to share some key accomplishments from this past year.

As Chairman of the Senate Aging Committee, I worked to help ensure the well-being of our seniors. The *SeniorSafe Act I* authored became law last year and is empowering banks, credit unions, and other financial institutions to better protect seniors from financial fraud.

Following extensive committee investigations of prescription drug pricing, additional legislation I crafted became law, ending the egregious practice of pharmacy “gag clauses” that prevented pharmacists from informing patients on how to pay the lowest possible price.

This year, I was also successful in securing an extra \$425 million for Alzheimer’s research—the largest funding increase ever—bringing the total to \$2.34 billion. Additionally, the bipartisan *BOLD Act I* authored will create public health infrastructure to combat Alzheimer’s by promoting education, early diagnosis, and improved care management.

More than 40 million Americans—including 178,000 Mainers—are caregivers for parents, spouses, children, and other loved ones with disabilities or illnesses, such as Alzheimer’s. The *RAISE Family Caregivers Act I* authored was signed into law last year, giving caregivers more resources and training to better balance the full-time job of caregiving. Another law I wrote will help grandparents who are raising grandchildren, largely due to the opioid addiction crisis.

In addition to helping seniors, a major accomplishment over the past year is the increased federal investment in biomedical research that is leading to progress in the fight against numerous devastating diseases. Congress has boosted funding for the National Institutes of Health by \$7 billion in just the last three years, bringing total funding to more than \$39 billion.

One of my highest priorities as Chairman of the Transportation Appropriations Subcommittee is to improve our nation’s crumbling infrastructure and ensure that Maine’s needs are addressed. Since the Better Utilizing Investments to Leverage Development (BUILD) Transportation Grants program, formerly known as TIGER, was established in 2009, I have secured \$160 million for vital transportation projects throughout Maine.

Congress also delivered a Farm Bill last year, which includes many important provisions that will help the agriculture industry in Maine and across the country. Specifically, I secured provisions that will strengthen support for young farmers, improve local farm-to-market efforts, and increase funding for organic research.

Congress took decisive action to address the opioid addiction epidemic. In addition to appropriating \$8.5 billion in federal funding last year, Congress enacted the *SUPPORT for Patients and Communities Act*, a comprehensive package that embraces the multipronged approach I have long advocated for this epidemic: prevention, treatment, recovery, and enforcement to stop drug trafficking.

Maine plays a key role in ensuring a strong national defense. In 2018, Congress provided funding for five ships to be built at Bath Iron Works, which will help to keep our nation safe and provide our skilled shipbuilders a steady job. I also secured more than \$162 million for infrastructure projects at Portsmouth Naval Shipyard to support their important work to overhaul Navy submarines.

A Maine value that always guides me is our unsurpassed work ethic. In December 2018, I cast my 6,834th consecutive vote, continuing my record of never missing a roll-call vote since my Senate service began in 1997.

I appreciate the opportunity to serve Maine in the United States Senate. If ever I can be of assistance to you, please contact one of my state offices or visit my website at www.collins.senate.gov. May 2019 be a good year for you, your family, your community, and our state.

Sincerely,

Susan M. Collins

Dear Friends,

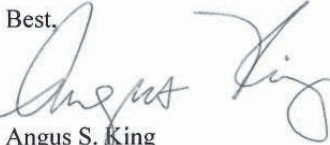

As I travel Maine, I hear from people who live in every corner of our state. I hear about their achievements, their successes, their work to improve their communities – I hear about the hope they have for our state. I also hear about our challenges, and all the work we have left to do. As I see it, that's my job: to listen to you, act where I can to build on what's good, and work on the tough parts. As 2018 comes to a close, I wanted to take a moment to share an update on some of the work we're doing in Washington to lift up the accomplishments of Maine people and make progress on the challenges they face.

From Portland to Presque Isle, from Milo to Camden, I hear about the pain that the opioid epidemic is inflicting on Maine communities. I've met with Maine people in recovery, family members of those struggling with substance use disorders, treatment providers, and law enforcement officials to learn about their experiences with this terrible disease, and everyone agrees that in order to fully respond to these problems, we need a stronger federal effort to end the opioid epidemic. Fortunately, some help is on the way – in October, we overwhelmingly passed a sweeping, bipartisan opioids bill. I've pushed hard for this type of legislation and was proud to have provisions I've advocated for included in the bill. These priorities have been guided by the voices of Maine people, and we'll keep working to confront this tragic problem.

I've also worked to strengthen the future of our forest economy. Maine's forests have powered our state's economy for generations, especially in our rural communities. So, when rapid shifts in the market led to the closure of many pulp and paper mills and biomass power plants, it required a collaborative approach to support future growth in this important industry. That's why, together with the other members of the state's Congressional delegation, I pushed to establish the Economic Development Assessment Team (EDAT). This integrated, multiagency effort aims to foster innovation and commercialization in Maine's forest economy, and we're already seeing the benefits: in recent months, several forest industry businesses have announced significant investments into Maine operations, and in September 2018, the Forest Opportunity Roadmap (FOR)/Maine released an action plan to make sure this industry, and the rural communities it supports, can continue to thrive for generations to come.

As I close this letter, please allow me to express my gratitude to each of you – for your dedication to our state, and to one another. It's often said that Maine is like a big small town (with very long streets)— that's because at our heart, we're one big community. It's not only a pleasure to serve you— it's a pleasure to know you. Thank you for being the reason Maine is so special. Mary and I hope that 2019 will be a good year for you, your family, your community, and our great State.

Best,

Angus S. King

Dear Friends,

I hope this letter finds you well. As I am settling into my new role as your representative, I wanted to give you an update on what we are doing in D.C. and in Maine this year.

My first priority is to be accessible to you and to our communities, which is why I have opened offices throughout the Second District at the following locations:

- **Caribou Office:** 7 Hatch Drive, Suite 230, Caribou ME 04736. Phone: (207) 492-6009
- **Lewiston Office:** 179 Lisbon Street, Lewiston ME 04240. Phone: (207) 241-6767
- **Bangor Office:** 6 State Street, Bangor ME 04401. Phone: (207) 249-7400

My team and I are here to serve you, so please come meet my staff, voice an opinion, inform us of local events, or seek assistance with federal benefits. I come home to Maine every weekend to hear from you and see what's happening in our communities. I appreciate you keeping us informed.

This year, I was proud to be appointed to the House Armed Services and Small Business Committees. On Armed Services, I'm using my experience serving in Iraq and Afghanistan to make sure our servicemembers have the resources and training they need to succeed and keep us safe. Within Armed Services, I was assigned to the Seapower Subcommittee, where I am fighting for our shipyard jobs and making sure our military can count on Bath-built ships for generations to come. Beyond Bath, I will advocate for the entire network of good Maine jobs that support our troops, equipping them to carry out their duties reliably and safely.

Maine would just not be the same without our small, family-owned businesses. On the Small Business Committee, I am working to ensure our small businesses have the tools to grow, look out for their workers, and provide more good jobs to people all over Maine. Within the Small Business Committee, I was honored to be appointed Chairman of the Subcommittee on Contracting and Infrastructure. With this position, I am highlighting the need for infrastructure investment and fighting to level the playing field when small businesses compete for federal contracts.

One thing I love about Maine is that we help each other out. Whether it's ensuring a job well done or lending a hand to a neighbor, I know you are strengthening our communities every day. I am proud to serve alongside you and look forward to all that we will accomplish together.

My wife Isobel and I wish you and your family happiness, health, and success in the year to come.

Sincerely,

Jared F. Golden

CONGRESS OF THE UNITED STATES

Dear Friends,

I hope this message finds you well. I am honored to represent you and your family and am grateful for the chance to offer both an update from Congress and my thoughts on the year ahead.

In Maine, we care less about political parties than about getting the job done. That's why I'm happy to report several recent victories I had reaching across the aisle to address issues important to our state.

Signed into law after months of deadlock, the 2018 Farm Bill contained several provisions I introduced. We were able to boost local food investment and organic research programs that are important to the Maine farmers driving a resurgence in our agricultural economy. The bill also created a pilot program to help doctors write prescriptions and offer vouchers to patients who need to change their diet but can't afford fresh food. Finally, the legislation included several steps I introduced to reduce food waste, a national problem that is not only costly to the environment and economy, but a missed opportunity to help millions of Americans who don't have enough to eat.

At the end of 2018, the President signed into law legislative language I introduced to assist veterans who had been blindsided by debt with the Department of Veterans Affairs. After hearing from several veterans who did not receive mailings about their debt until it was too late to take action, I introduced a bill to require the VA to improve its notification system. The final legislation requires that veterans have the option of getting electronic notifications and that the VA report on the underlying issues.

And on the House Appropriations Committee, I worked to protect programs that our state relies on, such as small business grants, rural broadband investment, effective responses to the opioid epidemic, shipbuilding at Bath Iron Works, and more.

As a new Congress gets underway, I will keep working with Republicans to make progress on key issues like these. But with Democrats now in the majority, I look forward to having an open debate on problems that have been ignored for too long. This includes the gun violence plaguing our nation, the dangers climate change presents to our country, crushing student loan debt, the influence of big money in politics, and the need for all Americans to access affordable health care and prescriptions.

In Washington and Maine, my offices stand ready to answer your questions, listen to feedback, and assist with federal issues and agencies. My hard-working staff helps many hundreds of constituents every year and I welcome the chance to serve you.

Best wishes,

Dear Friends and Neighbors:

First, let me thank you for electing me to represent you in Augusta. I am honored to serve you in the Maine Senate. It has been a privilege serving as a State Representative over the last six years. I will continue to work tirelessly on your behalf, making sure your interests are heard and well represented in the Maine Legislature.

This past legislative session proved to be the longest in recent memory. After dealing with a number of major policy matters, we finally adjourned September 13th.

Perhaps the most significant action the Legislature took last year was the passage of tax conformity. Failing to conform would have been a nightmare for small businesses as well as low-income and elderly Mainers. Maine would have also lost \$37 million in one-time repatriated revenue. Due to the Legislature's actions and willingness to work together on the passage of tax conformity, Maine tax filers were unharmed by this policy change.

The 129th Legislature has many challenges of its own. The top priorities this session include finding a way to provide affordable and accessible healthcare to all Mainers, tackling the opioid crisis, education reform and funding, and lowering property taxes.

Thank you again for trusting me to represent you in Augusta. I hope the Legislature can come together to tackle the hard issues facing our state, and I am ready to help. Please feel free to contact me at 287-1505 or matthew.pouliot@legislature.maine.gov if you have comments, questions or if you would like assistance in navigating state government.

Sincerely,

January 2019

Dear Friends & Neighbors:

It is an ongoing honor and pleasure serving the good people of Sidney at the State House, and I wish to take this opportunity to thank you for allowing me to be your voice in Augusta. With record-low unemployment, record-high State revenues, a record-high number of employers, and the fastest net-earning growth in New England, my colleagues and I are optimistic about 2019. We are likewise maintaining an open mind with a thoughtful and cautious approach to working with newly sworn-in Governor Mills as she lays out her plan for moving Maine ahead. Hopefully, the path now being taken will continue to seize upon our tested successes.

Currently in my second term in Maine's House of Representatives, I look forward to my new role as the ranking member of the Joint Standing Committee on Transportation. This panel's jurisdiction includes the Department of Transportation; Bureau of Motor Vehicles; motor vehicle registration and license plates; drivers' licenses; driver education; the Maine Turnpike Authority; the Highway Fund; transportation policy; public transportation; aeronautics; highway and bridge construction and maintenance; highway safety; traffic regulation; waterways; railroads; the Department of Public Safety, State Police; and motor vehicles and motor carriers.

With over 2,000 legislative requests filed for consideration during the 129th Legislature's First Regular Session, I encourage you to take an active interest in the events unfolding under the capitol dome. You can always monitor committee proceedings and floor debate in the House and Senate via the Web, <http://legislature.maine.gov/>, while my regular e-newsletter contains beneficial administrative insight and public service announcements. If you have not yet signed up to receive this publication, please send me your e-mail address.

Again, the faith and trust you have placed in me to serve you is appreciated. Should you have questions or concerns about State Government, or if I can be of assistance in navigating the oftentimes overwhelming State bureaucracy, feel free to contact my mobile phone, 716-6968.

Sincerely,

2019 Selectmen's Town Report

The Board of Selectmen welcomed Alisa Meggison-Keimel and Alan Tibbetts to the Board in 2018. The Board also said goodbye to Laura Parker after almost 5 years, as well as Tim Russell, after 4 years, is not seeking reelection. The Board would like to take this time to thank both Laura and Tim for all the time and dedication you both have put into the position and the Town is a better place because of your service.

Also, please join us in welcoming Brandon Davis to the Road Crew staff and Dale Salley as the most recent addition to the Transfer Station. We would also like to thank Mike Gilley for his 20 years of service with the Road Crew and wish him well in his retirement.

The Town continues to be challenged by an ever changing economy and regulatory climate; however, the Select Board, Administration, and Town Departments are working diligently to stay abreast of the changes in a prudent and fiscally responsible manner.

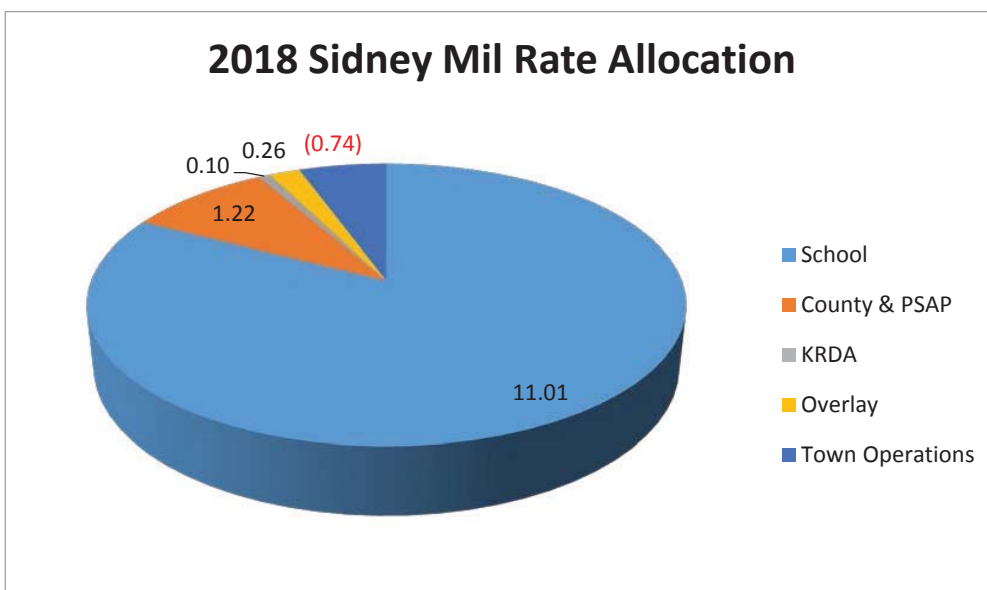

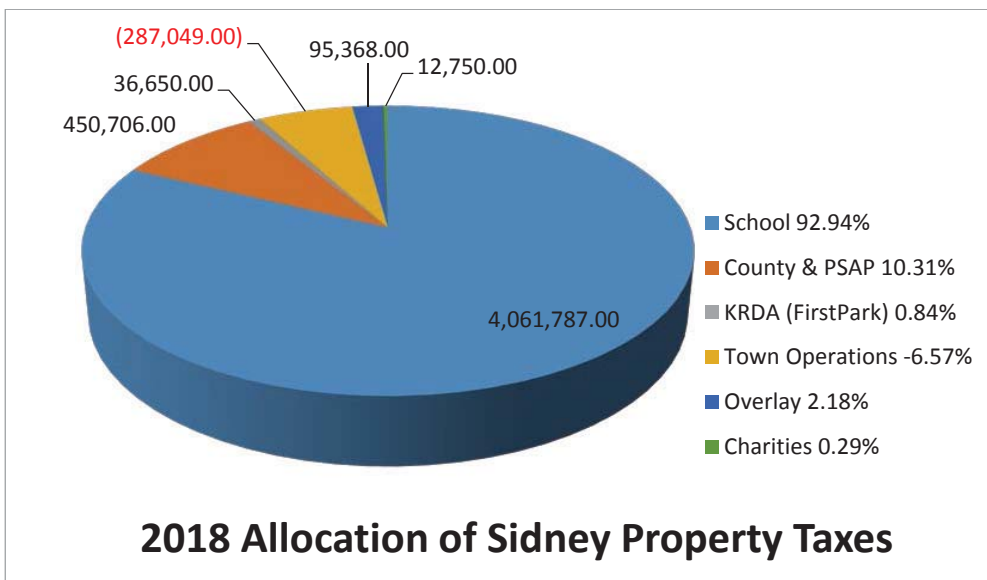

As the Town continues to grow, the Board is committed to confronting the demands of this growth and striving to meet the needs of the residents and Town, while at the same time attempting to keep the mil rate as low as possible. However, we issued 40 new home permits this past year, thus adding to the ever increasing demands of Town governance.

This year we have a warrant article asking to borrow up to \$50,000 to purchase a front end loader to help with the efficiency and safety of loading our plow trucks with salt and sand, as well as more efficient summer work.

You will also see an article for funding to update the Town's comprehensive plan that was done over 15 years ago. This update will assist in defining the goals and expectations the residents would like to see moving forward into the future for the Town of Sidney, while keeping within state and federal ordinances, while maintaining resident safety.

As many of you may have noticed this past fall the transfer station saw some changes, those changes were due the rising cost of disposing of recyclables. The Town saw the cost of single sort recycling almost triple; thus we chose to go back to separating certain items, while no longer taking others. We ask residents to be patient and help by making sure you are breaking down your cardboard and only recycling the items we are now taking, cardboard (broken down), newspapers, white plastic (#2), office paper and tin cans. Everything else needs to be put into your normal trash bags.

The Board would like to thank all those that volunteer and help on all the various committees the Town has, as well as our Fire and Rescue. Without the continuation of those willing to take time out of their daily lives much of what goes on in Town wouldn't be possible. And a huge thank you to all the employees that give so much to see that all Town residents receive the best service possible.

REPORT OF THE ANIMAL CONTROL OFFICER

It has been a steady 2018 for Animal Control. For those that don't know, we now have a Deputy ACO (backup ACO), Mark Parlin. Mark joined us in April and has been doing a good job for the town in his animal control role. Anytime you cannot reach me you are welcome to call Mark at 660-3131.

This year there have been several calls for bats inside homes in the area. Although we were not directly involved in all cases, I sent 3 bats to the lab in Augusta for testing and all came back negative for Rabies. This is good news, but always be cautious of any bats found in your home, specifically if you or a loved one awakes to a bat in the room. Bats have needle like teeth and can bite without you knowing it or waking. If you discover a bat and have any questions, feel free to give us a call for more information.

In early December I responded to a report of two huskies running loose in the area of Reynolds Hill Road. The dogs were both picked up and taken to the Waterville Humane Society. While at the WHS, the dogs were both found to have Parvo. Parvo can be deadly and is most often passed through nose and/or mouth contact with infected feces. Studies show that mostly young unvaccinated dogs contract this disease, but just be aware of this where older vaccinated dogs can still contract it as well.

It has been a growing issue over the last few years that dogs are not being licensed as required by law. The town office staff has been reaching out to people directly in an attempt to get dogs licensed voluntarily, but that unfortunately is not working with everyone. Moving forward I am going to have to get involved and issue summons if and when required. Thank you to everyone who has been keeping their dogs up to date and if you haven't, please just get in to get it done ASAP. The cost is only \$6 for Spayed/Neutered dogs and \$11 for intact dogs. The deadline is January 31st after which a \$25 late fee is added, so please get them done beforehand and save yourself the money. Court fines are \$100 and up for dog license violations. We would much prefer not to have to issue any summons, so please make the time and get it done. If you have any questions regarding this, you can contact the town office or myself.

Thank you for your continued cooperation and support in keeping Sidney a great place to live, work and enjoy.

Andy McMullen

Town of Sidney

2018 Cemetery Committee
Annual Report
December 2018

The year of 2018 was a very successful year in the cemeteries. Joe Ferrannini of Grave Stone Matters from Hoosick Falls, New York, returned to Sidney for sixteen days this summer to do cemetery work in town. Work was done in 13 cemeteries, the: Smiley, Goff-Clark, Bangs, Drummond, Bowman, Tiffany, Longley, Cowan, Bean, Stedman, Sibley, Lovejoy, and Reynolds Hill.

Joe Ferrannini has been doing the Towns cemetery stone work for the last few years with excellent results.

There is still lots of work to be done. The work for 2109 is all lined up and ready to go. All we need is the approval of the town's people.

Grave stones really do matter. They are part of the town's history. We would like to thank the following volunteers for all their hard work in the cemeteries during 2018:

Davis Smith- Bangs Cemetery

Tom Tillson- Lincoln Cemetery

Leslie Bickford- Barton Cemetery

David Shaw- cleaning stones in various cemeteries

Beth Golding- keeping up on the condition of all cemeteries and seeing that all Veteran gravestones were decorated with American flags for Memorial Day.

Orland Bean- All cemeteries

The Cemetery Committee would also like to say "THANK YOU" to the Town of Sidney for your support.

Gravestones really do matter!

Respectfully Submitted,
Town Cemetery Committee:

Lawrence A. Tibbetts, Chairman
Beth Golding

Report of the Code Enforcement Officer

The Town of Sidney has seen another record year in terms of new single-family homes as well as renovations and accessory structures. The following are the number of permits for 2018 compared to 2017.

	<u>2017</u>	<u>2018</u>
New homes	24	40
Mobile Homes	4	5
Barns / Garages	37	25
Repairs / Additions	15	15
Decks / Pools	3	9
Total	83	94

I have had a lot of inquiries regarding Spring 2019 projects, so I anticipate another busy construction season.

If you need a building permit or have any questions, I can be reached at 441-5302 or at the Sidney Town Office Monday evenings from 6- 9 pm. Or Wednesday mornings from 8- 11 am, 547 3159.

Hoping that everyone has a great 2019.

Respectfully Submitted
Gary R. Fuller, Code Enforcement Officer

Report of the Plumbing Inspector

The total number of plumbing permits issued was 58 compared to 95 in 2016.

The breakdown is as follows:	<u>2017</u>	<u>2018</u>
External Permits	33	44
Internal Permits	25	42

If your project is ready to be inspected or you need a plumbing permit for a project, please contact me @ my cell phone 441-5302 or at the Town Office during my regular hours @ 547-3159.

Respectfully submitted,
Gary R. Fuller, Plumbing Inspector

Report of the Sidney Fire Chief

Once again, we are at the end of the year for the Sidney Fire Department. The members have responded to numerous calls throughout the year while serving the Town of Sidney. Their commitment to the department at all hours of the day included 79 fire calls and 101 fire/rescue calls.

The Fire Department purchased a new fire truck which is housed at Engine 3 Company on the Shepherd Road. The purchase of the new engine will make for quicker response to the south end of Sidney.

The Fire and Rescue Departments together purchased a new Gator that includes a track system for emergencies that are off road during the winter season. Response with this machine will enable us to remove the patient from remote areas safely. It is also equipped with a forestry skid plate with water and hose on board for forest and grass fires.

The Sidney Fire Department would like to thank the Sidney residents for their continued support. Without you behind us, our duties would be limited.

As the Fire Chief, I would like to thank all our members for their service for the fiscal year of 2018.

Respectfully submitted,

Chief Richard Jandreau

SIDNEY COMMUNITY FOOD PANTRY ANNUAL REPORT 2018

The Sidney Food Pantry is client choice. We allow our clients the opportunity to select their own food much like they would in a grocery store. This allows clients the chance to choose from a variety of foods to meet their own personal dietary needs and tastes. Visiting a food pantry can be a humbling experience for many. Having access to a variety of foods and the ability to select which foods one wants for their family not only makes the system equitable and reduces waste but empowers people to make their own decisions and restores integrity to the process of receiving much needed food.

It's totally understandable that people who need to ask for food from a local food pantry can feel ashamed or embarrassed. Which is why our food pantry volunteers can make it easier. It's important to create an atmosphere of love and dignity. Pantry goers need all the support they can get when they are going through tough times.

In 2018, the pantry served 29 households with a total of 84 family members in those households, all registered from Sidney.

Pantry goers could be you or me: We may think that only the unemployed or homeless use food pantries, but that simply isn't true. There are increasing numbers of working families, commonly known as the working poor. A high percentage of seniors and disabled are found to be food insecure. Those living on Social Security/disability income often have to choose between buying food and paying medical and utility bills.

A layoff, an accident, a long-term illness, or other unexpected event can have a huge impact on a family already struggling to make ends meet. Seeing so many families in need, especially children, reminds all of us how easily our lives can take a turn for the worse without any notice. And when a family's food budget gets slashed, caring about nutrition drops down on the priority scale.

The table below is a household income guideline. The Sidney Pantry doesn't require proof of income and does not turn anyone away. Our Pantry also serves the homebound. Please call the food pantry for more information.

This table shows a yearly gross income for each family size. If your household income is at or below the income listed for the number of people in your household, you are eligible to receive food.

State of Maine TEFAP Income Guidelines
 July 1, 2018 to June 30, 2019

Household Size	Annual	Month	Week
1	\$22,459	\$1872	\$432
2	\$30,451	\$2538	\$586
3	\$38,443	\$3204	\$740
4	\$46,435	\$3870	\$893
5	\$54,427	\$4536	\$1047
6	\$62,419	\$5202	\$1201
7	\$70,411	\$5868	\$1355
8	\$78,403	\$6534	\$1508
For Each Additional Add	+\$7992	+\$666	+\$154

You also may be eligible to receive food from TEFAP if your income is greater than that shown in the above table providing you are unable to meet the nutritional needs of your household due to an emergency situation.

Where does our food come from? The Good Shepherd Food Bank, USDA, food drives and public donations of food and money. Monetary donations are used to purchase food and household necessities from local stores and the Good Shepherd Food Bank at a discount.

We continue to be thankful for all your support and donations! Non-perishable food donations can be dropped off in the Town Office lobby or at the Food Pantry donation box (located outside) or at the Pantry during Hours of Operation.

Volunteers: Our volunteers are the heart of The Sidney Food Pantry. They help with grocery shopping, restocking shelves, picking up food that comes in from Good Shepherd Food Bank and USDA, ordering food and distributing food on pantry days. Volunteers also do the administrative part with record keeping; checking clients in, new intakes, annual filing of reports and making sure paperwork is up to date.

We are always in need of volunteers year-round. Especially able-bodied men or women when deliveries of food come in from the Good Shepherd Food Bank, the USDA and food drives. If you are interested, you can contact us through email or by calling us. Also, high school kids who need to earn their community service hours would be helpful. We are also always looking for ways to assist and to connect with individuals in need – if you know of such need – please contact the pantry. Currently, we have a small staff of volunteers.

HOLIDAY BASKETS:

In addition to regular monthly food distributions, during November the pantry allocated items for Thanksgiving Baskets for 30 families which included an entire meal of turkey, and all the trimmings. It was a very generous time of year. The Pantry received a donation of frozen turkeys, etc. from individuals who showed their concern and support.

Volunteer Recognition Local Support:

Special thanks to all the kind, loyal and dedicated Volunteers of the Food Pantry. You are all so great and appreciated. The 2018 volunteers are: Linda and Tom Bragg, Carmen and Roger Bedard, Helen and Scott Davis, Maureen and Tom McAvoy, Carolyn Giles, Anna O'Mally, Nadine Pranckunas, Jane Tierney, Elizabeth Davis, Jody and Elizabeth Newman and Dawn Jones.

We extend our appreciation to all Citizens of Sidney, businesses and groups who support our organization throughout the year with their donations of food and money. We are blessed with generous contributions from: Second Baptist Church, the Town of Sidney, the Masonic Lodge of Sidney, RSU 18, Boys and Girls Scouts, Maine State Credit Union, Mid-State Foundation, Middle Road General Store, and all other donors who gave support, we thank you.

Please note that every attempt has been made to recognize the generous support of our donors. We apologize for any errors. If you feel that your name should appear on this list or if it appears incorrectly, please contact us at (207) 805-6362 or email sidneycommunityfoodpantry@gmail.com, and we will make every effort to correct the error.

Hours of Operation: Currently we are open every 2nd and 4th Wednesday of each month. 9 am to 12 noon; and, 4:30 pm to 6:00 pm. Please check our Facebook page for any change in days and hours (which may be due to holidays).

We recognize that maintaining regular business hours may make it difficult for working families to receive the food they need. To accommodate their needs, we are open in the afternoons from 4:30 pm to 6:00 pm. If you are employed and these hours don't fit your schedule, please call.

Please visit our Facebook Page (Sidney Food Pantry) and click "Like" for the latest news. Monetary contributions can be made directly to the pantry at Sidney Community Food Pantry, 3022 West River Road, Sidney, ME 04330. Our pantry is located next door to the Second Baptist Church.

Report of the Budget Committee

At the February 9, 2019 meeting, the Budget Committee (BC) elected John George as Chairperson and Floyd Luce as Secretary.

The Select Board presented a budget proposal of \$1.79 million as compared to \$1.72 million last year. Normal Operations and Maintenance (O&M) budgets (that exclude major capital purchases, debt service and charities) are \$1.39 million for 2019 versus \$1.36 million for 2018 or a 3.7% increase year over year.

The Budget Committee asked questions and discussed each of the articles presented by the board. The discussion items of particular interest included:

1. The impact of the \$1 increase in Maine's minimum wage and its impact on the Towns wage structure;
2. The draft nature of the unaudited "surplus funds" account value and how it will affect the need to "raise" taxes versus funding the budget using more surplus funds;
3. The proposed purchase or rental of a \$50,000 used bucket loader was debated based on the hours it would be used. The need to borrow the \$50k was also discussed, especially in light of the promised benefit of the recent \$2 million bond;
4. Charitable organization "giving" of approximately \$20,000 was discussed with an emphasis on services provided to Sidney residents versus requiring ALL citizens to support charities through taxes;
5. The need for an update to the Comprehensive Plan costing an estimated \$10k;

The other budget articles were also fully discussed. After each discussion, voting was held on every budget article. The results of these votes and recommendations are included in the annual town report.

At the conclusion of the meeting, the funds to be "raised" through tax increases was approximately \$230,000 whereas in 2018 we only needed to "raise" \$23,000. The increase in funds to be "raised" is almost wholly due to lower "surplus" funds available to support town spending. The lower surplus fund balance is primarily due to lower vehicle excise taxes received. This surplus fund balance may be different [hopefully higher] by the town meeting due to the upcoming conclusion of the audit of the town's records for the period ending January 31, 2019. We all hope that the surplus fund balance will increase and reduce the need to raise property taxes. The budget spending that does not have to be "raised" through property taxes is funded either by surplus funds, grants, reserves or borrowing.

The Budget Committee would like to thank the select board and all citizens for their support and contributions to the overall budget process.

Respectfully submitted,

John George
Chairperson

(Minutes were approved by the Budget Committee on Monday, February 25, 2019.)

Report of the Sidney Rescue Chief

Sidney Rescue responded to 124 medical emergencies and Fire and Rescue responded to 40 motor vehicle accidents this past year. Rescue also stood by at structure fires and controlled burns held by the Fire Department.

We would like to thank all of the Firefighters who responded to medical calls with us and the townspeople for their continued support.

Please take a minute and make sure that your house number is clearly visible from the road. This is how we find your house in the event of an emergency.

Respectfully submitted,

Dan Courtemanch
Rescue Chief

Sidney Historical Society Annual Report

Our Research Center/Museum (located south of the Town Office in the Grange Hall Basement) is open from 1 to 4 every Tuesday. We have had several visitors during the past year who we helped find their Sidney roots. We have added several volumes to our historical and genealogical library. Please stop by and say hi on Tuesday, we always love to have visitors.

We have continued to add to our collection of Veterans Photos. The collection is closing in on 100 individual photos. There are photos of veterans of all the major conflicts from the Civil War up to the present time. We continue to research those veterans who fought in the Revolutionary War as well as their families who lived in Sidney.

The Historical Society produces a calendar each year from our collection of historical photographs from Sidney. They are available at the Town Office throughout the year. The 2019 edition was made possible through the hard work of Jon Gammons.

It is with great pleasure that we are able to report that the Historical Society has remained on solid financial footing during the past year. Thanks to Beth Clark Golding and several other volunteers, we held two yard sales which resulted in our revenue exceeding our expenses for the year.

We would like to thank Bill and Charlotte Sawtelle for their many years of service to the Historical Society producing yearly calendars and editing the Society's newsletters. They have gone into retirement and we have new editors for the Newsletter. They are Sue Lauria and her husband "Deo".

We continue to sponsor presentations on the second Tuesday of the month at 2pm. We have presentations planned for the months of April, May, July, August, October and November 2019 as well as February 2020.

Please be sure to visit our website at www.sidneyhistoricalsociety.org

Narrative

Sidney Trail Riders Snowmobile Club would like to thank the Augusta Trail Blazers for donating equipment and one thousand dollars to our club when they closed this year. Upon the Augusta Trail Blazers closing the Sidney Trial Riders has agreed to take over some of their trails so you are able to continue to connect to the surrounding towns. We have continued to upgrade the bridges but, there is always work that needs to be done. There is brush to be cut back and waterholes to be tended to. Without more volunteers keeping up with the routine trail maintenance is slow going. We appreciate the continued support of our members, the landowners, and those few who took time to volunteer. As always ride right, respect the land owners and stay safe on the trails. Respectfully Submitted: Tonya Philbrick, Treasurer

What is a comprehensive plan?

A comprehensive plan is a process that allows citizens to determine how they want their community to grow as time passes. It is based on the vision, values, and expectation of its community members. Comprehensive plans are often updated every 10-15 years to reflect changes within the community, and the time has come to update Sidney's comprehensive plan (last done for Sidney in 2003.)

Source: https://en.wikipedia.org/wiki/Comprehensive_planning

Why is a comprehensive plan important?

A comprehensive plan provides legal protection for a community's ordinances – it ensures that the decisions that citizens make for their town are upheld and honored. Maine first enacted a requirement for comprehensive planning as the basis for zoning in 1943. The Growth Management Act The language was general, but the intent was clear: a “zoning ordinance shall be drafted as an integral part of a comprehensive plan for municipal development, and promotion of the health, safety and general welfare of the residents of the municipality.” Without a certified comprehensive plan in place, a town's adopted ordinances could be considered “inconsistent” by the State Planning Office and be overridden, i.e. what the town's citizens want or think can be overruled. A thorough, well-developed comprehensive plan that is consistent with the State of Maine's Growth Management Programs, once certified by the State of Maine, offers communities protection for the vision, values, and expectations they set forth.

Source: https://www.maine.gov/dacf/municipalplanning/docs/2005manual_lowres.pdf

What does the comprehensive planning process look like?

- Identifying issues and concerns, needs and wants within a community
- Stating the vision, values, expectations, and goals of a community
- Collecting information and data from citizens and other sources
- Preparing the plan
- Recommendations for timelines for implementation of goals
- Looking at alternative solutions
- Submitting the plan to the State of Maine for formal adoption
- Implementing and monitoring the plan

What citizens can expect and how they can help.

The comprehensive planning committee will hold public hearings and regular committee meetings, conduct surveys, and gather important information from the citizens of the community. A comprehensive plan directly impacts how a community grows and changes over time, so citizen involvement is crucial. Citizens can assist this process in a number of ways:

- Request to be a member of the comprehensive planning committee. The committee needs 5-8 members and ideally members will represent a cross-section of the community.
- Attend comprehensive planning committee meetings as a citizen to stay informed.
- Respond to surveys, questionnaires, or other information gathering requests promptly.
- Attend public hearings when they are held.

The Town of Sidney is actively recruiting members for the Comprehensive Planning Committee. The committee needs between 5-8 members. The planning process will take 1-2 years. The preliminary goal would be to present an updated comprehensive plan at the March 2021 Annual Town Meeting. Initial thoughts are that the CHP Committee would meet two times a month, or more often depending on need. If you are interested in helping guide the future of Sidney for the next 10-15 years, please call Angela at the town office to submit your name for consideration to the Sidney Select Board.

Spirit of America Foundation Tribute

The Spirit of America Foundation was established in Augusta, Maine in 1990. The Foundation honors individuals, organizations, or groups for volunteerism and commendable community service within Maine municipalities.

In 2018, Sidney awarded the Spirit of America Foundation Tribute to **Ryan Poulin** for his time serving in many community based organizations including but not limited to; the Memorial Day Committee, Fire Department, Advisory Committee, Budget Committee, Cemetery Committee, Historical Society, and served as an officer in the following capacities: Code Enforcement Officer, Animal Control Officer, and Town Selectmen.

The Foundation also recognized **Doug Eugley** for his service as a Sidney Selectman, to the Budget Committee, Nominating Committee Chair on the Kennebec Regional Development Authority/KRDA, Assistant Treasurer on the KRDA, KRDA's Executive Board from 1999-2014, and was Sidney's Representative to the KRDA from 1999-2015.

The 2019 Spirit of America Foundation Tribute awards will be revealed at the 2019 Town Meeting.

If you would like more information on the Spirit of America foundation, please visit the Foundation's website at www.spiroaf.com. If you would like to make a nomination please complete a written request and submit to the Town Office, attention to the Administrative Assistant.

The Sidney Highway Department has included information for the correct installation and maintenance of mailboxes along roadways. As in the past we continue to include the Town of Sidney's Mailbox Policy for Sidney Roads in this Annual Report. Please find the mailbox information following this notice.

Snow in Roadways

The Sidney Highway Department would like all property owners to be aware of the safety and legal issues of putting snow in roadways and covering culverts. Due to many issues we encountered during the winter, we are sharing the following information released by the Maine Department of Transportation and Marc Guimont (MDOT's Director of Maintenance and Operations), December 1997:

"PUTTING SNOW IN ROADWAY IS ILLEGAL AND UNSAFE"

"As you are clearing your driveway after the next snowstorm, the Maine Department of Transportation wants you to remember that it's unsafe and illegal to dump the snow into the road for the State or local snowplow to move for you."

Despite State statute found in 29A MRSA § 2396, "State and municipal snowplows routinely encounter situations where someone has plowed, snow blown, or even shoveled snow from a driveway into the road instead of disposing of it safely and properly."

"The law making those actions illegal was passed to protect the driving public. Drivers encountering snow plowed from a driveway onto an otherwise clear or lightly-covered roadway stand a good chance of losing control of their vehicles when they hit the accumulated snow. Snow pushed, blown or thrown from a driveway could lead to an accident that puts someone in the hospital, or worse."

State and municipal departments have the option of asking for State and local police assistance if they are constantly dealing with snow deposited into the roadway and over culverts. However, we would rather remind people about the serious problem that this causes before an accident occurs. Therefore, as you clean snow from your driveway, please be sure to remove any snow pushed into the roadway and please do not plow over the end of culverts. Thank you for your cooperation.

Town of Sidney Mailbox Policy for Sidney Roads

Adopted by the Board of Selectmen February 23, 2015

For convenience and practicality, mailbox installations have been allowed within the right-of-way of Sidney's roads; however it is important to recognize that such installations have two very important conditions:

- The mailbox must be installed in accordance with applicable standards to ensure that mail can be delivered and that the mailbox does not create an obstacle or safety hazard to those that use or maintain the highway, and
- The mailbox is installed entirely at the owner's risk. In other words, if the mailbox incurs damage during any sort of highway operations or maintenance, the property owner is not entitled to replacement or compensation. In fact, if the mailbox was not installed in accordance with the applicable standards as stated above, the owner may even be held liable for injuries or damages that may have been incurred as a result.

Mailbox Design

Mailbox design and installation standards are available from several sources, and mailbox owners are expected to consult this information prior to undertaking any mailbox installation or replacement. The following standards have nationwide relevance and were developed in cooperation with one another:

- The United States Postal Service (USPS) Mailbox Guidelines. The USPS defines the standards for mailbox construction, as well as the placement tolerance that must be met to accommodate postal operations. Specifics may be obtained from the local post office or online at: <https://www.usps.com/manage/know-mailbox-guidelines.htm>
- American Association of State Highway and Transportation Officials (AASHTO) Roadside Design Guide. The AASHTO Roadside Design Guide, Chapter 11: *Erecting Mailboxes on Streets and Highways* deals with the safety and construction of privately owned mailboxes, mailbox supports, and mailbox turnout designs and is less focused on postal operations. This publication may be obtained online through the AASHTO Bookstore at: https://bookstore.transportation.org/Item_details.aspx?id=1807

The Town of Sidney has developed this policy to promote compliance with these national standards and to help further clarify the expectations and responsibilities of Sidney mailbox owners to improve the safety of our roads and highways. The following pages further specify the details associated with the mailbox height, location, offset, and post type to minimize the potential hazards associated with mailbox installations and to reduce the opportunities for damage to mailboxes.

Mailbox Installation Standards

- **General Location:** Whenever possible, mailboxes should be located after the driveway opening. This location placement improves visibility, minimizes the amount of snow that comes off of the snow plow, and improves the approach for the mail carrier. The diagram below further clarifies this preferred placement:

- **Mailbox Support Design:** It is best to use an extended arm type of post with a free-swinging suspended mailbox. This allows snowplows to sweep near or under boxes without damage to supports and provides easy access to the boxes by carrier and customers. The following picture shows a free-swinging suspended mailbox:

- **Offset:** Mailboxes should be set back from the edge of the shoulder – regardless of whether the shoulder is gravel or paved. In other words, the face of the mailbox should be at least **one foot (1')** back from the edge of the normally plowed surface of the highway or the face of curb. Greater offset distances are encouraged whenever possible to allow the mail carrier to get further out of traffic and to further minimize potential damage to the mailbox. The following picture shows a mailbox with a reasonable offset:

- **Height:** According to USPS standards, a mailbox must be installed with the bottom of the mailbox located between 41” and 45” high above the surface of the highway shoulder. The Sidney Public Works Director recommends that this height be closer to the 45” measurement to minimize conflict with the height of the plow truck wing when snow is being pushed back during, or between, winter storms. The following picture further clarifies the height considerations:

- **Post Size, Type and Embedment:** Mailbox posts must be sturdy enough to hold up the mailbox in all types of weather conditions, however they cannot be so rugged that they present a hazard to vehicles that inadvertently leave the road. If a mailbox support is struck by a vehicle, it must easily break away. Therefore, the following types of posts are deemed acceptable:
 - **4" x 4" wooden posts** embedded 2 feet into the ground. Larger wooden posts may be used only if the post is drilled through with an appropriate spade bit to create a shear plane that is no higher than 6" above the surface of the surrounding ground. The number and size of the drilled holes depends upon what is necessary to bring the cross-section of the larger post down to the equivalent cross-sectional area of a standard 4" x 4" post. (MaineDOT Standard Specification 606.06)
 - **1" to 2" round diameter steel or aluminum pipe or standard U-channel post** embedded 2 feet into the ground.
 - Unacceptable mailbox supports include: anything that is filled with concrete, masonry and stone structures, heavy steel structures, and most objects that were intended for other uses (e.g. antique plows, I-beams, and various other household tools and objects).

NOTICE: Mailboxes, attachments or support systems not consistent with this policy are considered "Deadly Fixed Objects" (also known as "DFOs") and are in violation of 23 MRSA §1401-A. As such, when these installations are recognized by the Sidney Road Commissioners, the owner will be informed of the hazard and immediate removal will be requested. If the property owner does not comply with this request, the Sidney Road Commissioners may elect to have the installation removed and seek reimbursement from the property owner for all costs incurred.

This "Mailbox Policy for Sidney Roads " is hereby adopted by the Sidney Board of Selectmen to be effective immediately upon signing and will remain in effect until revoked or amended.

Given unto our hands this the 23 day of February, 2015.

Residents of RSU 18,

We are so fortunate to live in this great state of Maine; and right here in Central Maine we have an amazing school system in a community that is a great place to live and raise a family. I am honored to be the Superintendent of Schools for RSU 18, and so happy that every day I get the opportunity to see great things happening in our schools.

Throughout this year you may have seen on our Facebook page a series of “stories” celebrating our unsung heroes. We have tried to use this tool to thank people for their tireless work on behalf of students, and to let parents and community members know how dedicated we are to ensure that every student is successful every day in every school. Our teachers, administrators, educational technicians, coaches, bus drivers... and the list goes on; they are all incredible. To put it simply, we take care of the students, and we care deeply about their well-being and academic success. To our entire staff who go above and beyond daily on behalf of students, please join me in saying thank you.

After participating in our Comprehensive Needs Assessment last year, one of our district goals this year has been to improve student attendance. Our teachers, administrators and school board members all recognize the importance of having students come to school on a regular basis. We are trying a host of strategies to meet this goal, and so far, we are seeing great results. We want our students in school, and we appreciate the cooperation and support we have received from everyone as we work to meet this goal together.

As you may know, our facilities improvement work has been moving forward aggressively. The new athletic complex at our high school is very close to completion. Because the weather did not cooperate last fall there are a few small things to finish up this coming summer, but the complex is ready for use and wow is it exciting that our athletic teams will be using this facility as we go into springtime. The athletic complex is just a small part of the work we are doing. From the long overdue addition to the multi-purpose room in China to the updated science classrooms at the high school to the energy improvement projects happening in all our schools, there is an incredible amount of work scheduled to improve our facilities. We are focusing our efforts on finishing the safety issues raised in our fire-marshall report and also focusing on air and climate quality improvements. Our students and staff deserve safe and comfortable facilities to spend their days.

While there are many positive things I can report about our schools, the easiest and most important thing I can tell you about is what I see in our classrooms. Students are performing well on all our academic indicators and we are proud of them, but that is not what I am most excited about. I was visiting classrooms a few weeks before writing this letter and I observed students working on a problem. The teacher had delivered his lesson to the entire class to share knowledge and to give guidance; then he gave them tools and time. The students took over. Their first attempt was anything but successful, but they did not quit. They stopped, discussed, came up with a new strategy, and tried again. I had to leave the

classroom before seeing if they were successful in attempt number two, but honestly that is not the point. This interaction I witnessed epitomizes the education in our schools. Teachers deliver interesting and relevant lessons, but they do so much more. Failure is just a step in the learning process. Students who are afraid to fail or are nervous that they will be judged would not try again. Instead they would simply raise a hand and ask for an answer, but that is not what happened. I hope the students I was watching got the right answer, yes that is important. However, I cannot express how proud I was to be part of this district. None of this would have happened without the right climate in the classroom. It was safe, supportive and rich in learning. It doesn't get any better than that.

Thank you to everyone in our communities for your continued support of the students and our schools.

Respectfully Submitted,

Carl Gartley

The Kennebec County Sheriff's Office is pleased to make the following report regarding the services we provided to the people of Kennebec County in 2018. These services include the Law Enforcement Division, Corrections' Services, Civil Process and Transport Division. We provided many regional assets to our communities including Drug Investigations, K-9, Dive Team, Sex Offender Registry, Veterans Advocacy, and Accident Reconstruction.

In 2018 Deputy Sheriffs serving in the Law Enforcement Division both in full-time and part-time capacity logged thousands calls for service. As a result deputies made 682 arrests, issued 759 traffic summonses, and responded to 628 motor vehicle accidents. Deputy Sheriffs also responded to 407 alarms, 161 domestic disturbances, and assisted other agencies 746 times. Deputies and Detectives made 80 drug seizures, 26 of which most were opiate related.

Sergeant Jacob Pierce resigned his position as a patrol sergeant and will be working with the Oakland Police Department. His professionalism will be missed at Kennebec.

Deputy Aaron Moody resigned his position within the patrol division, taking a position with the U.S. Secret Service.

Deputies Ivano Stefanizzi, Devon Polizzotti and Keith Madore were hired to fill those open positions within the patrol division. We welcome them and their families to the Sheriff's Office family.

Our Civil Process deputies serve legal documents on behalf of attorneys, the courts, citizens, local and state government, landlords and other entities. In 2018, the four civil deputies received over 9,031 requests for service in Kennebec County.

Danny Boivin a retired Augusta Police Sergeant, filled the vacant Civil Deputy position and has made a great addition to the civil team.

In 2018, our Correctional Facility managed 2,744 inmates, 211 less than 2017. The offenses committed by defendants included everything from Burglaries to Homicides. Substance abuse and the proper treatment of citizens with mental illness continue to be two primary concerns.

Our correctional facility has also been helping out our fellow counties that have had serious overcrowding issues. Overcrowding can create an unsafe working environment for the corrections officers as well as the inmates.

The CARA Program (Criminogenic Addiction Recovery Academy) continues and we have added two weeks to the program. The last two weeks of the program involve the participants working at area businesses. Upon their release, the participants have steady employment and a brighter future. Our program not only benefits Kennebec County inmates, it benefits all 16 counties who have individuals who meet the criteria.

Qualifying inmates at the Kennebec County Correctional Facility are asked to work and earn time off their sentences if applicable. Inmates who are considered to be a risk to the community work inside the facility cleaning and cooking, while others are supervised by our programs officers on outside projects.

The outside work crews have partnered with local municipalities providing snow removal to those individuals who are elderly or have disabilities. Programs Officer Gagnon and Matthews and their work crews raised 16,847 pounds of produce and gleaned 4,930 pounds of produce for the inmate kitchen, area food pantries, churches, homeless shelters, schools and elder programs in 2018.

We are committed to providing innovative programs to reduce crimes, assist victims, and to provide enhanced public safety. We acknowledge the ever-growing opiate addiction problem nationwide and have committed to partnerships at the Federal, State and Local levels to combat this problem. Our approach is aggressive enforcement, education, treatment and recovery for those afflicted with this horrible addiction.

Highway fatalities and serious injuries continue soared as a result of individuals using electronic devices when operating a motor vehicle. Please do not be a statistic or make others a statistic because of carelessness.

As your Sheriff, in 2019 my focus will remain on my staff, risk management and professional services to the residents of Kennebec County.

Definitions of Terms

The following are definitions of terms are used in this manual:

1. **Abatement:** A reduction of assessed property taxes, if it is deemed that an error was made in the original assessment of the said property.
2. **Accrual:** This is money that was appropriated at Town Meeting for a specific expense or project that is not completed before the end of the year. Money left over is carried forward to finish the project in the next fiscal year.
3. **Block Grant:** Is funds received from the State to compensate towns for winter plowing of State roads.
4. **Borrow:** A loan to fund large ticket capital improvement items such as vehicles, new buildings or improvements to existing buildings, etc.
5. **Contingency Fund:** Money that can be used only for unbudgeted emergency use.
6. **Escrow / Reserve:** Money that was approved to be set aside for future use for a specific item or purpose. Voters must approve the use of escrow money.
7. **Overlay:** Monies that are appropriated at commitment time to cover errors in property assessments through an abatement process. Overlay amounts are determined by a formula set up by the State.
8. **Raise:** Funds that are appropriated through the mil rate, to fund expenses such as education, County, overlay, the Kennebec Regional Development Authority and items voted on at the Town Meeting that are not appropriated through the surplus.
9. **Receipts:** Income received, such as interest or donations that can be utilized to cover a shortage in a specific account. If not used, it will be placed into the reserve account for that department or will be rolled over into surplus.
10. **Surplus / General Fund:** Money left over at the end of the Fiscal Year. It consists of collected excise tax, fees, undesignated receipts, and unexpended money. Surplus reduces the amount money to be raised to cover the approved budget. Rather than using projected receipts like the State of Maine and other municipalities, we use only collected receipts to help keep our budget in check.
