Published: October 29, 2021

## What types of face coverings are acceptable on campus?

October 26, 2021

[Faculty and staff information](#), [Student information](#)

Disposable or reusable face coverings must cover the nose and mouth, and fit snug and comfortably against the face with ties or ear loops. Neck gators or bandana-style coverings that are open at the bottom are not acceptable. [See the fact sheet outlining acceptable and unacceptable face coverings on campus and in university facilities.](#)
