25 Gallons of Hand Sanitizer ... and more!

27
MAR 2020

The University of Maine recently took an [inventory of resources](#) to find items that can be of use and donated to help during this crisis.

Examples of resources being provided / identified by the UMaine System include:

- Personal protective equipment and sanitizer has been shared with community-based organizations and healthcare providers prior to the signing of the MOU. Now the UMaine System will coordinate with MEMA on the availability of thousands PPE items (i.e. gloves, masks, and gowns) for distribution at MEMA's direction;
- 320 rolls of Toilet Paper from UMT to Riverview Psychiatric Center
- 25 Gallons of hand sanitizer to Central Maine Medical Center
- Roster of more than 30 university facilities in seven Maine counties of various uses including potential shelter space, healthcare delivery sites, and residential units;
- UMFK is providing space that will accommodate social distancing in support of a Red Cross Blood Drive on April 21;

The University of Maine System and all of the campuses are maintaining [public health advisory pages](#) to keep the university community and the public updated.
