

ADVANCE Rising Tide Center

Professional Development

- [Leadership Training](#)
- [Professional Development Grants](#)

Key to meeting the objectives of the University of Maine's ADVANCE project, and broader NSF program goals, is facilitating the **professional development** of our women faculty. Initiatives include mentoring, training, and time management offerings, and grant funding that supports research, the formation of new collaborations, and skill development. Use the links above to read more about specific opportunities provided by the ADVANCE Rising Tide Center.
