Together for Maine Daily Briefing and COVID-19 Data Update: 11/15/20

15
NOV 2020

University of Maine System COVID Data by Campus

43 — Known Case of UMS students or employees in public health agency Isolation among the more than 30,000 students, faculty, and staff in the University of Maine System community.

- 31 UMaine: Three released from isolation, Four new cases
 - Two employees released from isolation
 - One commuter student released from isolation
 - One new case involving a remote student
 - Two new cases involving commuter students
 - One new case involving an employee
- 2 UMA:
- 1 UMF:
- 2 UMFK:
- 1 UMM:
- 1 UMPI:
- 5 USM:
 - One new case involving a commuter student
 - One new case involving a residential student
- 0 Maine Law

6 of the 43 cases are residence hall students: Of the 43 cases reported above there are six (6) active known cases among residence hall students in the UMS.

- 2 UMaine
- 1 UMF
- 1 UMFK
- 1 USM

Isolation and Quarantine Capacity Remains Very Strong: 94% of UMS quarantine space and 96% of UMS isolation space is available.

The above Data reflects ACTIVE known cases identified through the UMS asymptomatic screening and other testing venues. When an individual is released from an isolation order by a public health agency the active case number shared in the Together for Maine daily update is reduced to reflect that change. UMS is reporting 43 known cases today, one case fewer than the cases reported in the [11/14/20 update](#).

Asymptomatic Screening Update for Fall Safe Return

- 31,652 Test Results to Date
- 47 positives results representing new diagnoses of COVID-19

The Asymptomatic Screening Dashboard at [Together.Maine.edu](#) represents known results on all asymptomatic tests going back to July 22, 2020. About 48 hours passes from the time a test sample is collected and when the results are known.

UMS News

Quick Facts About Final Week of Fall Safe Return

- **Final Full Week of In-Person Classes:** Monday, November 16th marks the start of the final full week of in-person classes for the Fall 2020 semester. The University of Maine System transitions to remote instruction at the Thanksgiving break.
- **Wastewater Tests Negative for COVID Virus:** Wastewater samples collected at UMaine, UMFK, and USM – Gorham on 11/9 – 11/10 were negative for the virus that causes COVID.
- **Safe Departure Testing Underway:** The University of Maine System is now conducting its final round of statewide asymptomatic testing for the fall semester. Approximately 8,000 tests will be conducted to help send resident hall and out-of-state students home safely with a negative test in hand and to monitor for the disease.
