Dear UMaine and UMM staff members:

Thank you for your great efforts, commitment and diligence in helping us plan and prepare for a safe return for our students for the fall 2020 semester. As I reflect on the last few months, I wish to extend my sincere gratitude to each of you for your flexibility and skill in swiftly transitioning to a remote work environment while continuing to address the needs of students, other university community members and, in many instances, the state of Maine.

We are gradually transitioning back to being in-person and on-campus with buildings scheduled to open on Aug. 1, 2020. To ascertain information about your working experience since March, and to determine the best way we can support your safe return to an in-person work environment (if feasible), I hope you will consider participating in a short survey.

You can access the online survey by clicking [here](#). The anonymous survey information we collect will be analyzed and strongly considered by our fall 2020 planning groups.

Thank you for sharing your perspectives with us.

Joan Ferrini-Mundy

President
