Public Comment:
a) Beth Choate asked about the rat problem and wanted to know if it is still active. Theresa said that the situation has been contained.
b) Beth also wanted to know about the Town of Windsor looking into changing from the RSU to an AOS. {An alternative organizational structure (AOS) is a combination of two or more school administrative units joined together for the purpose of providing administrative and, sometimes, educational services. Administrative services provided by the AOS are system administration (a superintendent and the superintendent's office), special education administration, transportation administration and the business functions of accounting, reporting, payroll, financial management, purchases and audit}. Theresa asked her if she was interested in serving on an AOS Research Committee and Beth said that her mother is. Beth will put it in the Town Line Paper that anyone interested in serving on this committee should come to the next BOS meeting.

Public Works:
a) Keith said that everything is going fine right now but he has a lot of patching to do.
b) He said that he is well aware of the condition of the dirt roads.
c) The worst road is the Barton Road and Keith said that he will put reclaim down there to help that corner of Barton & Jones Road.

d) Ray had a question regarding the Bob’s Tire invoice and Tim answered him.

Consideration of Payment Warrants #30 & #31: Rick Gray, Jr. made a motion to approve warrants #30 & #31 seconded by Jonathan Adams and approved 5-0-0.

Old Business: None.

New Business:

a) Tom Reed said that Helen Winkley would like to see flags on our poles on Route 32. There was much discussion as to whether there has to be lights shining on each pole, the lack of equipment, etc. Rick said that he believes that CMP does that at the request of the towns. Keith will check with the City of Augusta.

b) Rick Gray said that linemen that live in town have in the past volunteered their time to place the flags on power poles and help build community power pole playgrounds.

Town Manager’s Items:

a) **6-Month Budget Figures:** Theresa went over the information with the Board. We are at 61.21% because of the total yearly cost of Major Construction being paid all at one time at the beginning of the fiscal year which if we took out the second half we would then be at 47.44%. Theresa would like the Board to take the Budget home and look it over and come back with any questions and/or comments they may have at the next meeting. She also told them the voting line is over budget because for the first time she is charging Sarah’s voting work time into that cost center. Overall Theresa said that the budget is in line.

b) **Certificate of Appointment for Corey Roberge – Animal Control Officer:** Jonathan Adams made a motion to appoint Corey Roberge as Animal Control Officer seconded by Ronnie Brann and approved 5-0-0. Each selectman affirmed that they signed the Certificate of Appointment of their own free will.

c) **Planning Board Positions:** F. Gerard Nault, Carol Chavarie & Tom Reed have indicated that they would like to remain on the Planning Board for another term. Bill Appel’s term also ends in 2013 and the Board asked Bill if he is willing to remain on the board as well and Bill said that he is.

d) **Meeting Lockout:** Carol Chavarie, Planning Board Chairman – Theresa told the Board that the Planning Board had a meeting Monday night and due to Tom Reed’s absence they were locked out of the Town Hall and conducted the meeting very quickly outside in the cold so Theresa has given Carol Chavarie a key to Town Hall since she is the Chairman of the Planning Board.

e) **RSU #12 issues with W-2 forms from 2009:** Theresa had received a letter from the IRS saying that the Town was going to be fined $84,844.09 due to missing W-2 forms from 2009. Theresa told the Board that she went into the IRS and they told her to make copies of everything and explain everything from the beginning of what had happened. Theresa made copies of all the forms she had sent in and all the paper work that went with them and was literally getting ready to go out the door to
deliver them to the IRS office when IRS called and said that they had found all the forms and paper work and for her to wait about 3 weeks to see if she receives another letter from them.

g) Budget Shortfall figures: There was much discussion regarding this. Theresa read the following from a letter from the Maine Municipal Association; “The biggest injury to the towns and cities is the Governor’s proposal to completely eliminate the distribution of municipal revenue sharing beginning in July 2012. The Governor’s proposed 2-year K-12 Education Funding is “flat funding for the schools at the state’s current 45% contribution. This proposal delivers even less than flat funding in real life because it also requires the school systems for the first time in history to pay for 50% of the annual “normal cost” appropriation for the teachers’ retirement premium. The governor is also proposing to eliminate the existing Homestead Exemption and to replace it with a $20,000 homestead exemption, but the program would only be available to “homesteaders” who are 65 years of age or older. Although the proposal would enhance tax benefits for the elderly Mainers, it will simultaneously increase property taxes for over 200,000 Maine homesteaders by approximately $120 per year on average. Circuitbreaker Program: Similar to the reduction for the Homestead Exemption, the Governor’s proposed budget would eliminate the “circuitbreaker” property tax and rent relief program for all beneficiaries except those who are 65 years of age or older. As proposed in the Governor’s two-year budget, the personal property first installed between 1995 and 2008, which is now governed by the BETR Program, would become completely exempt under the BETE program.”

Natural Gas: Theresa received an email from Ken Young, executive director of KVCOG saying that it has been proposed to them that it would consider expanding a Tax Increment Financing (TIF) agreement. This had been discussed at previous Board of Selectmen Meetings and the Board did not want to consider a TIF as it would be of no benefit to the Town at all.

Selectmen’s Items:

a) Ronnie Brann said that he feels that it is time for the Town to have a credit card. Ray said that he thought we had looked into this at one time. Theresa said that she will call KSB to see about having a $1,000 credit amount and have it come right out of our checking account.

Chairman Ray Bates adjourned the meeting at 7:42 p.m.

These minutes were approved by the Board of Selectmen on ______________ with the following amendments: ____________.

The next regular Board of Selectmen’s Meeting will be on January 29, 2013 at 6:00 p.m. at the Town Hall.

MINUTES OF THE BOARD OF SELECTMEN’S MEETING  
JANUARY 29, 2013  
WINDSOR TOWN OFFICE

Note: These minutes may not be considered an official public record until such time as they are read and accepted by the Board of Selectmen Members.

Public Attending: Tom Reed, Beth Choate, Tom Squiers, Bonnie Squiers and Bill Appel.

Employees Attending: Theresa Haskell, (Town Manager) came in at 6:09 p.m., Tim Coston (Transfer Station Attendant and Backup ACO) and Debbie French (Secretary to the Board).

Ray Bates called the meeting to order at 6:02 p.m. with the Pledge of Allegiance.

Previous Meeting Minutes:
Rick Gray, Jr. made a motion to approve the Minutes dated 1-15-13 as read seconded by Dan Gordon, and approved 4-0-0.

Public Comment:

a) Ray asked Bonnie Squiers if she was here for AOS --- yes, she would like to see more of the money that we pay go to the education of the kids. Theresa said that Palermo is looking to pull out and they might be willing to go AOS with us as you have to have 3 schools to form one. China is also looking to get out of the RSU system. Ray said that he went to a couple of meetings with China and at that time they were wondering if we would be interested to going with them. They can come in as a group requesting money to research this out and then it can be put in the Town Warrant for the citizens to approve. If the townspeople were willing then they would have a clear way to go ahead with it. Blake Brown is a contact person for the Town of Palermo. The money would be for legal fees for the different steps needed to go through with all of it. It would take a 66% vote from the townspeople to pull out of the RSU. Ray said that this would be a 1.5 – 2-year process. Beth asked if they should officially start a committee in order to approach the Town for the funding. Theresa gave Bonnie the numbers for Blake Brown and the China Town Office. Theresa said that she has to get a budget for next year and has no figures from the RSU as to what we need to pay them. There will be a concerned citizens meeting regarding the school situation on Thursday, February 7th at 6:00 p.m. at the Town Hall.

Public Works:

a) Keith isn’t here because he was out last night and will be out tonight sanding.
b) The Board asked how we were doing overtime wise … Theresa said it’s hard to tell, but Keith tries to give his time out to part-timers. There was a problem with the spinner on the sander on truck #3 and Keith had to take it back to Topsham.
c) Keith contacted the city of Augusta regarding the flags on telephone poles and was told that they have a Rec. Department that takes care of that.
Transfer Station:

a) Tim said that the new can has been good other than a slow start when pulling it out.

b) Ray asked him if they have been using the trap doors that they put in to have a clear observation. Tim said that he did and that’s when he noticed that the new can had a hard time getting started out whether or not from a heavy load or if it was starting to freeze.

c) Debbie had a spreadsheet showing the comparison of last year and this year’s trash tipping and transporting fees.

Consideration of Payment Warrants #32 & #33: Ronnie Brann made a motion to approve warrants #32 & #33 seconded by Jonathan Adams and approved 5-0-0.

Old Business: None.

New Business: None.

Town Manager’s Items:

a) **Budget Timeline:** The Board will be meeting every other Tuesday nights for Budget Prep and the Budget Committee will be meeting every other Tuesday night in March opposite the Board of Selectmen’s Meetings for the budget prep. Theresa will not have WVFD and Rescue come in until the second meeting. Theresa will be sending out the schedules to the Budget Committee this week so they can attend the BOS budget prep meetings if they would like, as it may help them with their part.

b) **Town Credit Card:** Theresa has talked with KSB and she suggested a separate account with a debit card on that with a limit of $1,000.00. Theresa is recommending that Sarah, Debbie and herself be put on as the signers on the card. **Ronnie Brann made a motion to open a separate account with a $1,000 limit with a debit card with Sarah, Debbie & Theresa as the users seconded by Jonathan Adams and approved 5-0-0.**

c) **Sympathy Card:** Leo Murphy’s wife passed away and Theresa had a card for the Board to sign.

d) **Excise Tax on Big trucks:** The Town receives $2713.40 on excise right now and will no longer be getting that if the Governor’s proposals go through.

e) **Water Testing:** The water test for the Town came back as good. Tom Reed suggested having the spigot raised higher. Theresa asked the Board how they felt and they think that it is fine as is.

f) **Complete Map of the Town Roads by John O’Donnell:** Theresa had John O’Donnell create a map that shows all the roads on one map. She had 4 copies made and will be having 2 copies laminated at the cost of $36.00 each at Minute Man Signs. Theresa will be doing a color scheme on the map in her office on each road showing what and when road work was done on each road.

g) **2012 Audit:** This audit showed that the town is in good fiscal condition.

h) **Town Manager Workshop:** March 1, 2013 there will be a workshop for Town Managers in Bangor at the cost of $30.00 for first time attendees. The Board feels that Theresa should attend this.

Selectmen’s Items:

a) Ronnie Brann asked about the IRS issues. Theresa said that they told her that if she did not get a letter back from them within the next three weeks then all is good.

b) Ray Bates asked Theresa to provide him with a way to get hold of Lori Fowle because he heard that she doesn’t know anything about our rodent control problem. Ray left her a very detailed message and is waiting to hear back from her. He is wondering if she is willing to do anything on the legislative side.

c) Theresa heard from Keel Kempler from Inland Fisheries and Wildlife. Asking for a meeting regarding what we plan on doing in the spring regarding the rat situation. Theresa wanted to know if any of the Board would like to be in that meeting.
d) Ray said that it is the responsibility of the Board to do an evaluation/review of the Town Manager. He would like to get started right away on this. Ray would like each member to write down their thoughts at home and get back to him on it. Dan Gordon asked if there is a job description for Town Manager. Theresa found one but she was never given one to sign.

**Chairman Ray Bates adjourned the meeting at 8:04 p.m.**

These minutes were approved by the Board of Selectmen on 2-12-13 with the following amendments: changing “if” to “of” under Public Works section C.

Employees Attending: Theresa Haskell, (Town Manager) arrived at 7:30 p.m., Keith Hall (Road Supervisor), Tim Coston (Transfer Station Attendant and Backup ACO) and Debbie French (Secretary to the Board).

Previous Meeting Minutes:
Ronnie Brann made a motion to approve the Minutes dated 1-29-13 with the correction of typo error “if” instead of “of” under Public Works Section C seconded by Dan Gordon, and approved 3-0-0.

Public Comment:
a) Concerned Citizens Groups: Beth Choate said that they have dropped off a few petition sheets at local businesses for signatures to get out of the RSU #12. Bonnie Squiers got quite a few signatures at the Sleigh Rally and she also stood outside of Hussey’s collecting signatures. These signatures are needed to enable the Board to put this proposal on the Town Warrant. Ray said there will be a cost but we do not have to “buy” the school back. He also said that there needs to be information with the petition sheets so people will understand exactly what they would be signing. There needs to be a 4-member panel made up from a school board member, a town official, a town citizen and a member of the Concerned Citizens Committee. There was much discussion regarding all the ins and outs of this process.

Public Works:
a) Keith said that they did not have any breakdowns during the big storm. Wind was a huge problem with white-out conditions. He added that their windshields kept freezing up which was very bothersome.
b) Keith said they were having problems with the private plow drivers pushing snow across the road and causing Public Works to have to go back and clean out the road again.
c) Jonathan said that if someone has a problem with the way the Public Works Department is plowing they need to come to a Board of Selectmen’s Meeting and make their complaints there. Rick said that he was very happy with the job they did.
d) Mary Ellen Peaslee thinks that we ask too much of our crew and said that she is very grateful for the wonderful job that they have been doing.
e) There was a mishap at the Fire Station plowing snow when Keith backed into the corner of the building.

Transfer Station:
a) Theresa had updated Transfer Station Figures that she had Ray pass out to the Board Members to review.
Animal Control:
a) Theresa received an email from Keel Kemper from Inland Fisheries and Wildlife saying that he is recommending that the Town purchase two (2) live traps for a cost of $350.00 to have in the spring with the rat situation. There are at least 100 rats in the person’s backyard and a good portion of them probably are pregnant. a) Theresa received a letter from the IRS showing that we do not owe the $84,844.09 fine for the 2009 W-2 copies (which they “found”).
b) Debbie missed the motion at the end of the last meeting, so the Board did the motion again. Ronnie Brann made a motion to authorize Theresa to sign the Simplex Grinnell Contract for the Platinum Plan on the alarm system and monitoring and on the Platinum Plan for the fire extinguishers for a combined cost of $1,708.00 seconded by Jonathan Adams and approved 5-0-0.
c) Ray said that at the last meeting it was discussed whether or not to continue the policy to set aside the money for the part time worker to have insurance which they would have to pay 50% of. That employee cannot afford to do that at the rate/hours he works. All other benefits for that employee would be unchanged. Dan Gordon made a motion to remove the sentence on page 28 of the Employee Manual regarding the funding for insurance for part-time employees who consistently work 24-31 hours seconded by Richard Gray, Jr. and approved 5-0-0.
d) Representative Lori Fowle and Senator Chris Johnson will be having a meeting here for the town officials and Windsor residents regarding the Governor’s Proposals for the budget cuts and how they would/could affect the town on March 6, 2013 at 6:00 p.m. here at the Town Hall.

These minutes were approved by the Board of Selectmen on 2-26-13 with the following amendments: None.

Ray said the next step is written by law to have a Public Hearing to then be able to put this on the Town Warrant. The law states to have a “Special” election. Ray asked Beth Choate if her mother, Bonnie Squiers, has looked into how to do this and Beth said she didn’t know.
b) Cemetery Mowing: Geoffrey Monteith of A J mowing and Repair came in with a bid on the mowing of cemeteries. He said that he does the cemeteries for the Town of Whitefield. He believes he is about $4,000.00 under the current person who is doing the mowing. He has a crew of five (5) with extra equipment. He told the Board that they clean off all the stones during the process. He mows every week during the season. MINUTES OF THE BOARD OF SELECTMEN’S MEETING
MARCH 12, 2013
WINDSOR TOWN OFFICE

Note: These minutes may not be considered an official public record until such time as they are read and accepted by the Board of Selectmen Members.

Public Attending: Ronnie Simbari of ASMG, Carol Chavarie, Tom Reed, Pete Kelly, Jamie Ward of ASMG, Garrett Grant, Mary Dee Grant, Beth Choate, Bonnie Squiers, Tom Squiers, Bill Appel and Jerry Nault.

Employees Attending: Theresa Haskell, (Town Manager), Keith Hall (Road Supervisor), Tim Coston (Transfer Station Attendant and Backup ACO) and Debbie French (Secretary to the Board).

Ray Bates called the meeting to order at 6:02 p.m. with the Pledge of Allegiance.

Previous Meeting Minutes:
Rick Gray, Jr. made a motion to approve the Minutes dated 2-26-13 as read seconded by Dan Gordon and approved 5-0-0.

Public Comment:

a) **F. Gerard Nault Finance Chairman of the RSU # 12 Board:** Jerry said the RSU # 12 Board is in budget deliberations for the coming year and the final meeting should be in early April. Jerry said that there are some changes one being the initiative to have social workers as opposed to guidance counselors due to school violence increasing dramatically due mostly to family situations in their homes which social workers can deal with better. The Governor’s budget will mean big changes - $161,079 (net decrease) in addition to another decrease. He said there doesn’t appear to be a dramatic change in the costs to the towns. They have had a budget freeze for the last 2-3 months in all the schools. There will be a board meeting in April/May for the towns to have an input.

b) **Jamie Ward – Auburn Asphalt Paving Plant and Ronnie Simbari Director of Marketing – All States Material Group** came and had a power point presentation regarding the Auburn Asphalt Paving Plant. Ronnie Simbari said that they are customer focused, do excellent work and stand behind their work. They are approved in the state of Maine to do highway work. The plant would need to start operations by 4:30 - 5:00 a.m. for a job that starts at 7:00 a.m. and would probably be shutting down by 4:00 p.m.

Public Works:

a) Put gravel on the Reed Road.
b) Still have plenty of sand and salt.
c) Had a few repairs on the backhoe, but was able to use Berry Dow’s.
d) Patching roads this week.
e) Truck #2 is at McGee’s to replace a steering box and will eventually need a rear main seal and clutch which will bring this truck over budget.
f) Top of Windsor Neck Road has been dug up some. Keith said that he should be able to fix it with some hot mix.
Transfer Station:

a) **Monthly Figures:** The Transfer Station totals year-to-date are down from last year by $4,356.93. This is due mostly to the fact that more people are recycling and paying less for their disposals.

Public Comment: Tom Reed said the students at Erskine Academy need community service and he would like to find out how to get some kids help with Rest Haven for recording the
inventory of the lots as community service. Theresa said she knows that as of July 1st, 2013 any 8th grader going into 9th can earn credits for community service. Theresa said she would make a few phone calls. Tom said he met the guy that works at St. George’s Transfer Station and he has invited the Town of Windsor’s Board of Selectmen to come and look at it, so Tom was wondering if anyone is interested in going, if so, we should give them a call and let them know when we could go.

Public Works:
- Keith said he has had a lot of running around today.
- They did finish ditching and culverts on the Barton Road from Weeks Mills Road end to the Jones Road.
- Tomorrow and Thursday they will be headed up to the other end of the Barton Road to do more ditching and culverts but Keith is taking the next two days off. He has Ray, Tim and Marvin working.
- Keith said next Monday he will be looking to go to the Weeks Mills Road to replace culverts.
- The price on doing the two culverts on the Maxcy’s Mills Road from Shaw Brothers was $9,546.00 which is at least two times the amount of what the Town can do this for. Keith has talked with Marvin about getting this done and he said we could do this within the next two weeks.
- Keith said he has had some people ask about grading the Reed Road and the Piper Road. Keith said he will have someone do the Reed Road but he will be doing the Piper Road himself. Ray Bates said there are some pot holes on the end of the Legion Park Road. Keith said he did some patching last week on Tuesday but still needs to do some more. He said he will be getting to the rest of what needs to be done as soon as he can.
- Ray Bates asked about where he plans on doing brush cutting. Keith said he has some on the Barton Road, Choate Road, Hunts Meadow Road and where needed.
- Keith said he will need a culvert on the Wingood Road up by Blake Demerchant’s that still needs to be done.
- Rick Gray asked about the sand bill and Keith said we have the sand shed filled already for next winter.
- Rick asked Keith how the snowplow contractor worked out. Keith said “The driver was very good about getting here and that there was very little equipment issues”. The Board of Selectmen commented that the snow plow contracting has really proven to be good for the Town.

Transfer Station:
- Tim said we finally got the Trash Trailer Container back and fixed. The first can we had the binders didn’t fit and now they have straightened it out and welded the seam so now we have double steel. It did take a phone call from one of the Board of Selectmen to make this happen. Tom Reed asked if we were going to get a bill from this. Theresa said this should have been done in the first place so if we get a bill we will definitely have a discussion.
- Tim did cut down the bamboo down back. Ray asked if we have anything to spray to get rid of this. Tim said he has some round-up left and he plans on using this again.
- Tim said he is planning on picking up the metal down back within the next week and he will have to move the metal culverts before he does this.

B. Town Meeting – The Town Meeting had 34 people that attended and passed the budget. Ray said that the only thing that was different on the budget was the difference between what the Board of Selectmen voted in on the Outside Agencies compared to what the Budget Committee had voted for. The Budget Committee amount was less and this is what was approved. The overall increase for the School side of the budget was $1.68 and the Town side of the mil rate was $0.21. The finalization of the budget ended putting the Town of Windsor’s mil rate to be $1.00 more than last year which includes the School, Town and County at the time of the Town Meeting. The School’s budget is not finalized at this time. Ray said the appropriations committee has included in the EPS formula money to cover the retirement of the teachers for at least one year. So if it is vetoed then it can change again.

Public Comment: Tom Reed said he went to the Planning Board Meeting last night and he told the Planning Board Members that he will not be looking to renew his appointment as a Planning

Over the past few years it has been more than what we have projected and just goes over in our Unassigned Fund Balance or be taken away from our Unassigned Fund Balance.

B. Corey from Lane Construction – He said he will be looking to fix the Griffin Road and Wingood Road base pavement in the areas of mix that looks bad. He is hoping to have this done by the end of July by cutting some of the butt joints and overlaying some areas which included a 1,200’ and 500’ piece of road. Public Attending: Tom Reed, Diane Kelley and Gary Singer. Bill Appel arrived at 6:17 p.m.

Previous Meeting Minutes: Dan Gordon made a motion to accept the minutes dated July 2, 2013 as written with the change of when the next Board of Selectmen’s meeting should be the 16th of July and not the 14th of July, seconded by Rick Gray Jr. and approved 4-0-0.

Public Comment: Gary Singer just moved here in October and lives on the Hunts Meadow Road and he said last month there was an accident in front of his house and another one in the past week and he wants to know what the Town is willing to do about this. He has asked the state to meet with him on July 23, 2013. The Board of Selectmen said they would like to see what D.O.T. has to say about this.

Dianne Kelley at 74 Erskine Road said she walks this road with her dog and there is poison ivy on both sides of the road and when a car comes she has to go into it. What can the town do about poison ivy? Theresa said we can check into what the State and D.O.T. does and see what the cost is and possibly putting something in the budget for next year. Keith said he will call Greg to see what they do.

Public Works:
- Keith said everything is completed and we are ready for paving. Ray asked if there has been any contact with Lane Construction. Keith said Lane Construction is looking to see when Pike Industries will be starting. Theresa said Pike Industries said they are wondering when they will be receiving an award letter. Theresa said they are looking for an award letter which she has mailed out to them. They are indicating they are tight on schedule and are looking at the end of August.
- Maxcy’s Mills Road cross culverts will be paved tomorrow. The cost of paving these culverts was originally $1,700.00 but if we dig out the dirt they will bring the price down to $1,200.00. B & S Paving will be doing the work. The Board of Selectmen agreed to have this done by B & S Paving and have Keith dig out the dirt.
Keith said he has graveled the Wingood Road where we will be paving, put reclaim down on the Doyle Road and patched the holes, cold patched in other areas and put gravel on the Reed Road. Today they put some reclaim on the Reed Road on the Route 105 end. Keith also put a 45 m.p.h. speed limit sign on the Twenty Rod Road. Keith said we need to know when the Roadside Mowing will be done. Theresa said Rick Drew sent over a proposal of doing two roadside mowing’s for a total of $2,240.00. Ray Bates made a motion to amend our mowing contract to allow for a second mowing and to have the second mowing around the middle of October, seconded by Dan Gordon and approved 4-0-0. Keith said he is willing to mow the cap at $45.00 an hour. This is less then state rates. Ronnie Brann made a motion to pay Keith Hall to mow the cap at $45.00 an hour, seconded by Rick Gray and approved 4-0-0.

Transfer Station:
- Tim is not here but and he told Theresa that everything is running fine.
- Tim mentioned to Theresa that the weed whacker is missing. Tim said he was going to check to see what the cost is for an attachment to the Public Works one. Keith believes we may have another one and he will check into it.

Theresa said she received an Animal Control Officer call on Sunday, July 14th, 2013 and no one could get a hold of Corey. He then called her on Monday morning and said he resigned.    b) Ray went to Palermo’s Withdrawal Committee which met with the RSU #12’s Withdrawal Committee. He said that they settled one important thing … the last 3 years amount of what Palermo has paid in and averaged that number which was 9.28%. They will be using the same formula for us when we get to that point. Ray said that if RSU #12 has to take out a loan to fix any school building then all the schools are stuck with paying their percentage until that loan is paid off or they are completely out of the RSU #12. Rick asked if Wiscasset has come any further in their withdrawal process and Ray said that they will be trying to vote on it in November.
   c) There was much discussion over many situations and/or possible situations involving the RSU #12.

MINUTES OF THE BOARD OF SELECTMEN’S MEETING
AUGUST 13, 2013
WINDSOR TOWN OFFICE

Note: These minutes may not be considered an official public record until such time as they are read and accepted by the Board of Selectmen Members.

Public Attending: Tom Reed, Carol Chavarie and Mark Parlin.

Employees Attending: Theresa Haskell, (Town Manager), Keith Hall (Road Supervisor), Tim Coston (Transfer Station Attendant and Backup ACO) and Debbie French (Secretary to the BOS).

Ray Bates called the meeting to order at 6:05 p.m. with the Pledge of Allegiance.

Previous Meeting Minutes:
Ronnie Brann made a motion to approve the Minutes dated from 7-16-13 and the Minutes dated 7-30-13 as written seconded by Dan Gordon and approved 5-0-0.

Public Comment: None.

Public Works:
a) Pike is a couple of weeks behind so Keith had to go fill some potholes.
b) Cutting brush on Shuman Road.
c) Signs are up on Hunts Meadow Road following the complaint. This is a suggested speed for that corner.
d) Cap has been mowed.
e) Went to a Maine Local Roads class today.
f) Will be working on chipping when we have access to a chipper.
g) Had a complaint about big trucks going much faster than the 35 mph on Ridge Road so the police will be monitoring the road for a while.
h) Theresa had the design for the PW addition and she, Keith and the BOS went over it. There was much discussion. Keith is concerned about being able to lock up the gas/diesel powered tools with the proper ventilation. CEO Arthur Strout was asked to look over the design regarding the storage of these power tools. Arthur does not recommend having the storage area for the power tools in the office. He also recommends that the storage room be fireproofed and just be a cold storage room.
i) Jonathan said that he would like to have some hooks on the side of the trucks to hang the chains on, that way they will be readily available when needed.

Transfer Station:
a) Monthly Figures: First month into the year we are a negative $193.40 from last year. Tim said that this reflects all the new plastics that we now recycle.
b) Ronnie Brann made a motion to purchase two compactors at a cost of $26,650.00 seconded by Dan Gordon and approved 5-0-0. Theresa sent an email and ordered them when the motion passed. Ray said that the electrician said that we will need a 400 amp service. There was also discussion on the electric gate. Ronnie thinks that we should get it ordered and then when the electrician is ready we will be all set to go.
c) Theresa spoke with Waste Management regarding the wood and they will take care of it at $55.00 per ton which the person bringing in the wood will be paying. There cannot be any pressure treated wood mixed in with the wood pile. This would take the place of Tim burning the wood pile. They will be contacting Theresa on the ash and how to get rid of it and what it entails.

Consideration of Payment Warrants #7 & #8: Jonathan Adams made a motion to approve warrants #7 & #8 seconded by Rick Gray, Jr. and approved 5-0-0.

Old Business: None.

New Business: None.

Town Manager’s Items:
   a) **RSU #12 Budget Validation Referendum Warrant:** Theresa has a warrant from the RSU that needs to be signed. Ronnie Brann made a motion to sign the RSU #12 Budget Validation Referendum Warrant seconded by Rick Gray, Jr. and approved 4-0-1. Ray Bates abstained because he does not approve the RSU # 12 Proposed Budget. The four selectmen signing each vowed that they are signing of their own free will.
   b) **Maine Municipal Association (MMA) Convention:** October 2 & 3 in the past we have closed on Thursdays for the training and awards ceremony. Ray Bates made a motion to approve the closing of the office on Thursday, October 3rd for the staff to attend the MMA Convention seconded by Ronnie Brann and approved 5-0-0. Theresa told the BOS that there is a RSU Withdrawal Workshop at the convention that she will be attending and would also like Tom Squiers to attend. Ray Bates made a motion to approve sending Tom Squiers to the workshop at the MMA Convention regarding RSU withdrawals seconded by Ronnie Brann and approved 5-0-0.
   c) **The Town Hub:** Theresa read the informational letters to be put on the web page’s “The Town Hub” which is a place for the BOS to keep the towns people informed of current issues.
   d) **Greeley memorial stone:** There has been a request to place a memorial stone and park bench in memory of Rance Greeley, who was a Selectman for many years during his life. Theresa said she can have these people come to the next BOS Meeting if the BOS would like. She will contact them to come.
   e) **Roofing Refund:** Theresa said we received a refund from Mitchell’s Roofing in the amount of $325.00 because there was one part of the roof that they did not have to do.
   f) **Town-owned Properties:** We still have two trailers – one on Barton Road which people are still living in and we are paying the insurance on it while they pay nothing. An eviction will have to be done. The other one is located on Ridge Road and to our knowledge it is empty. Ronnie suggested that it just be dismantled and hauled away. A third property is still in bankruptcy and is land only.
   g) **Bank of Maine CD Rates compared to Kennebec Savings 9-13-13:** The Bank of Maine came and met with Theresa and would like to get some of our business. They told her that they can do better rates on the CD’s (Certificate of Deposits) and that they could combine them and give us a spreadsheet indicating how much interest each account would earn.
   h) **Salt Prices:** Theresa did some research on salt prices over the years. Over the last five years we are a little bit ahead with a good product compared to being with KVCOG. Going with KVCOG would mean we would get who they choose and not being able to choose who we want. Theresa said that International Salt has been very good to us both price wise and product quality.
   i) **Windsor Neck Cemetery & North Windsor Baptist Church Cemetery – Poison Ivy around fences:** There was much discussion regarding ways to kill the poison ivy and how to repair or remove the fencing that is decaying. Theresa said that Dick Pooler said that he was interested in working on this. Also, Rick Gray said that he has a couple of scouts who are working to earn their Eagle Scout Badge.
who might be able to do take care of the fencing issue as a project. Rick Gray, Jr. and Theresa will meet with Dick Pooler at the Cemetery Committee Meeting.

b) Theresa handed out the 2012/2013 Yearly Budget Figures.
c) Theresa said we will need to move to the ACO/Enforcement of $313.89. Theresa suggested we take this out of the Public Safety. Ray Bates made a motion to move $313.89 from the Public Safety Cost Center to the ACO/Enforcement Cost Center, seconded by Ronnie Brann and approved 3-0-0.
d) The compactors have been ordered. B. M. Clark said it will be around 3 ½ weeks on the canister.

Note: These minutes may not be considered an official public record until such time as they are read and accepted by the Board of Selectmen Members.

Employee’s Attending: Theresa Haskell, (Town Manager), Keith Hall (Road Supervisor) and Tim Coston (Transfer Station Attendant and Backup ACO).

Public Attending: Tom Reed and Sidney Little. Bill Appel arrived at 6:17 p.m. Ray and Carol Chavarie arrived at 6:18 p.m. Carolyn Perry arrived at 7:13 p.m.

Ray Bates called the Board of Selectmen’s Meeting to order at 6:00 p.m. with the Pledge of Allegiance.

Previous Meeting Minutes: Ronnie Brann made a motion to accept the minutes dated, August 27, 2013 as written, seconded by Jonathan Adams and approved 3-0-2. Rick Gray Jr. and Dan Gordon abstained because they weren’t at the meeting.

Public Comment: Sidney Little is interested in the Animal Control Officer position. He has experience with animals. He said he wanted to meet the Board of Selectmen and introduce himself.

Leon Bucher from the Inland Fisheries and Wildlife was here on behalf of the Inland Fisheries and Wildlife to discuss the public access site located between Greeley Road and Savade Pond. At the existing access site IF&W is proposing to develop a hand carry sight. They want to go in to the right where there is a skid trail now which will allow them to stay up on the high and dry area. Dr. Greeley has asked for a Memorial stone. IF&W will put a rock bench there. Dr. Greeley is asking to have a picnic table and trash container at the site. IF&W can’t do this and is looking to see if the town has any interest in providing and entertaining doing this. Ronnie Brann said that he goes to the Alagash and they have a “carry in” and “carry out” process for trash. Ronnie said he doesn’t have a problem with a picnic table. The Board of Selectmen said the ability to take on this task would be very hard to do for the future and the Town doesn’t have the resources to fulfill this request. Carolyn Perry said maybe the Boy Scouts might be interested in building the picnic table and maybe go once a month to pick up the trash. Jonathan said this won’t happen and for us to do this would be very difficult to do on a weekly basis. Rick Gray said the Boy Scouts could build a picnic table. Leon said when IF&W has a boat launch site we may need to control the site with visits and possibly mowing and trimming. Sometimes towns are interested in partnering with IF&W to keep this looking nice with some sort of percentage paid by the town. IF&W is looking to support hand carry boats.

Public Works: Keith said Pike will be coming back the week of September 23rd to finish grinding the Barton Road and Sampson Road and hopefully put the base down on all of the roads
that were ground and also hope to surface the Griffin Road. Keith said they do four trips down and back which is one more than the rest of the companies. They have changed at least 400 teeth on the grinder. Keith said they are a good crew to work with. Keith said we had put over 700 yards on the Choate Road. They have 6 hours of grading with 5 hours on the Choate Road and 1 hour on the Weeks Mills Road. Keith said he may start digging this week to get the gravel ready for the addition to the Public Works Garage. Keith said he may need to put a road in from the top so they can get in there. Keith said Marvin has his excavator and he could do this faster than Keith could. The Board agreed with this.

Theresa handed out the RFP for the Public Works Addition 20’ X 24’ and the Board looked it over and made corrections. Theresa said we will send out the packets to 4 different contractors to see if they are interested in bidding.

**Transfer Station:** Tim said he will hopefully burn the wood pile tomorrow night. Grimmell’s is scheduled to pick the metal can up within the next couple of days. We are going at least two weeks of transportation on the Municipal Solid Waste. Tim asked if we are looking to insulate the recycling building. Tom Reed suggested off to one side maybe we can put a small area that can be heated. The Board said they will play it by ear. Angela asked about putting the address and phone number on the Recycling Center Fee Schedule. Rick said he wouldn’t have the phone number on it but he is o.k. with the location. The Board agreed to have the address and not the phone number.

Theresa handed out the Monthly figures at the Transfer Station. We are down $1,243.65 from this same time last year.

**Consideration of Payment Warrants:** Jonathan Adams made a motion to approve Warrants #11 & #12, seconded by Rick Gray and approved 5-0-0.

**Old Business:** None.

**New Business:** None.

**Town Manager’s Items:**

A. Spirit of America Awards. The Board of Selectmen presented Ray Chavarie and Carol Chavarie the Spirit of America Award for the many years they have donated their time to the Town of Windsor.

B. MMA Workers Compensation and Property & Casualty Pool – Dividend back of $1,821.00. The Board of Selectmen asked to have the Press Release put on the Town HUB.

C. Tim said he went down and looked at the Town owned trailer and he talked with the land owner about burning the debris. Tim said he would suggest we put a dumpster there instead of hauling this down to the Transfer Station. Tim said this would take multiple trips to do. Ronnie said we could put a 40 or 50 yard trailer and have it hauled off. Tim said if the Board will approve it he may be able to do this weekend. Tim said he is willing to do this job for the trade of the old Trash Trailer. He said he would have to cut the trailer up where it is. **Ray Bates made a motion to completely tear down the trailer located at 579 Ridge Road, Windsor Maine with the cleanup to satisfy the land owner within a month for the trade of the Trash Trailer located at the Transfer Station and completely dismantle the Trash Trailer and remove with the cleanup to satisfy the Town Manager within a**
reasonable time as determined by the Town Manager. The Town of Windsor will be responsible for the cost of the dumpster and the demo located at the 579 Ridge Road, Windsor, Maine. This motion was seconded by Ronnie Brann and approved 5-0-0.

D. Employee Manual – The Board of Selectmen and the Town Manager discussed the Paid Time Off accrual. Theresa said the Employee Manual indicates that the Paid Time Off is accrued each pay period rather than at the beginning of the fiscal year. It also indicates that the employee doesn’t earn any Paid Time Off until after the first year worked. There was much discussion and Theresa will write up something for the Board to look at.

E. Jonathan made a motion to approve moving the NSF Check Charge from $22.00 to $25.00 seconded by Rick Gray and approved 5-0-0.

F. KVCOG – Theresa received a post card from Rosie at K.V.C.O.G. thanking her for meeting with her and she was amazed by the many duties that Theresa performs and that the Town of Windsor is fortunate to have her steering the ship.

Selectmen’s Items: Ray handed out an email he received indicating that it appears that the RSU was in error in approving the issuance of bonds. It also appears the bond bank lawyer has no knowledge of the law as it relates to his job. Since no referendum was held by the RSU for the approval of the new Chelsea School Bond, except in Chelsea, then it appears that Chelsea could hold the debt all alone.

MMA is looking for the Town of Windsor to nominate two people from the Town for the MMA Voting Delegate Credentials. Ray Bates made a motion to nominate Theresa Haskell and Sara Cunningham, seconded by Rick Gray and 5-0-0.

Ray Bates declared this meeting adjourned at 9:39 p.m.

The next regular Board of Selectmen’s Meeting will be on September 24, 2013 at 6:00 p.m.

These minutes were approved by the Board of Selectmen on September 24, 2013 with the following amendments None.

MINUTES OF SPECIAL SELECTMEN’S MEETING
SEPTEMBER 11, 2013
WINDSOR TOWN OFFICE

Note: These minutes may not be considered an official public record until such time as they are read and accepted by the Board of Selectmen Members.

Members present: Ray Bates, Dan Gordon and Ronnie Brann. Rick Gray Jr. arrived at 6:07 p.m. and Jonathan Adams was absent.

Employee’s Attending: Theresa Haskell, (Town Manager).

Public Attending: Tom Reed and Dick Avery.

Ray Bates called the Special Board of Selectmen’s Meeting to order at 6:04 p.m. with the Pledge of Allegiance.

Public Comment: Dick Avery said the vinyl jam door comes as a package compared to solid steel door that will need to be painted and we will need to buy a threshold, weather strip and door sweep.

Commitment of 2014 Real Estate Taxes: Ronnie Brann made a motion to recess as Board of Selectmen and convene as Board of Assessors at 6:12 p.m., seconded by Dan Gordon and approved 4-0-0. Vern said after the school meeting we had in June, the increase for the Town of Windsor will go up over the next four years with the same increment. The original proposed budget was around a one mil increase. The budget passed yesterday by 20 votes. This lowered Windsor’s share by approximately $50,000.00 by what we received from the state. With all the extra value what you have in front of you are two different tax rate calculations. One would be 13.1 and the other is at 13.2 mil rate. We could have an overlay up to $139,134.00 but the proposed amounts would be either $82,168.42 at the 13.2 mil rate or $60,465.01 at the 13.1 mil rate. It is up to you if you would like to see any other scenarios. Ronnie said he is o.k. with the 13.2 mil rate with an $82,168 overlay because we may need this to help with next year. Rick agreed and said we still may need some road projects done. Ronnie Brann made a motion to have the Real Estate Tax Rate to be 13.2 mils on a total taxable valuation of $213,579,900.00 and to sign the commitment papers as prepared by the Assessor’s Agent, seconded by Rick Gray and approved 4-0-0. Ronnie Brann made a motion to adjourn as Board of Assessors and reconvene as Board of Selectmen at 6:45 p.m., seconded by Dan Gordon and approved 4-0-0.

Selectmen’s Items: Ray Bates said he would like the Board of Selectmen to look at the insert that would be put within the tax bills. The Board of Selectmen suggested just having this:

“LOOK FOR MONTHLY NEWS ON THE TOWN’S WEBSITE INCLUDING “THE HUB” AT www.windsor.maine.gov!!”
Ray Bates declared this meeting adjourned at 7:12 p.m.

The next regular Board of Selectmen’s Meeting will be on September 24, 2013 at 6:00 p.m.

These minutes were approved by the Board of Selectmen on September 24, 2013 with the following amendments Correcting dollar amount on page 1 under Commitment of 2014 Real Estate Taxes.

b) Ronnie said that the grinder was broken down the other day. Ray said that they were supposed to start grinding the Barton Road tomorrow but doesn’t know if that still holds now.

c) Ray said that the paving crew has been held up another week.

d) Theresa and Keith met on the Maxcys Mill Road with Rick from ETTI regarding the gas pipeline sections of pavement they did. There have been a few complaints regarding the paving they did across the road as it has dipped in. Also, Theresa said there are a few areas that they paved on the side of the road that have also dipped in. Theresa and Keith painted the areas that they would like to be fixed.

e) Theresa said we are probably two years out from having the Maxcys Mill Road completed (after CMP work). Theresa said she would be contacting them to see what they will do to help us fix this road as when they are nearing the completion. She also said that will have before and after videos of the road.

f) Theresa told the BOS that the Choate Road took a lot of gravel which was an additional cost so the Road Maintenance line might be up this year as the Barton Road and the Sampson Road will also need gravel hauled in.
Transfer Station:

a) Tim burned the wood pile and cleaned up all around it. Theresa & Tim will see about getting the ash tested.
b) Tim said that they had talked about the lights being turned and temp power with Dan Finley. Tim asked him about getting power hooked up in the other building now. Dan was actually in the CEO’s office and came out and talked with them about it. Dan said that he would get Theresa a price to do this, but, he would recommend that we dig the ditch from the Transfer Station building to the new building and put pipe in that would be enough to cover a 200 amp service. He asked Tim what the distance is from and Tim told him it is exactly 200 feet from the steps of the Transfer Station Building to the new building, not including the running down to the electrical panel and to the new service that will be in the new building. Dan told the BOS that this is good because if it was over 250 feet, it would require a larger wire.

Consideration of Payment Warrants # 13 & # 14:
Ronnie Brann made a motion to approve warrants # 13 & # 14 seconded by Dan Gordon and approved 4-0-0.

Old Business: None.

New Business: None.

Town Manager’s Items:

a) Tim reported that the truck which was hauling the dumpster for the demolition of a Town-owned trailer on a private citizen’s property got stuck in that driveway, so the dumpster is sitting back at the Transfer Station. One of the BOS Members asked it this could be considered a controlled burn for the Volunteer Fire Department to do. Fire Chief Arthur Strout came into the meeting and said that for a controlled burn the Town would have to give Arthur a letter saying that the WVFD would be held harmless. The BOS decided that this would not work after all as the trailer is owned by the Town but the land is owned by a private citizen.

b) Theresa has a check from the State of Maine regarding the Federal Court Trial that she had to attend for the Town and wants to know if this falls under the Jury Duty policy in the Employee Manual. She also reported that she did not charge the Town for mileage for this trial and that Keith Hall will also have the same situation. Ronnie Brann removed himself from discussion on this matter for personal reasons. Ray Bates made a motion that Theresa Haskell and Keith Hall keep the checks regarding the Federal Court Trial that they are attending on the Town’s behalf, seconded by Rick Gray and approved 3-0-1 with Ronnie Brann abstaining for personal reasons.

c) Town Hall Generator Bid Proposals: Theresa passed out the RFP form she created for approval. There was much discussion and this was put on hold for the BOS to look into this further.

d) Burgess Computer Contract: Theresa handed out a new Burgess Computer contract regarding the “BizGuard” Municipal Managed Services. Service Level Agreement Contract for our computer service contract with the same rates as last year. The BOS asked Theresa if she is happy with them and she said that it has been working okay and that at this time she would like to continue with them. Ronnie Brann made a motion to approve Theresa signing the Burgess Computer Contract seconded by Rick Gray, Jr. and approved 4-0-0.

e) Theresa gave the BOS members a quote of $9,800.00 from A& B Welding (formerly BM Clark) for a new 50 yard (heavy duty) compaction body for the Transfer Station. Theresa told the BOS that we paid $7,900.00 for the same thing last year, but the price of steel has increased greatly. Ronnie Brann said that these containers are heavy duty and if we purchased them from another company, they would be out
of state and it would cost us even more. Much discussion. Theresa said that they are Ray Bates made a motion to accept the proposal from A&B Welding in the amount of $9,800.00 seconded by Rick Gray, Jr. and approved 4-0-0.

Rick Gray made a motion AT 8:00 P.M. to go into Executive Session per 1 M.R.S.A. § 405(6)(A) to discuss personnel matters and to include Town Manager, Theresa Haskell and Backup ACO, Tim Coston, seconded by Ray Bates and approved 4-0-0. The BOS returned from Executive Session at 8:36 p.m. Theresa asked if any of the BOS had any comments after returning from the Executive Session and Ray said that they would leave the final decision up to Theresa Haskell.

Selectmen’s Items:
Ray said that at the RSU Withdrawal Meeting it was discussed that Wiscasset had hired 2 outside consultants (former DOE employees) to do a school budget. At that meeting Ray was asked to call Jeff Slack (a Wiscasset Selectman) on their Withdrawal Committee to confirm how much they spent on said experts. His conversation with Mr. Slack was that they did not have a school budget done by the officials but that they actually had a legal firm do their school budget and write their separation agreement for RSU Withdrawal at cost of $40,000.00. Jeff said that Ray said that Mr. Nault was encouraging the Ad-Hoc committee to hire the former DOE employees to do our school budget for withdrawal. There was much discussion.

Chairman Ray Bates adjourned the meeting at 9:01 p.m.

These minutes were approved by the Board of Selectmen on October 8, 2013 as written.

The next Regular Board of Selectmen’s Meeting will be on October 8, 2013 at 6:00 p.m. at the Town Hall.

   d) Paving will begin tomorrow starting with the Choate Road.
   e) Road Maintenance Budget – Keith’s budget will be very minimal from now to June and he still needs to buy a lot more gravel for ditches and driveways. Much discussion. Ronnie Brann made a motion to approve the $6,577.10 to have the Barton Road on the South Belfast Road end from 18’ wide to 20’ wide seconded by Dan Gordon and approved 4-0-1 with Jonathan abstaining due to the fact that he works for Pike. Ronnie said that next year we need to have an October 1st deadline for all paving.

   a) Tim said he got hold of Minute Man signs and ordered some new signs. Will also have ACO signage at the TS letting people know when dog licenses are due.
   b) Rick asked about the ash pile. Tim & Theresa took pictures and sent them over to Mark Thompson at Waste Management. Mark gave Theresa information on how to go about getting rid of the ash pile. We will need to take a composite sample of the ash and send it to the lab. It will have to be approved before they can truck any ash to Norridgewock.

MINUTES OF THE BOARD OF SELECTMEN’S MEETING
OCTOBER 22, 2013
WINDSOR TOWN OFFICE

Note: These minutes may not be considered an official public record until such time as they are read and accepted by the Board of Selectmen Members.

Public Attending: Tom Reed, Rosie Vanadestine and Steve McGee.

Employees Attending: Theresa Haskell (Town Manager), Keith Hall (Road Supervisor), Tim Coston (Transfer Station Supervisor and Animal Control Officer) and Debbie French (Secretary to the BOS).

Ray Bates called the meeting to order at 6:00 p.m. with the Pledge of Allegiance.

Previous Meeting Minutes:
Ronnie Brann made a motion to approve the Minutes dated 10-8-13 as written seconded by Dan Gordon and approved 5-0-0.

Public Comment:
a) K.V.C.O.G. – Executive Director, Rosie Vanadestine, gave a presentation on the services they have to offer. She also mentioned the Transition Plan which includes a Strategic Planning Process and the Outreach/Marketing Plan they have. She also discussed the Mobilize Maine program and that they will be making the rounds to the communities once all the work has been accomplished to share with us the new services and what direction the organization is taking.

b) Shirley Isbister -- Shirley was on the agenda but did not attend the meeting.

Public Works:
a) Steve McGee: Would like to renew his contract for another year. Steve said he would be using the same trucks as last year and he also has a couple of spares. He told the BOS that the plowing would be at the same contract price as last year also. Jonathan Adams made a motion to renew the Sub-Contractor for Snow Removal Contract for 2013-2014 with McGee Construction with the same contract terms as last year seconded by Dan Gordon and approved 4-0-1 with Ronnie Brann abstaining because he does business with McGee Construction. The BOS, Theresa and Steve all signed the contract at the meeting.

b) Keith said Choate Road, Barton Road, Weeks Mills Road and Sampson Road have the shoulders done but the Wingood Road and Griffin Road still need to be done. Keith will give Theresa an update tomorrow on how many loads of gravel we have used.

c) Keith told the BOS that he will be working next week to get the trucks loaded with sanders and ready to go for the winter weather.

d) Keith said that Pike will be coming back to fix the end of Griffin Road on the Augusta Rockland Road side.

e) PW Addition: Plumbing is done and the walls and floors have been poured.

f) Keith wanted it to go on record that Rick Drew did an excellent job doing the roadside mowing this year.

g) Roadside Mowing: Rick Drew has already put in a proposal for roadside mowing for 2014 at the same price as this year and would guarantee the cost for three (3) more years. The unit price of two (2) mowing’s per year is $35.00 per hour for a sub-total price of $2,240.00 for the next three (3) years with the stipulation that if the fuel price exceeds $5.01 then the town would be subject to a fuel surcharge. Theresa and the BOS are very pleased with his work and would like to put it in the Town Warrant to be voted on to be able to renew the contract for up to 3-years without putting it out to bid like we did the plowing contract last year.
Transfer Station:
a) The trench has been dug and Finley’s Electric has laid the pipe and underground wiring from the Transfer Station Office to the Recycling Building.
b) The two (2) new compactors arrived today, but we were not told that they were coming and we also were not told that we needed a forklift to get them off the delivery truck! Keith said that they were fortunate to be able to have CMP help Keith and Tim to unload them.
c) Ronnie said to make sure and bag the controls on the compactors to protect them from the weather and to tarp the containers themselves.
d) Tim has a bag of ash ready to be sent to the lab for testing.
e) Tim said there is a small issue with the compactor. The binder pin is bent and the washer broke off. Tim said that we have another binder pin that he would like to put in the next time Waste Management comes to pick it up.
f) Tim said they need to burn the wood pile again – probably tomorrow night if it rains and he will have Walt work.
g) One of our containers is at the Town-owned trailer and they have started tearing it apart. It will require two (2) trips with the containers to haul everything off and Tim hopes to be done by Sunday.

Consideration of Payment Warrants # 17 & # 18:
Ronnie Brann made a motion to approve warrants # 17 & # 18 seconded by Rick Gray, Jr., and approved 5-0-0.

Old Business: None.

New Business: None.

Town Manager’s Items:
a) Two Certificate of Appointment: The Appointment Papers for Sarah Cunningham and Ronnie Brann were not done at the same time as Dr. Maggie Allen for the Windsor Educational Fund and Reed Trust Committee. Theresa told the BOS that she needed a motion to do this. Jonathan Adams made a motion to appoint Sarah Cunningham and Ronald Brann as the Windsor Educational Foundation and Reed Trust Fund members seconded by Rick Gray, Jr. and approved 4-0-1 with Ronnie Brann abstaining because this was regarding him.
b) Public Hearing: Ronnie Brann made a motion to have a Public Hearing on November 4, 2013 at the Board of Selectmen’s Meeting at 6:00 p.m. for the Adoption of the General Assistance Ordinance September 2013 and Appendix B seconded by Rick Gray, Jr. and approved 5-0-0.
c) Maine Municipal Employees Health Trust: Theresa received a letter from the MMA Health Trust stating that the Federal Affordable Care Act, also known as the Health Care Reform, which includes several provisions related to employer-sponsored health insurance coverage. One of the provisions includes a restriction on any waiting period for health insurance coverage that exceeds 90 days. At this time the Town of Windsor requires a 6-month waiting period. (Our Employee Manual says 6-month but MMA has us listed as a 4-month waiting period.) They are asking us to shorten the time to be no longer than 60-days (with coverage to begin on the first day of the month following the end of the waiting period that we select), no later than December 1, 2013. (Only full-time employees are eligible for health insurance.) Theresa said that she will have a Draft Employee Manual with this change and other changes that have been discussed at previous meetings at the next BOS Meeting on November 4, 2013. Theresa is hoping that the Employee Manual can be approved at the following meeting on November 19, 2013.
d) Vern said that he is pleased with the corrections needed on the Valuation Return form, but this is a form formatted by the State and cannot be changed. This is the first time that any BOS have noticed the clerical issues form from any of the towns he works for!
e) Trailer in Pine Ridge Trailer Park – Ronnie Brann made a motion to recess as BOS and to convene as Board of Assessors at 8:16 p.m. seconded by Dan Gordon and approved 5-0-0. Theresa said that Steve Chicoine from Chicoine Transport had been in and said that he had paid the taxes on Joe Palmer’s trailer so he
could move it. Joe had signed up for the Homestead Exemption back in June 2012 which went into effect on April 1, 2013. Angela Hinds, Deputy Clerk, said that she remembered taking Steve’s payment for said trailer taxes, so she placed the Town Seal on the form so he could move the trailer. This put a credit on the account because the taxes had not been committed yet so Steve had paid the full amount showing at that time. Steve is asking for a refund of the credit that is showing on this account of $119.20 since he was the one who paid it. **Ronnie Brann made a motion to refund Steve Chicoine of Chicoine Transport the amount of $119.20 seconded by Jonathan Adams and approved 5-0-0. Ronnie Brann made a motion to adjourn as Board of Assessors and to reconvene as the BOS at 8:17 p.m. seconded by Dan Gordon and approved 5-0-0.**

f) Job Description for Cemetery Sexton for the BOS to look over. Theresa would like to make this a hired position instead of BOS appointed. If the BOS agrees then we will have to put an ad out for this position. Much discussion. The BOS will make a decision at the next meeting.

g) Theresa would really like to have a full evaluation as Town Manager from the BOS. Ray Bates said that everyone has filled out their evaluation except for two (2) members. **Ronnie Brann will be abstaining due to personal reasons.**

**Selectmen’s Items:**

a) Rick Gray said that he has a scout that needs an Eagle project and he will probably be here at the next meeting.

b) Ronnie would like to know about the crushed flower at the cemetery. Shirley Isbister had called and said that she wasn’t happy that someone had mowed the flowers on her husband’s grave. The BOS looked at the pictures of the flowers and all agreed that it looked like something had laid in the flowers and flattened them. There are no tire marks, mowed grass or anything that would show that they were mowed down.

c) Ray said that the RSU Withdrawal Committee had a meeting with Cony High School to see about a ten (10)-year contract for the School of Record. Ray has not heard the outcome of that meeting as yet.

d) Ronnie said that there was a Windsor Educational Foundation and Reed Trust meeting last night and that he is very pleased with the new Principal. He believes that she is of the old school and that this is what we need.

**Chairman Ray Bates adjourned the meeting at 8:55 p.m.**

These minutes were approved by the Board of Selectmen on **November 4, 2013** with the following amendments:  
under Public Works c: should be sanders not sand; g: add $ and per hour; under Town Managers Items c: change 4-month to 6-month with explanation and under Selectmen’s Items b: change lain to laid.

The next Regular Board of Selectmen’s Meeting will be on **November 4, 2013** at 6:00 p.m. at the Town Hall.

MINUTES OF THE BOARD OF SELECTMEN’S MEETING
NOVEMBER 4, 2013
WINDSOR TOWN OFFICE

Note: These minutes may not be considered an official public record until such time as they are read and accepted by the Board of Selectmen Members.

Members present: Dan Gordon, Richard Gray, Jr., Ray Bates and Jonathan Adams. Ronnie Brann was absent.

Public Attending: Tom Reed.

Employees Attending: Theresa Haskell (Town Manager), Tim Coston (Transfer Station Supervisor and Animal Control Officer) and Debbie French (Secretary to the BOS).

Ray Bates called the meeting to order at 6:00 p.m. with the Pledge of Allegiance.

Ray Bates called the Public Hearing to Order at 6:01 p.m.

Public Hearing: General Assistance Ordinance, September 2013 and Adoption of Appendix B.

There was some discussion regarding the changes made. Tom Reed asked if we can actually make changes to this. Theresa read the procedures and said that we can make amendments to it if we feel that we need to. The BOS and Theresa went through the changes that the State of Maine did. Ray Bates declared public discussion closed and also closed the Public Hearing at 6:17 p.m. Jonathan Adams made a motion to adopt the General Assistance Ordinance; September 2013 seconded by Ray Bates and approved 4-0-0. Theresa went over Appendix B with the BOS and Jonathan Adams made a motion to adopt Appendix B seconded by Rick Gray, Jr. and approved 4-0-0.

Previous Meeting Minutes:

Rick Gray said that there are several corrections needed:

1. Under Public Works, C: Need to change sand to sanders.
2. Under Public Works, G: Need to add $ and per hour.
3. Under Town Managers Items, C: Need to change 4-month to 6-month with the explanation.
4. Under Selectmen’s Items B: Need to correct typo of lain to laid.

Theresa said that we will need to approve these minutes with the corrections that Rick had, but then we will also need to reverse what was approved as Assessors in the last meeting and approve it as BOS. Rick Gray, Jr. made a motion to approve the Minutes dated 10-22-13 with the changes: seconded by Dan Gordon and approved 4-0-0. Theresa said that we need to go into Board of Assessors now and reverse the previously approved decision on October 22, 2013. Jonathan Adams made a motion to recess as Board of Selectmen and to convene as Board of Assessors at 6:31 p.m. seconded by Ray Bates and approved 4-0-0. Ray Bates made a motion to reverse the decision as of October 22, 2013 regarding the Real Estate Account #1447 for $119.20 because our authority to act is as Board of Selectmen and not as Board of Assessors, seconded by Rick Gray, Jr. and approved 4-0-0. Theresa said that since we are in the Board of Assessors, the Board can review a letter from our Assessors’ Agent, Vern Ziegler, which indicates abatement to Federal National Mortgage Association (FNMA) in care of BMR Investments, LLC in the amount of $429.00 in taxes. This property was a bank foreclosure that also included an additional vacant lot. The bank has completed the renovations which included removing the back deck and lowered the quality from “Good” to “Average” and by doing so it resulted in a tax abatement of $429.00. Jonathan Adams made a motion to approve the abatement for Federal National Mortgage Association.

Old Business: None.

New Business: None.

Town Manager’s Items:
   a) Cemetery Sexton Job Description: There was much discussion regarding this. Theresa asked if the BOS wants her to advertise for this position and they said that they do. Debbie will need to make sure that this is in the paper for November 8th, 9th and 10th with all applications due by 5:00 p.m. on Tuesday, November 19th. The BOS made the decision to put the mowing of cemeteries out to bid for the next fiscal year. They made sure to say that the decision is no reflection of the job being done currently.
   b) Employee Manual: Theresa is asking the BOS to go over all the highlighted changes. There was much discussion!
   c) Town Hall Generator: Theresa said that she has received three (3) different prices on generators. One is on a PSS12H4W generator from Winco Inc., which if we want to increase this to a 14kw, then we will need to add on an additional $1,500.00. We also received information from Paul Rizzo from Power Point Generator who
gave a price on a Kohler 20 RESA 20kw with a Service Entrance Switch (200 amp), start up and test and a concrete pad for a total delivered price of $5,790.00. We also received another price from Mid Maine Generator, Steve Kaplan, for a Kohler RESA 20kw with a 200 amp service rated Kohler transfer switch and a concrete pad with a start up by a certified Kohler technician included with the generator purchase, provide and install carburetor heater with someone else to do the electrical & propane hookup, propane tank and fill. Theresa said that she believes that we should purchase the generator ourselves and send out bids for the remaining work that needs to be done.

d) **CMP Pole at Transfer Station:** Theresa will be meeting with CMP regarding the pole on Tuesday, November 12, 2013 at 8:30 a.m. at the Transfer Station.

e) **Pike’s Final Bill:** The total bill is $553,653.77 which ends up being $3,653.77 over budget which will have to come out of the Public Works Cost Center. We also had to have a lot of extra gravel to prepare for paving which between these two situations will make the Public Works Road Maintenance line under-budgeted.

f) **Amendment to 99-Year Lease:** Theresa has drawn up an Amendment to the 99-Year Lease between the Town of Windsor and the Windsor fair indicating an added parcel of land along the road going into the transfer Station before the gate. This parcel of land starts from the CMP Pole #61.3 which goes 127’ by 15’ by 130’ by 16’. This will allow us to have the large scales within the site. Arthur Strout has the contract right now that he will be asking Tom Foster, president of Windsor Fair to sign. The only issue that Theresa believes we have is that we will need to have a Special Town Meeting to have this 99-Year Lease approved by the townspeople since it does involve money. (This is adding more land to the lease which we only pay $1.00 per year for.) So, Theresa is recommending that we have a Special Town Meeting before December 15, 2013 because this is when the Windsor fair could change who the president is and if for some reason it changes, then we would have to start the process all over again.

g) **Lights at the Transfer Station – Recycling Area:** We will need to decide what kind of lights we will need. Do we send this out to bid? Right now we have temporary lights hanging that we borrowed from the Windsor Fair but we will need to have lights before winter.

h) **Transfer Station Holidays:** Currently the Transfer Station is open on Wednesdays, Fridays and Saturdays and there will be some holidays falling on those days. Theresa asked the BOS if they would like to close the transfer Station for these days or have it open and pay the employee overtime. The holidays are: Friday, November 29th (the day after thanksgiving), Wednesday, December 25, 2013 (Christmas) and Wednesday, January 1, 2014 (New Year’s Day) and the BOS said to just have those days closed.

**Selectmen’s Items:** None.

**Chairman Ray Bates adjourned the meeting at 8:59 p.m.**

These minutes were approved by the Board of Selectmen on **November 19, 2013** with the following amendments: **change state under Public hearing to State of Maine.**
