Click To Find Study-From-Car WiFi Hotspots

The University of Maine System's NetworkMaine has been working to enable "Guest" Wi-Fi networks for the local schools that participate in the Maine Department of Education's Maine Learning Technology Initiative. And it is working.

Find one of M|

Visit the University of Maine System's NetworkMaine [Study-From-Car Map](#) to find the nearest local school, library, or University parking lot providing FREE internet access in support of remote learning and local students.

"The University of Maine System urges local education partners to contact NetworkMaine about enabling a study-from-car hotspot at their school."

Local schools participating in the Maine Technology Learning Initiative are urged to contact NetworkMaine to ask about enabling a Study-From-Car WiFi Hotspot.
