1960 *Evolution and Anthropology: A Centennial Appraisal* edited by Betty J. Meggers. *American Anthropologist* 62(5):884-885.

## ACKNOWLEDGEMENTS

This bibliography could not have been prepared without the assistance of Ramiro Matos Mendieta who secured a copy of Betty Meggers' curriculum vita, nor without the help of A. Jorge Arellano, Karen Olsen Bruhns, Paulina Ledergerber-Crespo, Mark G. Plew, Abelardo Sandoval, Pedro Ignacio Schmitz, and Ellen Fitz Simmons Steinberg who provided additional biographical information on Betty Meggers. It builds on the bibliographies published by José Echeverría-Almeida (2012) and by Paulina Ledergerber-Crespo (1999) and relies on the resources of the library of the American Museum of Natural History.
