Academic action & recognition changes for Fall 2020

November 30, 2020 | [Academic policy changes, Fall semester information and updates](#)

Academic Action

Due to the unusual and challenging circumstances faced this semester amid the global pandemic, the University has relaxed its academic standing policy for the Fall 2020 term. However, the colleges reserve the right to apply academic action on an individual basis as warranted.

Academic Recognition

Due to the unusual and challenging circumstances faced this semester amid the global pandemic, the University has modified its Dean's List policy for the Fall 2020 term. The requirement that students earn 12 calculable credits to be eligible for Dean's List has been waived.

Dean's List

Students will be eligible if 1) they earned Dean's List recognition in Spring 2020 and have placed all of their Fall 2020 courses on Pass/Fail; or 2) they have earned a minimum GPA of 3.5, regardless of the number of credits taken, in Fall 2020.

Part-time Dean's List

Students who had part-time status during the Spring 2020 semester and have earned a combined 3.5 GPA or higher for both the Spring 2020 and Fall 2020 semesters are eligible for Part-time Dean's List.
