University of Maine System COVID Data by Campus

5 — Known Case of UMS students or employees in public health agency Isolation

- 2 UMaine: One new case involving an off-campus student tested independently of UMS testing
- 1 UMF:
- 2 USM: One individual previously reported has completed isolation

There are no known cases at the other University of Maine System universities.

The above Data reflects ACTIVE known cases identified through the UMS asymptomatic screening and other testing venues. When an individual is released from an isolation order by a public health agency the active case number shared in the Together for Maine daily update is reduced to reflect that change. UMS is reporting five known cases today, the same number of cases reported in the [11/1/20 update](#).

Asymptomatic Screening Update for Fall Safe Return

- 28,399 Test Results to Date
- 28 positives results representing new diagnoses of COVID-19

The Asymptomatic Screening Dashboard at [Together.Maine.edu](#) represents known results on all asymptomatic tests going back to July 22, 2020. About 48 hours passes from the time a test sample is collected and when the results are known.

UMS News

75% Complete with In-Person Instruction. Today marks day 70 of 93 planned in-person days for the fall semester marking the three-quarter point of face-to-face instruction through the Thanksgiving-break transition to remote learning for the remainder of the semester.

Chancellor Malloy Concludes Keep It Up Tour at UMaine: Chancellor Malloy concluded the Fall 2020 Keep it Up Campus Tour with a stop at the University of Maine today.
