Whole number registered ................................................. 11
Average attendance ...................................................... 9
Number not absent one-half day .................................... 1
Length of term, 12 weeks.

Number of teachers employed during the year ..................... 11

I have furnished the schools in town with new readers and
spellers, also histories and geographies.
The grammars in use are not an up-to-date book. I recommend
a change.
The arithmetics are in bad condition, it will be necessary to have
new ones. If the town continues to furnish free text-books we
must make an appropriation this year.
Respectfully submitted,

J. H. Cowan,
Superintendent of Schools.

Glenburn, February 26, 1902.
