About

The mission of the University of Maine Outdoor Leadership program is to utilize Maine's outdoor resources as both classroom and teacher to prepare students for a variety of outdoor-oriented careers with the confidence and knowledge needed to safely lead outdoor activities for different groups in different environments. The resources on this website were created and compiled by students in KPE 311: Advanced Methods of Instructing Outdoor Activities. We acknowledge the students involved in the photos below.

Fall 2020. From the left: John, Josh, Tim, Yoni, Aja, Will, Anthony, Dan
 (We didn't get a good group photo this year!)

Fall 2019. From the left: Yoav, Isaac, Rowan, Skyler, Asha, Maria, Jake, Rae,
 Rachel, Kim, Noah G, Sage P, Noah R, Rex, Sage A, Lauren
