Amount of Outstanding Orders, $761 74

There has been paid during the present year on notes of previous years as shown by the Treasurer's settlement with Finance Committee.
Report of the Chief Engineer of the Fire Department.

To the Honorable Mayor and Board of Aldermen:

Gentlemen:—I have the honor to submit my first annual report of the Fire Department for the year ending February 6th, 1893:

Amount of Appropriation. $1300.00
Balance from last year. 162.90

Total. $1,462.90
Amount of bills paid. $1,198.68

Leaving a balance, $264.22

Our Fire Department is composed of three of the best hose companies in the State. We have three hand engines, five hose carts, nine ladders, and 2900 feet of hose, some in good shape and some poor. We have also other necessary articles, such as torches, lanterns, axes, straps, bars and hooks. There are two engine houses, one in the city proper, the other at Ellsworth Falls.

There have been seventeen alarms the past year; some of these were false, but the companies were out in full force ready for business, just the same.

We have added to the department this year four hydrant gates. I have also ordered 200 feet of hose and two shut-off nozzles, which will be a benefit to the companies. It will be necessary next year to buy some hose and other articles for the company at the Falls. Charles J. Treworgy, 1st Asst. Engineer, has ably taken charge of the fires at the Falls, and to him much credit is due. Linwood H. Cushman, 2nd Asst. Engineer and Superintendent of the Water Co., has proved to be an officer ready and willing to do anything that is needed. We have had some hard fires to fight this year, and therefore much credit is due to the firemen and the superintendent of the Water Co.

The amount of property insured and the insurance paid by the Insurance Company, as near as I can figure it, are as follows:

Amount of insurance, $13,800.00
Amount paid by Insurance Co., 7,502.00

and the same appears in the Treasurer's report:

</tbody>
</table>

$7,000.00
There has been much said about too much water; but, gentlemen, it
has to be used to drown fires, and not let them get the upper hands
of us. It was my misfortune to be out of town at the time of the
Whitcomb & Haynes fire; but according to all reports the 1st and 2nd
Engineers did all that could be expected.

Our water main on the west side of the bridge has been frozen,
which would make it hard for the firemen in case of fire.

In closing, I wish to thank the Mayor and Board of Aldermen for
placing me at the head of the Fire Department, and for the courtesy
they have shown me; and I also wish to thank the firemen for their
able support. Respectfully yours.

WILLIAM J. LOGAN.
Chief of Fire Department.

Report of Chairman of Overseers of Poor for the year ending
Feb'y 9th, 1893.

GENTLEMEN:

According to contract, Mr. H. S. Jones has had charge of the
Poor Farm another year. The management feel well satisfied with his
treatment and care of the poor. There have been more paupers re-
tained at the Farm than could conveniently be accommodated. At
the present time there are seventeen paupers at the Farm and ninetynine outside of the Farm that Mr. Jones wholly or partially supports.
I would recommend that some additions and improvements be made
upon the buildings, so that more paupers could be kept at the Farm,
thus lessening the expense and making it better for the paupers.
There has never been a cellar under the main house, a hole under the
ell having served as a cellar, the walls of which are cedar posts, now
nearly all decayed; I therefore recommend as one of the great needs
of the institution, that a proper cellar be made. To supply the defi-
ciency in room accommodation there should be an addition to the ell.
The barns are in very bad shape, and a new barn is very much needed.

INSANE POOR.

The city has at the present time four insane patients: Mr. Bick-
ford who is kept at the Farm; the Babbage girl who is boarded at
the home of Mr. Williams, and the others are at the Insane Hospital
at Augusta.

Respectfully,

J. W. JORDAN,
Chairman of Overseers of Poor.
REPORT OF THE CITY MARSHAL.

To the Honorable Mayor and Board of Aldermen:

I beg leave to submit the following report:

Whole number of arrests for the year ending Feb. 20, 1893,

Of which there were 34 Drunks,

11 Tramps,

7 for Assault,

6 " Larceny,

4 " Breaking and Entering.

Total, 62

During the past year, three circuses have visited the city. The city held a 4th of July Celebration. There were two days of horse trotting at Wyman Park, and also three days of the County Fair, all of which tended to, and did, attract large numbers of people from the surrounding communities, thereby necessitating the appointment of the specials, as set forth in my account. We have attended to our duties to the best of our ability, and are grateful to the citizens for their hearty co-operation.

R. F. SWEENEY, City Marshal.

Ellsworth, Feb. 20th, 1893.
