In addition to two university-issued face coverings, will employees receive any other health-related items?

August 31, 2020 | Health and safety

In addition to two university-issued face coverings, every employee returning to work will receive a back-to-campus kit containing a personal-size bottle of hand sanitizer, cardholder for mobile phone and touchless door opener. The kits and face coverings are available by navigating to the Emergency Operation Center webpage and complete the COVID-19 Central Supply Request Form.
