Welcome to Day 4 of the COVID-19 Misinformation Challenge!

This week, we've evaluated [social media posts](#), [treatment options](#), and [doctors' credentials](#) related to COVID-19.

Today's Challenge: Determine the Accuracy of Recent News Headlines (Toilet Paper Edition!)

There are many news stories about COVID-19 online and on our social media. But, which ones are real, and which ones make us skeptical?

Let's Get Started with Day 4: Fact or Fiction (Toilet Paper Edition)! [Follow this link to determine which headlines are real or fake.](#)

If you have questions and/or comments about today's task, please reach out.

Take good care,
