Dear Candidates,

Thank you for your interest in our Community Director position and joining the Campus Living and Residential Education team at George Washington University. Our team values providing candidates transparency, as we understand how information could influence your decisions and respect your time. Unfortunately, we recently learned that we will not be moving forward with our Community Director selection process, as our university has frozen all hiring processes until we are through the current crisis.

As you continue your professional search, we wish you the best and hope that you consider working with our team in the future.

Take care,

--

Campus Living & Residential Education  
Division for Student Affairs
