NATURAL MILK PRODUCERS ASSOCIATION of MAINE, Inc.

Enjoy the Flavor and unexcelled Food Values of

FRESH NATURAL MILK

Natural milk cannot be improved upon, when it comes to milk as the cow gives it to us. We strongly recommend it in its pure wholesome and natural state—unadulterated, unpasteurized, unstandardized.

Have this “bottled sunshine” brought to your door daily; it is nourishing and builds strong sturdy bodies and protects and improves the health of the entire family.
