REPORT OF SCHOOL COMMITTEE

SUPERINTENDING SCHOOL COMMITTEE

E. N. Bickford, Term expires March 1919
J. S. Bragg, Term expires March 1920
C. E. Grover, Term expires March 1921

OFFICERS OF SCHOOL COMMITTEE

J. S. Bragg, Chairman.
R. L. Sinclair, Secretary.

SUPERINTENDENT OF SCHOOLS

R. L. Sinclair.

To the Members of the Superintending School Committee and the Citizens of Winter Harbor:

Owing to the loss of time caused by closing the schools on account of the epidemic of influenza, the work of the schools has been much handicapped since the beginning of the present school year. However, the teachers are carrying on their work in a satisfactory manner and are giving careful attention to the required essentials of the course of study. By making up a part of the lost time on Saturdays, we shall be able, providing no more time is lost, to maintain our usual school year of thirty-six weeks.

At the close of the last school year in June, 3.3% failed of promotion, these being in the primary and junior high. This was .5% higher than the previous year and was due to frequent changing of teachers in these schools. During the
present school year conditions have been more satisfactory in these two schools.

During the past school year there has been a total enrollment of 114 pupils in the grades, with an average daily attendance of 92.3. Three boys and three girls completed the work of the elementary schools.

**High School.**

We were fortunate in retaining Miss Dyer as assistant, and in Mr. Harold Warren we have a faithful, conscientious and capable principal. Our high school is the largest it has ever been and all the school activities of the present year have been healthful and commendable. Our new reference books have been of great value to the school, and through the activity of Mr. Warren we have secured the use of two traveling libraries from the State library at Augusta.

**Text Books.**

Increase in the size of our high school has made an increase in the cost of text books for that school. While the grades seem well supplied, the high school will need a large outlay in text books the coming year. I would suggest the same appropriation as last year for this account, with an appropriation of $75.00 for reference books.

**Conclusion.**

In closing this, my fourth annual report, I wish to acknowledge the hearty co-operation that I have received from teachers who have labored faithfully to make this year’s work a success.

To the School Committee I desire to express my gratitude for their loyal support and assistance.

To the town officials, with whom I have done business, I
wish to express my appreciation for their kindness and many accommodations.

I wish to take this opportunity to thank all who have aided the schools in any way during the past year.

Respectfully submitted,

R. L. Sinclair.
