Please join President Joan Ferrini-Mundy and the recipients of this year's top faculty awards for an **informal virtual discussion 4:15–5 p.m. Monday, June 1**. The faculty award winners will discuss their work and leadership, and share their reflections on the pandemic.

Watch the livestream [here](#).

Joining President Ferrini-Mundy will be Sara Lindsay, associate professor of marine sciences, Presidential Outstanding Teaching Award recipient; Jean MacRae, associate professor of environmental engineering, Presidential Public Service Achievement Award recipient; Bob Steneck, professor of marine sciences, Presidential Research and Creative Achievement Award recipient; Rich Powell, professor of political science, Distinguished Maine Professor; Marcus Librizzi, professor of English, Frederic A. Reynolds Award recipient; and Doug Allen, professor of philosophy, Steve Gould Award recipient.
