Office of the President

Best wishes for the holiday season

December 16, 2019 [President's Messages](#)

To students at the University of Maine and the University of Maine at Machias:

With the end of the fall semester, I want to take this opportunity to congratulate you on your successes and hard work, and to wish you the best for finals week.

I appreciate that this is a stressful time with project deadlines and exam schedules. I encourage you to take a balanced perspective — do your best, set reasonable expectations for yourselves, and take time to relax and reflect on your experiences as part of the UMaine and UMM communities.

Best wishes as you head to the final days of the semester. We are all rooting for you!

My best for the holiday season.

President Joan Ferrini-Mundy
