JOHN F. MERRILL, Treasurer.
School Report.

In my report this year I shall endeavor to give the condition of the school property under my charge.

The East Fryeburg school-house has been painted two coats outside this year, another season it will need a coat of paint inside, which will cost about $20.00.

The stove is unsafe, I would advise buying a new one, and twenty-five feet of funnel, which will cost about $15.00.

The Harbor school-house needs a coat of paint inside, which will cost about $20.00, it also needs two new blackboards. I would advise taking those from No. 1 or No. 2.

The Menotomy school-house is in good repair (with the exception of the funnel) about $75.00 having been expended on it during the year. The funnel is unsafe therefore I would advise buying twenty-five feet of new funnel, which will cost about $5.00.

The Haley school-house will need no repairs the coming year.

The Toll Bridge school-house will need no repairs, but I would advise the erection of a new wood-shed which will cost about $25.00.

The Fryeburg Ctr. school-house is in very poor repair.

It should be replastered in places, painted inside and out, which will cost about $60.00, it also needs new seats. I would advise taking those from No. 1. and No. 2.

The West Fryeburg school-house is in good repair outside, but inside it should be replastered in places, and painted. which will cost about $30.00.
It needs a new stove, and twenty-five feet of funnel, which will cost about $15 00, also new seats.

I would advise the balance of those in No. 1 and No. 2 be used for that purpose.

I would advise that when the new school-building is completed, school-house No. 2, be sold to the highest bidder.

I would advise that school-house No. 1, be deeded to the Woman's Library Club of Fryeburg for the consideration of one dollar.

Said school-house to be used for a Library, for the entire town, and when said building shall be used for any other purpose it shall revert to the town without condition.

You will notice I have not mentioned the North Fryeburg school-house as a special committee has that in charge.

The erection of the new school-building of three rooms will necessitate the third teacher, and said building must be under the charge of a competent Janitor therefore making more expense.

In consideration of these facts, I would recommend that the town raise $2500.00 for the support of schools. $200.00 for text books, and $50.00 for school supplies.

The following is the itemized account of money expended by your Superintendent.

**HARBOR SCHOOL.**

Spring Term, No. scholars 35.

Paid Grace Norton for teaching 10 weeks,  $100 00
" Mrs. Thompson for cleaning school-house,  3 00
