Local, state and federal law enforcement agencies continue to search for Afshin Zarechian, 20, in connection to a social media threat. There is no indication that he is in the local area. Out of an abundance of caution, extra police patrols are in the area and, as always, community members are reminded to remain vigilant and aware of their surroundings. UMaine is not in lockdown. Classes are in session Monday. Anyone seeing Zarechian is asked to call 207-581-4040. The Manchester man was last seen driving an older model green BMW, NH plate RICCH. Zarechian is 5'9", 150 lbs., dark hair/eyes/complexion.
