TPE Contact Request: Community Development
Coordinator

Hi, Alexandra Attanasio

You have a new Employer message from The Placement Exchange.

An employer has sent you the following message:

Dear Alex, I hope this email finds you well. We wanted to provide you with an update on our search for a Community Development Coordinator. In coordinating our efforts related to COVID-19, we have had to pause our search and will be reaching out to candidates to schedule Zoom and/or phone interviews for the second week of April. We are asking all candidates to please submit their application materials to our College Human Resources site which is located at this URL: <https://apply.interfolio.com/75231> We realize that this is an unusual time and we appreciate your patience with us as we navigate the situation. We are planning on hiring for this position. We hope to receive your applications to our site. Please let me know if you have any questions. Warm regards, Mimi
