ANNUAL REPORT
OF THE MUNICIPAL OFFICERS
OF THE TOWN OF GLENBURN
FOR THE YEAR 1910-1911

This Book was done at the office of The Thomas W. Burr Printing Company, 27 Columbia Street, Adams Building, Bangor, Maine, who make a specialty of this line of Printing, but who also do almost anything in the line of Book and Job Printing—and most respectfully solicit your patronage. Prices always right.
calls attention to the fact that the Bangor Daily News during a period of 15 months had in its local columns 301 instances of students of this school taking positions. The school has recently enlarged its quarters and no business college in Maine has quarters that are in a class with it. Free catalogue.

GEO. D. HARDEN, Treasurer
Bangor, Maine

YOU HAVE SOME PRINTING DONE?

Of course you want it done right, you want it to be your good representative in many instances—poor unworkman-like printing is very expensive at any price. We do the best and do it at fair prices.

We would like to count you among our regular customers and will do our very best to please you in quality, workmanship and price.

We do all kinds of Book and Job Printing—nothing too large—nothing too small. Some of the things we do:

Letter Heads, Packet Heads, Bill Heads, Note Heads, Statements, Envelopes, Checks, Notes, Receipts and all kinds of Municipal Blanks, Society and Wedding printing, Circulars, Announcements, Business Cards, Handbills, Posters, Books, Pamphlets—in fact we do almost anything in the way of printing.

We have the best equipped plant in the State, and carry the largest stock of papers of any printing office east of Boston. We will appreciate your favors in this line.

CLOTHING FOR 1911

You'll begin pretty soon to think about getting some new clothes. If you bought Hart, Schaffner & Marx clothes last year, they're probably good for another season; that's the kind of clothes they are.

As soon as you make up your mind that you're going to have new clothes, we want to show you the new things from Hart, Schaffner & Marx; some special new models in young Men's styles that will make the young fellows open their eyes.

Lots of other good things to wear, of course; we can outfit you completely. Glad to see you whenever you're ready.

Glenburn schools have been in session 30 weeks and all schools have made good progress. I have changed the ungraded work to grade work as far as could be done in a short time, as a great many things must be worked out in the year to come. Another year will be more marked. Nearly all 9th grade pupils will be able to take the high school examination at the close of next spring term with good results. The west side school suffered from the change of teachers, having a different teacher each term, which is not for the best interest of any school. I find irregular attendance of many is a source of injury to a school. No teacher can do her best work with pupils who come one day and are absent two or three. Until school officers can find some way to prevent this no teacher or school can do their best work. We are in need of arithmetics to take the place of those we are using which are badly worn. The schools are in need of maps as there is not one in town. I have worked for your schools and their interest, aided by the S. S. Committee, whose words of advice and cheer have greatly helped me in the work. Every encouraging word has been appreciated. Trusting that results will speak for the work of the year better than words can do,

I very respectfully submit this my first report to the people of Glenburn.

MILDRED L. HANSON,
Supt. of Schools.
