F. ALBERT THAYER,
Tax Collector Town of Glenburn.

March 1, 1926.
To the Superintending School Committee and Citizens of Glenburn:

I herewith submit the annual report of the schools of Glenburn for the year ending February 20, 1926.

Superintending School Committee
Myron Alexander, term expires March 1926.
Charles M. Drew, term expires March 1927.
Mrs. Eva MacDonald, term expires March 1928.
Superintendent, Elmer B. Eddy.

I am pleased to say that the work done in our schools during the past year has been very satisfactory. We have been very fortunate in the selection of our teachers. They have labored hard and excellent results have followed. The interest the parents have manifested in the work has been especially helpful and encouraged the teachers.

I shall try to retain both of our teachers for next year, as we now have the benefit of trained and efficient service. Experience has established the fact that the surest way to promote the educational interests of a town is to employ teachers of assured ability and having obtained such teachers, by retaining them as long as possible in the same school.

We are quite well supplied with books and in very good condition. Some of them are out of date and should be changed this year.

I feel that considerable appreciation is due the citizens of the town. You have been very liberal in your appropriations for repairs for the past few years. Buildings have been re-modeled.
proper sheds and toilets have been provided, special attention has been given to heating, lighting and ventilation, school grounds fenced and many other changes made for the benefit of the pupils. A small appropriation will care for the general repair work and the additional seats needed at Glenburn Center.

Following are the amounts recommended for consideration of the voters in annual session:

To the School Committee and Citizens, I desire to express my gratitude for their loyal support and assistance.
