Report of Superintendent of Schools

To the Superintending School Committee and the Citizens of Glenburn:

I herewith submit the annual report of the schools of Glenburn for the year ending February 15, 1927.

SUPERINTENDING SCHOOL COMMITTEE

C. M. Drew Term expires March, 1927
Mrs. Eva MacDonald Term expires March, 1928
G. H. Cookson Term expires March, 1929

I am pleased to say that the work done in our schools during the past year have been very satisfactory.

The teachers have been conscientious in their efforts to do good work and the parents have co-operated in every way possible.

Both of last year’s teachers returned. Miss Vera Porteous at Glenburn Center has shown marked ability in directing the work of this school.

Miss Helen Bowen at W. Glenburn, cheerfully accepted the additional work and has carried it along in a satisfactory manner.

At the opening of the fall term it was found that the teacher could not properly handle the number of grades in the Center school. After due consultation with the School Committee, we found the only solution of this problem was to employ an assistant for part time. We were fortunate in securing the services of Elizabeth Vickery for the fall term and Ella Drew for the winter term. Additional room is needed, as it will be necessary to employ two teachers in the future.
During the fall term it was necessary to change all pupils on the car line from the Sherburne school to West Glenburn. Mr. A. E. Berry was employed to convey them, I think all concerned are well satisfied with the change.

In the future arrangements should be made to care for all pupils in our own schools.

Following are amounts recommended:

- Common schools: $2,300.00
- H. S. tuition: 200.00
- Appliance: 100.00

I wish to express my sincere appreciation to Miss Vera Porteous and Miss Helen Bowen, for co-operation at all times and the excellent work they have done.

To the School Committee and town officials, with whom I have done business, I wish to express my appreciation for their kindliness and many accommodations.
