## Maine Agricultural Mediation Program Provides Help for Farmers During COVID-19

April 9, 2020 | [News](#)

The Maine Agricultural Mediation Program offers farm coaching, which includes how to make decisions related to farm finances and leases, and farm transitions, or to create alternative plans in case one of the farm team members falls ill due to COVID-19. Read more in [Morning Ag Clips](#) or visit the [Maine Agricultural Mediation Program](#) website.
