Greetings!

Thank you for applying to the Residence Hall Assistant Director position at NYU. Given the evolving COVID-19 situation, we are temporarily holding off recruitment for this role. When a position becomes available we will have it posted on the [NYU human resources page](#). We hope that your interest in our department will continue as we navigate these unforeseen circumstances.

In the meantime, be well and feel free to reach out if you have any questions or concerns.

Sincerely,
